Audit Committee
Tompkins Trustco, Inc.
Employee Stock Ownership Plan

We have audited the accompanying statement of net assets available for benefits of the Tompkins Trustco, Inc. Employee Stock Ownership Plan as of December 31, 2006, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the Employee Stock Ownership Plan of Tompkins Trustco, Inc. as of and for the year ended December 31, 2005 were audited by other auditors whose report dated June 23, 2006, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal controls over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2006, and the changes in net assets available for benefits for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental Schedule of Assets Held for Investment Purposes At End of Year - December 31, 2006 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic 2006 financial statements, and in our opinion, is fairly stated in all material respects in relation to the basic 2006 financial statements taken as a whole.

Independent Auditor's Report

June 23, 2006

To the Compensation and Personnel Committee and Board of Directors of
Tompkins Trustco, Inc. Employee Stock Ownership Plan

We have audited the accompanying statement of net assets available for benefits of the Tompkins Trustco, Inc. Employee Stock Ownership Plan ("the Plan") as of December 31, 2005, and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005, and the changes in net assets available for benefits for the year then ended in conformity with accounting principles generally accepted in the United States of America.

EMPLOYEE STOCK OWNERSHIP PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2006 AND 2005

NOTE A: DESCRIPTION OF PLAN

The following description of the Tompkins Trustco, Inc. Employee Stock Ownership Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is an employee stock ownership plan covering eligible employees who have met certain age and service requirements. The Plan is administered by the Executive, Compensation/Personnel Committee appointed by Tompkins Trustco, Inc.'s Board of Directors, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trust Department of Tompkins Trust Company is the Plan's Trustee. All investments of the Plan are non-participant directed.

Eligibility

An employee shall become eligible for participation in the Plan on the first day of the month coinciding with completing one year of credited service and attaining the age of twenty-one. Leased employees, employees covered under a collective bargaining agreement and "On-Call" employees are not eligible to participate.

Vesting

Participants will become vested in all contributions and earnings over a five-year period.

Contributions

Tompkins Trustco, Inc. shall contribute to the Plan a discretionary amount, which shall not exceed 5% of participant compensation. The Executive, Compensation/Personnel Committee approved a 3% and 3.5% discretionary

Edgar Filing: TOMPKINS FINANCIAL CORP - Form 11-K

contribution to the Plan for the years ended December 31, 2006 and 2005, respectively. These contributions are used by the Employee Stock Ownership Plan to acquire company common stock. These common stock shares are allocated annually to participant accounts. The Plan sponsor has the right to discontinue such discretionary contributions at any time.

Diversification and transfers

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in the Plan sponsor stock into investments which are more diversified. Participants who are at least age 55 with at least 10 years of participation in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over multiple years. In each of the first five years, a participant may diversify up to 25 percent of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. After the fifth year, the percentage changes to 50 percent. The funds elected to be diversified are transferred to the Tompkins Trustco, Inc. Investment and Stock Ownership Plan ("ISOP") and invested in funds as chosen by the participant. During the years ended December 31, 2006 and 2005, the Plan transferred \$207,652 and \$172,128 into the ISOP, respectively.

Participants' accounts

Each participant's account is credited with an allocation of the Tompkins Trustco, Inc.'s discretionary and non-elective contributions and an allocation of plan earnings. Allocations of company contributions are based upon the participant's compensation and the allocations of plan earnings are based upon participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Forfeitures of non-vested account balances are allocated to participants' accounts as company contributions.

Payment of benefits

Upon termination of service, the participant's account is either maintained in the Plan, transferred to an individual retirement account in the participant's name, directly rolled over into a qualified retirement plan or paid to the participant in a lump sum.
