**Item 1.01 Entry into a Material Definitive Agreement.**

The Company previously announced that it had entered into an agreement to settle a class action lawsuit (Niederklein v. PCS Edventures!.com, Inc., et al., U.S. District Court for the District of Idaho, Case 1:10-cv-00479-CWD), which had been brought on behalf of shareholders who purchased shares of the Company's common stock during the period between March 28, 2007, and August 15, 2007, subject to further proceedings and approval by the Court. While the Company denies the allegations made in the class action lawsuit, the settlement was entered to eliminate the burden and expense of further litigation. Moreover, neither the settlement nor any of its terms constitute an admission of any wrongful conduct. If the settlement is approved, the Company and its insurance carrier are obligated to pay the sum of \$665,000 in full settlement of the class action. A copy of the Stipulation of Settlement is attached hereto as Exhibit 10.1 and incorporated herein, with the foregoing summary modified in all respects by such reference.

On October 5, 2011, the Court granted preliminary approval to the settlement, approved the notices that would be sent to potential class members and scheduled the Settlement Fairness Hearing for February 22, 2012, at which time the Court will decide whether to grant final approval. A copy of the Court's Order is attached hereto as Exhibit 10.2 and incorporated herein, with the foregoing summary modified in all respects by such reference.
