AccessTel, Inc. Notes to Financial Statements (Unaudited) Three Months Ended March 31, 2002 and 2001

1. Organization and Basis of Presentation

Organization - Shopss.com, Inc., a Utah corporation, changed its name to AccessTel, Inc. effective February 16, 2001, in conjunction with the acquisition of AccessTel, Inc., a Delaware corporation, in a reverse merger transaction effective December 18, 2000. Litigation to rescind this transaction was subsequently commenced on May 1, 2001, and a receiver was appointed on May 3, 2001 to manage the business affairs of the Company. AccessTel, Inc., formerly Shopss.com, Inc., is referred to herein as the "Company".

Edgar Filing: ACCESSTEL INC /UT/ - Form 10QSB

Basis of Presentation - The financial statements as of December 31, 2001 and for the three months ended March 31, 2002 and 2001 include the assets and liabilities of Shopss.com, Inc.'s operations and exclude the assets and liabilities of AccessTel, Inc.'s operations due to the rescission litigation.

The accompanying interim financial statements have been prepared based on the information available to current management, but due to the commencement of litigation and the appointment of a receiver, such information may not be complete or accurate. Information provided herein is given to the best knowledge of the receiver, and where it is indicated herein that "management believes" or similar references to management's knowledge, this information is provided to best knowledge of the receiver, and not management. A copy of this document has been provided to members of management, and the receiver has used his best efforts to have this document reviewed by them and, if appropriate, amended and updated.

Comments - The accompanying interim financial statements are unaudited, but in the opinion of management of the Company, contain all adjustments, which include normal recurring adjustments, necessary to present fairly the financial position at March 31, 2002, the results of operations for the three months ended March 31, 2002 and 2001, and the cash flows for the three months ended March 31, 2002 and 2001. The balance sheet as of December 31, 2001 is derived from the Company's audited financial statements.

Certain information and footnote disclosures normally included in financial statements that have been presented in accordance with generally accepted accounting principles have been condensed or omitted pursuant to the rules and regulations of the Securities and Exchange Commission with respect to interim financial statements, although management of the Company believes that the disclosures contained in these financial statements are adequate to make the information presented therein not misleading. For further information, refer to the financial statements and notes thereto included in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2001, as filed with the Securities and Exchange Commission.

The results of operations for the three months ended March 31, 2002 are not necessarily indicative of the results of operations to be expected for the full fiscal year ending December 31, 2002.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Going Concern - The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. The Company has suffered recurring losses, has no operations and has a deficiency in working capital and shareholders' equity at March 31, 2002 and December 31, 2001. These factors raise substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. The Company's independent certified public accountants have included a modification paragraph in their report on the Company's financial statements for the year ended December 31, 2001 with respect to this matter.

Net Loss Per Common Share - Basic loss per common share is calculated by dividing net loss by the weighted average number of common shares outstanding during the period. Diluted loss per common share reflects the potential

Edgar Filing: ACCESSTEL INC /UT/ - Form 10QSB

dilution that would occur if all dilutive stock options and warrants were exercised. These potentially dilutive securities were anti-dilutive for all periods presented, and accordingly, basic and diluted loss per common share is the same for all periods presented.

2. Litigation

Effective December 18, 2000, the Company entered into a Share Exchange Agreement by and among Shopss.com, Inc., AccessTel, Inc., a Delaware corporation, and the shareholders of AccessTel, Inc., pursuant to which the Company acquired all of the shares of AccessTel, Inc. in exchange for 36,100,540 shares of common stock, which represented 80% of the issued and outstanding of common stock of the Company after giving effect to the transaction. At the closing of this transaction, the existing officers and directors resigned, and new officers and directors were appointed.

On May 1, 2001, Reed & Wangsgard, L.C. (formerly Droz, Reed & Wangsgard, L.C.) filed suit in the Third Judicial District Court of Salt Lake County, State of Utah (the "Court"), Civil No. 010903821 (the "Action"), to assert claims, on behalf of its clients, prior management of the Company, against AccessTel, Inc., a Delaware corporation, and the original shareholders of AccessTel, Inc. The Complaint demands rescission of the Share Exchange Agreement, and alleges that the Company was induced to enter into the Share Exchange Agreement through a series of false representations made by AccessTel, Inc. and its shareholders. The Complaint also includes alternative causes of actions for fraud, conversion, injunctive relief, and the issuance of a Writ of Replevin. On May 3, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable Raymond Uno, Judge of the Court, issued an Order appointing Leonard W. Burningham, Esq., a member of the Utah State Bar, as receiver for the Company. Pursuant to such Order, the receiver is authorized to prepare and file reports with the Securities and Exchange Commission.

On May 16, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Temporary Restraining Order prohibiting the transfer of any shares of common stock issued by AccessTel, Inc. and/or Shopss.com, Inc. which were issued in the name of any defendant (other than the transfer agent) or held for the benefit of any such defendant.

On May 27, 2001, pursuant to the motion of Reed & Wangsgard, L.C., the Honorable L.A. Dever, Judge of the Court, issued a Preliminary Injunction enjoining Atlas Stock Transfer Company from registering the transfer of, or reissuing, any shares of common stock issued by the Company and/or Shopss.com, Inc. which were issued in the name of any defendant (other than Atlas Stock Transfer Company) or are held for the benefit of any defendant to the suit.

On January 17, 2002 Reed & Wangsgard, L.C. received written confirmation from an agent of the Board of Directors of AccessTel, Inc., a Utah corporation, that said Board of Directors have come to a unanimous decision to settle the claim for rescission of the Share Exchange Agreement by rescinding the Share Exchange Agreement. However, the Board of Directors of AccessTel, Inc., a Utah corporation, failed and/or refused to follow through with their agreement to rescind the Share Exchange Agreement. As a result, Reed & Wangsgard, L.C. filed a Motion to Enforce Settlement with respect to the agreement to rescind the Share Exchange Agreement. Although the Motion to Enforce Settlement has not been scheduled to be heard, AccessTel, Inc. has not timely filed a response to that motion.

During February 2002, pursuant to the motion of counsel for AccessTel, Inc., a Delaware corporation, and the original shareholders of AccessTel, Inc., the Honorable L.A. Dever, Judge of the Court, issued an order limiting the Court's jurisdiction over certain of the Defendants. As a result, the court continued to have jurisdiction over the corporate defends and through it, plaintiffs may

Edgar Filing: ACCESSTEL INC /UT/ - Form 10QSB

assert claims arising from the allegedly wrongful conduct of current management.

The parties to the lawsuit are currently involved in settlement negotiations. Although it is currently anticipated that this lawsuit will be settled, which is expected to include rescission of the Share Exchange Agreement, there can be no assurances in this regard. It is anticipated that once the lawsuit is settled and the Share Exchange Agreement is rescinded, the Company will seek to acquire a new business opportunity, which may require related debt or equity financing, although there can be no assurances that the Company will be successful in this regard.

3. Transactions with Shareholder

During the three months ended March 31, 2002, a shareholder made advances to or on behalf of the Company aggregating \$9,711, pursuant to a line of credit with interest at 1% below the prime rate. Related interest expense recorded during the three months ended March 31, 2002 was \$576. These advances have been used to fund general and administrative expenses, consisting primarily of legal and accounting fees. There can be no assurances that the shareholder will continue to make such advances to or on behalf of the Company. The Company also incurred fees to the shareholder for services rendered of \$28,500 for the three months ended March 31, 2002.

4. Stockholders' Deficiency

On January 16, 2001, the Board of Directors of the Company unanimously adopted and a majority of the shareholders approved a stock option plan that provides for the issuance of up to 20,000,000 shares of common stock of the Company.

On January 24, 2001, the Board of Directors of the Company unanimously adopted and a majority of the shareholders approved an amendment to the Articles of Incorporation to increase the total authorized number of shares of capital stock from 50,000,000 to 120,000,000, of which 100,000,000 shares are common stock and 20,000,000 shares are preferred stock.

On February 16, 2001, the Company filed Articles of Amendment to its Articles of Incorporation with the State of Utah to change the name of the Company from Shopss.com, Inc. to AccessTel, Inc., and to increase the Company's equity capitalization to 100,000,000 shares of common stock and 20,000,000 shares of preferred stock.

5. New Accounting Pronouncements

In July 2001, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets" ("SFAS No. 142"), which is effective January 1, 2002. SFAS No. 142 requires, among other things, the discontinuance of goodwill amortization. In addition, SFAS No. 142 includes provisions for the reclassification of certain existing recognized intangibles as goodwill, reassessment of the useful lives of the existing recognized intangibles, reclassification of certain intangibles out of previously reported goodwill and the identification of reporting units for purposes of assessing potential future impairments of goodwill. SFAS No. 142 also requires the Company to complete a transitional goodwill impairment test six months from the date of adoption. The Company is reviewing the requirements for adopting and the implications of adopting SFAS No. 142. The Company does not believe that the adoption of SFAS No. 142 will have a material effect on the Company's financial statement presentation or disclosures.

Edgar Filing: ACCESSTEL INC /UT/ - Form 10QSB

In August 2001, the FASB issued Statement of Financial Accounting Standards No. 143, "Accounting for Asset Retirement Obligations" ("SFAS No. 143"), which is effective January 1, 2003. The Company is reviewing the requirements for adopting and the implications of adopting SFAS No. 143. The Company does not believe that the adoption of SFAS No. 143 will have a material effect on the Company's financial statement presentation or disclosures.

In October 2001, the FASB issued Statement of Financial Accounting Standards No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets" ("SFAS No. 144"), which is effective January 1, 2002. The Company is reviewing the requirements for adopting and the implications of adopting SFAS No. 144. The Company does not believe that the adoption of SFAS No. 144 will have a material effect on the Company's financial statement presentation or disclosures.
