PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON DECEMBER 30, 2005

INTRODUCTION

Your proxy is solicited by the Board of Directors of PacificNet Inc., a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders to be held on December 30, 2005, at 1:00 p.m. (Hong Kong Time), at the Company's executive office located at Room 901, Tower A, Tian An High-Tech Plaza, Tian An Cyber Park, Fu Tian District, Shenzhen, China, and at any adjournment thereof (the "Annual Meeting"), for the following purposes:

1. To elect seven (7) directors to the Board of Directors of the Company to serve until the next annual meeting of stockholders and until their successors are duly elected and qualified;
2. To ratify the appointment of Clancy and Co., P.L.L.C. as the Company's independent auditors; and
3. To transact any other business as may properly be presented at the Annual Meeting or any adjournment or postponement thereof.

The Board of Directors has set November 15, 2005 as the record date (the "Record Date") to determine those holders of Common Stock, who are entitled to notice of, and to vote at the Annual Meeting. The Company expects that the Notice of Annual Meeting, Proxy Statement and form of proxy will first be mailed to stockholders on or about November 29, 2005.

GENERAL INFORMATION ABOUT VOTING

WHO CAN VOTE?

You can vote your shares of Common Stock if our records show that you owned the shares on the Record Date. As of the close of business on the Record Date, a total of 11,961,687 shares of Common Stock are entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one (1) vote on matters presented at the Annual Meeting.

HOW DO I VOTE BY PROXY?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the Annual Meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope.

The enclosed proxy, when properly signed and returned to the Company, will be voted by the proxy holders at the Annual Meeting as directed by the proxy. Proxies which are signed by stockholders but which lack any such specification will be voted in favor of the proposals set forth in the Notice of Annual Meeting.

WHAT IF OTHER MATTERS COME UP AT THE ANNUAL MEETING?

The matters described in this proxy statement are the only matters we know of that will be voted on at the Annual Meeting. If other matters are properly presented at the meeting, the proxy holders will vote your shares as they see fit.

Edgar Filing: PACIFICNET INC - Form DEF 14A

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. A proxy card may be revoked by a stockholder at any time before its exercise at the Annual Meeting by giving Victor Tong, our Secretary, a written notice revoking your proxy card, or a duly executed proxy bearing a later date, or by attendance at the Annual Meeting and electing to vote in person.

CAN I VOTE IN PERSON AT THE ANNUAL MEETING RATHER THAN BY COMPLETING THE PROXY CARD?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the Annual Meeting and vote your shares in person.

HOW ARE VOTES COUNTED?

We will hold the Annual Meeting if holders of a majority of the shares of Common Stock entitled to vote in person or by proxy either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card.

The election of directors under proposal 1 will be by the affirmative vote of a plurality of the shares of Common Stock presented in person or represented by proxy at the Annual Meeting. Proposal 2 shall be approved upon the affirmative vote of a majority of the shares of Common Stock presented in person or represented by proxy at the Annual Meeting. Unless otherwise stated, the enclosed proxy will be voted in accordance with the instructions thereon.

Brokers holding shares of the Company's Common Stock in street name who do not receive instructions are entitled to vote on the election of Directors and the ratification of the Company's independent auditors. Under applicable Delaware law, "broker non-votes" on any other non-routine proposal (where a broker submits a proxy but does not have authority to vote a customer's shares on such proposal) would not be considered entitled to vote on that proposal and will, therefore, have no legal effect on the vote of that particular matter.

WHO PAYS FOR THIS PROXY SOLICITATION?

We do. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, by fax, by email, or in person. None of these employees will receive any extra compensation for doing this.

The Nominating Committee will evaluate a potential nominee by personal interview, such interview to be conducted by one or more members of the Nominating Committee, and/or any other method the Nominating Committee deems appropriate, which may, but need not, include a questionnaire. The Nominating Committee may solicit or receive information concerning potential nominees from any source it deems appropriate. The Nominating Committee need not engage in an evaluation process unless (i) there is a vacancy on the Board of Directors, (ii) a director is not standing for re-election, or (iii) the Nominating Committee does not intend to recommend the nomination of a sitting director for re-election.

The Board of Directors encourages all of its members to attend the Company's annual meeting so that each director may listen to any concerns that stockholders may have that are raised at an annual meeting. Continued lack of attendance at annual meetings without a valid excuse will be considered by the

Nominating Committee when determining those Board members who will be recommended to the Board of Directors for re-election.

AUDIT COMMITTEE

The Board of Directors adopted a written charter for the Audit Committee. The Audit Committee's charter states that the responsibilities of the Audit Committee shall include: nominating the Company's independent auditors and reviewing any matters that might impact the auditors' independence from the Company; reviewing plans for audits and related services; reviewing audit results and financial statements; reviewing with management the adequacy of the Company's system of internal accounting controls, including obtaining from independent auditors management letters or summaries on such internal accounting controls; determining the necessity and overseeing the effectiveness of the internal audit function; reviewing compliance with the U.S. Foreign Corrupt Practices Act and the Company's internal policy prohibiting insider trading in its Common Stock; reviewing compliance with the SEC requirements for financial reporting and disclosure of auditors' services and audit committee members and activities; reviewing related-party transactions for potential conflicts of interest; and reviewing with corporate management and internal and independent auditors the policies and procedures with respect to corporate officers' expense accounts and perquisites, including their use of corporate assets. The Audit Committee met four times during 2004.

The Board of Directors has established an audit committee in accordance with Section 3(a) (58(A) of the Securities Exchange Act of 1934. The members of the Audit Committee are Messrs. Tao, Jin, Jeremy Goodwin, and Peter Wang, each of whom are independent as defined in the The Nasdaq National Market listing standards currently in effect. None of the Audit Committee members is a current officer or employee of the Company or any of its affiliates.

The Board of Directors has determined that all of the members of the audit committee qualify as an "audit committee financial expert" under the Securities and Exchange Commission's definition.

REPORT OF THE AUDIT COMMITTEE

Edgar Filing: PACIFICNET INC - Form DEF 14A

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the committee are "independent" as required by applicable listing standards of the Nasdaq National Market. The Committee operates pursuant to a Charter that was approved by the Board in fiscal 2000. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of this oversight function, the Committee has reviewed and discussed the audited financial statements with management and the independent auditors. The Committee has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61, COMMUNICATION WITH AUDIT COMMITTEE, as currently in effect. Finally, the Committee has received written disclosures and the letter from the independent auditors required by Independence Standard Board Standard No. 1, INDEPENDENCE DISCUSSIONS WITH AUDIT COMMITTEES, as currently in effect, and has considered whether the provision of non-audit services by the independent auditors to the Company is compatible with maintaining the auditor's independence and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting, are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's consideration and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent".

Based upon the reports, review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2004, as filed with the Securities and Exchange Commission.

INDEMNIFICATION

The Company's Certificate of Incorporation limits the liability of its directors for monetary damages arising from a breach of their fiduciary duty as directors, except to the extent otherwise required by the General Corporation Law of the State of Delaware. Such limitation of liability does not affect the availability of equitable remedies such as injunctive relief or rescission.

The Company's Bylaws provide that the Company shall indemnify its directors and officers to the fullest extent permitted by Delaware law, including in

Edgar Filing: PACIFICNET INC - Form DEF 14A

circumstances in which indemnification is otherwise discretionary under Delaware law. The Company has entered into indemnification agreements with its officers and directors containing provisions that may require the Company, among other things, to indemnify such officers and directors against certain liabilities that may arise by reason of their status or service as directors or officers (other than liabilities arising from willful misconduct of a culpable nature), to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and to obtain directors' and officers' insurance if available on reasonable terms.
