ACCESSPOINT CORPORATION
NOTES TO FINANCIAL STATEMENTS (UNAUDITED)
FOR THE NINE MONTHS ENDED SEPTEMBER 30, 2005 AND 2004

NOTE A - NATURE OF OPERATIONS

Accesspoint Corporation (subsequently referred to as "Accesspoint", the "Company" or "We") was incorporated as Accesspoint Corporation in Nevada in 1995.

Until February 2005 the Company's business consisted of processing electronic and credit card payments. In accordance with an agreement dated January 1, 2005 that took effect as of February 28, 2005, the Company sold its Merchant Portfolio, its remaining source of income, to Merchants Billing Services, Inc. for $1,564,000, the amount owed to Merchants Billing Services, Inc. and Ameropa, Inc.

Mr. Barber is the principal owner of Merchants Billing Services, Inc. and Ameropa, Inc. ("Ameropa"). Ameropa is a Bahamas corporation. Ameropa owned two Bermuda corporations, Internet Online Services, Inc. ("IOS") and Network Integrated Systems, Ltd. ("NIS"). Mr. Barber and two colleagues agreed to provide funding to Accesspoint. Although IOS and Ameropa advanced funds from time to time. The amount owed Merchants Billing Services, Inc. and Ameropa at December 31, 2004 was $1,564,000. In addition, the Company loaned Merchant Billing Services $250,000. The loan is non-interest bearing and due on demand.

During the year 2004 additional books of business had been sold in order to raise funds to pay off debt.

Between December 31, 2004 and March 31, 2005 the Company effectively "wound down" their mode of operations. The accompanying financials statements reflect the Company's continuation as a Development Stage Company. Prior period discontinued operations are presented as additional losses or income below continued operations. The Board of Directors has begun the process of looking for possible merger or acquisition opportunities.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Unaudited Interim Financial Information

The accompanying financial statements have been prepared by Accesspoint Corporation, ("Accesspoint", the "Company" or "We") pursuant to the rules and regulations of the Securities and Exchange Commission (the "SEC") Form 10-QSB and Item 310 of regulation S-B, and generally accepted accounting principles for interim financial reporting. These financial statements are unaudited and, in the opinion of management, include all adjustments (consisting of normal recurring adjustments and accruals) necessary for a fair presentation of the balance sheets, operations results, and cash flows for the periods presented. Operating results for the nine months ended September 30, 2005 are not necessarily indicative of the results that may be expected for the year ending December 31, 2005, or any future period. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting policies have been omitted in accordance with the rules and regulations of the SEC. These financial statements should be read in conjunction with the audited financial statements and accompanying notes, included in the Company's Annual Report for the year ended December 31, 2004.

NOTE C - GOING CONCERN

The accompanying financial statements, which have been prepared in conformity with Accounting principles generally accepted in the United States of America, contemplates the continuation of the Company as a going concern.

The Company sold off and discontinued its business in February 2005 and became a shell company as of April 1, 2005 with no operations and limited financial and other resources. Such matters raise substantial doubt about the Company's ability to continue as a going concern.

Management's plans with respect to these conditions are to search for operating opportunities through business combinations or mergers. In the interim, the Company will require minimal overhead, and key administrative and management functions will be provided by stockholders. Accordingly, the accompanying financials statements have been presented under the assumption that the Company will continue as a going concern.

NOTE D - LITIGATION AND CONTINGENCIES

The Company is subject to various claims and legal proceedings covering a wide range of matters that arise in the ordinary course of its business activities. Listed below are only those matters considered to be material to the Company by management and its counsel.

CITICORP - During 2001 the Company vacated office facilities it had leased under an operating lease agreement in Chicago, Illinois. The lessor subsequently filed suit against the Company for the remaining amount of unpaid rent and other various expenses. A judgment was filed against the Company in the amount of $95,000. As of September 30, 2005 the Company has accrued for the liability in full on its Balance Sheet. No payments have been made.

BENTLEY PROMISSORY NOTES - Various family trusts related to James W. Bentley, a former Director of the Company, have filed three related actions seeking to collect in excess of $500,000 in promissory notes allegedly due. These cases have been consolidated with the case of Bentley v. Barber, et al (see below) and have been settled as of August 30, 2004.

CIT COMMUNICATIONS CO. ("CIT") - CIT, an equipment lessor, claims that we defaulted on an equipment lease. A request for entry of default was submitted on July 8, 2004. It is expected that a default judgment against the Company will be entered soon. The total amount of any potential judgment for the value of the equipment has been accrued.

GLOBAL ATTORNEYS NETWORK CO. - This is an action filed on behalf of an equipment lessor on a defaulted lease. In April 2003 the matter was settled for $16,900. This amount has been accrued. No payments have been made.

FOSTER TEPPER - This is an action recently brought by a former attorney for the Company for approximately $63,000 in legal fees, which are allegedly due and payable. The Company has accrued $37,000 for this matter.

ACCESS HOLDINGS LIMITED PARTNERSHIP - This is a lawsuit brought on behalf of two holders of Company stock who claim the Company has violated a prior settlement agreement and that they are therefore entitled to the return of approximately 4.1 million shares of Company stock, which they had previously surrendered to the Company per that agreement. This case has been consolidated with the case of Bentley v. Barber, et al (see below) and was settled on August 30, 2004.

BENTLEY V. WILLIAM R. BARBER, ET AL. - On March 22, 2002, James Bentley ("Plaintiff"), a shareholder of the Company, filed a shareholder derivative lawsuit against the Company and several individual defendants. The parties have settled this lawsuit as of August 30, 2004. The settlement amount reached is for $750,000, discountable to $500,000 if the Company pays Bentleys in strict accordance to the following schedule: $5,000 monthly, beginning August 30, 2004 thru November 30, 2005 with a balloon payment of $480,000 due on December 30, 2005. The terms of the settlement include the dismissal of all lawsuits related to the Bentleys, recognition of the $500,000 in promissory notes payable to Bentleys previously converted in the June 26, 2002 settlement agreement (included in the $750,000 settlement amount), and in consideration for the forgiveness of the NIS line of credit due to Ameropa, the Bentleys agree to release any and all security, restrictions and limitations on their stock and cause the issuance of 52% of the Company's stock to Barber or his designate. The

Company made the first four payments through November 2004, but is now in default.

ROYCAP - As of September 30, 2003 the Company was in default on its loan agreement with Roycap for repayment of a $450,000 loan, plus accrued interest, which was due on October 16, 2001. In June 2002, Roycap filed a formal suit on its claim. In the second quarter of 2002, the Company entered into a settlement agreement wherein it stipulated to entry of a $730,000 judgment. Subsequently, in March 2004, Roycap agreed to accept a lump sum payment of $250,000 and a promissory note for $50,000, payable in installments of $2,000 per month. The lump sum was paid, but the note is in default.

MOCERI LEASING CO. - this is an action by an equipment lessor on a defaulted lease. In August 2003, the Company entered into a structured settlement agreement for a total payout of $30,000 payable in 20 installments through April of 2005. The Company is no longer current on these payments.

BAS MULDER - This is a lawsuit filed by the former owner and employee of Black Sun Graphics, Inc. ("BSG"), claiming damages in excess of $430,000 related to the purchase of BSG by the Company. During 2003, the Company entered into a structured settlement agreement calling for the payments totaling $45,000 payable over 20 months and was making payments until October 2004. The amount owed as of September 30, 2005 is included in accrued liabilities.

AMERICAN CAPITAL GROUP - This is an action by an equipment lessor on a defaulted lease. A judgment was filed against the Company on December 28, 2004 in the amount of $73,578, which is included in accrued liabilities at September 30, 2005. No payments have been made.

The company has ceased accruing interest expense on its litigation settlements since there is significant doubt as to whether the Company will ever

THESE STATEMENTS INVOLVE RISKS AND UNCERTAINTIES. THEY ARE MADE AS OF THE DATE OF THIS REPORT, AND THE COMPANY ASSUMES NO OBLIGATION TO UPDATE THEM.

RESULTS OF OPERATIONS

Between December 31, 2004 and March 31, 2005 the Company effectively "wound down" their mode of operations. The Board of Directors working on the reduction of the $2,559,000 of Debt. As soon as the debt can be reduced the Directors will begin the process of looking for possible merger or acquisition opportunities,

In accordance with an agreement dated January 1, 2005 and amended February 28, 2005 the Company sold its Merchant Portfolio, its only remaining source of income, to Merchants Billing Services, Inc. for approximately $1,500,000, which was the amount owed to Merchants Billing Services, Inc. and Ameropa, Inc.

RESULTS OF OPERATIONS

Since the Company became a development stage company at April 1, 2005 there were no revenues from continuing operations.

The Company will continue to have expenses in connection with the disposition of liabilities and its efforts to acquire a new business.

Auditing and accounting	35,000
Receivables and deposits written off	61,000

Total expenses	$ 227,000

The Company had a lease on office space that it has not been able to cancel. It has accrued approximately $286,000 as lease payable at September 30, 2005. The lease has been cancelled as of September 30, 2005.

The Company continues to incur auditing and legal fees in connection with required filings and the settlement of law suits against the Company. A small amount of residuals continue to be collected. These residuals should not continue for very long. The Company wrote off expired deposits and receivables determined un-collectible.
