Contractual Arrangements Regarding Changes in Control.

Effective as of September 5, 2003, our Company; Omni Medical of Nevada, Inc., a Nevada corporation ("Omni"), and the stockholders of Omni (the "Omni Stockholders"), executed an Agreement and Plan of Reorganization (the "Reorganization Agreement"), whereby we agreed to acquire 100% of the issued and outstanding shares of common stock of Omni in exchange for 16,000,000 post-split shares of our common stock or approximately 88.8% of our post-Reorganization Agreement outstanding securities.

By virtue of (i) the percentage of our Company acquired under the Reorganization Agreement by the Omni Stockholders; and (ii) the subsequent

Edgar Filing: PIEZO INSTRUMENTS INC - Form PRE 14C

resolutions of our Board of Directors that provided for the election of the current directors and executive officers of Omni to our Board of Directors and the resignation of our current directors and executive officers, in seriatim, the Reorganization Agreement is deemed to have involved a "change of control" of our Company.

The source of the consideration used by the Omni Stockholders to acquire their respective interests in our Company was the exchange of common stock of Omni.

The primary basis of the "control" by Omni is stock ownership and/or management positions.

On the closing of the Reorganization Agreement, and excluding the securities to be exchanged for the Omni common stock, our outstanding common stock amounted to approximately 2,000,000 shares or approximately 11.1% of the post-Reorganization Agreement outstanding common stock of our Company; we acquired the shares of the majority stockholders of Omni and exchanged 9,053,811 shares of the 16,000,000 post-split shares to be issued to the Omni Stockholders pursuant to the Reorganization Agreement, resulting in Omni becoming a majority-owned subsidiary of our Company. We will attempt to complete the acquisition of the remaining shares of Omni within the next thirty (30) days.

Accordingly, and assuming all of the Omni Stockholders become party to the Reorganization Agreement, there will be 18,000,000 post-Agreement outstanding shares of our common stock.
