Sales Guidance, 5BARz India Private Limited

5BARz International Inc., through its subsidiary 5BARz India Private Limited, continues to make significant inroads into the Indian market as it commercializes its network extender business in that country.

5barz India expects to have sales revenue of approximately \$2 million during Q3 and Q4 2016 combined. The Company expects the sales momentum for the network extender in India to continue through the 2017 calendar year. On July 7, 2016 the Company issued a press release disclosing the sales guidance. A copy of the press release is attached hereto as Exhibit 99.1
