Notes to the Financial Statements
June 30, 2003 and December 31, 2002

NOTE 1 - CONDENSED FINANCIAL STATEMENTS

The accompanying financial statements have been prepared by the Company without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows at June 30, 2003 and 2002 and for all periods presented have been made.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. It is suggested that these condensed financial statements be read in conjunction with the financial statements and notes thereto included in the Company's December 31, 2002 audited financial statements. The results of operations for the six months ended June 30, 2003 are not necessarily indicative of the operating results for the years ended December 31, 2003.

NOTE 2 - GOING CONCERN

The Company's financial statements are prepared using generally accepted accounting principles applicable to a going concern which contemplates the realization of assets and liquidation of liabilities in the normal course of business. The Company has not yet established an ongoing source of revenues sufficient to cover its operating costs and allow it to continue as a going concern. The ability of the Company to continue as a going concern is dependent on the Company obtaining adequate capital to fund operating losses until it becomes profitable. If the Company is unable to obtain adequate capital, it could be forced to cease operations.

In order to continue as a going concern, develop a reliable source of revenues, and achieve a profitable level of operations the Company will need, among other things, additional capital resources. Management's plans to continue as a going concern include seeking capital that will allow it to acquire existing operating companies and to make equity or debt investments in existing operating companies. In the interim, the shareholders of the Company will cover all operating expenses. Management cannot provide any assurances that the Company will be successful in accomplishing any of its plans.

The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plans described in the preceding paragraph and eventually secure other sources of financing and attain profitable operations. The accompanying financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

NOTE 3 - SIGNIFICANT EVENTS

On April 14, 2003, the Company reached an agreement with a shareholder to satisfy outstanding bills for legal services, of \$22,278, in exchange for a cash payment of \$12,881. The difference has been recorded as a contribution of additional paid-in capital occurring in

Edgar Filing: VICTORY CAPITAL HOLDINGS CORP - Form 10QSB

the three months ended June 30, 2003.

Notes to the Financial Statements

NOTE 3 - SIGNIFICANT EVENTS (Continued)

On April 14, 2003, the Company's president and CEO paid \$37,938 towards the satisfaction of certain company accounts payable. This resulted in the reclassification of accounts payable to accounts payable - related party for \$37,938 during the three months ended June 30, 2003.

On April 14, 2003, shareholders accounting for 2,279,077 shares, or 87% of the Company's outstanding common stock, entered into a share purchase agreement whereby all of the common stock held by the aforementioned shareholders was exchanged in consideration for \$275,000. As a result, the purchasers have established a controlling interest in the Company.

On April 14, 2003, the Company accepted the resignation of its president and CEO, David C. Merrell. In his place, the Company has appointed Harold Gregg as interim president and CEO.

On April 28, 2003, the Company's shareholders voted on and approved an amendment to the Company's articles of incorporation that changed the name of the Company to Victory Capital Holdings Corporation.

On May 2, 2003, the Company reached an agreement with the Company's former president and CEO to satisfy outstanding obligations and accrued interest related to cash advances made to the Company, of \$68,017. As the former president and CEO continues to own a significant number of shares of the Company's common stock, the amount has been recorded as a contribution of additional paid-in capital occurring in the three months ended June 30, 2003.

On May 30, 2003, the Company appointed Richard Zinman as the President and CEO. Mr. Zinman was awarded a three-year employment agreement with a base salary of \$240,000 per year plus certain opportunities for performance and tenure based bonuses. As of June 30, 2003, the Company has accrued \$21,600 in payroll and estimated payroll tax liabilities.

On June 16, 2003, the Company entered into preliminary discussions to acquire a majority interest in CEC Industries, Inc. (CEC), a public company involved in the debit card/stared value card industry. On August 14, 2003, the Company determined it to be in the best interest of its shareholders to terminate the acquisition negotiations with CEC and to seek out more beneficial acquisition opportunities.

NOTE 4 - SUBSEQUENT EVENTS

On July 1, 2003, the Company issued 100,000 shares of common stock as a deposit/retainer for the future services of their corporate legal counsel.
