GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

In this section of the proxy statement, we answer some common questions regarding the Annual Meeting and the voting of shares at the meeting.

Where and when will the Annual Meeting be held?

The date, time and place of the meeting are:

November 12, 2012

9:00 a.m. (Pacific Standard Time)

Lantronix Headquarters

167 Technology Drive, Irvine, California 92618

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

If you share an address with another stockholder, you may receive only one set of proxy materials unless you have provided instructions to the contrary. If you wish to receive a separate set of proxy materials now, please send your request to: Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, Attention: Chief Financial Officer, or contact our Chief Financial Officer by phone at (949) 453-3990. A separate set of proxy materials will be sent promptly following receipt of your request. You may also contact us if you received multiple copies of the proxy materials and would prefer to receive a single copy in the future.

Who can vote?

You can vote your shares of common stock if our records show that you were the owner of the shares as of the close of business on September 25, 2012 (the "Record Date"). As of September 25, 2012, there were a total of 14,576,560 shares of our common stock outstanding and entitled to vote at the Annual Meeting. You have one vote for each share of common stock that you own.

How are votes counted?

We will convene the Annual Meeting if stockholders representing the required quorum of shares of common stock entitled to vote either sign and return their paper proxy cards, authorize a proxy to vote electronically or telephonically or attend the meeting. A majority of the shares of common stock entitled to vote at the meeting present in person or by proxy will constitute a quorum. If you sign and return your paper proxy card or authorize a proxy to vote electronically or telephonically, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated in the proxy materials. Broker non-votes (which occur when a brokerage firm has not received voting instructions from the beneficial owner on a non-routine matter, as defined by the New York Stock Exchange (the "NYSE")), as well as abstentions, will also be considered present for the purpose of determining whether we have a quorum.

Your shares may be voted on Proposal 2 if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority under the NYSE rules to cast votes on certain "routine" matters if they do not receive instructions from their customers. Proposal 2 is considered a routine matter for which brokerage firms may vote shares for which they did not receive instructions from beneficial owners. Proposals 1, 3, 4, 5 and 6 are not considered routine matters and therefore, if you do not provide voting instructions to your brokerage firm as described below, no vote for your shares will be cast with respect to these proposals.

For purposes of Proposal 1, abstentions and broker non-votes, if any, will be entirely excluded from the vote and will not be counted in determining the outcome of a director's election. For purposes of Proposals 2, 3 and 4, abstentions will be treated as shares present in person or represented by proxy at the Annual Meeting, so abstaining has the same effect as votes against the proposal, and broker non-votes, if any, will not be counted in determining the outcome of the proposal. For purposes of Proposals 5 and 6, abstentions and broker non-votes will have the same effect as votes against the proposal.

What is the required vote for approval?

The election of each of our nominees for director under Proposal 1 requires a plurality of votes cast at the Annual Meeting for the election of directors.

Approval and adoption of Proposals 2, 3 and 4 will require the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon.

Approval and adoption of Proposals 5 and 6 will require the affirmative vote of 66 2/3% of the outstanding shares of our common stock. As previously indicated, Proposal 5 and Proposal 6 comprise two related and interdependent proposals for stockholder action and the implementation of each proposal is contingent upon the adoption of both proposals. Accordingly, neither Proposal 5 nor Proposal 6 will be deemed to have been approved unless both proposals are duly approved by our stockholders.

How do I vote?

For each proposal, you may vote “For” or “Against” or abstain from voting. The procedures for voting are described below, based upon your form of ownership.

Stockholder of Record: shares registered in your name

If you are a stockholder of record, you may vote in person at the Annual Meeting. We will give you a ballot when you arrive.

If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy. You may vote by proxy using the enclosed proxy card, vote by proxy on the Internet or vote by proxy over the telephone. The procedures for voting by proxy are as follows:

- To vote by proxy using the enclosed proxy card, complete, sign and date your proxy card and return it promptly in the envelope provided.

- To vote by proxy on the Internet, go to www.proxyvote.com and follow the instructions provided. Please have your proxy card in hand when accessing the website, as it contains a 12-digit control number required to vote.

- To vote by proxy over the telephone, dial the toll-free phone number listed on your proxy card under the heading “Vote by Phone” (1-800-690-6903) using a touch-tone phone and follow the recorded instructions. Please have your proxy card in hand when calling, as it contains a 12-digit control number required to vote.

You can authorize a proxy to vote by telephone or via the Internet at any time prior to 11:59 p.m. Pacific Standard Time, November 11, 2012, the day before the Annual Meeting.

We provide Internet and telephone proxy voting with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet and telephone access, such as usage charges from Internet access providers and telephone companies.

Beneficial Owner: shares registered in the name of your broker, bank or other agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from the Company. To ensure that your vote is counted, simply complete and mail the proxy card or, if provided by your agent, follow the instructions for submitting your proxy through the Internet or by phone. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent in whose name the shares are registered. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

How does the Board recommend that I vote?

The Board recommends that you vote your shares “FOR” each of the nominees for election to the Board and “FOR” all of the proposals.

What if other matters come up at the Annual Meeting?

The only matters we now know of that will be voted on at the Annual Meeting include the proposals we have described in this proxy statement: (i) the election of five directors, (ii) the ratification of the appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as our independent accountants for the fiscal year ending June 30, 2013, (iii) the approval and adoption of our Amended and Restated 2010 Stock Incentive Plan, (iv) the approval and adoption of our 2013 Employee Stock Purchase Plan, (v) the approval and adoption of an amendment to Article II, Section 2.5 of our Amended and Restated Bylaws regarding advance notice procedures and (vi) the approval and adoption of an amendment to Article III, Section 3.3 of our Amended and Restated Bylaws regarding the election of directors. If other matters are properly presented at the meeting, the proxies designated in the proxy cards will vote your shares in their discretion.

Can I change my vote after I submit my proxy?

Yes. At any time before the vote on a proposal, you can change your vote either by executing or authorizing, dating and delivering to us a new proxy via the Internet, by telephone or mail prior to the Annual Meeting, by giving us a written notice revoking your proxy card or by attending the Annual Meeting and voting your shares in person. Your attendance at the Annual Meeting will not, by itself, revoke a proxy previously given by you. We will honor the proxy card or authorization with the latest date.

Proxy revocation notices should be sent to Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, Attention: Corporate Secretary.

Can I vote in person at the Annual Meeting rather than by authorizing a proxy?

Yes. Although we encourage you to complete and return a paper proxy card or authorize a proxy to vote telephonically or electronically via the Internet, to ensure that your vote is counted, you can attend the Annual

Meeting and vote your shares in person even if you have submitted a paper proxy card or authorized a proxy electronically or telephonically.

How will my shares be voted?

Any proxy which you return properly completed and which is not revoked will be voted as you direct. If you are a shareholder of record and you indicate when voting by internet or by telephone that you wish to vote as recommended by our Board or if you sign and return a proxy card without giving specific instructions, then the persons designated as proxy holders in the accompanying proxy card(s) will vote "FOR" the election of all of the nominees for director; "FOR" the proposal to ratify the appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as the Company's independent registered public accountants for the fiscal year ending June 30, 2013; "FOR" the proposal to approve and adopt the Company's Amended and Restated 2010 Stock Incentive Plan which increases the aggregate number of shares of common stock reserved for issuance under the plan by 1,700,000 shares; "FOR" the proposal to approve and adopt the Company's 2013 Employee Stock Purchase Plan; "FOR" the proposal to approve and adopt an amendment to Article II, Section 2.5 of the Company's Amended and Restated Bylaws regarding advance notice procedures; and "FOR" the proposal to approve and adopt an amendment to Article III, Section 3.3 of the Company's Amended and Restated Bylaws regarding the election of directors. If you are a beneficial owner of shares of the Company's common stock and your bank or brokerage firm does not receive instructions from you about how your shares are to be voted, then the organization that holds your shares will vote your shares as described above under the heading "How do I vote?"

In the event any director nominee is unable to or declines to serve as a director at the time of the Annual Meeting (which is not anticipated), the persons named in the enclosed proxy card(s) will vote for the election of such person or persons as may be designated by the present Board. As to any other business or matters which might otherwise properly come before the Annual Meeting, the proxy holders will vote in accordance with their best judgment, although the Company does not presently know of any such other business.

How can I get electronic access to proxy materials?

The notice of annual meeting, this proxy statement and our Annual Report to Shareholders are available on the internet at www.proxyvote.com.

Who will count the votes?

Representatives of Computershare Trust Services, Inc. will count the votes and will serve as the independent inspector of election.

What is the deadline to propose actions for consideration at next year's annual meeting of stockholders?

Stockholder Proposals Under Rule 14a-8. In order for a stockholder proposal to be eligible for inclusion in our proxy statement under the rules of the Securities and Exchange Commission (the "SEC") for the 2013 Annual Meeting, the written proposal must be received by the Secretary of the Company at the Company's offices no later than the close of business on June 5, 2013 and must comply with the requirements of the rules established by the SEC under Rule 14a-8. Proposals should be addressed to: Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, Attention: Corporate Secretary.

Stockholder Proposals Under the Company's Amended and Restated Bylaws. Currently, the Company's Amended and Restated Bylaws (the "Bylaws") provide that in order for a stockholder proposal to be submitted at the 2013 Annual Meeting, including nominations for candidates for election as directors (*e.g.*, a stockholder proposal that is not intended to be included in our proxy statement under Rule 14a-8), written notice to the Corporate Secretary of the Company of such proposal must be received at our executive offices:

— not earlier than July 20, 2013; and

— not later than August 19, 2013.

If the date of the stockholder meeting is moved more than 30 days before or 60 days after the first anniversary of our 2012 Annual Meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement under Rule 14a-8 must be received no earlier than the close of business 120 days prior to the meeting and not later

than the close of business on the later of the following two dates:

- 90 days prior to the meeting; and
- 10 days after public announcement of the meeting date.

If the Bylaws Proposals are adopted by the stockholders, the deadline by which a stockholder must give advance written notice of a proposal or a nominee for consideration at the 2013 annual meeting will be tied to the first anniversary of the 2012 Annual Meeting. If such Bylaws Proposals are adopted, the dates listed above regarding deadlines for stockholder proposals will be revised so that to be timely for the 2013 Annual Meeting (assuming that the 2013 Annual Meeting is held on a date within 30 days before or 60 days after November 12, 2013) a stockholder's written notice of such proposal must be delivered to or mailed and received by our Corporate Secretary:

- not earlier than July 15, 2013; and
- not later than August 14, 2013.

The stockholder proposal submission requirements set forth in our Bylaws are independent of, and in addition to, the notice requirements under SEC Rule 14a-8, as discussed above, for inclusion of a stockholder proposal in our proxy materials.

The Company's Bylaws require that a stockholder must provide certain information concerning the proposing person, the nominee and the proposal, as applicable. Nominations and proposals not meeting the requirements set forth in the Company's Bylaws will not be entertained at the 2013 Annual Meeting. Stockholders should contact the Corporate Secretary in writing at 167 Technology Drive, Irvine, CA 92618 to obtain additional information as to the proper form and content of stockholder nominations or proposals.

Who pays for this proxy solicitation?

We do. In addition to sending you these proxy materials, some of our employees may contact you by mail, telephone, facsimile, email or personal solicitation. None of these employees will receive any extra compensation for doing this. The Company will, at its expense, request brokers and other custodians, nominees, and fiduciaries to forward proxy soliciting material to the beneficial owners of shares held of record by such persons.

CORPORATE GOVERNANCE

Nomination of Director Candidates

The Corporate Governance and Nominating Committee considers candidates for Board membership, and recommends director nominees to the Board for consideration and approval. There are no specific minimum qualifications that a director must possess to be nominated. However, the Corporate Governance and Nominating Committee assesses the appropriate skills and characteristics of a nominee based on the composition of the Board as a whole and based on the nominee's qualifications, such as independence, skills, age and experience in such areas as operations, finance, marketing and sales. See also "*Criteria for Director Nominees and Board Diversity*" below.

The Corporate Governance and Nominating Committee also will consider qualified candidates for director nominees suggested by the Company's stockholders. Stockholders can suggest qualified candidates for director nominees by submitting the candidate's name and qualifications in writing to the Company at the following address: Lantronix, Inc., 167 Technology Drive, Irvine, California 92618, Attention: Corporate Secretary. The Corporate Governance and Nominating Committee will consider such suggestions for candidates for Board membership, but it is not obligated to include them on the Company's slate of nominees for directors. The Corporate Governance and Nominating Committee does not intend to evaluate candidates proposed by stockholders any differently than other candidates.

Director Independence; Board Leadership Structure

The Nasdaq Listing Standards require that a majority of the members of the Board be independent. Our Board is currently comprised of Messrs. Bruscha, Folino, Printer and Rehfeld. Our Board has determined that all of our directors are independent under the criteria for independence set forth in the Nasdaq Listing Standards. In reaching such determination, our Board considered the fact that Mr. Bruscha is our largest stockholder, with beneficial ownership of approximately 41.7% of our outstanding common stock as of the Record Date and is considered a founder of the Company.

The Board is led by Bernhard Bruscha, our Chairman of the Board, a position separate from our Chief Executive Officer and President, Kurt Busch. Mr. Bruscha succeeded Thomas W. Wittenschlaeger as Chairman of the Board. Mr. Wittenschlaeger, a former independent director and member of each of the Board's committees, resigned on May 14, 2012.

Although the Chief Executive Officer and other members of senior management are invited to attend meetings of the Board, in order to assure that the independent directors are not inappropriately influenced by management, the members of the Board meet in executive session, without executive management in conjunction with each of the regularly scheduled meetings of the Board and each committee, and otherwise, as deemed necessary. This allows directors to speak candidly on any matter of interest, without the Chief Executive Officer or other members of management present.

We believe that this leadership structure provides the appropriate level of independent oversight necessary to ensure that the Board meets its fiduciary obligations to our stockholders, that the interests of management and our stockholders are properly aligned, and that we establish and follow sound business practices and strategies that are in the best interests of our stockholders.

Risk Oversight

Management has primary responsibility for identifying and mitigating risks, while our Board has overall responsibility for oversight of such risks, with a focus on the most significant risks facing us. At the beginning of each fiscal year, management and the Board jointly review our strategic goals and associated risks. Throughout the year, the Board and the committees to which the Board has delegated responsibility dedicate a portion of their meetings to review and discuss specific risk topics in greater detail. For example, strategic and operational risks are presented and discussed at regularly-scheduled Board meetings and at presentations to the Board and its committees by executive management.

The Board has delegated responsibility for the oversight of specific risks to Board committees as follows:

The Audit Committee oversees our risk policies and processes relating to financial statements and financial reporting, as well as investment, capital structure and compliance risks, and the guidelines, policies and processes for monitoring and mitigating those risks.

The Compensation Committee oversees risks associated with the Company's incentive plans, the compensation of executive management, and the effect the compensation structure may have on business decisions.

The Corporate Governance and Nominating Committee oversees risks related to our governance structure and the evaluation of individual Board members and committees.

The Board's risk oversight process builds upon management's enterprise-wide risk assessment and mitigation processes, which include ongoing monitoring of various risks including those associated with long-term strategy and business operations, regulatory and legal compliance, and financial reporting.

Meetings of the Board

During the fiscal year ended June 30, 2012, the Board held 17 meetings of the Board, and the committees of the Board held 27 meetings, inclusive of 8 meetings of the ad hoc special finance committee formed for the purpose of facilitating our capital raise in April 2012.

Each director attended at least 75% of the meetings of the Board and any applicable committee meetings held during the period of his tenure in the 2012 fiscal year.

We strongly encourage all of our directors to attend the annual meeting of stockholders. Last year, all of the Company's directors attended the annual meeting of stockholders.

Committees of the Board

To facilitate independent director review, and to make the most effective use of the directors' time and capabilities, the Company has established the following standing committees: an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. The responsibilities of each Committee are set forth in a written charter, approved by the Board. Each such charter is available on our website at www.lantronix.com. The Board is permitted to establish other committees from time to time as it deems appropriate.

Audit Committee

The Audit Committee is currently composed of three directors, each of whom must be independent and financially sophisticated as those terms are defined under the rules of the Nasdaq Listing Standards for Audit Committee service. The Board has determined that each of the members of the Audit Committee is "independent" and "financially sophisticated" under the Nasdaq Listing Standards and that Mr. Printer is an "audit committee financial expert" under the rules of the SEC. In addition, the Audit Committee assists the Board in establishing and monitoring compliance with the Code of Business Conduct and Ethics Policy of the Company ("Code of Conduct"). The Audit Committee also reviews, with the Company's management and the independent registered public accounting firm, the Company's policies and procedures with respect to risk assessment and risk management relating to financial statements and financial reporting, as well as investment, capital structure and compliance risk, and the guidelines, policies and processes for monitoring and mitigating those risks. The Audit Committee is also responsible for the review and approval of related party transactions.

The Audit Committee held six meetings in the 2012 fiscal year. At each regularly scheduled meeting of the Audit Committee, the Audit Committee met with senior members of the Company's financial management team and with the Company's independent registered public accounting firm. Additionally, the Audit Committee met in executive session and without others present at its regularly scheduled meetings, with the Company's independent registered public accounting firm. The current members of the Audit Committee are Messrs. Printer (Chairperson), Folino and Rehfeld.

Compensation Committee

The Compensation Committee is composed of three directors, each of whom is independent as the term is defined under the rules of the Nasdaq Listing Standards for Compensation Committee Service. Each of the members of the committee is also a "nonemployee director" as that term is defined under Rule 16b-3 of the Securities and Exchange Act and an "outside director" as that term is defined in Treasury Regulation Section 1.162-27(e)(3). The responsibilities of the Compensation Committee are included in its written charter, which is posted under the "About Us – Investor Relations" section of the Company's website (www.lantronix.com).

The Compensation Committee determines our overall policies on compensation, makes recommendations to the independent directors on the Board regarding the compensation of our chief executive officer and determines the compensation of other executive officers. In addition, the Compensation Committee administers our equity incentive plans and reviews the philosophy and policies behind, and any material risks created by, the salary, bonus and equity compensation arrangements for all other employees. The Compensation Committee also makes recommendations to the Board with respect to amendments to our equity incentive plans. The Compensation Committee has the authority to obtain advice and assistance from, and receive appropriate funding for, internal or external legal, compensation, accounting or other advisers as the Compensation Committee deems necessary to carry out its duties.

The Compensation Committee held nine meetings in the 2012 fiscal year. The current members of the Compensation Committee are Messrs. Folino, Printer and Rehfeld (Chairperson).

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee is composed of three directors, each of whom is independent as the term is defined under the rules of the Nasdaq Listing Standards. The responsibilities of the Corporate Governance and Nominating Committee are included in its written charter, which is posted under the “About Us – Investor Relations” section of the Company’s website (www.lantronix.com).

The Corporate Governance and Nominating Committee makes recommendations to the Board regarding candidates for election as directors of the Company and is otherwise responsible for matters relating to the nomination of directors. The Corporate Governance and Nominating Committee assists the Board on board committee structure and membership and corporate governance matters.

The Corporate Governance and Nominating Committee held four meetings in the 2012 fiscal year. The current members of the Corporate Governance and Nominating Committee are Messrs. Folino (Chairperson), Printer and Rehfeld.

The Corporate Governance and Nominating Committee assists the Board in overseeing the implementation and monitoring the effectiveness of our Code of Conduct and in developing and recommending to the Board modifications and/or additions to our Code of Conduct and other corporate policies. The Corporate Governance and Nominating Committee reviews our overall corporate governance as well as Board policies and procedures and recommends improvements as needed. The Corporate Governance and Nominating Committee is also responsible for recommending director nominees for election at each annual meeting of stockholders and for the review and approval of related party transactions, as well as evaluation of the “independence” of directors and director nominees against the independence requirements of the Nasdaq Listing Standards, SEC rules and other applicable laws. The Corporate Governance and Nominating Committee also reviews and recommends to the Board the compensation of directors and oversees the director performance evaluation process.

Criteria for Director Nominees and Board Diversity

The Board believes that it should be composed of directors with diverse, complementary backgrounds, and that directors should, at a minimum, exhibit proven leadership capabilities and experience at a high level of responsibility within their chosen fields and have the ability to quickly grasp complex principles of business, finance and technology. Directors should possess the highest personal and professional ethics, integrity and values and should be committed to representing the long-term interests of our stockholders.

When considering a candidate for director, the Corporate Governance and Nominating Committee takes into account a number of factors, including the following:

— Independence from management;

Depth of understanding of technology, manufacturing, sales and marketing, finance and/or other elements directly relevant to our business;

— Education and professional background;

— Judgment, skill, integrity and reputation;

— Existing commitments to other businesses as a director, executive or owner;

— Personal conflicts of interest, if any;

— The size and composition of our existing Board; and

— Diversity of skills, backgrounds, experiences and other qualifications, to meet Lantronix' ongoing needs.

In general, candidates who hold or who have held an established executive-level position in a high technology company are preferred. The Board's consideration of diversity as a criteria for director nominations is primarily focused on evaluating a nominee's expected contribution to the diversity of skills, background, experiences and perspectives, given the then existing composition of the Board as a whole.

When seeking candidates for director, the Corporate Governance and Nominating Committee may solicit suggestions from incumbent directors, management, stockholders and others. Additionally, the Corporate Governance and Nominating Committee has in the past used, and may continue to use, the services of third party search firms to assist in the identification and analysis of appropriate candidates. After conducting an initial evaluation of a prospective candidate, the Corporate Governance and Nominating Committee will interview that candidate if it believes the candidate might be suitable. The Corporate Governance and Nominating Committee may also ask the candidate to meet with other members of the Board and with management. If the Corporate Governance and Nominating Committee believes a candidate would be a valuable addition to the Board, it may recommend to the Board that candidate's appointment or election. The Corporate Governance and Nominating Committee applies the same standards of review to all prospective candidates for director, regardless of who initially brings them to the Corporate Governance and Nominating Committee's attention.

Code of Conduct and Complaint Procedures

We have adopted a Code of Conduct that applies to all of our directors, officers and employees. The Code of Conduct operates as a tool to help our directors, officers and employees understand and adhere to the high ethical standards we expect. The Code of Conduct is posted under the “About Us – Investor Relations” section of the Company’s website (www.lantronix.com). Stockholders also may obtain copies at no cost by writing to our Corporate Secretary at our corporate headquarters.

Concerns relating to accounting, internal controls or auditing matters should be brought to the attention of a member of our senior management or the Audit Committee, as appropriate, and are handled in accordance with procedures established by the Audit Committee with respect to such matters.

Stockholder Communications with Our Board

You may communicate with any director, the entire Board or any committee of the Board by sending a letter to the director, the Board or the committee, addressed to our Corporate Secretary at Lantronix, Inc., 167 Technology Drive, Irvine, California 92618. Unless the letter is marked “confidential,” our Corporate Secretary will review the letter, categorize it and forward it to the appropriate person. Any stockholder communication marked “confidential” will be logged as “received” and forwarded to the appropriate person without review.

PROPOSAL 1

ELECTION OF DIRECTORS

Under the Amended and Restated Bylaws of the Company, the Board currently consists of four persons, Bernhard Bruscha, Paul Folino, Hoshi Printer and John Rehfeld. On August 23, 2012, acting pursuant to the Bylaws, the Board passed a resolution increasing the size of the Board to five persons, effective immediately prior to the election of directors at the Annual Meeting.

The Corporate Governance and Nominating Committee recommended to the Board and the Board approved, the nominations of Bernhard Bruscha, Kurt Busch, Bruce Edwards, Paul Folino and Hoshi Printer for election as directors, each to serve one year terms until the 2013 Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified or until such director's earlier resignation or removal. Mr. Rehfeld will retire from the Board effective at the Annual Meeting. We thank John for his outstanding service as a director.

Unless otherwise instructed, the holders of proxies solicited by this proxy statement will vote the proxies received by them for our five nominees. Directors are elected by a plurality of the votes cast at the meeting for the election of directors. Shares represented by signed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxy holders will vote for a nominee designated by the current Board to fill the vacancy. We are not aware of any reason that any nominee will be unable or will decline to serve as a director. The Board recommends a vote "FOR" the election of the Company's five nominees. Since the deadline for providing advance notice of stockholder nominations for directors has already passed, no additional persons may be nominated from the floor.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee has appointed Squar, Milner, Peterson, Miranda & Williamson, LLP (“Squar Milner”) as the independent registered public accounting firm for the Company for the fiscal year ending June 30, 2013. Squar Milner was the independent registered public accounting firm for the Company for the fiscal year ended June 30, 2012. Representatives of Squar Milner are expected to attend the Annual Meeting and will be available to respond to appropriate questions and to make a statement if they so desire. Although the Company is not required to seek stockholder ratification of this appointment, the Board believes that doing so is consistent with good corporate governance practices. If the appointment is not ratified, the Audit Committee will explore the reasons for stockholder rejection and will reconsider the appointment.

Transition from our Prior Independent Registered Public Accounting Firm

On December 2, 2011 the Audit Committee notified McGladrey & Pullen, LLP (“McGladrey”) of its decision to dismiss McGladrey as the Company’s independent registered public accounting firm. The decision was made as a cost savings measure to reduce the Company’s audit fees.

The reports of McGladrey on the Company’s financial statements for the fiscal years ended June 30, 2010 and June 30, 2011 (“2010-2011 Fiscal Years”) did not contain any adverse opinion or disclaimer of opinion, and were not otherwise qualified as to uncertainty, audit scope or accounting principles. During the 2010-2011 Fiscal Years and from July 1, 2011 through December 2, 2011, there were no disagreements with McGladrey on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of McGladrey, would have caused them to make reference thereto in their reports on the financial statements for such years. During the 2010-2011 Fiscal Years and from July 1, 2011 through December 2, 2011, there were no “reportable events” as such term is described in Item 304(a)(1)(v) of Regulation S-K under the Securities Exchange Act of 1934, as amended.

On November 30, 2011, the Audit Committee appointed Squar Milner, effective as of December 2, 2011, as its new independent registered public accounting firm to provide auditing and other services to the Company. During the Company’s fiscal years ended June 30, 2010 and June 30, 2011, and from July 1, 2011 through December 2, 2011, neither the Company nor anyone acting on its behalf consulted with Squar, Milner regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s financial statements; or (ii) any matter that was either the subject of disagreement (as that term is defined in paragraph 304(a)(1)(iv) of Regulation S-K and the related instructions to that item) or a reportable event (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

The Company requested that Squar Milner review the disclosures in the preceding two paragraphs before they were filed as part of the Company’s Current Report on Form 8-K with the Securities and Exchange Commission on December 8, 2011 and furnish a letter to the extent that the statements made therein were incorrect or incomplete. After completing its review, Squar Milner concluded that no such letter was necessary.

Fees Paid to the Principal Accountants

During the fiscal year ended June 30, 2012, the Company retained its independent registered public accounting firm, Squar Milner, and during the fiscal years ended June 30, 2012 and 2011, the Company retained its independent registered public accounting firm, McGladrey, to provide services in the following categories and amounts:

These fees also include the review of our registration statements on Form S-3 and certain other related matters such as the delivery of comfort letters and consents in connection with our registration statements. In the fiscal year ended June 30, 2011, audit fees included fees relating to an independent investigation.

All Other Fees. There were no fees billed by our independent registered public accounting firms for other services in the fiscal years ended June 30, 2012 and 2011.

Pre-Approval of Services. The Audit Committee is required to pre-approve the audit and non-audit services performed by the Company’s independent registered public accounting firm in order to assure that the provision of such services does not impair the auditor’s independence. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it requires specific pre-approval by the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. The Audit Committee at least annually reviews and pre-approves the services that may be provided by the independent registered public accounting firm without obtaining specific pre-approval from the Audit Committee. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management. The Audit Committee may delegate, and has delegated, pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The annual audit services engagement terms and fees are subject to the specific pre-approval of the Audit Committee.

Required Vote; Recommendation of the Board of Directors

The ratification of the appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as our independent registered public accountants for the fiscal year ending June 30, 2013 requires the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” RATIFICATION OF THE APPOINTMENT OF SQUAR, MILNER, PETERSON, MIRANDA & WILLIAMSON, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING JUNE 30, 2013.**

PROPOSAL 3

APPROVAL AND ADOPTION OF THE AMENDED AND RESTATED 2010 STOCK INCENTIVE PLAN

We are asking our stockholders to approve the Amended and Restated 2010 Stock Incentive Plan (“Amended and Restated 2010 SIP”). If this proposal is approved, the number of shares of common stock that will be reserved for issuance pursuant to awards made under the Amended and Restated 2010 SIP will increase by 1,700,000 shares from 1,350,000 shares plus any Plan Rollover Shares (as defined in the following sentence) to 3,050,000 shares plus any Plan Rollover Shares. The term “Plan Rollover Shares” means any shares subject to equity compensation awards granted under the Lantronix, Inc. Amended and Restated 2000 Stock Plan (the “2000 Plan”) that expire or otherwise terminate without having been exercised in full or that are forfeited to or repurchased by the Company by virtue of their failure to vest, with a maximum of 2,100,000 such shares eligible for rollover. If this proposal is not approved by the stockholders, the number of shares of common stock reserved for issuance under the plan will remain at 1,350,000 plus any Plan Rollover Shares. The Amended and Restated 2010 SIP authorizes awards of stock options, restricted stock, restricted stock units (“RSUs”), grants of stock appreciation rights (“SARs”) and performance shares (all of which were also authorized to be granted under our current 2010 Stock Incentive Plan (the “2010 SIP”). The terms of the Amended and Restated 2010 SIP are similar to the terms of the 2010 SIP, except for the proposed increase in the aggregate number of shares of common stock that will be reserved for issuance under the plan. As of September 28, 2012, the closing price of our common stock on the Nasdaq Capital Market was \$1.74 per share.

As of the Record Date (September 25, 2012): (a) 421,664 shares remain available for issuance under the 2010 SIP and (b) 1,577,882 shares were subject to outstanding (granted but unexercised) option awards granted under the 2010 SIP, which awards had a weighted-average exercise price of \$2.13, and a weighted-average remaining term of 6.2 years. In addition, the 2010 SIP provides that any Plan Rollover Shares will be available for issuance under the 2010 SIP (and the Amended and Restated 2010 SIP).

Burn Rate Commitment

Our board of directors commits to our stockholders that, in connection with approval of the Amended and Restated 2010 SIP, over the next three fiscal years (2013, 2014, and 2015), our total “burn rate” for stock awards shall not exceed 7.69% per year. “Burn rate” is defined as the number of shares subject to stock awards granted in a fiscal year divided by the weighted average number of shares of our common stock outstanding (basic) at fiscal year end. For purposes of calculating the number of awards granted in each of the next three fiscal years, (i) awards of stock options and stock appreciation rights will count as one share, and (ii) awards of restricted stock, restricted stock units or other full value awards will count as 1.50 shares.

Adoption of the Amended and Restated 2010 SIP

The Board voted to adopt the Amended and Restated 2010 SIP, subject to approval by our stockholders at the Annual Meeting. If approved, the Amended and Restated 2010 SIP will be deemed effective as of the date of our Annual Meeting (the “Effective Date”).

The Board believes that the Amended and Restated 2010 SIP is desirable because it will promote and closely align the interests of the participants and the stockholders of the Company by providing stock-based compensation and other performance-based compensation to participants. The Board believes the Amended and Restated 2010 SIP will strengthen our ability to reward performance, which ultimately enhances long-term value for stockholders, increases employee participation in stock ownership, and strengthens our ability to attract and retain an outstanding team of directors, officers and employees. Specifically, and without limitation to the foregoing, the Board believes that the Amended and Restated 2010 SIP will help us to: (1) attract and retain the best available personnel for positions of substantial responsibility; (2) provide incentives to individuals who perform services for us; and (3) promote the success of our overall business.

A copy of the Amended and Restated 2010 SIP is attached as Appendix A. This description of the Amended and Restated 2010 SIP is qualified, in its entirety, by the terms of the attached Amended and Restated 2010 SIP document. Stockholders should not rely on the summary provided below in voting for or against the Amended and Restated 2010 SIP and should carefully read and consider the entirety of the Amended and Restated 2010 SIP by referring to Appendix A. Terms in this section of the proxy statement that begin with an initial capital letter (and are not otherwise defined) have the defined meaning set forth in the Amended and Restated 2010 SIP, unless their context indicates a different meaning.

Summary of Amended and Restated 2010 SIP

Administration. The Amended and Restated 2010 SIP will be administered by a committee of the Board (or by the full Board in the absence of a committee) (the “Plan Administrator”).

The Amended and Restated 2010 SIP does not permit, without obtaining the consent of the Company’s stockholders, the repricing of any outstanding option or SAR through either (i) the cancellation of outstanding options in exchange for a new award or cash, (ii) the cancellation of outstanding SARs in exchange for a new award, or (iii) the amendment of outstanding options or SARs to reduce the exercise price thereof.

Duration of the Amended and Restated 2010 SIP. The Amended and Restated 2010 SIP shall remain in effect until the earlier of: (1) termination thereof by the Plan Administrator; (2) the tenth anniversary of the effective date of the Amended and Restated 2010 SIP; or (3) the date on which all shares of our common stock that are available for issuance under the Amended and Restated 2010 SIP have been issued and all restrictions on such shares have lapsed. Termination of the Amended and Restated 2010 SIP will not affect the Plan Administrator’s ability to exercise the powers granted to it with respect to any awards granted under the Amended and Restated 2010 SIP prior to the date of termination.

Amendment and Termination of the Amended and Restated 2010 SIP. The Plan Administrator may at any time amend, alter, suspend or terminate the Amended and Restated 2010 SIP, provided however, that we will obtain stockholder approval of any amendment to the Amended and Restated 2010 SIP to the extent necessary and desirable to comply with applicable law. No amendment, alteration, suspension, or termination of the Amended and Restated 2010 SIP can impair the rights of any participant, unless mutually agreed between the participant and the Plan Administrator.

Share Reserve. If this proposal is approved, 3,050,000 shares of our common stock plus any Plan Rollover Shares will be reserved for issuance under the Amended and Restated 2010 SIP. Any shares subject to outstanding awards other than stock options and/or SARs, shall count against the Amended and Restated 2010 SIP share reserve as 1.50 shares for every one share subject to such award. The Amended and Restated 2010 SIP also provides that appropriate adjustments will be made in the share reserve and in shares subject to outstanding awards and option exercise prices upon any stock split or other change in capitalization.

The aggregate number of shares of our common stock in respect of which stock options or SARs may be granted to any one person pursuant to the Amended and Restated 2010 SIP during any fiscal year may not at any time exceed 2,500,000 shares of our common stock. Similarly, no participant may be granted more than 1,000,000 shares subject to restricted stock, restricted stock unit or performance share awards in any fiscal year.

Awards Authorized. The Amended and Restated 2010 SIP authorizes each of the following types of awards: Incentive Stock Options (“ISOs”); Nonstatutory Stock Options (“NSOs”); Restricted Stock; RSUs; SARs; and Performance Shares. Note that although the descriptions that follow refer to the potential for awards to comply with the definition of “performance-based compensation” under Section 162(m) of the IRC, we have reserved broad discretion to decide whether or not particular awards will be so structured (meaning some awards may not qualify as “performance-based compensation”).

Eligibility. Only employees are eligible to receive ISOs. For NSOs, Restricted Stock, RSUs, SARs, and Performance Shares, current employees, consultants and/or directors are eligible to participate.

Stock Options. Stock options granted under the Amended and Restated 2010 SIP will be subject to the following provisions:

Exercise Price: For NSOs, subject to the certain exceptions, the exercise price shall be at least 100% of the fair market value (“FMV”) per share on the date of grant.

For ISOs, subject to certain exceptions, the exercise price shall be at least 100% of the FMV per share on the date of grant, and 110% of the FMV per share if granted to a greater than 10% stockholder.

Exercisability: Exercisable only to the extent of vesting, subject to a standard option agreement.

Vesting: As determined at the discretion of the Plan Administrator.

Payment: Forms of payment for exercise shall be determined by the Plan Administrator and may include any of the following (or a combination thereof): cash or check; promissory note (as permitted by law); tender of owned shares; ‘same-day sale’ exercise; or other consideration approved by the Plan Administrator.

Duration: Options shall have a total duration of no longer than 7 years (and no longer than 5 years for ISOs held by a greater than 10% stockholder).

Transferability: Unless otherwise determined by the Plan Administrator, Options are not transferable except by the provisions of a will or by applicable law.

IRC 162(m): In order to comply with the definition of “performance-based compensation” under Section 162(m) of the Internal Revenue Code (“IRC”), the Amended and Restated 2010 SIP provides that a maximum of 2,500,000 options (and SARs) may be granted to any employee during a company fiscal year.

Stock Appreciation Rights (SARs). SARs granted under the Amended and Restated 2010 SIP will be subject to the following provisions:

Exercise Price: At least 100% of the FMV per share on the date of grant.

Vesting: As determined at the discretion of the Plan Administrator.

Settlement: Upon exercise, the holder receives the excess of FMV of the shares over the exercise price. Settlement may be accomplished in shares of common stock of the Company, cash or any combination thereof, as specified in the award agreement.

Duration: SARs shall have a total duration of no longer than 7 years and may be subject to early termination upon the participant's termination of service or a change in control of Lantronix (if not assumed by the acquirer).

Transferability: SARs are generally not transferable except by the provisions of a will or via applicable law, or as may be authorized by the Plan Administrator.

IRC 162(m): In order to comply with the definition of "performance-based compensation" under Section 162(m) of the IRC, the Amended and Restated 2010 SIP provides that a maximum of 2,500,000 SARs (and options) may be granted to any employee during a fiscal year.

Restricted Stock and Restricted Stock Units (RSUs). Restricted Stock and RSUs granted under the Amended and Restated 2010 SIP will be subject to the following provisions:

Purchase Price: No payment is required by the participant for the Restricted Stock or RSUs. The par value of any Restricted Stock shares shall be deemed paid for by future services of the participant.

Vesting: As determined at the discretion of the Plan Administrator (may be based on continued service or achievement of performance goals).

Rights: For Restricted Stock (not applicable to RSUs), the participant will have: (i) full voting rights in respect of his or her Restricted Stock prior to vesting thereof; and (ii) the right to receive any dividends paid on Restricted Stock, subject to the same vesting restrictions as the underlying Restricted Stock.

Transferability: Unless otherwise determined by the Plan Administrator, unvested Restricted Stock or RSUs may not be sold or otherwise transferred, except by the provisions of a will or via applicable law.

Settlement: Settlement of RSUs may be accomplished in shares of common stock of Lantronix, cash or any combination thereof, as specified in the award agreement.

IRC 162(m): In order to comply with the definition of “performance-based compensation” under Section 162(m) of the IRC, the Amended and Restated 2010 SIP provides that a maximum of 1,000,000 Restricted Stock awards and RSUs (and Performance Shares) may be granted to any employee during a fiscal year. In addition, in order to comply with the “performance-based compensation” requirements under IRC Section 162(m), Restricted Stock and RSUs issued under the Amended and Restated 2010 SIP may be subject to the achievement of pre-established performance goals.

Performance Shares. Performance Shares granted under the Amended and Restated 2010 SIP will be subject to the following provisions:

Purchase Price: No payment is required by the participant for the Performance Shares.

Vesting: As determined at the discretion of the Plan Administrator (may be based on company-wide, business unit, or individual performance goals (including continued service) or any other basis).

Performance: The period of measuring performance shall be as specified by the Plan Administrator in any award grant of Performance Shares. Performance criteria for performance shares, RSUs or restricted stock awards may be based on target levels (minimum, maximum and intermediate levels) of one or more of the following:

~~Earnings per share;~~
~~Operating cash flow;~~
~~Operating income;~~
~~Profit metrics, such as EBITDA profitability or non-GAAP profitability;~~
~~Return on assets or net assets;~~
~~Return on equity;~~
~~Return on sales;~~
~~Revenue;~~

~~Gross margin or operating margin;~~
~~Growth in stockholder value relative to the moving average of the S&P 500 Index or another index;~~
~~Share price;~~
~~Operating expenses or operating expenses as a percentage of revenue;~~
~~Earnings (which may include EBIT or EBT and net earnings);~~
~~Return on capital;~~
~~Return on investment;~~
~~Market share;~~
~~Contract awards or backlog;~~
~~Overhead or other expense reduction;~~
~~Objective customer indicators;~~
~~New product invention and innovation;~~
~~Attainment of research and development milestones;~~
~~Total stockholder return; and~~
~~Working capital.~~

Any performance goals may be used to measure our performance as a whole or any of our subsidiaries or other business units or segments and may be measured relative to a peer group or index. Any criteria used may be measured, as applicable (i) in absolute terms; (ii) against another company or companies, on a per-share basis, and/or (iii) on a pre-tax or post-tax basis. In establishing the performance goals, the Plan Administrator shall determine whether such goals are in accordance with United States Generally Accepted Accounting Principles (“GAAP”) or in accordance with accounting principles established by the International Accounting Standards Board (“IASB Principles”) or to either exclude any items otherwise includable under GAAP or under IASB Principles or include any items otherwise excludable under GAAP or under IASB Principles.

Change of Control. Under the Amended and Restated 2010 SIP, any outstanding awards will be treated as determined by the Plan Administrator, including (without limitation), being assumed or substituted for new awards of equivalent value by the acquiring entity. The Plan Administrator may provide for acceleration of vesting (in full or part) for any reason in any award agreement. If awards are not assumed and/or substituted by an acquiring entity, then the Plan Administrator must provide notice to each participant that outstanding awards will not be assumed and/or substituted, but will be deemed 100% vested and exercisable for a period specified by the Plan Administrator and will terminate thereafter.

In the Amended and Restated 2010 SIP, “change in control” is defined as any of the following: (i) any person or entity acquiring stock such that their aggregate ownership of our voting securities constitutes more than 50% of the total voting power of our stock (provided, however, that the acquisition of additional stock by any one person or entity, who is considered to own more than 50% of the total voting power of our stock will not be considered a change in control) or (ii) change in our effective control (occurs as a result of a majority of members of the Board being replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board) or (iii) change in the ownership of a substantial portion (50% or more during any 12-month period) of our assets.

Federal Income Tax Consequences

Incentive Stock Options. An optionee who is granted an incentive stock option does not recognize taxable income at the time the option is granted or upon its exercise, although the exercise may subject the optionee to the alternative minimum tax. Upon an optionee’s sale of the shares (assuming that the sale occurs at least two years after grant of the option and at least one year after exercise of the option), any gain will be taxed to the optionee as long-term capital gain. If the optionee disposes of the shares prior to the expiration of the above holding periods, then the optionee will recognize ordinary income in an amount generally measured as the difference between the exercise price and the lower of the fair market value of the shares at the exercise date or the sale price of the shares. Any gain or loss recognized on such premature sale of the shares in excess of the amount treated as ordinary income will be characterized as capital gain or loss.

Nonstatutory Stock Options. An optionee does not recognize any taxable income at the time he or she is granted a nonstatutory stock option. Upon exercise, the optionee recognizes taxable income generally measured by the excess of the then fair market value of the shares over the exercise price. Upon a disposition of such shares by the optionee, any difference between the sale price and the optionee's exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

Restricted Stock. If at the time of purchase, restricted stock is subject to a "substantial risk of forfeiture" within the meaning of Section 83 of the IRC, the purchaser will not recognize ordinary income at the time of purchase. Instead, the purchaser will recognize ordinary income on the dates when a stock ceases to be subject to a substantial risk of forfeiture. At such times, the purchaser will recognize ordinary income measured as the difference between the purchase price and the fair market value of the stock on the date the stock is no longer subject to a substantial risk of forfeiture.

The purchaser may accelerate to the date of purchase his or her recognition of ordinary income, if any, and the beginning of any capital gain holding period by timely filing an election pursuant to Section 83(b) of the IRC. In such event, the ordinary income recognized, if any, is measured as the difference between the purchase price and the fair market value of the stock on the date of purchase or date of delivery equal to the fair market value of the shares received, and the capital gain holding period commences on such date. The ordinary income recognized by a purchaser who is an employee will be subject to tax withholding by us.

Stock Appreciation Rights. No income will be recognized by a recipient in connection with the grant of a stock appreciation right. When the stock appreciation right is exercised, the recipient will generally be required to include as taxable ordinary income in the year of exercise an amount equal to the sum of the amount of cash received and the fair market value of any Common Stock received upon the exercise.

Restricted Stock Units and Performance Shares. A participant will not have taxable income upon grant. Instead, he or she will recognize ordinary income at the time of delivery equal to the fair market value of the shares received.

Company Tax Deduction. We generally will be entitled to a tax deduction in connection with an award under the Amended and Restated 2010 SIP in an amount equal to the ordinary income realized by a participant and at the time the participant recognizes such income (for example, the exercise of a nonqualified stock option). Special rules limit the deductibility of compensation paid to the Chief Executive Officer and to each of the three most highly compensated executive officers other than the Chief Executive Officer. Under Section 162(m) of the IRC, the annual compensation paid to any of these specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, we can preserve the deductibility of certain compensation in excess of \$1,000,000 if the conditions of Section 162(m) of the IRC are met with respect to awards. These conditions include stockholder approval of the performance goals under the Amended and Restated 2010 SIP, setting individual annual limits on each type of award, and certain other requirements. The Amended and Restated 2010 SIP has been designed to permit the Plan Administrator to grant certain awards that qualify as performance-based for purposes of satisfying the conditions of Section 162(m) of the IRC, thereby permitting us to exercise our discretion to structure awards in order to qualify for a federal income tax deduction in connection with such awards.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON PARTICIPANTS AND LANTRONIX UNDER THE AMENDED AND RESTATED 2010 SIP. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF THE EMPLOYEE'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE EMPLOYEE MAY RESIDE.

New Plan Benefits. The number of Awards (if any) that an employee, director or consultant may receive under the Amended and Restated 2010 SIP as a result of the increase in the aggregate number of shares of common stock that will be reserved for issuance under the plan is at the discretion of the Plan Administrator and therefore cannot be

determined in advance. Our executive officers and directors have an interest in this proposal because they are eligible to receive Awards under the Amended and Restated 2010 SIP. The Plan Administrator has not granted any Awards that are contingent upon stockholder approval of this proposal.

Securities Authorized for Issuance Under Equity Compensation Plan. The Company currently has one equity compensation plan – the 2010 SIP. Information regarding the number of shares of our common stock that were available for issuance pursuant to the 2010 SIP as of the end of the 2012 fiscal year can be found on page 37 of this Proxy Statement under the caption “Equity Compensation Plan Information”.

Registration of Shares. The Company has registered with the SEC on Form S-8 Registration Statements the shares of common stock currently issuable under the 2010 SIP. If the Amended and Restated 2010 SIP is approved and adopted by the stockholders, the Board intends to cause the additional shares of common stock that will become available for issuance under the Amended and Restated 2010 SIP to be registered on a Form S-8 Registration Statement to be filed with the SEC at the Company’s expense.

Required Vote; Recommendation of the Board of Directors

The approval and adoption of the Amended and Restated 2010 Stock Incentive Plan requires the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” APPROVING AND ADOPTING THE AMENDED AND RESTATED 2010 STOCK INCENTIVE PLAN.**

PROPOSAL 4

APPROVAL AND ADOPTION OF THE 2013 EMPLOYEE STOCK PURCHASE PLAN

We are asking our stockholders to approve the 2013 Employee Stock Purchase Plan (“2013 ESPP”) and the reservation of 1,300,000 shares for issuance under the 2013 ESPP. The 2013 ESPP is intended to encourage employee participation in our ownership by offering employees the opportunity to purchase our common stock through accumulated payroll deductions.

Adoption of the 2013 Employee Stock Purchase Plan

The Board voted to adopt the 2013 ESPP, subject to approval by the Company’s stockholders at the Annual Meeting. If approved, the 2013 ESPP will be deemed effective as of the date of our Annual Meeting (the “Effective Date”). Shares purchased pursuant to the 2013 ESPP shall not count against the burn rate commitment set forth in Proposal 3—APPROVAL AND ADOPTION OF THE AMENDED AND RESTATED 2010 STOCK INCENTIVE PLAN.

The Board believes that the 2013 ESPP is desirable because it will promote and closely align the interests of the participants and our stockholders as it encourages employee ownership in us. The Board believes the 2013 ESPP increases participant stock ownership and strengthens our ability to attract and retain an outstanding team of officers and employees.

A copy of the 2013 ESPP is attached as Appendix B. This description of the 2013 ESPP is qualified, in its entirety, by the terms of the attached 2013 ESPP document. Stockholders should not rely on the summary provided below in voting for or against the 2013 ESPP and should carefully read and consider the entirety of the 2013 ESPP by referring to Appendix B. Terms in this section of the proxy statement that begin with an initial capital letter (and are not otherwise defined) have the defined meaning set forth in the 2013 ESPP, unless their context indicates a different meaning.

Participation in the 2013 ESPP

Participation in the 2013 ESPP is voluntary and is dependent on each eligible employee’s election to participate and his or her determination as to the level of payroll deductions. Accordingly, future purchases under the 2013 ESPP are not

determinable. Non-employee directors are not eligible to participate in the 2013 ESPP.

Description of the 2013 ESPP

The essential terms of the 2013 ESPP are summarized as follows:

General. The purpose of the 2013 ESPP is to provide employees with an opportunity to purchase our common stock through accumulated payroll deductions.

Administration. The 2013 ESPP may be administered by the Board, the Compensation Committee or another committee appointed by the Board. All questions of interpretation or application of the 2013 ESPP are determined by the Board or its appointed committee, and its decisions are final, conclusive and binding upon all participants. The Board or its appointed committee may, without regard to whether participant rights may be considered to have been adversely effected, change the duration of the Purchase Periods (as defined below) or the length or date of commencement of an Offering Period (as defined below), limit the frequency and/or number of changes in the amount withheld during an Offering Period, establish the exchange ratio applicable to amounts withheld in a currency other than US dollars, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in our processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of our common stock for each participant properly correspond with amounts withheld from the participant's compensation, and establish such other limitations or procedures as the Board or its appointed committee determines in its sole discretion advisable which are consistent with the 2013 ESPP.

Eligibility. Each of our employees (including officers) is eligible to participate in an Offering Period; provided, however, that no employee shall be granted an option under the 2013 ESPP (i) to the extent that, immediately after the grant, such employee would own capital stock and/or hold outstanding options to purchase such stock representing five percent or more of the voting power or value of our stock, or (ii) to the extent that his or her rights to purchase stock under all of our employee stock purchase plans accrue at an amount which exceeds \$25,000 worth of common stock (determined at the fair market value of the shares at the time such option is granted) for each calendar year in which such option is outstanding at any time. Eligible employees become participants in the 2013 ESPP by filing with us an authorization form authorizing payroll deductions prior to the beginning of each Offering Period unless a later time for filing the authorization form has been set by the Board. As of September 1, 2012, approximately 115 employees were eligible to participate in the 2013 ESPP. These employees include our two named executive officers.

Participation in an Offering. The 2013 ESPP is implemented by consecutive, overlapping offering periods lasting for 24 months (an “Offering Period”), with a new Offering Period commencing on the first trading day on or after May 16 and November 16 of each year, or on such other date as the Board or the Compensation Committee may determine. Common stock may be purchased under the 2013 ESPP every six months (a “Purchase Period”), unless the participant withdraws or terminates employment earlier. To the extent the fair market value of our common stock on the enrollment date of a new Offering Period is lower than the fair market value of our common stock on the enrollment date of the immediately preceding Offering Period, then all participants in the immediately preceding Offering Period will be automatically withdrawn from such Offering Period immediately after the exercise of their options on the exercise date immediately preceding the new Offering Period and automatically re-enrolled in the new Offering Period as of the first day thereof. To participate in the 2013 ESPP, each eligible employee must authorize payroll deductions pursuant to the 2013 ESPP. Such payroll deductions may not exceed 15% of a participant’s compensation.

Once an employee becomes a participant in the 2013 ESPP, the employee will automatically participate in each successive Offering Period until such time as the employee withdraws from the 2013 ESPP or the employee’s employment with us terminates. At the beginning of each Offering Period, each participant is automatically granted an option to purchase shares of our common stock. The option expires at the end of the Offering Period or upon termination of employment, whichever is earlier, but is exercised at the end of each Purchase Period to the extent of the payroll deductions accumulated during such Purchase Period.

Purchase Price; Shares Purchased. Shares of our common stock may be purchased under the 2013 ESPP at a price not less than 85% of the lesser of the fair market value of our common stock on the (i) the first trading day of each Offering Period or (ii) the last trading day of each Purchase Period (the “Purchase Price”). The “fair market value” of our common stock on any relevant date will generally be the closing price per share as quoted on the Nasdaq Stock Market (or if there was no reported closing price on such date, on the last preceding date on which the closing price was reported). The number of shares of our common stock a participant purchases in each Purchase Period is determined by dividing the total amount of payroll deductions withheld from the participant’s compensation during that Purchase Period by the Purchase Price. On September 4, 2012, the closing price as reported on the Nasdaq was \$1.77 per share.

Restrictions on Transfer. Rights granted under the 2013 ESPP are not transferable and may be exercised only by the person to whom such rights are granted.

Termination of Employment. Termination of a participant's employment for any reason, including disability or death, or the failure of the participant to remain in our continuous scheduled employ for at least 20 hours per week, cancels his or her option and participation in the 2013 ESPP immediately. In such event, the payroll deductions credited to the participant's account will be returned to him or her or, in the case of death, to the person or persons entitled thereto as provided in the 2013 ESPP.

Adjustment upon Change in Capitalization. In the event of any stock split, reverse stock split, stock dividend, extraordinary cash dividend, combination, reclassification or other change in our capital structure effected without the receipt of consideration, appropriate proportional adjustments shall be made in the number and class of shares of stock subject to the 2013 ESPP, the number of shares of stock subject to options outstanding under the 2013 ESPP and the exercise price of any such outstanding options, and the maximum number of shares that each participant may purchase during each Purchase Period. Any such adjustment shall be made by the Board or its appointed committee, whose determination shall be final, binding and conclusive.

Dissolution or Liquidation. In the event of a proposed dissolution or liquidation, the Offering Period then in progress will be shortened and a new exercise date will be set.

Merger or Asset Sale. In the event we merge with or into another corporation or we sell all or substantially all of our assets, each outstanding option may be assumed or substituted by the successor corporation. If the successor corporation refuses to assume or substitute the outstanding options, any Offering Periods then in progress will be shortened and a new exercise date will be set.

Amendment and Termination of the Plan. The Board may at any time terminate or amend the 2013 ESPP. An Offering Period may be terminated by the Board at the end of any Purchase Period if the Board determines that termination of the Offering Period or the 2013 ESPP is in the best interests of the Company and our stockholders. No amendment shall be effective unless it is approved by the holders of a majority of the votes cast at a duly held stockholders' meeting, if such amendment would require stockholder approval to comply with Section 423 of the Code, stock exchange rules or other applicable law. Unless terminated earlier, the 2013 ESPP will terminate on the 10th anniversary of the effective date of the 2013 ESPP unless earlier terminated by the Board.

Withdrawal. Generally, a participant may withdraw from an Offering Period at any time without affecting his or her eligibility to participate in future Offering Periods. However, once a participant withdraws from a particular offering, that participant may not participate again in the same offering.

Federal Tax Information. The 2013 ESPP, and the right of participants to make purchases thereunder, is intended to qualify under the provisions of Sections 421 and 423 of the Code. A participant is taxed on amounts withheld for the purchase of shares as if such amounts were actually received. Other than this, no income will be taxable to a participant until the shares purchased under the 2013 ESPP are sold or otherwise disposed of. Upon sale or other disposition of the shares, the participant will generally be subject to tax and the amount of the tax will depend upon the holding period.

If the shares sold or disposed of have been held more than one year from the date of transfer of the stock to the participant and more than two years from the first day of the Offering Period, or in the event of a participant's death (whenever occurring), then the participant (or, if applicable, the participant's beneficiary) will recognize ordinary income equal to the lesser of (i) 15% of the value of the shares as of the first day of the Offering Period, or (ii) the excess of the value of the shares at the time of such sale or disposition over the price to the participant. Any additional gain or loss will be treated as long-term capital gain or loss.

If the shares sold or disposed of have not been held for the respective one or two year required holding periods, then the participant will recognize ordinary income generally measured as the excess of the value of the shares on the date

the shares are purchased over the price to the participant. Any additional gain or loss on such sale or disposition will be long- or short-term capital gain or loss, depending on the holding period. We are not entitled to a deduction for amounts taxed to a participant except to the extent ordinary income is recognized by participants upon a sale or disposition of shares prior to the expiration of the holding periods described above.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON PARTICIPANTS AND THE COMPANY UNDER THE 2013 EMPLOYEE STOCK PURCHASE PLAN. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF THE EMPLOYEE'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE EMPLOYEE MAY RESIDE.

Required Vote; Recommendation of the Board of Directors

The approval and adoption of the 2013 Employee Stock Purchase Plan requires the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVING AND ADOPTING THE 2013 EMPLOYEE STOCK PURCHASE PLAN.**

INTRODUCTION TO PROPOSALS 5 AND 6

The Board has determined that it is in the best interests of the Company and our stockholders to approve the following Proposal 5 and Proposal 6 (which together constitute the “Bylaws Proposals”). Together, the Bylaws Proposals would make changes to the Company’s Bylaws to amend the advance notice provisions currently set forth in the Bylaws and to implement a majority voting standard in our future uncontested director elections. As previously indicated, Proposal 5 and Proposal 6 comprise two related and interdependent proposals for stockholder action and the implementation of each proposal is contingent upon the adoption of the other proposals. Accordingly, neither of the Bylaws Proposals will be deemed to have been approved unless both Bylaws Proposals are duly approved by our stockholders. If the Bylaws Proposals are adopted, they would not apply to the 2012 Annual Meeting of Stockholders, but would apply to subsequent meetings of stockholders.

The Bylaws Proposals are not being proposed as a result of any specific efforts of which we are aware to nominate or elect any director, to accumulate shares or obtain or influence control of the Company by means of a merger, tender offer, solicitation in opposition to management or otherwise. Rather, the Bylaw Proposals are being proposed to: (i) implement majority voting in future uncontested director elections, (ii) update the advance notice procedures by tying the deadline for stockholder nominations and proposals to the first anniversary of the date of the prior year’s meeting rather than the mailing date of the prior year’s proxy materials and establish an outside date before a special meeting before which a stockholder cannot give notice of his or her intention to propose a director nominee for election at such special meeting and (iii) add a requirement that any director nominee for election or re-election (whether proposed by the Company or the stockholders through the advance notice procedures) deliver a written irrevocable resignation which will be effective upon the failure of such director to receive the required vote at any annual or special meeting at which such director is nominated for election or re-election and the Board’s acceptance of the resignation.

In the event the Bylaws Proposals are not both duly adopted by the stockholders, then Sections 2.5 and 3.3 of the Bylaws will remain unchanged from their current versions.

PROPOSAL 5

APPROVAL AND ADOPTION OF AN AMENDMENT TO ARTICLE II, SECTION 2.5 OF THE COMPANY’S AMENDED AND RESTATED BYLAWS REGARDING ADVANCE NOTICE PROCEDURES

Approval of the Section 2.5 Amendment

We are asking our stockholders to approve an amendment to Article II, Section 2.5 of the Bylaws to change the advance notice provisions with respect to certain stockholder actions (the “Section 2.5 Amendment”). Currently, under Sections 2.5(a) and 2.5(b) of the Bylaws, a stockholder who wants to bring business before an annual meeting or to nominate a director at an annual meeting must provide the Company with advance written notice of any such action not later than the 45th day nor earlier than the 75th day before the one year anniversary of the date on which the Company first mailed its proxy materials or a notice of availability of proxy materials (whichever is earlier) for the preceding year’s annual meeting. With respect to a special meeting of stockholders at which directors are to be elected, under Section 2.5(c) of the Bylaws, as it is currently written, a stockholder must deliver written notice of a proposed director nomination not later than the close of business on the later of the 90th day prior to such special meeting or the 10th day following the date on which a public announcement is first made of the date of the special meeting and of the nominees proposed to be elected at such special meeting.

If approved by the stockholders at the Annual Meeting, the Section 2.5 Amendment would set the deadlines with respect to when a shareholder must give advance written notice of a proposal or a proposed nomination to be considered at an annual meeting to not less than 90 days nor more than 120 days prior to the first anniversary date of the prior year’s annual meeting, rather than not later than the 45th day nor earlier than the 75th day before the one-year anniversary of the mailing date of the proxy materials or notice of availability of proxy materials (whichever is earlier) of the prior year’s meeting. With respect to special meetings of the stockholders at which directors are to be elected, the Section 2.5 Amendment would amend Section 2.5(c)(i) of the Bylaws to implement an outside date of 120 days before the meeting before which a shareholder could not give notice of his or her intention to make a director nomination at such special meeting. In addition, the Section 2.5 Amendment would add a requirement to Section 2.5(c)(i) of the Bylaws that any director nominee for election (or reelection) deliver a written representation and agreement whereby that person agrees to abide by the proposed provisions regarding majority voting for directors to be set forth in Article III, Section 3.3(b) of the Bylaws if Proposal 6 is approved by the stockholders. Accordingly, the Section 2.5 Amendment would amend the Bylaws such that:

a stockholder who wants to bring business before a stockholder meeting or nominate a director at an annual meeting must deliver advance written notice to the Company's Corporate Secretary of any such action not less than ninety (90) days nor more than one hundred twenty days (120) days prior to the one (1) year anniversary of the preceding year's annual meeting of the stockholders;

with respect to a special meeting of stockholders at which directors are to be elected, a stockholder must deliver timely written notice of a proposed nomination for a director to the Company's Corporate Secretary not earlier than one hundred twenty (120) days prior to the date of the special meeting, nor later than the close of business on the later of the 90th day prior to such special meeting or the 10th day following the day on which a Public Announcement is first made of the date of the special meeting and of the nominees proposed to be elected at such special meeting; and

in all cases, to be eligible to be a nominee for election or reelection as a director of the Company or to be considered by the Board to fill any vacancy, a person must deliver to the Company's Corporate Secretary a written representation and agreement that such person will abide by the specific provisions proposed to be set forth in Article III, Section 3.3(b) of the Bylaws which implement majority voting.

The foregoing description of the Section 2.5 Amendment is qualified in its entirety by reference to the full text of Section 2.5 of the Bylaws as proposed to be amended, a copy of which is attached hereto as Appendix C and incorporated herein by reference. Stockholders are urged to read carefully the full text of Section 2.5 of the Bylaws as it is proposed to be amended by this Proposal 5. The Section 2.5 Amendment will only be implemented if both this Proposal 5 and Proposal 6 are duly adopted by the stockholders. If both Proposal 5 and Proposal 6 are not duly adopted, then no change will be made to the current advance notice procedures in the Bylaws described above.

Although the Board does not believe that the proposed Section 2.5 Amendment would have a significant impact on any attempt by a third party to obtain control of the Company, it is possible that the amendment might deter a third party from conducting a solicitation of proxies to elect its own slate of directors or otherwise attempting to obtain control of the Company or effect a change in the Company's Board or management. While the Section 2.5 Amendment does not give the Board power to approve or disapprove of any stockholder proposal or director nomination, the failure by a stockholder to follow the requirements set forth in Section 2.5 of the Bylaws would result in such defective proposal or nomination being disregarded.

Required Vote; Recommendation of the Board of Directors

The approval and adoption of the proposed amendment to Article II, Section 2.5 of the Company's Amended and Restated Bylaws regarding advance notice procedures requires the affirmative vote of 66 2/3% of the outstanding shares of our common stock. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVING AND ADOPTING THE AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED BYLAWS REGARDING ADVANCE NOTICE PROCEDURES.**

PROPOSAL 6

APPROVAL AND ADOPTION OF AN AMENDMENT TO ARTICLE III, SECTION 3.3 OF THE COMPANY'S AMENDED AND RESTATED BYLAWS REGARDING ELECTION OF DIRECTORS

Approval of the Section 3.3 Amendment

We are asking our stockholders to approve an amendment to Article III, Section 3.3 of the Bylaws to adopt a majority voting standard in our future uncontested director elections (the "Section 3.3 Amendment").

Our Bylaws currently require directors to be elected by a plurality of the votes cast at our annual meeting for the election of directors. Under a plurality voting standard, the nominees for election as directors who receive the greatest number of votes cast in their favor at the meeting up to the number of directors to be elected are elected to the Board, regardless of whether a director nominee receives a majority of the votes cast in favor or his or her election or not. Under a majority voting standard, a director nominee is only elected if the votes cast "for" such nominee's election exceed the votes cast "against" such nominee's election.

Although we have maintained a plurality voting standard for many years, our Board believes that as a matter of good corporate governance and in order to give our stockholders the ability to have a greater impact on the composition of our Board, it is an appropriate time to propose the Section 3.3 Amendment which would implement majority voting in future uncontested director elections. However, if as of the date that is 14 days in advance of the date that we file our definitive proxy statement (regardless of whether or not thereafter revised or supplemented) with the SEC the number of nominees exceeds the number of directors to be elected at the meeting, then directors would be elected by a plurality vote.

If approved by the stockholders at the Annual Meeting, the Section 3.3 Amendment will amend the Bylaws such that each director to be elected by the stockholders shall be elected by the vote of a majority of the votes cast with respect to such director at any meeting for the election of directors by the holders of shares present in person or represented by proxy and entitled to vote on the election of directors; provided that if as of a date that is fourteen (14) days in advance of the date that the Company files its definitive proxy statement (regardless of whether or not thereafter revised or supplemented) with the SEC, the number of nominees exceeds the number of directors to be elected, directors shall be elected by the vote of a plurality of the shares represented in person or by proxy at any such meeting and entitled to vote on the election of directors. "A majority of the votes cast" means that the number of shares voted "for" a director must exceed the number of votes cast "against" that director's election. Votes cast will exclude abstentions and broker non-votes with respect to that director's election. If directors are to be elected by a plurality, stockholders shall be permitted to withhold votes from a nominee but shall not be permitted to vote against a nominee.

To address the potential for a “holdover” director if majority voting for directors is implemented, the Section 3.3 Amendment provides that the Corporate Governance and Nominating Committee will establish policies and procedures under which any director who is not elected shall offer his or her resignation to the Board and the Board will decide whether to accept or reject such resignation. Pursuant to these procedures, each director must submit to the Chairman of the Corporate Governance and Nominating Committee in writing such director’s irrevocable resignation which will be effective upon (i) the failure of such director to receive the required vote at any annual or special meeting at which such director is nominated for re-election and (ii) Board acceptance of the resignation. In all cases, to be eligible to be a nominee for election or re-election as our director, or to be considered by the Board to fill any vacancies, a person must deliver to our Corporate Secretary a written representation and agreement (in the form provided by our Corporate Secretary upon written request) that such person will abide by the requirements to be set forth in Article III, Section 3.3(b) of the Bylaws which implement majority voting.

The foregoing description of the Section 3.3 Amendment is qualified in its entirety by reference to the full text of Section 3.3 of the Bylaws as proposed to be amended, a copy of which is attached hereto as Appendix D and incorporated herein by reference. Stockholders are urged to read carefully the full text of Section 3.3 of the Bylaws as it is proposed to be amended by this Proposal 6. The Section 3.3 Amendment will only be implemented if both this Proposal 6 and Proposal 5 are duly adopted by the stockholders. If both Proposal 5 and 6 are not duly adopted, then no change will be made to the Bylaws regarding the voting standard in future uncontested director elections and directors will continue to be elected by a plurality of the votes cast at our annual meeting for the election of directors.

Required Vote; Recommendation of the Board of Directors

The approval and adoption of the proposed amendment to Article III, Section 3.3 of the Company's Amended and Restated Bylaws regarding the election of directors requires the affirmative vote of 66 2/3% of the outstanding shares of our common stock. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVING AND ADOPTING THE AMENDMENT TO THE COMPANY'S AMENDED AND RESTATED BYLAWS REGARDING THE ELECTION OF DIRECTORS.**

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The information contained in this report shall not be deemed to be “soliciting material” or “filed” or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”), except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.

The Audit Committee of the Board of Directors performs general oversight of our financial accounting and reporting process, system of internal controls, audit process and the process for monitoring compliance with laws and regulations and our Code of Conduct. The Audit Committee members are not professional auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent registered public accountants. The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Our management has responsibility for preparing our financial statements and implementing our financial reporting process, including our system of internal controls over financial reporting pursuant to Section 404 of the Sarbanes-Oxley Act, and has the primary responsibility for assuring their accuracy, effectiveness and completeness. Our independent registered public accountants, Squar Milner, are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles. The Audit Committee meets periodically with the independent registered public accountants, with and without management present, to discuss the results of the independent registered public accountants’ examinations and evaluations of our internal controls and the overall quality of our financial reporting, and, as appropriate, initiates inquiries into various aspects of the Company’s financial affairs.

In the absence of their possession of a reason to believe that such reliance is unwarranted, the members of the Audit Committee necessarily rely on the information or documentation provided to them by, and on the representations made by, management or other employees of the Company, the independent registered public accounting firm, and/or any consultant or professional retained by the Audit Committee, the Board of Directors, management or by any committee of the Board of Directors. Accordingly, the Audit Committee’s oversight does not provide an independent basis to determine that management has applied U.S. generally accepted accounting principles appropriately or maintained appropriate internal controls and disclosure controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s authority and oversight responsibilities do not independently assure that the audits of the financial statements have been carried out in accordance with the standards of the Public Company Accounting Oversight Board (United States) or that the financial statements are presented in accordance with U.S. generally accepted accounting principles.

The Audit Committee of the Board of Directors currently consists of three directors, all of whom qualify as “independent” and meet the other requirements under the current Nasdaq Listing Standards and SEC rules regarding audit committee membership: Mr. Printer, who serves as Chairman, Mr. Paul Folino and Mr. John Rehfeld. Mr. Rehfeld, who will not be standing for re-election at the Annual Meeting, has served on the Audit Committee since July 1, 2011. The Audit Committee operates under a written charter adopted by the Board of Directors, the current version of which is available on our website at www.lantronix.com. The Audit Committee reviews and assesses the

adequacy of its charter on an annual basis. The members of the Audit Committee took the following actions in fulfilling its oversight responsibilities:

- reviewed and discussed the annual audited financial statements and the quarterly results of operations with
- (1) management, including a discussion of the quality and the acceptability of our financial reporting and controls as well as the clarity of disclosures in the financial statements;
 - (2) discussed with Squar Milner the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T;
 - (3) received from Squar Milner written disclosures and the letter from Squar, Milner, Peterson, Miranda & Williamson, LLP as required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with Squar, Milner, Peterson, Miranda & Williamson, LLP its independence; and
 - (4) based on the review and discussion referred to in (1) through (3) above, recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended June 30, 2012, for filing with the SEC.

DIRECTOR COMPENSATION

Cash Compensation. In the 2012 fiscal year, with the exception of Mr. Bruscha who elected not to receive fees for his services as a director or as non-executive Chairman of the Board, each non-employee director received \$26,000 cash compensation as an annual payment for his services as a director. The non-executive Chairman of the Board, prior to Mr. Bruscha, received an additional \$15,000 annual payment, for his services as Chairman. The Chairs of the following committees received the following additional annual retainers: Audit Committee, \$10,000; Compensation Committee, \$7,500; and Corporate Governance and Nominating Committee, \$5,000. The annual retainers are based on an expectation of four in-person meetings per year (one per quarter). Directors also received \$1,000 for each additional full-day in-person meeting in excess of one meeting per quarter and \$500 for each telephonic conference. Members of the Special Finance Committee of the Board, comprised of Messrs. Wittenschlaeger (Chairman), Printer and Rehfeld, formed to assist in the Company's efforts to raise capital, received \$2,500 each.

Stock Option Program. Non-employee directors are eligible to participate in our 2010 SIP. Under our 2010 SIP, non-employee directors are eligible to receive a discretionary grant of non-statutory stock options on the date such non-employee director first joins our Board. Each non-employee director is also eligible for an additional annual option grant. The exercise price for these options is 100% of the fair market value of the shares on the date of grant. These options have a term of seven (7) years; provided, however, that they may terminate earlier under certain circumstances.

On November 16, 2011, each non-employee director, with the exception of Paul Folino who was not appointed until June 7, 2012, was granted an option to purchase 23,750 shares of our common stock at an exercise price of \$1.39 per share. The options will fully vest on November 16, 2012 and expire on November 16, 2018. In connection with Mr. Folino's appointment to the Board on June 7, 2012, the Company granted Mr. Folino a non-statutory option to purchase 9,895 shares of our common stock at an exercise price of \$1.95 per share. The option will fully vest on June 7, 2013 and will expire on June 7, 2019.

Reimbursements. We reimburse our non-employee directors for travel expenses in accordance with our travel and expense policies and procedures. In the case of Mr. Bruscha, for the 2012 fiscal year, we agreed to provide a travel stipend of \$2,016 per in-person meeting for which he traveled to our headquarters.

Except as described above, directors do not receive any other compensation for their services as our directors or as members of committees of the Board.

eligible to be added to the 2010 SIP share reserve. On June 14, 2010, the Board approved the 2010 Inducement Equity Incentive Plan (the "Inducement Plan"). The purpose of the Inducement Plan was to provide a material inducement for the best available employees to join the Company, and to promote the success of the Company's business. The Inducement Plan permitted the grant of nonstatutory stock options, stock appreciation rights, restricted stock, restricted stock units and performance shares by the administrator. The Board authorized the issuance of up to 100,000 common shares under the Inducement Plan. The Inducement Plan provides that the exercise price of an Option may not be less than 100% of the fair market value of the share on the date of grant. The term of any grant under the Inducement Plan can be no longer than ten (10) years from the date of grant.

Employment Contracts and Termination of Employment and Change of Control Arrangements

The Company currently has at-will employment agreements with its two current Named Executive Officers, Kurt Busch, its President and Chief Executive Officer, and Jeremy Whitaker, its Chief Financial Officer and Corporate Secretary (last updated by the Board in August 2012). An “at will” employment agreement has no fixed term and may be terminated at any time at the discretion of the Board. Although there are some differences in benefit levels between the two agreements, the basic elements of the agreements for Messrs. Busch and Whitaker are comparable. Capitalized terms not otherwise defined herein are defined in the employment agreements.

Base Salary. Each employment agreement establishes an annual base salary for the Named Executive Officers. The current base salaries for the Named Executive Officers are as follows: Mr. Busch - \$325,000 per year; and Mr. Whitaker - \$230,000 per year.

Bonus. The Named Executive Officers are each eligible to receive a performance bonus of up to 60% of annual base salary in the case of Mr. Busch and up to 40% of annual base salary in the case of Mr. Whitaker.

Equity Awards. In addition to being eligible to participate in the Company’s employee benefit plans, each Named Executive Officer was granted an incentive stock option to purchase shares of the Company’s common stock at fair market value under the Company’s 2010 SIP at the commencement of the respective agreements in the following amounts: 350,000 options for Mr. Busch and 55,000 options for Mr. Whitaker. Vesting for these awards is to occur 25% on the first anniversary of the date of grant and ratably each month thereafter for 36 months.

Covered Terminations. Under their respective employment agreements, the Named Executive Officers are eligible for payments if their employment is terminated (i) involuntarily by the Company without Cause; (ii) as a result of Change of Control; and (iii) for Good Reason by the employee.

Severance Payment. If the Named Executive Officers are terminated without Cause, as defined in the respective employment agreements, severance generally consists of the sum of nine months of the Named Executive Officer’s then current annual base salary plus an amount equal to 75% of the performance bonus earned and paid during the prior 12 month period.

Change in Control/Equity Acceleration; Double-trigger for Change in Control for Good Reason/Severance Package. Upon a Change in Control, the Named Executive Officers shall be compensated as follows: (A) If the market cap is equal to or less than \$50 million: Mr. Busch - immediate vesting of the 350,000 options referenced above, plus, if the

Change in Control results in the Named Executive Officer's resignation for Good Reason, severance equal to nine months of current annual base salary plus 40% of nine months of the current annual base salary; Mr. Whitaker - immediate vesting of the 55,000 options referenced above, plus, if the Change in Control results in the Named Executive Officer's resignation for Good Reason, severance equal to six months of current annual base salary plus 40% of six months of the current annual base salary; (B) If the market cap is greater than \$50 million: Mr. Busch - immediate vesting of the 350,000 options referenced above, plus, if the Change in Control results in the Named Executive Officer's resignation for Good Reason, severance equal to the two time the current annual base salary plus 80% of the current annual base salary; Mr. Whitaker - immediate vesting of the 55,000 options referenced above, plus, if the Change of Control results in the Named Executive Officer's resignation for Good Reason, severance equal to 12 months of the current annual base salary.

Good Reason generally includes a material change of the Named Executive Officer's title, authority and responsibilities or the assignment of the executive to duties materially inconsistent with such responsibilities or status, a reduction of the executive's base salary, incentive plans or benefits or a failure to obtain the assumption of the employment agreement by any successor of the Company.
