HERSHA HOSPITALITY TRUST

PROXY STATEMENT

**ANNUAL MEETING OF SHAREHOLDERS
To Be Held May 26, 2005**

GENERAL INFORMATION

This Proxy Statement is provided in connection with the solicitation of proxies by the Board of Trustees of Hersha Hospitality Trust (the “Company”) for use at the annual meeting of shareholders to be held on May 26, 2005 (“Annual Meeting”) and at any adjournments thereof. The mailing address of the principal executive offices of the Company is 148 Sheraton Drive, Box A, New Cumberland, Pennsylvania 17070. This Proxy Statement and the Proxy Form, Notice of Meeting and the Company’s annual report to shareholders, all enclosed herewith, are first being mailed to the shareholders of the Company on or about April 27, 2005.

THE PROXY

The solicitation of proxies is being made primarily by the use of standard mail. The cost of preparing and mailing this Proxy Statement and accompanying material, and the cost of any supplementary solicitations, which may be made by mail, telephone or personally by employees of the Company, will be borne by the Company. The shareholder giving the proxy has the power to revoke it by delivering written notice of such revocation to the Secretary of the Company prior to the Annual Meeting or by attending the meeting and voting in person. The proxy will be voted as specified by the shareholder in the spaces provided on the Proxy Form or, if no specification is made, it will be voted for the election of all of the nominees as trustees. In voting by proxy in regard to the election of the trustees, shareholders may vote in favor of the nominees, withhold their votes as to the nominees or withhold their votes as to a specific nominee.

No person is authorized to give any information or to make any representation not contained in this Proxy Statement and, if given or made, such information or representation should not be relied upon as having been authorized. This Proxy Statement does not constitute the solicitation of a proxy, in any jurisdiction, from any person to whom it is unlawful to make such solicitation in such jurisdiction. The delivery of this Proxy Statement shall not, under any circumstances, imply that there has not been any change in the information set forth herein since the date of the Proxy Statement.

Each outstanding common share of beneficial interest, \$.01 par value (a “Common Share”), is entitled to one vote. Cumulative voting is not permitted. Only shareholders of record at the close of business on March 31, 2005 will be entitled to notice of and to vote at the Annual Meeting and at any adjournments thereof. At the close of business on March 31, 2005, the Company had outstanding 20,292,631 Common Shares.

No specific provisions of the Company’s Declaration of Trust or Bylaws address the issue of abstentions or broker non-votes. Brokers holding shares for beneficial owners must vote those shares according to the specific instructions they receive from the owners. However, brokers or nominees holding shares for a beneficial owner may not have discretionary voting power and may not have received voting instructions from the beneficial owner with respect to voting on certain proposals. In such cases, absent specific voting instructions from the beneficial owner, the broker

may not vote on these proposals. This results in what is known as a “broker non-vote.” A “broker non-vote” has the effect of a negative vote when a majority of the shares outstanding and entitled to vote is required for approval of a proposal, and “broker non-votes” will not be counted as votes cast but will be counted for the purpose of determining the existence of a quorum. Because the election of trustees is a routine matter for which specific instructions from beneficial owners will not be required, no “broker non-votes” will arise in the context of the election of trustees.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under federal securities laws, the Company's trustees and executive officers are required to report their ownership of Common Shares and any changes in ownership to the Securities and Exchange Commission (the "SEC"). These persons are also required by SEC regulations to furnish the Company with copies of these reports. Based solely on a review of the copies of such reports received by it, or written representations from certain reporting persons that no reports were required for those persons, we believe that all filing requirements applicable for certain reporting persons were complied with during the 2004 fiscal year.

OWNERSHIP OF THE COMPANY'S COMMON SHARES**Security Ownership of Certain Beneficial Owners and Management**

The following table sets forth certain information regarding the beneficial ownership of common shares by (i) each shareholder known by us to beneficially own more than five percent of our common shares, (ii) each of our trustees and executive officers, and (iii) all of our trustees and executive officers as a group, each as of March 31, 2005. Unless otherwise indicated, all shares are owned directly, and the indicated person has sole voting and investment power. The number of outstanding common shares at March 31, 2005 was 20,292,631. This table assumes that all limited partnership units held by such person or group of persons are redeemed for common shares or, in the case of CNL, exchanged for common shares. The total number of shares outstanding used in calculating the percentage assumes that none of the limited partnership units held by other persons are redeemed for common shares. Limited partnership units generally are not redeemable for common shares until at least one year following the issuance of such units.

PROPOSAL ONE - ELECTION OF CLASS II TRUSTEES

The Company's Declaration of Trust divides the Board of Trustees into two classes. Each Trustee in Class I is serving a term expiring at the 2006 annual meeting of shareholders and each Trustee in Class II is serving a term expiring at the Annual Meeting. Generally, one full class of trustees is elected by the shareholders of the Company at each annual meeting. Each of the nominees presently is serving as a Class II Trustee.

If any nominee becomes unavailable or unwilling to serve the Company as a Trustee for any reason, the persons named as proxies in the Proxy Form are expected to consult with management of the Company in voting the shares represented by them. The Board of Trustees has no reason to doubt the availability of any nominee, and each has indicated his willingness to serve as a trustee of the Company if elected.

The Company's Bylaws provide that a shareholder of record both at the time of the giving of the required notice set forth in this sentence and at the time of the Annual Meeting entitled to vote at the Annual Meeting may nominate persons for election to the Board of Trustees by mailing written notice to the Secretary of the Company not less than 120 days prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event the annual meeting is advanced by more than 30 days or delayed by more than 60 days, notice must be received not earlier than 90 days prior to the announcement of the annual meeting. The shareholder's notice must set forth (i) as to each person whom the shareholder proposes to nominate for election as a trustee, all information regarding each

nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated by the Board of Trustees; (ii) the consent of each nominee to serve as a trustee of the Company if so elected; (iii) the name and address of the shareholder and of each person to be nominated; and (iv) the number of each class of securities that are owned beneficially and of record by the shareholder.

Assuming the presence of a quorum, the affirmative vote of a majority of the common shares represented at the meeting is required to elect each trustee. Cumulative voting is not permitted in the election of trustees. Consequently, each shareholder is entitled to one vote for each common share held in the shareholder's name. In the absence of instructions to the contrary, the persons named in the accompanying proxy shall vote the shares represented by that proxy for each of Messrs. Shah, Leven, Patel, and Sabin as nominees for election as Class II Trustees. For purposes of the election of trustees, abstentions will not be counted as votes cast and will have no effect on the result of the vote, although they will count towards the presence of a quorum. A nominee holding shares in street name may vote for the proposal without voting instructions from the beneficial owner.

Corporate Governance Matters

The Board Nominating Process. Our Nominating Committee performs the functions of a nominating committee and will actively seek, identify and recommend to the Board individuals qualified to become Board members, consistent with any criteria approved by the Board, and establish such criteria based on factors it considers appropriate such as strength of character, maturity of judgment, independence, expertise in the hospitality industry, experience as a senior executive or with corporate strategy initiatives generally, diversity and the extent to which the candidate would fill a present need on the Board. The Nominating Committee Charter describes the Committee’s responsibilities, including seeking, screening and recommending Board candidates for nomination by the Board of Trustee.

The Nominating Committee evaluates all Trustee candidates. The Nominating Committee evaluates any candidate's qualifications to serve as a member of the Board based on the skills and characteristics of individual Board members as well as the composition of the Board as a whole. In addition, the Nominating Committee will evaluate a candidate's independence and diversity, skills and experience in the context of the Board's needs.

Trustee Candidate Recommendations and Nominations By Shareholders. The Nominating Committee Charter provides that the Committee will consider Board candidate recommendations by shareholders. Shareholders should submit any such recommendations for Nominating Committee consideration through the method described under “Communications With The Board of Trustees” below. In addition, in accordance with our Bylaws, any shareholder of record entitled to vote for the election of Trustees at the applicable meeting of shareholders may nominate persons for election to the Board of Trustees if such shareholder complies with the notice procedures set forth in the Bylaws and summarized above.

Communications With The Board of Trustees. Shareholders may communicate with our Board of Trustees by writing to: Chairman of the Audit Committee, Hersha Hospitality Trust, 148 Sheraton Drive, New Cumberland, Pennsylvania 17070. Our Corporate Secretary will review each piece of correspondence to the Board and will forward all appropriate communications to the Audit Committee Chairman for review.

Lead Director Concept. If the Chairman is a non-management trustee, then the Chairman will serve as “Lead Director.” When the Chairman is a management trustee, the independent members of the Board will designate a non-management trustee as “Lead Director.” The Lead Director will chair executive sessions of the non-management trustees, will preside at all Board meetings at which the Chairman of the Board is not present, have the authority to call meetings of the Independent Directors and have such other duties as the Board may determine.

Trustee Attendance At Annual Meeting. Our policy is that all Trustees should attend the annual meeting of the shareholders. All of our Trustees attended the 2004 annual meeting of shareholders.

CODE OF ETHICS

Our Board of Trustees has adopted a Code of Ethics that applies to our chief executive officer, chief financial officer, controller and other executive officers. The Code of Ethics is posted on our Internet website, www.hersha.com. We intend to satisfy the disclosure requirement under Item 10 of Form 8-K relating to amendments to or waivers from any provision of the Code of Ethics applicable to the our chief executive officer, chief financial officer, controller and other executive officers by posting such information on our Internet website.

COMPENSATION OF TRUSTEES

In 2004, each trustee was paid \$16,000 per year. In addition, the chairpersons of the Audit Committee, Acquisition Committee and Compensation Committee were paid \$5,000, \$1,500 and \$1,500 respectively. All of the trustees are paid a \$1,000 fee for in-person board and committee meetings and \$500 for telephonic attendance at board and committee meetings. On March 1, 2005, each independent trustee was awarded \$5,000 worth of stock for their service relating to 2004. We will reimburse all trustees for reasonable out-of-pocket expenses incurred in connection with their services on the Board of Trustees.

EXECUTIVE COMPENSATION

Since our inception, we had not paid compensation to our executive officers or other employees. However, beginning with the 2004 fiscal year, we established a formal management compensation plan for our executive officers. The following table summarizes the compensation paid or accrued to our executive officers who received total annual salary and bonus in excess of \$100,000 for the year ended December 31, 2004.

Summary Compensation Table

(2) Of Mr. Parikh's \$90,000 salary that was paid by the Lessee in 2003 and 2002, \$80,000 has been designated as related to the services provided per the terms of the Administrative Services Agreement between us and HHMLP. The terms of the agreement provide for a fee of \$10,000 per property per year (prorated from the time of acquisition) for each hotel in our portfolio.

Option Grants

There were no option grants to any executive officers or employees during 2004. There were no options outstanding as of December 31, 2004 and no options were exercised by any executive officers or employees during the fiscal year ending December 31, 2004.

Common Shares Issuable Pursuant to Options

The following table summarizes information with respect to equity compensation as of December 31, 2004:

After December 31, 2003, all outstanding options either expired unexercised or were exercised. In March 2005, we issued 419 common shares to each of our Independent Trustees pursuant to our 2004 Equity Incentive Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In developing our portfolio since our initial public offering in 1999, we have entered into various transactions with our trustees, officers and entities controlled by them, including transactions relating to the leasing and managing of our hotels, acquisitions and dispositions of hotels, loans made by or for the benefit of us, and the purchase of goods and services. Certain of these transactions have been instrumental in the implementation of our business strategy and the growth of our portfolio. Although we have made certain efforts, described below, to ensure that these transactions were negotiated on an arms-length basis, we cannot assure you of this fact or that the terms of these transactions are as favorable to us as those we may have received from unaffiliated third parties. As a result of the growth in our portfolio, our current growth strategy and modifications to the REIT qualification rules, we have adopted certain policies with respect to transactions with our trustees, officers and entities controlled by them. The following is a summary of certain of these transactions, including a description of the transaction, the business purpose for the transaction and our current policy with respect to such a transaction.

Portfolio Formation Transactions with Trustees and Officers

In connection with our initial public offering in 1999, entities controlled by our officers and trustees contributed ten hotels to us in exchange for limited partnership units in our operating partnership. Since that time, we have continued to buy hotels from, and sell hotels to, entities controlled by our officers and trustees when a majority of our independent trustees has determined it was in our best interest to do so.

Hotel Acquisitions

We have not, and do not in the future intend to, undertake the risks of developing new hotels. However, since our initial public offering in 1999, we have been able to acquire newly-constructed or newly-renovated hotels from entities controlled by our officers or trustees. Of the 28 hotel properties purchased by us since our initial public offering, 15 were acquired from affiliates, 14 of which were newly-constructed or substantially renovated. In connection with our initial public offering, we entered into an Option Agreement with Hasu Shah, Jay Shah, Neil Shah, K.D. Patel, David Desfor, and Kiran Patel. Pursuant to this agreement, we had the option to purchase any hotels owned or developed by these individuals that was within fifteen miles of any of our hotels or any hotel subsequently acquired by us for two years after such acquisition or development. In September 2003, the parties to this agreement amended the Option Agreement so that (a) the right of first refusal now applies to all hotels owned or developed by the parties, regardless of proximity to our hotels, and (b) the right of first refusal applies to each party until one year after such party ceases to be an officer or trustee. This arrangement gives us access to a pipeline of newly-constructed and newly-renovated hotels, without bearing all the risks associated with development and renovation.

In buying these hotels, we previously utilized, a “re-pricing” methodology that, in effect, adjusted the initial purchase price for the hotel, one or two years after we initially purchased the hotel, based on the actual operating performance of the hotel during the twelve months prior to the repricing. As part of our lease termination agreement with HHMLP, the original sellers of all of these properties, HHMLP and the Company have waived their respective rights to any and all purchase price adjustments for all properties. In the future, we do not intend to use any re-pricing methodology in acquisitions from entities controlled by our officers and trustees.

As of September 2001, the Board of Trustees has elected to hire an independent accounting firm to review in advance all asset purchases and asset sales between us and related parties. The Board of Trustees will determine the scope of each review on a case-by-case basis. The independent third party accounting firm will review each acquisition or sale to determine if the terms of the transaction are in line with then-current market conditions as well as how the transaction impacts us. The accounting firm then will present its findings to the Board of Trustees to aid it in its evaluation of the terms of the transaction.

Dispositions

Since our initial public offering in 1999, we have sold a total of eight hotels, including four hotels sold back to entities controlled by our officers or trustees at the same price at which we acquired the hotels from those entities. All sales to these entities were in situations where we believed an independent buyer would demand seller financing, which we were not willing to provide. We do not intend to sell hotels to such entities in the future.

Hotel Development Loans

We have approved mortgage lending to entities in which our executive officers and trustees own an interest to enable such entities to construct hotels and conduct related improvements on specific hotel projects at interest rates ranging from 8.0% to 12.0% (“Development Loans”). The rate for each of these loans is based upon the security interest and term of the loan and is approved by an independent trustee. As of December 31, 2004, our Development Loans to related parties totaled \$22,750.

As of December 31, 2004 our Development Loans to related parties consist of the following:

Management Agreements with HHMLP

Beginning in April 2003, 44 New England, our TRS, engaged HHMLP as the property manager for hotels it leased from us pursuant to management agreements. Each management agreement provides for a five-year term and is subject to early termination upon the occurrence of defaults and certain other events described therein. As required under the REIT qualification rules, HHMLP must qualify as an “eligible independent contractor” during the term of the management agreements. Under the management agreements, HHMLP generally pays the operating expenses of our hotels. All operating expenses or other expenses incurred by HHMLP in performing its authorized duties are reimbursed or borne by our TRS to the extent the operating expenses or other expenses are incurred within the limits of the applicable approved hotel operating budget. HHMLP is not obligated to advance any of its own funds for operating expenses of a hotel or to incur any liability in connection with operating a hotel.

As of December 31, 2004, HHMLP managed all 25 hotels leased to our TRS, and we consolidated the financial statements of these 25 hotels in these financial statements. HHMLP also managed one consolidated joint venture hotel property and three unconsolidated joint venture hotel properties in which we maintain an investment. For its services, HHMLP receives a base management fee, and if a hotel meets and exceeds certain thresholds, an additional incentive

management fee. The base management fee for a hotel is due monthly and is equal to 3% of gross revenues associated with each hotel managed for the related month. The incentive management fee, if any, for a hotel is due annually in arrears on the ninetieth day following the end of each fiscal year and is based upon the financial performance of the hotel. There were no incentive management fees payable for the years ended December 31, 2004 or 2003. For the years ended December 31, 2004 and 2003, management fees incurred totaled \$1,454,000 and \$142,000, respectively, and are recorded as Hotel Operating Expenses.

Unit Redemption

On March 5, 2004, Hasu P. Shah, Kiran P. Patel and David L. Desfor redeemed 564,286, 363,000 and 30,000 units of limited partnership interest, respectively, in our operating partnership for shares of our common stock. On October 22, 2003, K.D. Patel, a Trustee, redeemed 362,197 units of limited partnership interest in our operating partnership for \$8.00 per unit in cash. After that redemption, K.D. Patel continued to own 282,393 units.

We have purchased hotel supplies for our hotel properties from time to time from Hersha Hotel Supply Company, currently owned by Hasu P. Shah, Jay H. Shah, Neil Shah, Kiran P. Patel, K.D. Patel and other investors. For 2004 and 2003, we paid Hersha Hotel Supply Company \$804,000 and \$73,000, respectively. Hersha Hotel Supply Company is not our only provider of hotel supplies and must bid with a number of unaffiliated suppliers for our business.

THE AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Trustees (the "Audit Committee") is composed of four independent trustees and operates under a written charter adopted by the Board of Trustees, a copy of which is attached to this Proxy Statement as Appendix A. The Audit Committee reviews audit fees and recommends to the Board of Trustees the selection of the Company's independent accountants. Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to report thereon to the Board of Trustees. In this context, the Audit Committee has met and held discussions with management and KPMG LLP, the Company's independent accountants for the 2004 fiscal year.

Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and KPMG LLP.

On April 20, 2004, the Board of Trustees, upon recommendation of the Audit Committee, engaged KPMG LLP to serve as the Company's independent accountants for the 2004 fiscal year. No person from KPMG LLP attended our annual meeting.

The Audit Committee reviews with management and the independent accountants the results of the independent accountants' review of the unaudited financial statements that are included in the Company's quarterly reports on Form 10-Q. THE COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Trustees (the “Compensation Committee”) is composed of four independent trustees and operates under a written charter adopted by the Board of Trustees, a copy of which is available on our website at www.hersha.com. The Compensation Committee determines compensation for our executive officers and administers our option plan. The Compensation Committee met 4 times during 2004.

Since our inception, we had not paid compensation to our executive officers or other employees. However, beginning with the 2004 fiscal year, we established a formal management compensation plan for our executive officers. Prior to 2004, the compensation of our executive officers was covered by an administrative services agreement between our Company and our primary lessee, HHMLP. The Company significantly increased its size and market capitalization during 2003 and 2004 and terminated all of its existing leases with HHMLP in 2004. As such, the Company has established a formal management compensation plan for its executive officers in order to serve the best interests of the Company’s stockholders.

Compensation Policies

In establishing the formal management compensation plan for our executive officers, the Compensation Committee sought to accomplish the following [two] primary objectives:

- 1) to provide overall levels of compensation that are competitive in order to attract, retain and motivate highly qualified executives to continue to enhance long-term stockholder value; and
- 2) to provide annual and long-term incentives that emphasize performance based compensation contingent upon achieving corporate and individual performance goals.

The key elements of compensation provided to our executive officers include base salary and annual incentive bonus awards. Base salaries are set at annual rates, based on the level of the officer’s position within the Company and the individual’s current and sustained performance results. The annual base salary for each executive officer and each other member of senior management is reviewed each year by the Compensation Committee. For 2004, the Compensation Committee recommended that the cash bonus component of the annual incentive compensation award be a maximum of 50% of each officer’s respective salary. Seventy-five percent of the cash bonus would be based upon Cash Available for Distribution (the “CAD Component”) and the remaining 25% of the cash bonus would be based on the Compensation Committee’s subjective determination of the officer’s achievement of position-specific goals (the “Individual Component”). The Compensation Committee has determined that the executive officers are not eligible for the CAD Component of the bonus for 2004 and is in the process of finalizing the Individual Component.

Compensation of the Chief Executive Officer

Since the Company’s inception, we have not paid our Chairman and Chief Executive Officer, Hasu P. Shah an annual salary. In 2004, we paid Mr. Shah an annual salary of \$225,000. The Compensation Committee meets annually, without the Chief Executive Officer present, to evaluate his performance and to determine his compensation. In considering Mr. Shah’s compensation, the Compensation Committee considers his principal responsibilities, which are to provide our Company with vision and strategic direction, to attract and retain highly qualified employees and to develop and to foster relationships with other hotel companies, developers and franchisors. Mr. Shah’s 2004 annual incentive bonus will be determined based upon the Company’s financial performance relative to other comparable lodging real estate investment trusts, Mr. Shah’s ability to foster additional strategic relationships during the year, corporate governance compliance, achievement of acquisition targets and retention of key management personnel.

The Board of Trustees did not modify or reject in any material way any action or recommendation by such committee with respect to such decisions in the last completed fiscal year.

On that date, following the recommendation of the Audit Committee, the Board of Trustees dismissed Moore Stephens, P.C. as our independent auditors for the 2003 fiscal year and engaged Reznick Group, P.C. as independent auditors for the 2003 fiscal year.

Moore Stephens, P.C.'s reports on the consolidated financial statements for each of the years ended December 31, 2002 and 2001, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to certainty, audit scope or accounting principles.

AUDIT COMMITTEE CHARTER

The Audit Committee (“the Committee”), of the Board of Trustees (“the Board”) of Hersha Hospitality Trust (“the Company”), will have the oversight responsibility, authority and specific duties as described below.

COMPOSITION

The Committee will be comprised of three or more independent trustees as determined by the Board. The members of the Committee will meet the independence and “financial literacy” requirements of the American Stock Exchange and Securities and Exchange Commission.

The members of the Committee will be elected annually at the organizational meeting of the full Board held in May/June and will be listed in the annual report to shareholders. One of the members of the Committee will be elected Committee Chair by the Committee. The Chairperson of the Committee or, if not present, another member of the Committee, shall preside at all meetings of the Committee and provide an oral report to the Board on each meeting.

The Chief Financial Officer of the Company will serve as the Secretary of the Committee and the Treasurer will serve as the Assistant Secretary of the Committee. Minutes of each meeting will be prepared and submitted to Committee members for approval at the next meeting.

MEMBERSHIP REQUIREMENTS

At least one member of the Audit Committee shall, in the judgment of the Board of Trustees, be an audit committee financial expert in accordance with the rules and regulations of the Securities and Exchange Commission and at least one member (who may also serve as the audit committee financial expert) shall in the judgment of the Board of Trustees have accounting or related financial management expertise in accordance with American Stock Exchange listing standards.

Committee members may not simultaneously serve on the audit committee of more than two other public companies unless the Board determines that such simultaneous service does not impair efficacy of Board service.

PURPOSE

The Committee is a part of the Board. It’s primary function is to assist the Board in fulfilling its oversight responsibilities with respect to:

- (i) the annual financial information to be provided to shareholders and the Securities and Exchange Commission (SEC);
- (ii) the Company’s compliance with legal and regulatory requirements;
- (iii) the system of internal controls that management has established; and
- (iv) the performance of the Company’s internal audit function and independent public accountants.

The Committee will rely upon a internal control letter and management letter provided by the independent accountants in order gauge management’s effectiveness in implementing a satisfactory system of internal controls.

The Committee will also utilize outside experts to provide internal control expertise and internal audit services.

In addition, the Committee provides an avenue for communication between internal audit, the independent accountants, financial management and the Board. The Committee should have a clear understanding with the independent accountants that they must maintain an open and transparent relationship with the Committee, and that the ultimate accountability of the independent accountants is to the Board and the Committee. The Committee will make reports to the Board as necessary.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditor or to assure compliance with laws and regulations and the Company's business conduct guidelines.

MEETINGS

The Committee is to meet at least four times annually and as many additional times as the Committee deems necessary. Audit meetings to be conducted via telephone or video conference are considered acceptable. Content of the agenda for each meeting should be cleared by the Committee Chair.

ATTENDANCE

Committee members will strive to be present at all meetings or will strive to be present via telephone or video conference. As necessary or desirable, the Committee Chair may request that members of management and representatives of the independent accountants be present at Committee meetings.

SPECIFIC DUTIES

In carrying out its oversight responsibilities, the Committee will:

1. Review and reassess the adequacy of this charter annually and recommend any proposed changes to the Board for approval. This should be done in compliance with applicable AMEX Audit Committee Requirements.
2. Review with the Company's management and independent accountants significant accounting and reporting principles, practices and procedures applied by the Company in preparing its financial statements. Discuss with the independent accountants their judgments about the quality, not just the acceptability, of the Company's accounting principles used in financial reporting.
3. Review the scope and general extent of the independent accountants' annual audit. The Committee's review should include an explanation from the independent accountants of the factors considered by the accountants in determining the audit scope, including the major risk factors. The independent accountants should confirm to the Committee that no limitations have been placed on the scope or nature of their audit process. The Committee will review annually with management the fee arrangement with the independent accountants.
4. Inquire as to the independence of the independent accountants and obtain from the independent accountants, at least annually, a formal written statement delineating all relationships between the independent accountants and the Company as contemplated by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees.
5. Have a predetermined arrangement with the independent accountants that they will advise the Committee through its Chair and management of the Company of any matters identified through procedures followed for interim quarterly financial statements, and that such notification as required under standards for communication with Audit Committees is to be made prior to the related press release or, if not practicable, prior to filing Forms 10-Q.
6. At the completion of the annual audit, review with management and the independent accountants the following:
 - a.

The annual financial statements and related footnotes and financial information to be included in the Company's annual report to shareholders and on Form 10-K.

b. Results of the audit of the financial statements and the related report thereon and, if applicable, a report on changes during the year in accounting principles and their application.

2

- c. Significant changes to the audit plan, if any, and any serious disputes or difficulties with management encountered during the audit. Inquire about the cooperation received by the independent accountants during their audit, including access to all requested records, data and information. Inquire of the independent accountants whether there have been any disagreements with management that, if not satisfactorily resolved, would have caused them to issue a nonstandard report on the Company's financial statement.
- d. Other communications as required to be communicated by the independent accountants by Statement of Auditing Standards (SAS) 61 as amended by SAS 90 relating to the conduct of the audit. Further, receive a written communication provided by the independent accountants concerning their judgment about the quality of the Company's accounting principles, as outlined in SAS 61 as amended by SAS 90, and that they concur with management's representation concerning audit adjustments.
7. After preparation by management and review by independent accountants, approve the audit committee report required under SEC rules to be included in the Company's annual proxy statement. The charter is to be published as an appendix to the proxy statement every three years.
8. Discuss with the independent accountants the quality of the Company's financial and accounting personnel. Also, elicit the comments of management regarding the responsiveness of the independent accountants to the Company's needs.
9. Meet with management, internal audit and the independent accountants to discuss any relevant significant recommendations that the independent accountants may have, particularly those characterized as 'material weaknesses' or 'significant deficiencies'. Typically, such recommendations will be presented by the independent accountants in the form of a Letter of Comments and Recommendations to the Committee. The Committee should review responses of management to the Letter of Comments and Recommendations from the independent accountants and receive follow-up reports on action taken concerning the aforementioned recommendations.
10. Recommend the appointment of the Company's independent public accountants to the full board. Maintain direct responsibility for monitoring, evaluation, termination, compensation and oversight of the Company's independent auditors. Provide the full board with an overview of any material issues discovered by the audit committee.
11. Pre-approve all audit and non-audit services to be performed by the independent auditor.
12. Engage independent legal, accounting and other advisors, as the Committee determines necessary to carry out their duties, and obtain appropriate funding from the Company, as determined by the Committee, for compensating such advisors.
13. Set clear policies for the Company's hiring of employees or former employees of the independent public accountants.
14. Discuss Company policies with respect to risk assessment and risk management, and review contingent liabilities and risks that may be material to the Company.
15. Establish procedures for the confidential and anonymous receipt, retention and treatment of complaints regarding the Company's accounting, internal controls and auditing matters.
