SHOPNET.COM, INC. AND SUBSIDIARIES

NOTES TO FINANCIAL STATEMENTS

NOTE 1- ORGANIZATION

Shopnet.com, Inc. ("Shopnet" or the "Company") was incorporated in the State of Delaware on December 1, 1995 under the name of Hollywood Productions, Inc. It was formed for the purpose of acquiring screenplays and producing motion pictures. On May 10, 1999, the Company filed an amendment to its Articles of Incorporation to change its name to Shopnet.com, Inc. On May 12, 1999, Shopnet incorporated a new wholly owned subsidiary, Hollywood Productions, Inc. ("Hollywood"), to which the Company assigned all of its film rights. Accordingly, Shopnet is considered a holding company. During September 1996, simultaneously with the completion of its Initial Public Offering ("IPO"), Shopnet acquired all of the capital stock of Breaking Waves, Inc. ("Breaking Waves"). Breaking Waves designs, manufactures, and distributes private and brand name labels of children's swimwear nationally. As of June 30, 2001, Shopnet and all of its subsidiaries changed their financial year end from December 31 to June 30.

NOTE 2- INTERIM RESULTS AND BASIS OF PRESENTATION

The accompanying unaudited consolidated financial statements as of December 31, 2001 and for the six month periods ended December 31, 2001 and December 31, 2000 and for the three month periods ended December 31, 2001 and December 31, 2000 have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10-QSB and Items 303 and 310 of Regulation S-B. In the opinion of management, the unaudited financial statements have been prepared on the same basis as the annual financial statements and reflect all adjustments, which include only normal recurring adjustments, necessary to present fairly the financial position as of December 31, 2001 and the results of operations and cash flows for the six month periods ended December 31, 2001 and December 31, 2000 are not necessarily indicative of the results to be expected for any subsequent quarter or the entire fiscal year. The balance sheet at June 30, 2001 has been derived from the audited financial statements at that date.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted pursuant to the Securities and Exchange Commission's rules and regulations. The Company believes, however, that the disclosures in this report are adequate to make the information presented not misleading in any material respect. The accompanying consolidated financial statements should be read in conjunction with the audited financial statements of Shopnet.com, Inc. and Subsidiaries as of June 30, 2001 and for the six month period then ended and notes thereto included in the Company's report on Form 10-KSB filed on October 15, 2001.

The Company in the quarter ended December 31, 2001 has implemented a number of initiatives which it believes will

Edgar Filing: SHOPNET COM INC - Form 10QSB

reduce its costs of operations and alleviate in the following six months its working capital deficiency. In particular, the Company believes that the repayment of its indebtedness to Century (See Note 6 (b)) and the recent reductions in interest rates will reduce interest expense. Shopnet has chosen not to renew its lease for its executive facilities.

SHOPNET.COM, INC. AND SUBSIDIARIES

NOTES TO FINANCIAL STATEMENTS

NOTE 2- INTERIM RESULTS AND BASIS OF PRESENTATION (continued)

In December 2001, the Company consolidated all of its operation's in the New York metropolitan region into one new facility (See Note 9(a)), creating a savings through synergies in office expense and decrease in rent and salaries. The Company has, also, recently refocused its sales efforts, to the extent possible, to eliminate unprofitable or low margin sales and has had improved sales and orders for the current fiscal year.

NOTE 3- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Recently adopted accounting principles - Film accounting

Pursuant to SFAS no. 139, the Company adopted Statement of Position ("SOP") 00-2, "Accounting by Producers or Distributors of Films" during the six months ended December 31, 2001. SOP 00-2 established new film accounting standards, including changes in revenue recognition and accounting for advertising, development and overhead costs. Specifically, SOP 00-2 requires advertising costs for theatrical and television products to be expensed as incurred. This compares to the Company's previous policy of first capitalizing these costs and then expensing them over the related revenue streams. In addition, SOP 00-2 requires development costs for abandoned projects and certain indirect overhead costs to be charged to film costs, which was required under the previous accounting rules, SOP 00-2 also in other areas, such as revenue recognition, generally are consistent with the Company's existing accounting policies. SOP-002 was adopted as of July 1, 2001, and had no effect on the Company's consolidated results of operations, financial position or cash flows.

b) Recently issued accounting pronouncements

The Company does not believe that any recently issued but not yet effective accounting standards, have a material effect on the Company's consolidated financial position, results of operations or cash flows except for the effect of adoptions of SFAS No. 142, " Goodwill and Other Intangible assets". It addresses how intangible assets that are acquired individually or with a group of other assets (but not those acquired in a business combination) should be accounted for in financial statements upon their acquisition. SFAS 142 also addresses how goodwill and other intangible assets should be accounted for after they have been initially recognized in the financial statements. The Company will be adopting the provisions of

Edgar Filing: SHOPNET COM INC - Form 10QSB

this new standard beginning with the first quarter of 2002. During June 2001 SFAS No. 141, "Business Combinations" (SFAS No, 141") was released. This standard addresses financial accounting and reporting for business combinations. All business combinations within the scope of SFAS 141 are to be accounted for using one method - the purchase method. The provisions of SFAS 141 apply to all business combinations is prohibited. It also applies to all business combinations accounted for using the purchase method for which the date of acquisition is July 1, 2001 or later.

Breaking Waves purchases 100% of its inventory from two vendors, one in Indonesia and the other in Samoa. Breaking Waves believes other sources and vendors are available and that it is not dependent exclusively on these vendors.

c) Seasonality

Breaking Waves' business is considered seasonal with a large portion of its revenues and profits being derived between November and March. Each year from April through October, Breaking Waves engages in the process of designing and manufacturing the following season's swimwear lines, during which time it incurs the majority of its production costs with limited revenues and also engages in the sale of product at negative gross margins to remove slow moving items and decrease its carrying cost.

d) License agreements

- i) On October 16, 1995, Breaking Waves entered into a license agreement with Beach Patrol, Inc. ("Beach") for the exclusive use of certain trademarks in the United States. The agreement covered a term from January 1, 1996 to June 30, 1998 and contained a provision for an additional three-year extension, at the option of Breaking Waves, through and until June 30, 2001. Breaking Waves had exercised this option, thereby so extending the agreement. The agreement called for minimum annual royalties of \$75,000 to \$200,000 over the life of the agreement with options based on sales levels from \$1,000,000 for the first year to \$4,000,000 in the sixth year. Breaking Waves has negotiated an additional two-year extension thereby extending the agreement through and until June 30, 2003, and it contains a provision for an additional two-year extension, at the option of Breaking Waves, through and until June 30, 2005. The new agreement signed February 28, 2001 and effectively July 1, 2001 calls for minimum annual royalties of \$50,000 to \$87,500 over the life of the extension with option based on sales levels from \$1,000,000 for the seventh year to \$1,750,000 in the tenth year. Breaking Waves recorded royalties under this agreement totaling \$10,000 and \$63,897 during the six months ended December 31, 2001 and 2000 respectively.

The agreement calls for a royalty fee of 7% of net sales with guaranteed minimum annual royalties of \$70,000 to \$140,000 over the life of the agreement. Breaking Waves recorded royalties under the agreement totaling \$42,611 and \$8,859 for the six months ended December 31, 2001 and 2000, respectively.

e) Co-production and property purchase agreements

Pursuant to co-production and property purchase agreements dated March 15, 1996, as amended, the Company acquired the rights to co-produce a motion picture and to finance the costs of production and distribution of such motion picture with the co-production. The Company retains all rights to the motion picture with the co-producer agreeing to finance \$100,000 of the cost of production. The Company retains all rights to the motion picture, the screenplay, and all ancillary rights attached thereto. The motion picture was completed during the latter part of 1996 and, accordingly, the Company commenced the marketing and distribution process.

Edgar Filing: SHOPNET COM INC - Form 10QSB

As of December 31, 2001, the Company invested \$1,971,956 for the co-production and distribution of such motion pictures whereas the co-producers have invested \$100,000. For the six months ended December 31, 2001 and 2000, the Company derived no revenue from the motion picture and amortized no film costs.

For the six months ended December 31, 2001 and 2000 the Company has written down its film production and distribution costs by \$0 and \$50,000, respectively, in order to reduce the asset to its estimated net realizable value.

f) Litigation

On or about June of 2000, an action was brought in the Queens County Supreme Court against the Company and several others claiming, among other things, that the Company allegedly breached a contract and engaged in fraudulent statements (including supposedly promising the plaintiff options and then not allowing the plaintiff to exercise these options). The plaintiff seeks, among other things, compensatory damages in the amount of \$497,500, punitive damages in the amount of \$995,000, together with costs and attorney's fees. The Company intends to contest the action vigorously and believes that such claims against it are baseless and without merit.

In or about December 2001, a group of over 275 foreign plaintiffs commenced an action entitled Abeln v. Arbel, et. al in the United States District Court for the Southern District of New York naming the Company, along with over 30 other entities and individuals as defendants. The Company has not yet been served with the summons and complaint, and cannot discern if such service will be effectuated. Thus, the Company is not yet a party to the suit.

The Complaint purports to state claims, among others, for securities fraud, RICO, breach of contract, common law fraud and breach of fiduciary duty allegedly arising out of the defendants' supposed involvement with the preferred stock of Europe American Capital Corporation ("EACC"). The complaint is unclear but it appears that only the RICO and common law fraud claim are alleged as against the Company.

f) Litigation (continued)

Among other things, the plaintiffs claim that a large amount of EACC's funds have been invested in the Company. The plaintiffs allege that they incurred losses and damages in excess of \$25,000,000. The action seeks an unstated amount of monetary damages together with punitive damages.

Should the Company be served, it anticipates seeking Court

Edgar Filing: SHOPNET COM INC - Form 10QSB

approval to make a motion to dismiss the complaint for among other reasons, failure to state claim.

In light of the early stage of this action, the Company's counsel is unable to form an opinion as to the likelihood of an unfavorable outcome.

NOTE 10- STOCKHOLDERS' EQUITY

a) Earnings per share

Earnings per common share is computed pursuant to Statement of Financial Accounting Standards (SFAS) No. 128 "Earnings Per Share" ("EPS"). Basic earnings per share is computed as net income (loss) available to common shareholders divided by the weighted average number of common shares outstanding for the period. Diluted EPS reflects the potential dilution that could occur from common shares issuable through stock options, warrants and other convertible securities. Diluted EPS is not presented since the effect would be anti-dilutive.

b) Warrants

- i) Initially, each Warrant issued in the initial public offering of September 24, 1996 entitled the holders thereof to purchase one share of the Company's common stock at an exercise price of \$6.50 per share, until September 9, 2001. On August 31, 2001, the Company extended the term of its warrants by 18 months, the Warrants will now expire on March 10, 2003. On June 23, 1997, the Board of Directors approved a reduction in the exercise price of the Warrants from \$6.50 to \$3.00. On February 5, 1998, the Company effected a one for three reverse split of the Company's common stock. Accordingly, the Company adjusted the terms of the Warrants to reflect the reverse split such that exercise of three Warrants would entitle the holder to purchase one share of common stock at an exercise price of \$9.00. Giving effect to the January 1999 100% common stock dividend, the January 2000 10% common stock dividend and the May 2000 20% common stock dividend, the warrants have been cumulatively adjusted such that the exercise of each warrant at an exercise price of \$3.41 purchases .88 of a share of common stock.

General

Shopnet.com, Inc. ("Shopnet" or the "Company") was incorporated in the State of Delaware on December 1, 1995 as Hollywood Productions, Inc. On May 10, 1999, Shopnet filed an amendment to its Articles of Incorporation effecting a change in its name to its current one. On May 12, 1999, it incorporated a new wholly-owned subsidiary, Hollywood, to which it assigned its motion picture business thereby rendering Shopnet a holding company for Hollywood and another wholly-owned subsidiary, Breaking Waves. Shopnet was formed initially for the purpose of acquiring screenplays and producing motion pictures. In September 1996, in connection with the completion of its IPO, it acquired all of the capital stock of Breaking Waves which designs, manufactures, and distributes private and brand name label children's swimwear. As of June 30, 2001, the company changed its year end from December 31 to June 30.

The consolidated financial statements at December 31, 2001 and 2000 included the accounts of Shopnet and its wholly owned subsidiaries, Breaking Waves and Hollywood (collectively referred to as the "Company") except where otherwise indicated after elimination of all significant intercompany transactions and accounts.

The following discussion and analysis should be read in conjunction with the consolidated financial statements and related footnotes which provide additional information concerning the Company's financial activities and condition. Since Shopnet and its subsidiaries operate in different industries, the discussion and analysis is presented by entity in order to be more meaningful.

Three months ended December 31, 2001 as compared to the three months ended December 31, 2000

For the three months ended December 31, 2001, the Company reported consolidated net income of \$23,225 as compared to a consolidated net loss of \$22,005 for the three months ended December 31, 2000 after an income tax expense of \$0 and a tax benefit of \$22,384 and comprehensive net income of \$23,225 and a comprehensive net loss of \$22,005, respectively.

Breaking Waves

For the three months ended December 31, 2001 and 2000, Breaking Waves generated net sales of \$1,335,592 and \$1,786,120, respectively, with related cost of sales amounting to \$693,300 and \$974,335, respectively. The decrease in sales amounting to \$450,528, or approximately 25%, from 2000 to 2001 was primarily attributable to the economic impact of the September 11th disaster and the subsequent deferment of new orders into the new year.

-20-

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Breaking Waves (continued)

The gross profit for the three months ended December 31, 2001 amounted to \$642,292, or 48% of sales as compared to the three months ended December 31, 2000 during which it amounted to \$811,785 or 45% of sales.

Selling, general, and administrative expenses during the three months ended December 31, 2001 and 2000 amounted to \$ 404,277 and \$ 425,280, respectively. The decrease amounting to \$21,003 or approximately 5%, is primarily attributable to a decrease in selling expenses as a result of the decrease in

Edgar Filing: SHOPNET COM INC - Form 10QSB

sales due to the September 11th disaster.

The major components of the Breaking Waves selling, general, and administrative expenses are as follows for the three months ended December 31:

Officers, office staff, designer and sales , salaries and related benefits

Commission expense

Warehousing costs

Royalty fees

Rent expense

Factor commissions

Miscellaneous general corporate overhead expenses

Interest expense in connection with its factoring agreement amounted to \$51,461 and \$96,638 for the three months ended December 31, 2001 and 2000, respectively. The decrease is due to a decrease in sales, as well as a reduction in the stated prime interest rate.

Breaking Waves generated net income of \$238,056 and a loss of \$134,691 for the three months ended December 31, 2001 and 2000 respectively.

Hollywood

On May 12, 1999, Shopnet incorporated a wholly-owned subsidiary, Hollywood, to which it assigned its film production business. All film related operations prior to May 12, 1999 were conducted by Shopnet under its former name.

For the three months ended December 31, 2001 and 2000, Hollywood generated no sales from its motion picture "Dirty Laundry". Although sales prior to and including the six months ended June 30, 2001 were minimal, the company expects to effect increased sales during the fiscal year ending June 30, 2002 and thereafter as a result of the implementation of a new marketing strategy which among other things, emphasizes the development of new marketing and distribution arrangements for "Dirty Laundry". Upon a review of the net realizable value of the movie cost, management has determined that a \$0 and \$50,000 write down was necessary as of December 31, 2001 and 2000, respectively. Accordingly, Hollywood generated a loss of \$600 and \$0 for the three months ended December 31, 2001 and 2000, respectively.

Subsequent to "Dirty Laundry", Hollywood also has invested in other movie ventures, some of which have generated revenue to date. See "Investment in Joint Ventures."

In connection with the factoring agreement, the Company agreed to maintain \$1,150,000 of cash in segregated account in order to collateralize standby letters of credit for Breaking Waves. Additionally, Breaking Waves was required to pledge as additional collateral, \$200,000 of its own cash and the Play Co. shares. Additional collateral of \$400,000 came from a third party which is a trust ("Trust"), the beneficiary of which is the granddaughter of the Company's President and Chief Executive Officer and the daughter of a principal stockholder of the Company.

In September 2001, Century increased the required collateral in the amount of \$300,000, from \$1,150,000. Subsequent to December 31, 2001, the Company effected financing arrangements with two parties (one of which is the Trust, the other relatives of as principal stockholder of the Company) providing for assets in the aggregate amount of \$1,050,000 ("Financing"), representing a portion of the \$1,450,000 required collateral. The provision of the assets in connection with the financing arrangements provided for the \$300,000 increase in required collateral and replacement of the Company's certificates of deposit in the amount of \$350,000.

The Company anticipates that its current available cash will be sufficient for the next twelve months and does not anticipate any cash shortfalls. In the December 31, 2001 quarter, the Company implemented a number of initiatives which it believes will reduce its cost of operations and overhead. In particular, the Company believes that the repayment of its indebtedness to Century in the amount of approximately \$620,000 in the aggregate will translate into decreased interest expense projected to be approximately \$30,000 per annum. Notwithstanding, the Company expects its indebtedness to Century to increase to more than \$4 million during the months of January and February 2002 as it builds-up its inventory for its peak season. Although there can be no assurance that interest rates will remain at their current low levels, based on the Company's anticipated borrowings in the current fiscal year, the Company believes that recent reductions in interest rates will generate additional savings of approximately \$60,000 in the current fiscal year.

In December 2001, the Company consolidated all of its operations in the New York metropolitan region into new facilities where Breaking Waves currently operates, resulting in annualized rental savings estimated at approximately \$60,000 over the next 12 months, plus additional savings in utilities and other office and personnel expenses resulting from the economies generated by the consolidated operations. The Company expects that these savings as well as salary reductions that the Company implemented during the December 31, 2001 quarter, will amount to approximately \$130,000 during the current fiscal year ending June 30, 2002.

The Company has recently refocused its sales efforts, to the extent possible, to eliminate unprofitable or low margin sales. This is compounded with improved sales and orders during the month of January 2002. Breaking Waves did ship sales orders during the month of January 2002 of approximately \$1,065,000. There can be no assurance that such figures will be indicative of future results, that the Company will be successful in collecting all receivables, or that any orders booked as of January 2002 will not ultimately be cancelled.
