PERFECTDATA CORPORTION
1445 East Los Angeles Avenue
Simi Valley, CA 93065

April , 2004

Dear PerfectData Shareholder:

The Board of Directors is seeking your consent, in lieu of holding a meeting, to (1) consummating the sale to Spray Products Corporation of our current business operations and (2) reincorporating our Company as a Delaware corporation.

Spray, which is currently the major supplier to our Company of compressed gas dusters, which product represents more than 85% of our Company's current sales, has been acting, since November 1, 2003, as the manager for the fulfillment of orders from the Company's customers. The purchase price is an amount equal to the sum of the value of the then inventory, the amount of

Edgar Filing: PERFECTDATA CORP - Form PRER14A

collectible accounts receivable and \$100,000, less the amount of trade payables being assumed by Spray. Our reasons for seeking your approval and further details relating to the sale are set forth in the annexed Consent Solicitation Statement.

Although this sale, when closed, will leave us without any operations, we believe that our Company will remain an attractive candidate for an acquisition or merger. Despite our efforts to increase revenues and decrease expenses, these operations have continued to result in a loss, thereby reducing our cash position, which is our principal asset. As a public company, having terminated the operations which only resulted in losses, with a strong cash position (i.e., in excess of \$1,500,000) and with improved stock market conditions generally, PerfectData Corporation can still consummate, in our opinion, a transaction with a private company with on-going operations that will give a "new life" to our Company. We are disappointed that the proposed transaction with SuperCom Ltd., an Israeli company, terminated, but, for the reasons described in the annexed Consent Solicitation Statement, we believe such termination to be in the best interests of our Company and you, our shareholders. We are now actively pursuing the task of obtaining a suitable acquisition or merger partner.

Almost every potential acquisition or merger candidate to whom we have spoken has requested that we reincorporate our Company so that it is governed by the laws of Delaware and not those of California as it currently is. SuperCom even made this a condition precedent to our closing a transaction with it. Our reasons for seeking your approval of the reincorporation and a comparison of California and Delaware law are set forth in the annexed Consent Solicitation Statement.

We are using the consent procedure in lieu of calling a meeting because it is less expensive than calling a meeting and will enable us, once we have secured your approval, to close with Spray sooner, i.e., the day after we receive consents from the holders of at least 31.9% of our Company's outstanding shares. We already have received consents aggregating 19.1% of our Company's outstanding shares from directors, officers and a trust for which the senior partner of our counsel acts as Trustee to approval of consummating the sale to Spray and the reincorporating our Company as a Delaware corporation.

Please execute the enclosed consent and return it promptly to our Transfer Agent in the enclosed self-addressed prepaid envelope. This will enable us to close with Spray and concentrate our efforts on seeking an acquisition or merger candidate. If you have any questions, please do not hesitate to contact us as provided in the annexed Consent Solicitation Statement.

Sincerely yours,

Harris A. Shapiro

CONSENT SOLICITATION STATEMENT

This Consent Solicitation Statement is furnished in connection with the solicitation by the Board of Directors of PerfectData Corporation, or the "Company," of consents from the Company's shareholders in lieu of holding a meeting, pursuant to Section 603 of the California General Corporation Law, approving (1) the sale by the Company of its current business operations to Spray Products Corporation, or "Spray," on the terms and conditions hereinafter described in this Consent Solicitation Statement and (2) the reincorporation of the Company as a Delaware corporation. Your attention is directed to the section "Terms of Sale" under the caption "Proposed Sale Transaction" for information relating to the terms and conditions of the proposed sale to Spray and to the caption "Authorize the Reincorporation of the Company as a Delaware Corporation" for information relating to the reincorporation proposal. VOTING SECURITIES

On the Record Date, 6,209,530 shares of the Common Stock were issued, outstanding and entitled to consent. There is no other class of capital stock currently issued and outstanding and, accordingly, no other class to be solicited for consents to the sale and reincorporation proposals. Each shareholder of record is entitled to cast, in person or by proxy, one vote for each share of the Common Stock held by such shareholder as of the close of business on the Record Date. This consent solicitation will become effective, and the sale and reincorporation proposals approved, when the Company receives consents from the holders of shares of the Common Stock representing more than a majority of the outstanding shares of the Common Stock (i.e., consents with respect to at least 3,104,766 shares, of which, as indicated in the succeeding paragraph, consents as to 1,184,716 shares have already been received). California law does not require that we specify a date by which consents must be received; however, the Board has directed that solicitation of additional consents cease if the required consents have not been received by _____, _____, __, 2004 [30 days after this Statement is first mailed to shareholders].

All of the directors and executive officers of the Company have already given their consents to approval of the sale and reincorporation proposals with respect to an aggregate of 756,843 shares of the Common Stock which they own. Receipt of their consents on Monday, April 5, 2004, by the Secretary of the Company made that date the Record Date pursuant to Section 701(b)(2) of the California General Corporation Law. The Company has also received a consent from William B. Wachtel, as Trustee of Digital Trust, with respect to 427,873 shares. For information as to this shareholder, your attention is directed to Note (3) to the table under the caption "Security Ownership of Certain Beneficial Owners and Management" elsewhere in this Consent Solicitation Statement. The Company, accordingly, has received consents from an aggregate of 1,184,716 shares, or 19.1% of the shares of the Common Stock outstanding as of the Record Date.

As the Company previously publicly announced, the holders of a majority of the then outstanding shares of the Common Stock had agreed, pursuant to an

Edgar Filing: PERFECTDATA CORP - Form PRER14A

agreement dated as of July 15, 2003, or the "Shareholders' Agreement," to authorize the Company to sell its inventory, intellectual property and business operations. This agreement resulted from discussions held in June 2003 with two major shareholders not affiliated with management, which discussions were initiated by them, as to what actions the Company should take, regardless of whether or not the then proposed merger transaction with SuperCom, Ltd., an Israeli company, or "SuperCom," was consummated. The consensus of these discussions was that it was in the best interest of the Company and its shareholders to find a buyer and to sell the Company's current operations. Because over eight months have elapsed since these discussions, which contemplated prompt action being taken to consummate a sale, and because the proposed SuperCom transaction (which had as a condition precedent to closing sale of these operations) has now terminated, the Company has advised these non-management shareholders that the Company released them from their commitment to consent, when requested, which they had given in the Shareholders Agreement and that, accordingly, these shareholders may now consent or not consent to the sale proposal as to which the Board is seeking consents pursuant to this Consent Solicitation Statement. While the Board believes that these major shareholders may still consent, they are no longer obligated to do so by the Shareholders Agreement. The Shareholders Agreement related only to the sale proposal and not the reincorporation proposal as well.

Consents will be voted as indicated in this Consent Solicitation Statement and the enclosed consent. Shares presented by properly executed consents will be voted in accordance with any specifications made therein. You may revoke a previously given consent by delivering a written notice of revocation to the Company (Attention: Irene J. Marino, Secretary) at its principal executive office at any time prior to the receipt by the Company of consents sufficient to approve either or both of the two proposals as described in the third preceding paragraph. The principal executive office of the Company is located at the address in the heading to this Proxy Statement. The rules of the New York State Exchange, Inc., the American Stock Exchange LLC and the National Association of Securities Dealers, Inc. do not permit a member firm of any such entity to consent to adoption of either proposal without specific instructions to such effect from the beneficial owner of the shares of the Common Stock whom the member firm represents of record. Accordingly, the Company urges you, if you are a beneficial owner, to instruct the member firm which holds of record your shares of the Common Stock to consent to both proposals as to which the Board is seeking your consent. The Company also urges you, if you are a beneficial owner whose shares of the Common Stock are held of record on the Record Date by an entity other than a member firm, to urge such other entity to consent with respect to both proposals.

If you desire to consent, please return the enclosed consent to U.S. Stock Transfer Corporation, as the Transfer Agent for the Common Stock, in the enclosed self-addressed prepaid envelope. If you do not have such an envelope, you can mail your consent to U.S. Stock Transfer Corporation at 1745 Gardenia Avenue, Suite 200, Glendale, CA 91204, Attention: Proxy Department.

If you do not consent, you shall have the right to receive payment for your shares as a result of shareholders' approval of either or both of the proposals. Your attention is directed to the caption "Dissenters' Rights" elsewhere in this Consent Solicitation Statement.

Each of the persons who has served as a director or as an executive officer of the Company since April 1, 2003 (i.e., the beginning of the last fiscal year of the Company) has no substantial interest, direct or indirect, by security holdings or otherwise, in either of the proposals as to which consent is being solicited.

PROPOSED SALE TRANSACTION

Edgar Filing: PERFECTDATA CORP - Form PRER14A

Terms of Sale

On October 3, 2003, the Company entered into an Asset Purchase Agreement, or the "APA," with Spray Products Corporation, or Spray, pursuant to which the Company agreed to sell to Spray (or its designated affiliate) substantially all of the operating assets of the Company for a price equal to the sum of the value of the inventory, the amount of collectible accounts receivable and \$100,000, less the amount of trade payables of the Company which are being assumed by Spray. You may find information relating to Spray's business in the section "Spray Data" under this caption "Proposed Sale Transaction." A copy of the APA is attached to this Consent Solicitation Statement as Appendix A and an amendment dated February 26, 2004 to the APA is attached as Appendix B. We recommend that you read both. Had the Company closed with Spray on December 31, 2003, the Company estimates that it would have received from Spray as the purchase price \$66,000 based on (1) \$243,000, which is the sum of (a) \$115,000 (collectible accounts receivable less customer credits), (b) \$28,000 (inventory) and (c) \$100,000, less (2) \$177,000 (trade payables). Because the closing, assuming shareholder consent, will not occur until the 11th day after this Consent Solicitation Statement is mailed at the earliest, all of the foregoing amounts in calculating the purchase price except the \$100,000 may fluctuate depending on the customer orders, shipments and payments between December 31, 2003 and the closing date. Accordingly, the Company may receive a purchase price from Spray that is more or less than the estimated \$66,000 as of December 31, 2003. The Company is not transferring any of its cash or cash equivalents as part of the transaction so that they will be an available asset in any acquisition or merger discussion with a third party. The operating assets to be transferred to Spray are the Company's inventories of finished goods, raw materials and work in progress; books and records, including customer and supplier lists and other data relating to the operating business; the trade name "PerfectData Corporation" and all other names used in the business; the goodwill relating to the business; accounts receivable as to which the parties agree; all of the Company's machinery and equipment, office furniture, computer equipment and supplies (except what the Company is using in its new office); and all of the Company's intellectual property rights.

The Company, at the closing with Spray, will deposit ten percent of the purchase price in escrow with its counsel, Wachtel & Masyr, LLP, pending collection of accounts receivable sold to Spray. At any time after 75 days from the closing, but not later than 90 days, Spray has the right to demand that the Company buy back any account receivable which Spray did not collect at the face amount of the account receivable. If the Company does not pay that amount within 30 days of Spray's demand, the escrow agent, upon demand by Spray, shall release to Spray that amount from the amount held in escrow. At the end of the 90-day period of escrow, the escrow agent will release any balance to the Company not required to be used to pay Spray. Spray may not seek repurchase of any account receivable generated during the period in which Spray is managing the fulfillment of the Company's customer orders. For information as to such management arrangement, see the section "Management Arrangement" under this caption "Proposed Sale Transaction."

The Board deems the purchase price to be fair consideration for the assets because the Company had negotiated over a period of months with several potential purchasers (which were the likely candidates to purchase the business) and Spray's offer was dollar-wise consistent with the others. In addition, Spray was the major supplier to the Company of compressed gas dusters, which product represented more than 85% of the Company's sales. Accordingly, the Board believed that the sale to Spray would be least disruptive to its customers and the easiest to implement. The Board also considered the reasons described below in the section "Reasons for Transaction" under this caption "Proposed Sale Transaction."

The closing of the sale of the assets to Spray, assuming the Company

Edgar Filing: PERFECTDATA CORP - Form PRER14A

receives consents from the holders of at least a majority of the outstanding shares on the Record Date, shall occur on the day following the receipt of the last such consent, but not earlier than ten calendar days after the mailing of this Consent Solicitation Statement to shareholders as required by California law. The APA provides for not earlier than the 21st day, but the parties have orally agreed to the earlier date.

In the event either party terminates the APA because of the other party's violation thereof, or if the other party is unable to close, the other party shall pay a break-up fee of \$100,000 to the terminating party.

A condition precedent under the APA to closing the transaction is that the Company obtain the approval of its shareholders, which is the purpose of this consent solicitation. Spray has agreed to take the purchased assets "as is" and all warranties, express or implied, are excluded from the sale of assets. The APA contains standard representations and warranties by each party, covenants, including one to maintain the "status quo" until closing, and an agreement by each party to indemnify the other if the indemnifying party's representations and warranties are untrue or incorrect in any material respect and if the indemnifying party fails to observe or perform covenants or agreements, provided that the claims exceed \$25,000.

Management Arrangement

Since November 1, 2003, Spray has, pursuant to the APA, been acting as the manager for the fulfillment of orders from the Company's customers. As compensation for Spray's services, Spray is receiving a fee of 7 1/2% of the Net Sales (as such term is defined), payable monthly. In the APA "Net Sales" is defined as the gross invoice price of each product sold to a customer of the Company less all commissions payable in connection with such sale and any rebate given to the customer in the ordinary course of the Company's business. The Company is responsible for all shipping and freight charges.

Reasons for Transaction

The Company's Board of Directors, after consultation with certain major shareholders, had elected in June 2003 to sell the operating business assets of the Company because, despite efforts by the Company during the prior fiscal years which had increased revenues and reduced its expenses, the Company was continuing to operate at a loss, thereby diluting its cash position, which is its major asset. For information as to the Company's results of operations during its past five fiscal years, your attention is directed to "Selected Financial Data" elsewhere in this Consent Solicitation Statement. You may also find information as to the Company's results of operations during the nine months ended December 31, 2003 in Appendix D to this Consent Solicitation Statement.

In making its decision to sell the Company's business operations, the Board noted that the Company had received offers to buy, and then operate, the Company's operations, that there were threats from certain of the Company's customers that they were considering turning to other suppliers, especially in view of the announcement as to the Company's then proposed merger transaction with SuperCom, and that the Company's lease would (and did) expire on June 30, 2003, thereby raising the question of whether a long-term renewal was feasible under all the circumstances. The Board concluded that a sale or liquidation of the operating assets was in the best interests of the Company and its shareholders even if no transaction with SuperCom or another acquisition or merger entity was effected. SuperCom had, in any event, made sale of these operations a precondition to consummation of the Company's transaction with it.

As indicated in the following section "Risk if Transaction Is Consummated" under this caption "Proposed Sale Transaction," the Company does

Edgar Filing: PERFECTDATA CORP - Form PRER14A

not intend to dissolve or liquidate the Company following the sale. Accordingly, there will be no dividend or distribution paid to the shareholders as a result of the sale to Spray. Unless and until the Company consummates an acquisition or merger agreement as described in such section, the Company will have no revenues. It will, however, still be paying the costs of remaining a public company and seeking such merger or acquisition candidate, so that its results of operations will still show a loss.

Risk if Transaction Is Consummated

If the Company receives the requisite consents and then consummates the sale to Spray, the Company will have no operations and, accordingly, will receive no revenues unless and until an acquisition is made as provided in the succeeding paragraph. However, as a result of the management arrangement with Spray described in the section "Management Arrangement" under this caption "Proposed Sale Transaction," the Company has moved to smaller facilities and substantially reduced its on-going overhead expenses. Effective October 15, 2003, the Company has been leasing office space in Simi Valley, California for a six-month term at \$950 per month. From June 1993 to June 20, 2003, the Company leased a 24,500 square-foot building constructed in Simi Valley, California for the specific needs of the Company and continued to use such space, on a month-to-month basis, until October 31, 2003. The monthly rental, net of sublease income, under the lease for such facility was \$8,504. In addition, the Company terminated four employees, so that it currently employs four persons and will, subsequent to the sale to Spray, employ only three persons. However, despite these reductions in expenses, with the Company continuing to incur expenses to continue as a public company and to seek a suitable merger or acquisition candidate, both as described in the succeeding paragraph, the Company will continue to operate at a loss without revenues to offset these expenses.

The Board does not intend to dissolve or liquidate the Company, but instead, with the Company having cash or cash equivalents currently in excess of \$1,500,000, the Board intends to continue its search for a suitable merger or acquisition candidate. The Company believes that, after the sale of assets, the Company's working capital is adequate to fund its cash requirements for its fiscal year ending March 31, 2005. The directors believe that the Company, with no losing business operations, with its continuing as a public company and with the cash position described in the preceding sentence, remains an attractive merger or acquisition candidate, especially with the recent improvement in general stock market conditions. During the past three fiscal years, the Company had been seeking acquisitions which have not been related to its current business. The Board was of the opinion that profitability on a continuous basis would not be achieved absent an acquisition of a new business or businesses and/or new products. However, the Board cannot determine when any such acquisition will be consummated, if at all. During recent years, three potential acquisitions (including SuperCom) were actively pursued; however, all terminated for different reasons and the Company incurred expenses in connection therewith. See the following section "Terminated Acquisitions" under this caption "Proposed Sale Transaction."

Terminated Acquisitions

From October 2001 to February 2002, the Company was engaged in negotiations pursuant to which the shareholders of GraphCo Technologies, Inc., or GraphCo, would acquire a majority interest in, and control of the Board of, the Company. GraphCo is a technologies, software and systems development company providing advanced security solutions for biometric identification, secure access, surveillance and secure law enforcement incident management. The negotiations were mutually terminated on February 19, 2002.

In August and September 2002, the Company was engaged in negotiations

Edgar Filing: PERFECTDATA CORP - Form PRER14A

with another privately-held company, with annual revenues approximating \$100 million, pursuant to which the stockholders of that company would acquire a majority interest in, and control of the Board of, the Company. Just as the parties were prepared to execute a definitive merger agreement, the other company received an offer from another very large public company and negotiations were terminated during the weekend of September 20, 2002. The other company was ultimately sold to another very large public company.

On July 2, 2003, the Company entered into an Agreement and Plan of Merger and Reorganization, or the "Merger Agreement," and related agreements with SuperCom, an Israeli corporation, culminating the negotiations which had begun in April 2003. SuperCom is engaged in the research, development and marketing of advanced technologies and products for government secured ID projects and smart card production technology. Its common stock is currently traded on the Euronext Brussels New Market. On October 24, 2003, the Company filed a Registration Statement on Form S-4, File No. 333-109933 (the "Registration Statement"), in order to make available a joint proxy statement for use by the Company and SuperCom to solicit approvals of the transaction from their respective shareholders and a prospectus for the Company to offer shares of the Common Stock to the SuperCom shareholders if the proposed transaction were approved and consummated. If the transaction had been consummated, the SuperCom shareholders would have received approximately 78% of the outstanding shares, subject to adjustment upward depending on the Company's Final Net Available Cash (as defined) at the closing, and three of the five directors would have been designees of SuperCom. When it became obvious to both parties that, in order for the Registration Statement to become effective, SuperCom would, at a minimum, be required to include audited financial statements for its fiscal year which ended December 31, 2003, thereby further delaying closing of the transaction as to which negotiations had begun in April 2003 and which the parties initially hoped to close by October 2003, the Merger Agreement was terminated after discussions as to alternatives. From the perspective of the Company's directors, continuation of the transaction would have required the Company to incur additional expenses, thereby further reducing its Net Available Cash and resulting in further dilution to its shareholders absent SuperCom agreeing to change the dilution formula, and with no certainty as to when there would be a closing.

Spray Data

Spray is a manufacturer of chemical specialties, as, for example, paints, varnishes, lacquers, enamels or allied products, and aerosol products. Spray or its predecessor has provided products and services to automotive, industrial and retail customers since 1922. Spray has two East Coast manufacturing plants and a distribution center located in Fresno, California, and has 25 employees (up to 37 in its peak season). Spray's revenue in the last fiscal year was over \$15,000,000.

Regulatory Approvals

Except for compliance with the Securities Exchange Act of 1934, as amended, or the "Exchange Act," with respect to this Consent Solicitation Statement, no federal or state regulatory approvals or other compliances are required or must be obtained in connection with the proposed sale.

Relationships

The proposed transaction with Spray was negotiated at arm's-length and the Board is not aware of any relationships, familial or otherwise, between the Company, its directors, its executive officers or any of its affiliates and Spray.

Recommendation

Edgar Filing: PERFECTDATA CORP - Form PRER14A

Marino, the Company's Vice President, Finance, at the Company's address or phone number listed in the section "Contact Information" under the caption "Miscellaneous" elsewhere in this Consent Solicitation Statement. You may also make requests for the financial statements relating to the earlier years shown in the table in the same manner.

PRO FORMA BALANCE SHEET

The following balance sheet sets forth the effect of the sale of assets to Spray assuming that the sale had closed on December 31, 2003. As discussed in the first paragraph of the section "Term of Sale" under the caption "Proposed Sale Transaction" elsewhere in this Consent Solicitation Statement, all but one of the items in calculating the purchase price for the sale to Spray may fluctuate depending on the customer orders, shipments and payments between December 31, 2003 and the actual closing date for the Spray transaction. Accordingly, although this pro forma balance sheet has been prepared on the basis of assumptions which the directors of the Company believe are reasonable, the actual effects of the sale may differ significantly from those reflected in the Company's balance sheet following the actual closing. You should read the notes to this pro forma balance sheet where these assumptions are set forth.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of the Record Date, certain information with respect to (1) any person known to the Company who beneficially owned more than 5% of the Common Stock, (2) each director of the Company (3) the Chief Executive Officer of the Company and (4) all directors and executive officers as a group. Each beneficial owner who is a natural person has advised

the Company that he or she has sole voting and investment power as to the shares of the Common Stock, except that, until an option or a warrant is exercised, there is no voting right and except as noted in Note (2) to the table.

(1) The percentages computed in the table are based upon 6,209,530 shares of the Common Stock which were outstanding on the Record Date. Effect is given, pursuant to Rule 13-d(1)(i) under the Exchange Act to shares issuable upon the exercise of options or warrants currently exercisable or exercisable within 60 days of the Record Date.

(2) The shares of the Common Stock reported in the table include (a) 537,997 shares owned by StarBiz Corporation, or "Star Biz," for which Mr. Mazin has voting power as the President, Chairman and Chief Executive Officer of Star Biz; (b) 36,000 shares owned by the Flamemaster Corporation Employees' Profit Sharing Plan for which Mr. Mazin is the fiduciary; and (c) 23,000 shares owned by Altius Investment Corporation, or "Altius," for which Mr. Mazin has shared voting power as Chairman of the Board of Altius. Certain of the shares reported in the table are owned by Donna Mazin, his wife, or as to which shares she shares dispositive and voting powers with Mr. Mazin.

Edgar Filing: PERFECTDATA CORP - Form PRER14A

- (3) William B. Wachtel as the Trustee of the Digital Trust has, under the trust agreement, sole voting and investment power with respect to the shares reported in the table. Harris A. Shapiro, currently the Chairman of the Board, the Chief Executive Officer and a director of the Company, was the settler of the Digital Trust and made an irrevocable grant to it of the assets which the Digital Trust used to effect the purchase of the shares. The beneficiaries of the Digital Trust are Mr. Shapiro's children and grandchildren who survive him, although the Trustee, in his absolute discretion, may pay or apply yearly income or the principal of the Trust to any beneficiary. Because he made an irrevocable grant and has no voting or investment power with respect to the shares, Mr. Shapiro is not the beneficial owner of the shares reported in the table as being owned of record by the Digital Trust and beneficially by the Trustee.
- (4) Mr. Shapiro is the Chairman of the Board, the Chief Executive Officer and a director of the Company.
- (5) The shares of the Common Stock reported in the table reflect (a) 284,500 shares owned by Millennium Capital Corporation, or "Millennium," for which Mr. Shapiro has voting power as its President; (b) 3,333 shares issuable upon the exercise of an option expiring June 19, 2012 under the Company's 2000 Stock Option Plan (the "2000 Option Plan"); (c) 8,333 shares issuable upon the exercise of an option expiring September 25, 2012 under the 2000 Option Plan; and (d) 10,000 shares issuable upon the exercise by Millennium of a warrant expiring March 30, 2005. The shares of the Common Stock reported in the table do not include (x) 6,667 shares issuable upon the exercise of the option described in (b) or (y) 16,667 shares issuable upon the exercise of the option described in (c), neither of which was exercisable as to such shares at the Record Date or within 60 days thereafter.
- (6) A director of the Company.
- (7) The shares of the Common Stock reported in the table include (a) 3,333 shares issuable upon the exercise of an option expiring June 19, 2012 under the 2000 Option Plan and (b) 8,333 shares issuable upon the exercise of an option expiring September 25, 2012 under the 2000 Option Plan. The shares of the Common Stock reported in the table do not include (x) 6,667 shares issuable upon the exercise of the option described in (a) or (y) 16,667 shares issuable upon the exercise of the option described in (b), neither of which was exercisable as to such shares at the Record Date or within 60 days thereafter.
- (8) The shares of the Common Stock reported in the table include (a) 10,000 shares issuable upon the exercise of an option expiring July 20, 2005; (b) 3,333 shares issuable upon the exercise of an option expiring June 19, 2012 under the 2000 Option Plan; and (c) 8,333 shares issuable upon the exercise of an option expiring September 25, 2012 under the 2000 Option Plan. The shares of the Common Stock reported in the table do not include (x) 6,667 shares issuable upon the exercise of the option described in (b) or (y) 16,667 shares issuable upon the exercise of the option described in (c), neither of which was exercisable as to such shares at the Record Date or within 60 days thereafter.

thereafter.

AUTHORIZE THE REINCORPORATION OF THE COMPANY
AS A DELAWARE CORPORATION.

General

The second proposal as to which the Board of Directors is seeking the consent of the Company's shareholders is for them to approve the reincorporation of the Company, which is currently a California corporation, under the laws of the State of Delaware. This reincorporation, if authorized by consents, will be effected by merging the Company with and into PerfectData (Delaware) Inc., or PerfectData Delaware, a newly-formed Delaware corporation and a wholly-owned subsidiary of the Company. A copy of the reincorporation merger agreement is attached to this Consent Solicitation Statement as Appendix E. You are urged to read the reincorporation merger agreement carefully and in its entirety before making a decision on the reincorporation proposal.

PerfectData Delaware will have the same capitalization as the Company except that its common stock will have a par value of \$0.01 per share while the Company's Common Stock has no par value. The Board of Directors does not believe that this change in par value will have any significant effect on the Company's shareholders. A similar change would be made to the par value of the "blank check" preferred stock, as to which no shares are outstanding in the Company.

Reasons for Change

Almost every potential acquisition or merger candidate to which the Company has spoken has expressed its preference that the Company be reincorporated as a Delaware corporation for the reasons herein discussed. SuperCom made this reincorporation a condition precedent to consummation of the proposed transaction with it.

If a merger or acquisition proposal with a third party is consummated, the principal executive offices of the Company in Simi Valley, California will be closed, with the principal executive offices of the third party becoming the principal executive offices of the Company. Accordingly, following such a transaction, the Company's headquarters may no longer be located in the State of California and a reason for the Company continuing to be subject to California law will be eliminated.

Even if no transaction with a merger or acquisition candidate is consummated, the sale by the Company to Spray of its current business operation which had entirely been conducted from its headquarters in California makes it less necessary to continue to have the headquarters located in that State.

After a careful review of the differences between California law to which the Company is currently subject and Delaware law to which PerfectData Delaware is currently subject, the Company's Board of Directors concluded that the Company should be reincorporated in the State of Delaware. Some of the principal differences which could materially affect the rights of a shareholder are reviewed under the caption "Comparison of Rights of Holders of the Company's and PerfectData Delaware's Common Stock" immediately following this caption in this Consent Solicitation Statement. The Company's Board of Directors believes that the General Corporation Law of the State of Delaware, or the DGCL, will furnish the most flexibility to the Company's directors, while at the same time protecting the rights of the Company's shareholders.

For many years the State of Delaware has followed a policy of encouraging incorporation in that State and has adopted comprehensive, modern and flexible corporate laws that are periodically updated and revised to meet changing business needs. As a result, many corporations have been initially incorporated

Edgar Filing: PERFECTDATA CORP - Form PRER14A

in Delaware or have subsequently reincorporated in Delaware in a manner similar to that proposed by the Company. Because of Delaware's prominence as a state of incorporation for many corporations, the Delaware courts have developed considerable expertise in dealing with corporate issues and a substantial body of case law has developed construing the DGCL, and establishing public policies with respect to corporations incorporated in Delaware. As a result, Delaware corporation law is comparatively well known and understood. It is anticipated that, as in the past, Delaware corporation law will continue to be interpreted and explained in a number of significant court decisions. You, our shareholders should be aware, however, that Delaware law has been publicly criticized on the grounds that it does not afford minority stockholders all the same substantive rights and protections that are available under the laws of a number of other states (including California) and that, as a result of the proposed reincorporation, your rights as shareholders will change in a number of important respects, as discussed in the next paragraph and under the caption "Comparison of Rights of Holders of the Company's and PerfectData Delaware's Common Stock" immediately following this caption in this Consent Solicitation Statement. The Company's Board of Directors believes that the advantages of the reincorporation to the Company and you, our shareholders, outweigh its possible disadvantages.

The Board of Directors believes that the reincorporation will have the following effects, among others, on your rights as a shareholder as you become a stockholder of PerfectData Delaware:

- o Your cumulative voting rights as shareholders with respect to the election of directors will be eliminated, thereby limiting the ability of minority shareholders to have representation on the Board of Directors.
- o Section 203 of the DGCL may make it more difficult for interested stockholders to acquire PerfectData Delaware in the future, while there is no comparable provision under California law.
- o California law furnishes certain protections for you, as a shareholder, on mergers or other forms of reorganization which Delaware laws does not. As an example, California law requires approval with respect to a reorganization involving a corporation issuing equity securities (common stock, preferred stock or other securities convertible into, or exercisable for, shares of common stock) in exchange for the capital stock or assets of the acquired company, while Delaware law does not require stockholder approval for such a transaction.
- o You, as a stockholder of PerfectData Delaware, will not have dissenters' or appraisal rights with respect to a sale of the Company's assets not in the ordinary course of its business (as, for example, the proposed Spray transaction) or with respect to a reorganization, other than a statutory merger, as, for example, the issuance or exchange of equity securities (common stock, preferred stock or other securities convertible into, or exercisable for, shares of the common stock) for the capital stock or assets of the acquired company.
- o You, individually or with a group of other shareholders, with specified percentage ownership of shares, will lose the absolute right to inspect the shareholders' list without showing a purpose reasonably related to your interest as a shareholder.
- o Although the tests for paying dividends and repurchasing

Edgar Filing: PERFECTDATA CORP - Form PRER14A

shares differ between California law on the one hand and Delaware law on the other hand, this issue will not be meaningful to you, as a PerfectData Delaware stockholder, because of the unlikelihood of cash dividends or repurchases of shares in the foreseeable future.

- o You, as a shareholder, may currently institute a derivative action against the Company even if you are not a shareholder at the time of the transaction in question.
- o You may institute a derivative action against PerfectData Delaware only if, at the time of the transaction in question, you were a shareholder of the Company or a stockholder of PerfectData Delaware, whichever is applicable.
- o You and other shareholders will lose the right to dissolve the Company if 50% of the holders of voting stock so demand even if the Board of Directors does not act.

The principal differences between the rights of California shareholders and Delaware stockholders are discussed in "Comparison of Rights of Holders of the Company's and PerfectData Delaware's Common Stock." You are urged to read this section of this Consent Solicitation Statement carefully and in its entirety before making a decision on the reincorporation proposal.

Summary of Provisions of PerfectData Delaware's Charter Documents

In addition to the changes in shareholders' rights resulting in the change from California law to Delaware law, PerfectData Delaware's Certificate of Incorporation and Bylaws contain some important differences from the Company's Articles of Incorporation and Bylaws. For a description of these differences, please see "Description of the Company and PerfectData Delaware Capital Stock" and "Comparison of Rights of Holders of the Company's and PerfectData Delaware's Common Stock." A copy of PerfectData Delaware's Certificate of Incorporation is attached to this Consent Solicitation Statement as Appendix F, and a copy of PerfectData Delaware's Bylaws is attached to this Consent Solicitation Statement as Appendix G. You are urged to read this Certificate of Incorporation and Bylaws carefully and in their entirety before making a decision on the reincorporation proposal.

Exchange of Stock Certificates

If the reincorporation is approved and implemented, you will not have to exchange your certificates evidencing shares of the Common Stock for certificates evidencing shares of the PerfectData Delaware common stock unless and until you desire to sell or otherwise transfer the shares.

Recommendation

THE COMPANY'S BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS CONSENT IN FAVOR OF THE PROPOSAL TO REINCORPORATE THE COMPANY IN THE STATE OF DELAWARE BY EXECUTING THE ENCLOSED FORM OF CONSENT, CHECKING THE "FOR" BOX AND RETURNING THE SAME TO THE COMPANY'S TRANSFER AGENT. UNLESS A CONTRARY CHOICE IS SPECIFIED, A SIGNED CONSENT FORWARDED TO THE COMPANY WITH NO BOX CHECKED WILL BE VOTED FOR APPROVAL OF THE REINCORPORATION PROPOSAL. A FAILURE TO RETURN THE CONSENT WILL HAVE THE SAME EFFECT AS A VOTE AGAINST THE REINCORPORATION. COMPARISON OF RIGHTS OF HOLDERS OF THE COMPANY'S AND PERFECTDATA DELAWARE'S COMMON STOCK

COMPARISON OF RIGHTS OF HOLDERS OF THE COMPANY'S
AND PERFECTDATA DELAWARE'S COMMON STOCK

Edgar Filing: PERFECTDATA CORP - Form PRER14A

Upon the consummation of the reincorporation merger, holders of shares of the Common Stock will become holders of the PerfectData Delaware common stock. As a result, the Company's shareholders, whose current rights as shareholders are governed by California law, will become PerfectData Delaware stockholders, and their rights as stockholders will be governed by Delaware law. Similarly, the holders of options or warrants to acquire shares of the Common Stock will become holders of equivalent options or warrants to acquire shares of the PerfectData Delaware common stock.

The statutes and court decisions with respect to the rights of shareholders under California law and of stockholders under Delaware law contain certain differences. In addition, the Articles of Incorporation and Bylaws of the Company differ in certain respects from the Certificate of Incorporation and Bylaws of PerfectData Delaware, the Delaware corporation that will survive the reincorporation.

The following is an explanation of what the Company, based on the advice of its counsel, Wachtel & Masyr, LLP, deems to be the material differences among the rights of a shareholder under California law and those of a stockholder under Delaware law and as a shareholder under the Articles of Incorporation and the Bylaws of the Company and as a stockholder under the Certificate of Incorporation and Bylaws of PerfectData Delaware. The following discussion does not purport to constitute a detailed comparison of the provisions of the California General Corporation Law, or the CGCL, and the Delaware General Corporate Law, or the DGCL. The shareholders of the Company should refer to these statutes for a definitive explanation of each statute. In addition, the discussion of the differences in rights governed by each respective corporation's charter documents does not purport to be complete, and the shareholders of the Company should refer to the respective charter documents of each corporation. Copies of the Company's Articles of Incorporation and Bylaws are available for inspection at the principal executive offices of the Company, and copies will be sent to shareholders of the Company upon request. A request may be made to the Company as described in the section "Contact Information" under the caption "Miscellaneous" elsewhere in this Consent Solicitation Statement. A copy of the Certificate of Incorporation and Bylaws of PerfectData Delaware are attached as Appendices F and G, respectively, to this Consent Solicitation Statement.

Authorized Capital Stock

The Company. The authorized capital stock of the Company currently consists of 10,000,000 shares of Common Stock, no par value, and 2,000,000 shares of Preferred Stock, no par value.

PerfectData Delaware. The authorized capital stock of PerfectData Delaware currently consists of 10,000,000 shares of common stock, \$.01 par value, and 2,000,000 shares of preferred stock, \$.01 par value.

Size of the Board of Directors

The Company. Under the CGCL, although changes to the number of directors must in general be approved by a majority of the outstanding voting shares, the board of directors may fix the exact number of directors within a stated range set forth in the articles of incorporation or bylaws, if that stated range has been approved by the shareholders. The Company's Bylaws provide that the number of directors shall not be less than three or more than five until changed by an amendment of the Articles of Incorporation or by a bylaw adopted by the Company's shareholders.

PerfectData Delaware. The DGCL permits the board of directors alone to change the authorized number of directors or the range of the number of

Edgar Filing: PERFECTDATA CORP - Form PRER14A

directors by amendment to the corporation's bylaws, unless the directors are not authorized to amend the bylaws or the number of directors is fixed in the certificate of incorporation (in which case a change to the number of directors may be made only by an amendment to the certificate of incorporation approved by the stockholders). The PerfectData Delaware Certificate of Incorporation does not prohibit the directors from amending the bylaws nor does it fix the number of directors. Accordingly, the provision in the PerfectData Delaware Bylaws provides that the range of the number of directors shall be between five and eight and the number within that range shall be fixed from time to time by the board of directors.

Removal of Directors

The Company. Under the CGCL, any director or the entire board of directors may be removed, with or without cause, with the approval of a majority of the outstanding shares entitled to vote; however, no individual director may be removed (unless the entire board is removed) if the number of votes cast against such removal would be sufficient to elect the director under cumulative voting. The Company's Articles of Incorporation and Bylaws do not contain a provision governing the removal of directors, so the aforementioned provision of the CGCL governs the removal of directors.

PerfectData Delaware. Under the DGCL, a director of a corporation that does not have a classified board of directors or cumulative voting may be removed with or without cause with the approval of a majority of the outstanding shares entitled to vote. In the case of a Delaware corporation having cumulative voting, if less than the entire board is to be removed, a director may not be removed without cause unless the shares voted against such removal would not be sufficient to elect the director under such cumulative voting procedures. A director of a corporation with a classified board of directors may be removed only for cause, unless the certificate of incorporation provides otherwise. The PerfectData Delaware Certificate of Incorporation does not provide for cumulative voting or for a classified board of directors. Consequently, any director of PerfectData Delaware may be removed from office at any time with or without cause upon the affirmative vote of the holders of a majority of the then outstanding shares of voting stock.

Filling Vacancies on the Board of Directors

The Company. Under the CGCL, any vacancy on the board of directors, other than one created by removal of a director, may be filled by the board of directors. If the number of directors is less than a quorum, a vacancy may be filled by the unanimous written consent of the remaining directors in office, or the affirmative vote of a majority of the remaining directors at a meeting or by a sole remaining director. A vacancy created by removal of a director may be filled by the board of directors only if so authorized by a corporation's articles of incorporation or by a bylaw approved by the corporation's shareholders. The Company's Bylaws, which were approved by its shareholders, permit directors to fill vacancies created by the removal of a director.

PerfectData Delaware. Under the DGCL, vacancies and newly created directorships may be filled by a majority of the directors then in office (even though less than a quorum) unless otherwise provided in a corporation's certificate of incorporation or bylaws. The PerfectData Delaware Certificate of Incorporation does not so provide and its Bylaws provide that any vacancy resulting from the removal or resignation of a director may be filled by a majority of the directors then in office (even though less than a quorum) even if such vacancy was created by removal of a director by the stockholders. The stockholders may also fill such vacancy.

Cumulative Voting

Edgar Filing: PERFECTDATA CORP - Form PRER14A

The Company. Under the CGCL, if any shareholder gives notice at the meeting of his or her intention to cumulate votes for the election of directors, any other shareholder of the corporation is also entitled to cumulate his or her votes at such election unless the corporation is a "listed corporation" (as hereinafter defined) and has a provision in its articles of incorporation or bylaws that eliminates cumulative voting. A "listed corporation" is a corporation whose shares are either (i) listed on the New York or American Stock Exchanges or (ii) designated for trading on the Nasdaq National Market System. The Company's Bylaws permit cumulative voting and the Company is currently eligible under the CGCL to eliminate such voting because it is not a "listed corporation," but doing so would require shareholder approval to change the provision in the Company's Bylaws.

PerfectData Delaware. Under the DGCL, cumulative voting in the election of directors is not mandatory. The PerfectData Delaware Certificate of Incorporation and Bylaws do not provide for cumulative voting. By approving the reincorporation, the Company's shareholders will be eliminating the cumulative voting rights which they currently have under the CGCL. This elimination of cumulative voting will limit the ability of minority shareholders to obtain representation on the PerfectData Delaware board of directors.

Classified Board of Directors

The Company. The CGCL prohibits a classified board of directors unless the corporation is a "listed corporation" (as defined in the preceding section "Cumulative Voting"). Because the Company is currently not a listed corporation, it cannot currently have a classified board of directors.

PerfectData Delaware. The DGCL permits, but does not require, a classified board of directors, with staggered terms under which one-half or one-third of the directors are elected for terms of two or three years, respectively. This method of electing directors makes changes in the composition of the board of directors, and thus a change in control of a corporation, a lengthier and more difficult process. The PerfectData Delaware Certificate of Incorporation and Bylaws do not provide for a classified board.

Voting Power

The Company. The CGCL permits a corporation to create series of shares that are entitled to cast more or less than one vote per share. The Company's Articles of Incorporation states that each share of Company capital stock has the right to one vote at all meetings of shareholders.

PerfectData Delaware. The DGCL, unless otherwise provided in a corporation's certificate of incorporation or bylaws, allows for one vote per share of capital stock at all meetings of stockholders. The PerfectData Delaware Certificate of Incorporation states that each share of PerfectData Delaware common stock has the right to one vote at all meetings of stockholders.

Power to Call Special Meeting of Shareholders

The Company. Under the CGCL, a special meeting of shareholders may be called by the board of directors, the chairman of the board, the president, the holders of shares entitled to cast not less than 10% of the votes at such meeting, or such additional persons as are authorized by a corporation's articles of incorporation or bylaws. The Company's Bylaws provide that the board of directors, the Chairman of the Board, the President, or the holders of shares entitled to cast not less than 10% of votes at such meeting may call a special meeting.

PerfectData Delaware. Under the DGCL, a special meeting of stockholders may be called by the board of directors or by any other person authorized to do

Edgar Filing: PERFECTDATA CORP - Form PRER14A

so in the corporation's certificate of incorporation or bylaws. The provision governing special meeting of stockholders in the PerfectData Delaware Bylaws is similar to the current provision in the Company's Bylaws.

Action of Shareholders Without a Meeting

The Company. Under the CGCL, unless otherwise provided in the articles of incorporation, any action required to be taken or which may be taken at an annual or special meeting may be taken without a meeting and without prior notice if a written consent is signed by the holders of outstanding stock having at least the minimum number of votes required to authorize the action. If consent is sought from less than all shareholders entitled to vote, the corporation must give notice to the non-consenting shareholders. The Company's Articles of Incorporation are silent on this subject, so the provisions of the CGCL as set forth herein govern. The Company Bylaws are consistent with the statutory provision.

PerfectData Delaware. Under the DGCL, unless otherwise provided in a corporation's certificate of incorporation, any action required to be taken at an annual or special meeting of a corporation's stockholders may be taken without a meeting if a resolution in writing has been signed or consented to by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting and notice is thereafter given to the shareholders who did not consent. The PerfectData Delaware Certificate of Incorporation does not prohibit stockholder actions without a meeting.

Amendment to Articles of Incorporation and Certificate of Incorporation

The Company. The CGCL provides that, unless otherwise stated in a corporation's articles of incorporation, an amendment to the articles of incorporation requires the approval of the corporation's board of directors and the affirmative vote of a majority of the outstanding shares entitled to vote on those shares. Amendments to allow for stock splits, unless the corporation has more than one class of shares outstanding, (including a proportionate increase in the authorized number of shares) do not require shareholder approval. Unless otherwise provided in the articles of incorporation, any provision in the articles of incorporation which requires a greater vote than required by law cannot be amended or repealed except by the greater vote. The Company's Articles of Incorporation are silent on this subject, so the provisions of the CGCL as set forth herein govern.

PerfectData Delaware. Under the DGCL, the certificate of incorporation of a corporation may be amended by resolution of the board of directors and the affirmative vote of the holders of a majority of the outstanding shares of voting stock then entitled to vote. The DGCL also permits a corporation to make provision in its certificate of incorporation requiring a greater proportion of the voting power to approve a specified amendment. PerfectData Delaware's Certificate of Incorporation does not contain a provision requiring a greater proportion of voting power to amend its Certificate of Incorporation.

Amendment to Bylaws

The Company. The CGCL provides that, unless a corporation's board of directors is prohibited by the articles of incorporation, the bylaws, or Section 212 of the CGCL (relating to the number of directors), a corporation's board of directors or a majority of the outstanding shares entitled to vote may amend a corporation's bylaws. The Company's Bylaws permit either the shareholders or the Board to amend the Bylaws, except those provisions specifying or changing a fixed number of directors or the maximum or minimum number or changing from a fixed to a variable Board or vice versa. These provisions may only be amended by the shareholders.

Edgar Filing: PERFECTDATA CORP - Form PRER14A

PerfectData Delaware. The DGCL provides that the power to adopt, amend or repeal a corporation's bylaws shall be held by the stockholders entitled to vote. A corporation may, in its certificate of incorporation, confer such powers on the board of directors. Under the PerfectData Delaware Certificate of Incorporation, the PerfectData Delaware Board of Directors is expressly authorized to adopt, amend, alter or repeal the PerfectData Delaware Bylaws.

Statutory Anti-Takeover Protections

The Company. The CGCL contains certain limitations on "cash out mergers" and requires a fairness opinion in situations in which an interested party is involved in a business combination as, for example, a tender offer, a merger or other form of reorganization as defined in the CGCL. For more information as to these limitations, see the following section "Required Shareholder Votes in Connection with a Business Combination."

PerfectData Delaware. The DGCL prohibits a Delaware corporation from engaging in a "business combination" with an "interested stockholder" for three years following the time that such person becomes an interested stockholder. With certain exceptions an interested stockholder is a person who, or a group which, owns 15% or more of the corporation's outstanding voting stock (including any rights to acquire stock pursuant to an option, warrant, agreement, arrangement or understanding, or upon the exercise of conversion or exchange rights, and stock with respect to which the person has voting rights only), or is an affiliate or associate of the corporation and was the owner of 15% or more of such voting stock at any time within the previous three years.

For purposes of the DGCL, the term "business combination" is defined broadly to include mergers with or caused by the interested stockholder, sales or other dispositions to the interested stockholder (except proportionately with the corporation's other stockholders) of assets of the corporation or a subsidiary equal to 10% or more of the aggregate market value of the corporation's consolidated assets or its outstanding stock; the issuance or transfer by the corporation or a subsidiary of stock of the corporation or such subsidiary to the interested stockholder (except for transfers in a conversion or exchange or a pro rata distribution or certain other transactions, none of which increase the interested stockholder's proportionate ownership of any class or series of the corporation's or such subsidiary's stock); or any receipt by the interested stockholder (except proportionately as a stockholder), directly or indirectly, of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation or a subsidiary.

The three-year moratorium imposed on business combinations under the DGCL does not apply if: (i) prior to the time at which such stockholder becomes an interested stockholder the board of directors approves either the business combination or the transaction which resulted in the person becoming an interested stockholder; (ii) the interested stockholder owns at least 85% of the corporation's voting stock upon consummation of the transaction which made him, her or it an interested stockholder (excluding from the 85% calculation shares owned by directors who are also officers of the target corporation and shares held by employee stock plans which do not permit employees to decide confidentially whether to accept a tender or exchange offer); or (iii) on or after the time such person becomes an interested stockholder, the board approves the business combination and it is also approved at a stockholder meeting by 66 2/3% of the voting stock not owned by the interested stockholder.

A Delaware corporation may elect not to be governed by this section of the DGCL by a provision in its certificate of incorporation or Bylaws. PerfectData Delaware does not intend to make such election; therefore, this section of the DGCL will apply to PerfectData Delaware.

Required Shareholder Votes in Connection with a Business Combination

The Company. The CGCL requires that the holders of a majority of the voting power of the outstanding shares of stock of both acquiring and target corporations entitled to vote approve statutory mergers or other forms of reorganization, which term includes the issuance of equity securities for the stock or assets of the acquired corporation. The CGCL contains an exception to its voting requirements for reorganizations where shareholders or the corporation itself, or both, immediately prior to the reorganization will own immediately after the reorganization equity securities constituting more than five-sixths of the voting power of the surviving or acquiring corporation or its parent entity. The CGCL also requires that a sale of all or substantially all of the assets of a corporation be approved by a majority of the outstanding voting shares of the corporation transferring such assets. With certain exceptions, the CGCL also requires that mergers, reorganizations, certain sales of assets and similar transactions be approved by a majority vote of each class of shares outstanding. The CGCL also requires that holders of nonredeemable common stock receive nonredeemable common stock in a merger of the corporation with the holder of more than 50% but less than 90% of such common stock or its affiliate unless all of the holders of such common stock consent to the transaction. This provision of the CGCL may have the effect of making a "cash-out" merger by a majority shareholder more difficult to accomplish.

The CGCL also provides that, except in certain circumstances, when a tender offer or a proposal for a reorganization or for a sale of assets is made by an interested party (generally, a controlling or managing party of the target corporation), an affirmative opinion in writing as to the fairness of the consideration to be paid to the shareholders must be delivered to shareholders. This fairness opinion requirement does not apply to a corporation which does not have shares held of record by at least 100 persons, or to a transaction which has been qualified under California state securities laws. Furthermore, if a tender of shares or vote is sought pursuant to an interested party's proposal and a later proposal is made by another party at least ten days prior to the date of acceptance of the interested party proposal, the shareholders must be informed of the later offer and be afforded a reasonable opportunity to withdraw any vote, consent or proxy, or to withdraw any tendered shares.

The CGCL also requires that the holders of all shares of the same class be treated equally in a merger transaction unless all holders of that class of shares consent to the disparate treatment.

The Company's Articles of Incorporation do not contain any provision regarding the shareholder vote in connection with a business combination, so the provisions of the CGCL described above would govern.

PerfectData Delaware. The DGCL requires that the holders of a majority of the voting power of the outstanding shares of stock of both acquiring and target corporations entitled to vote approve statutory mergers. The DGCL does not require stockholder approval for the exchange of equity securities for the stock or assets of the acquired company. The DGCL contains an exception to its voting requirements for reorganizations where shareholders or the corporation itself, or both, immediately prior to the reorganization will own immediately after the reorganization equity securities constituting more than 90% of the voting power of the surviving or acquiring corporation or its parent entity.

The DGCL requires that a sale of all or substantially all of the assets of a corporation be approved by a majority of the outstanding voting shares of the corporation transferring such assets.

The DGCL does not require a stockholder vote of the surviving corporation in a merger (unless the corporation provides otherwise in its certificate of incorporation) if (i) the agreement and plan of merger does not amend the

Edgar Filing: PERFECTDATA CORP - Form PRER14A

existing certificate of incorporation of such surviving corporation, (ii) each share of the surviving corporation outstanding before the merger is an identical outstanding or treasury share after the merger, and (iii) the number of shares to be issued by the surviving corporation in the merger does not exceed 20% of the shares outstanding immediately prior to the merger.

The PerfectData Delaware of Incorporation will not contain any provision regarding the stockholder vote in connection with a business combination, so the provisions of the DGCL described above shall govern.

Although the laws of California and Delaware may be similar as to whether the holders of voting stock of the surviving corporation have to vote on a merger, the CGCL gives certain protections to shareholders on mergers and certain other transactions. To that extent, a shareholder of the Company may lose certain rights as the result of the reincorporation, including the right to vote on an acquisition where equity securities (common stock, preferred stock or other securities convertible into, or exercisable for, shares of common stock) of PerfectData Delaware are issued for the capital stock or assets of the acquired company.

Related-Party Transactions

The Company. Under the CGCL, certain contracts or transactions in which one or more of a corporation's directors has or have an interest are not void or voidable solely because of such interest provided that certain conditions, such as obtaining the required approval and fulfilling the requirements of good faith and full disclosure, are met. Under the CGCL (i) either the shareholders or the board of directors must approve any such contract or transaction after full disclosure of the material facts and, in the case of board approval, the contract or transaction must also be "just and reasonable" to the corporation, or (ii) the contract or transaction must have been just and reasonable or fair, as applicable, to the corporation at the time it was approved. In the latter case, the CGCL explicitly places the burden of proof on the interested director. Under the CGCL, if shareholder approval is sought, the interested director is not entitled to vote his shares at a shareholder meeting with respect to any action regarding such contract or transaction. If board approval is sought, the contract or transaction must be approved by a majority vote of a quorum of the directors, without counting the vote of any interested directors (except that interested directors may be counted for purposes of establishing a quorum).

PerfectData Delaware. Under the DGCL, certain contracts or transactions in which one or more of a corporation's directors has an interest are not void or voidable solely because of such interest provided that certain conditions, such as obtaining the required approval and fulfilling the requirements of good faith and full disclosure, are met. Under the DGCL, (i) either the shareholders or the board of directors must approve any such contract or transaction after full disclosure of the material facts and, in the case of board approval, the contract or transaction must also be "fair" to the corporation, or (ii) the contract or transaction must have been just and reasonable or fair, as applicable, to the corporation at the time it was approved. Under the DGCL, if board approval is sought, the contract or transaction must be approved by a majority of the disinterested directors (even though less than a majority of a quorum).

Therefore, certain transactions that the Company's board of directors might not be able to approve because of the number of interested directors, or the exclusion of interested director shares, could be approved by a majority of the disinterested directors of PerfectData Delaware, although less than a majority of a quorum, or by a majority of all voting shares, which might not include a majority of the disinterested shares. The Company's board of directors is not aware of any plans to propose any transaction involving directors of the Company which could not be so approved under the CGCL, but could be so approved

Edgar Filing: PERFECTDATA CORP - Form PRER14A

under the DGCL.

Indemnification and Limitation of Liability

The Company. The CGCL permits indemnification of expenses incurred in derivative or third-party actions, except that with respect to derivative actions (i) no indemnification may be made without court approval when a person is adjudged liable to the corporation in the performance of that person's duty to the corporation and its shareholders, unless a court determines that such person is entitled to indemnity for expenses, and then such indemnification may be made only to the extent that the court so determines, and (ii) no indemnification may be made without court approval in respect of amounts paid or expenses incurred in settling or otherwise disposing of a threatened or pending action or in respect of amounts incurred in defending a pending action which is settled or otherwise disposed of without court approval.

Indemnification is permitted by the CGCL only for acts taken in good faith and believed to be in the best interests of the corporation and its shareholders, as determined by a majority vote of a disinterested quorum of the directors, independent legal counsel (if a quorum of independent directors is not obtainable), a majority vote of a quorum of the shareholders (excluding shares owned by the indemnified party), or the court handling the action. The CGCL requires indemnification when the individual has successfully defended the action on the merits.

California corporations may include in their articles of incorporation a provision which extends the scope of indemnification through agreements, bylaws or other corporate action beyond that which is specifically authorized by statute. The Company's Articles of Incorporation include such a provision. As a result, the Company has followed the practice of executing indemnification agreements with its directors and officers.

The CGCL also permits a corporation to adopt a provision in its articles of incorporation eliminating the liability of a director to the corporation or its shareholders for monetary damages for breach of the director's fiduciary duty of care. The Company's Articles of Incorporation eliminate the liability of directors to the Company to the fullest extent permissible under the CGCL, as such law exists currently or as it may be amended in the future. The CGCL does not permit the elimination of monetary liability where such liability is based on: (i) acts or omissions that involve intentional misconduct or a knowing and culpable violation of law; (ii) acts or omissions that a director believes to be contrary to the best interests of the corporation or its shareholders, or that involve the absence of good faith on the part of the director; (iii) receipt of an improper personal benefit; (iv) acts or omissions that show reckless disregard for the director's duty to the corporation or its shareholders, where the director in the ordinary course of performing a director's duties should be aware of a risk of serious injury to the corporation or its shareholders; (v) acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director's duty to the corporation and its shareholders; (vi) interested party transactions between the corporation and a director in which a director has a material financial interest; or (vii) liability for improper distributions, loans or guarantees.

PerfectData Delaware. The DGCL generally permits indemnification of expenses (including attorneys' fees) incurred in the defense or settlement of a derivative or third-party action, provided there is a determination by a majority vote of the disinterested directors (even though less than a quorum), by independent legal counsel or by stockholders that the person seeking indemnification acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation. Without court approval, however, no indemnification may be made in respect of any derivative action in which such person is adjudged liable for negligence or misconduct in the

Edgar Filing: PERFECTDATA CORP - Form PRER14A

performance of his or her duty to the corporation. The DGCL also requires indemnification of expenses when the individual being indemnified has successfully defended the action on the merits or otherwise.

A provision of the DGCL states that the indemnification provided by statute shall not be deemed exclusive of any other rights under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise. As a result, the DGCL permits the indemnification agreements such as those presently in effect between the Company and its officers and directors, and which such agreements will be assumed by PerfectData Delaware upon completion of the reincorporation.

The PerfectData Delaware Certificate of Incorporation eliminates the liability of directors to the fullest extent permissible under the DGCL, as such law exists currently or as it may be amended in the future. Under the DGCL, such a provision may not eliminate or limit director monetary liability for: (i) breaches of the director's duty of loyalty to the corporation or its stockholders; (ii) acts or omissions not in good faith or involving intentional misconduct or knowing violations of law; (iii) the payment of unlawful dividends or unlawful stock repurchases or redemptions; or (iv) transactions in which the director received an improper personal benefit. Such a limitation of liability provision also may not limit a director's liability for violation of, or otherwise relieve PerfectData Delaware or its directors from the necessity of complying with, federal or state securities laws or affect the availability of non-monetary remedies such as injunctive relief or rescission.

Although there are the differences noted above among California and Delaware statutory provisions with respect to indemnification, the Company's Board of Directors, based on the advice of the Company's counsel, Wachtel & Masyr, LLP, does not believe that they are so material as to dissuade a shareholder of the Company from consenting to the reincorporation. PerfectData Delaware will assume the obligations of the Company to the directors and officers under their existing indemnification agreements.

Dividends and Repurchases of Shares

The Company. Under the CGCL, a corporation may not make any distribution (including dividends, whether in cash or other property, and repurchases of its shares), unless either the corporation's retained earnings immediately prior to the proposed distribution equal or exceed the amount of the proposed distribution or, immediately after giving effect to such distribution, the corporation's assets (exclusive of goodwill, capitalized research and development expenses and deferred charges) would be at least equal to 1 1/4 times its liabilities (not including deferred taxes, deferred income and other deferred credits), and the corporation's current assets would be at least equal to its current liabilities (or 1 1/4 times its current liabilities if the average earnings before taxes on income and before interest expense for the preceding two fiscal years were less than the average interest expense for such years). Under the CGCL, there are exceptions to the foregoing rules for repurchases of shares in connection with certain rescission actions or pursuant to certain employee stock plans. The Company's Articles of Incorporation do not have any provision relating to the payment of dividends or the repurchase of shares, so the provision of the CGCL shall govern.

PerfectData Delaware. The DGCL permits a corporation to declare and pay dividends out of surplus or, if there is no surplus, out of net profits for the fiscal year in which the dividend is declared and/or for the preceding fiscal year as long as the amount of capital of the corporation following the declaration and payment of the dividend is not less than the aggregate amount of the capital represented by the issued and outstanding stock of all classes having a preference upon the distribution of assets. In addition, the DGCL generally provides that a corporation may redeem or repurchase its shares only

Edgar Filing: PERFECTDATA CORP - Form PRER14A

if such redemption or repurchase would not impair the capital of the corporation. PerfectData Delaware's Certificate of Incorporation will not have any provision relating to the payment of dividends or the repurchase of shares, so the provision of the DGCL shall govern. Although the CGCL provisions relating to payment of dividends and repurchase of shares may differ from those of Delaware, the Company's Board of Directors does not believe that PerfectData Delaware will likely be paying dividends or repurchasing shares under the DGCL that it would be forbidden to pay or repurchase under the CGCL.

Shareholder Derivative Suits

The Company. The CGCL provides that a shareholder bringing a derivative action on behalf of a corporation need not have been a shareholder at the time of the transaction in question, provided that certain tests are met. The CGCL also provides that the corporation or the defendant in a derivative action suit may make a motion to the court for an order requiring the plaintiff shareholder to furnish a security bond. The Company's Articles of Incorporation do not have any provision relating to derivative actions, so the provisions of the CGCL shall govern.

PerfectData Delaware. A derivative action may be brought in Delaware by a stockholder of a corporation. The DGCL provides that the person must allege that he was a stockholder at the time when the transaction took place. A stockholder may not sue derivatively without first demanding that the corporation bring suit, which demand has been refused, unless it is shown that such demand would have been futile. The PerfectData Delaware of Incorporation will not contain any provision relating to derivative actions, so the provisions of the DGCL shall govern.

A shareholder of the Company, accordingly, will lose the right to institute a derivative action against PerfectData Delaware with respect to a transaction which occurred prior to his, her or it becoming a stockholder of the PerfectData Delaware or its predecessor, i.e., the Company.

Dissenters' or Appraisal Rights

The Company. Under the CGCL, a shareholder of a corporation participating in certain major corporation transactions may, under varying circumstances, be entitled to dissenters' rights pursuant to which such shareholder may receive cash in the amount of the fair market value of his, her or its shares in lieu of the consideration he, she or it would otherwise receive in the transaction.

Shareholders of a California corporation whose shares are listed on a national securities exchange or on the Nasdaq National Market System generally do not have such dissenters' rights unless the holders of at least 5% of the class of outstanding shares claim the right or unless the corporation or any law restricts the transfer of such shares. Dissenters' rights are unavailable, however, if the shareholders of a corporation or the corporation itself, or both, immediately prior to the reorganization will own immediately after the reorganization equity securities constituting more than five-sixths of the voting power of the surviving or acquiring corporation or its parent entity. In general, the CGCL affords dissenters' rights in sale of assets reorganizations. The Company's shareholders have dissenters' rights as provided in the CGCL.

PerfectData Delaware. Under the DGCL, a shareholder of a corporation participating in certain major corporation transactions may, under varying circumstances, be entitled to appraisal rights pursuant to which such shareholder may receive cash in the amount of the fair market value of his, her or its shares in lieu of the consideration he, she or it would otherwise receive in the transaction. Under the DGCL, unless the certificate of incorporation otherwise provides, such appraisal rights are not available (i) with respect to the sale, lease or exchange of all or substantially all of the assets of a

Edgar Filing: PERFECTDATA CORP - Form PRER14A

corporation, (ii) with respect to a merger or consolidation by a corporation the shares of which are either listed on a national securities exchange or are held of record by more than 2,000 holders if such stockholders receive only shares of the surviving corporation or shares of any other corporation which are either listed on a national securities exchange or held of record by more than 2,000 holders, plus cash in lieu of fractional shares or any combination thereof, or (iii) to stockholders of a corporation surviving a merger if no vote of the stockholders of the surviving corporation is required to approve the merger because the agreement and plan of merger does not amend the existing certificate of incorporation, each share of the surviving corporation outstanding prior to the merger is an identical outstanding or treasury share after the merger, and the number of shares to be issued in the merger does not exceed 20% of the shares of the surviving corporation outstanding immediately prior to the merger and if certain other conditions are met. The PerfectData Delaware Certificate of Incorporation is silent with respect to appraisal rights, so that the provisions of the DGCL govern.

With respect to a statutory merger, the reincorporation would not materially affect the dissenters' rights of the Company's shareholders. However, in the case of a reorganization other than a statutory merger which the stockholders will not have to approve in PerfectData Delaware (see the section "Required Shareholder Votes in Connection with a Business Combination" under this caption "Comparison of Rights of Holders of the Company's and PerfectData Delaware's Common Stock"), or in the case of a sale of assets not in the ordinary course of business, a shareholder of the Company will lose his, her or its right to dissent that the shareholder would have had in the Company under the CGCL. Thus, were the Company currently a Delaware corporation, its shareholders would not have dissenters' rights with respect to the proposed sale to Spray.

Dissolution

The Company. Under the CGCL, shareholders holding 50% or more of the total voting power may authorize a corporation's dissolution, with or without the approval of the corporation's board of directors, and this right may not be modified by the articles of incorporation.

PerfectData Delaware. Under the DGCL, unless the board of directors approves the proposal to dissolve, the dissolution must be approved by stockholders holding 100% of the total voting power of the corporation. Only if the dissolution of a Delaware corporation is initiated by the board of directors may it be approved by a simple majority of the corporation's stockholders. In the event of such a board-initiated dissolution, the DGCL allows a Delaware corporation to include in its certificate of incorporation a supermajority voting requirement in connection with dissolutions. The PerfectData Delaware Certificate of Incorporation contains no such supermajority voting requirement, and a majority of shares voting at a meeting at which a quorum is present would be sufficient to approve a dissolution of PerfectData Delaware which had previously been approved by its board of directors. Accordingly, except for the loss of the right of the holders of 50% or more of the voting power in a California corporation to vote for its dissolution where the board of directors has not so authorized the dissolution, there will be no change for the Company's shareholders as a result of the reincorporation.

In addition to the changes in shareholders' rights resulting in the reincorporation, the proposed PerfectData Delaware Certificate of Incorporation and Bylaws contain some important differences from the Company Articles of Incorporation and Bylaws. For a description of these differences, please see "Description of the Company and PerfectData Delaware Capital Stock." A copy of the PerfectData Delaware Certificate of Incorporation is attached to this Consent Solicitation Statement as Appendix F, and a copy of the PerfectData Delaware Bylaws is attached to this Consent Solicitation Statement as Appendix

G. You are urged to read the Certificate of Incorporation and Bylaws carefully and in their entirety before making a decision on the reincorporation.

DESCRIPTION OF THE COMPANY AND PERFECTDATA DELAWARE CAPITAL STOCK

The following summary of the current terms of the Company's capital stock and the terms of PerfectData Delaware's capital stock to be in effect after the completion of the reincorporation describes every term which the Company, based on the advice of its counsel, Wachtel & Masyr, LLP, deems material to a shareholder. For a complete description you should refer to the Company's Articles of Incorporation and Bylaws and PerfectData Delaware's Certificate of Incorporation and Bylaws. Copies of the Company's Articles of Incorporation and Bylaws will be sent to holders of shares of the Common Stock upon request. A request may be made to the Company as described in the section "Contact Information" under the caption "Miscellaneous" elsewhere in the Consent Solicitation Statement. Copies of PerfectData Delaware's Certificate of Incorporation and Bylaws are attached to this Consent Solicitation Statement as Appendix F and Appendix G, respectively. Except for the difference in the par value, which the Company believes will not adversely affect shareholders, the capital stock of the Company and PerfectData Delaware are similar.

The Company

Authorized Capital Stock. The Company's authorized capital stock consists of 10,000,000 shares of Common Stock, no par value per share, and 2,000,000 shares of "blank check" Preferred Stock, no par value per share.

Common Stock. Subject to the rights of holders of Preferred Stock, if any, holders of shares of the Common Stock are entitled to share equally on a per share basis in such dividends as may be declared by the Board of Directors out of funds legally available therefor. There are presently no plans to pay dividends with respect to the shares of the Common Stock. Upon the Company's liquidation, dissolution or winding up, after payment of creditors and the holders of any of its senior securities, including Preferred Stock, if any, the Company's assets will be divided pro rata on a per share basis among the holders of the shares of the Common Stock. The Common Stock is not subject to any liability for further assessments. There are no conversions or redemption privileges nor any sinking fund provisions with respect to the Common Stock and the Common Stock is not subject to call. The holders of the Common Stock do not have any pre-emptive or other subscription rights.

Holders of shares of the Common Stock are entitled to cast one vote for each share held at all shareholders' meetings for all purposes. If at a shareholder meeting, a shareholder elects to vote his or her shares cumulatively for directors, other shareholders may also do so. All of the issued and outstanding shares of common stock are fully paid, validly issued and non-assessable.

Preferred Stock. The Company's certificate of incorporation authorizes 2,000,000 shares of "blank check" Preferred Stock. The Board of Directors has the authority, without further action by the holders of the outstanding shares of the Common Stock, to issue shares of Preferred Stock from time to time in one or more classes or series, to fix the number of shares constituting any class or series and the stated value thereof, if different from the par value, and to fix the terms of any such series or class, including dividend rights, dividend rates, conversion or exchange rights, voting rights, rights and terms of redemption (including sinking fund provisions), the redemption price and the liquidation preference of such class or series.

PerfectData Delaware

Edgar Filing: PERFECTDATA CORP - Form PRER14A

Following the reincorporation transaction, PerfectData Delaware's authorized capital stock will consist of 55,000,000 shares of common stock, \$0.01 par value per share, and 2,000,000 shares of "blank check" preferred stock, par value \$.01 per share.

Authorized Capital Stock. Subject to the rights of holders of preferred stock, if any, holders of shares of the PerfectData Delaware common stock are entitled to share equally on a per share basis in such dividends as may be declared by the PerfectData Delaware board of directors out of funds legally available therefor. There are presently no plans to pay dividends with respect to the shares of PerfectData Delaware common stock. Until an acquisition or merger candidate is selected and the transaction is consummated, the Board of Directors can only speculate if a dividend would be paid by the combined companies. Upon PerfectData Delaware's liquidation, dissolution or winding up, after payment of creditors and the holders of any of its senior securities, including preferred stock, if any, PerfectData Delaware's assets will be divided pro rata on a per share basis among the holders of the shares of its common stock. The PerfectData Delaware common stock is not subject to any liability for further assessments. There are no conversion or redemption privileges nor any sinking fund provisions with respect to the common stock and the common stock is not subject to call. The holders of common stock do not have any pre-emptive or other subscription rights.

Holders of shares of common stock are entitled to cast one vote for each share held at all stockholders' meetings for all purposes, including the election of directors. The common stock does not have cumulative voting rights.

All of the issued and outstanding shares of common stock are fully paid, validly issued and non-assessable.

Preferred Stock. PerfectData Delaware's certificate of incorporation authorizes 2,000,000 shares of "blank check" preferred stock. The PerfectData Delaware board of directors has the authority, without further action by the holders of the outstanding common stock, to issue shares of preferred stock from time to time in one or more classes or series, to fix the number of shares constituting any class or series and the stated value thereof, if different from the par value, and to fix the terms of any such series or class, including dividend rights, dividend rates, conversion or exchange rights, voting rights, rights and terms of redemption (including sinking fund provisions), the redemption price and the liquidation preference of such class or series.

DISSENTERS' RIGHTS

A shareholder of the Company shall have a right to receive payment for his, her or its shares of the Common Stock if (1) the shareholders approve, by consents, either or both of the two proposals as to which consent is requested, i.e., the proposed sale to Spray by the Company of its current business operations and the proposed reincorporation, (2) the shareholder dissents in the manner described under this caption and (3) the Company does not abandon the sale and/or the reincorporation, whichever is or are applicable.

Under the California General Corporation Law, any holder of the Common Stock has the right to dissent as to either proposal and to be paid the fair market value for his, her or its shares of the Common Stock. The fair market value will be determined as of the day before the first announcement of the proposed sale transaction (a press release was issued on October 8, 2003). The last reported sale price of the Common Stock on October 7, 2003 was \$1.05 per share; however, the quoted market price is not necessarily deemed to be the fair market value for purposes of dissenters' rights. In making such determination, the Company, the dissenting shareholders and, if applicable, a court are to exclude any appreciation or depreciation to the fair market value of the shares as a consequence of the proposed sale to Spray of its current business

Edgar Filing: PERFECTDATA CORP - Form PRER14A

operations or the then pending SuperCom transaction. An adjustment will be made for any stock split, reverse stock split or share dividend thereafter affected. No such transaction is currently contemplated.

If such shareholder is not able to reach an agreement with the Company as to the fair market value of his, her or its shares of the Common Stock, such shareholder has the right to have the fair market value of his, her or its shares of the Common Stock judicially determined, and paid to the shareholder in cash, together with interest in some instances, provided that the shareholder fully complies with the provisions of Sections 1300 through 1312 of the California General Corporation Law. A copy of these provisions is attached to this Consent Solicitation Statement as Appendix C.

Making sure that a shareholder actually perfects his, her or its dissenters' rights can be complicated. The procedural rules are specific and must be followed precisely. Failure to comply with the procedure may cause a termination or waiver of the dissenters' rights. The following information is intended as a brief summary of the material provisions of the statutory procedures a shareholder must follow in order to perfect his, her or its dissenters' rights. Shareholders who or which desire to dissent are urged to review Appendix C for the complete procedure. The Company will not give the dissenting shareholder any notice other than as described in this Consent Solicitation Statement and as required by the California General Corporation Law.

If you are a shareholder and you wish to exercise your dissenters' rights, you must satisfy the provisions of the California General Corporation Law attached as Appendix C which require the following:

You must refrain from consenting to the proposed sale to Spray and/or the proposed reincorporation. You may dissent as to either or as to both of the proposals as to which your consent is being sought. You must not vote (by consent) any of your shares of the Common Stock for approval of the proposal or proposals as to which you wish to dissent. If you consent with respect to any of your shares of the Common Stock in favor of that proposal or proposals, this will terminate your right to dissent. Your signing and returning the consent with a check of the Against or Abstain box or boxes, or your failure to return the consent, are both equivalent to a vote against for the purpose of preserving your dissenters' rights.

Written notice from the Company: Within ten days after the consents are given to approve either or both of the proposals, the Company must give written notice to you and each other shareholder who has fully complied with the conditions of the California General Corporation Law stating its determination as to the fair market value of the dissenting shares, forwarding copies of the relevant dissenters' rights sections of the California General Corporation Law and briefly describing the procedures which the dissenting shareholder must then follow if the dissenting shareholder desires to exercise his, her or its dissenters' rights. This constitutes an offer by the Company to pay that amount in full satisfaction of the dissenters' rights.

You must file a written notice of intention to demand to be paid the fair market value of your shares: You must deliver to the Company a written notice of intention to demand to be paid the fair market value of your shares within 30 days from the date of the notice from the Company described in the preceding subsection. Your failure to make such demand within the 30-day period results in the loss of your dissenters' right to be paid.

In your written notice of demand you must state the number of shares held of record as to which you request purchase by the Company. You may accept the Company's offer as to its determination of the fair market value of your shares. If you do, the Company will pay you within 30 days of your acceptance. If you do

Edgar Filing: PERFECTDATA CORP - Form PRER14A

not accept the Company's offer, you, as a dissenting shareholder, must state what you claim to be the fair market value of the dissenting shares as of the day preceding the first announcement of the proposed sale transaction. This statement of fair market value constitutes an offer by you to sell the shares at such price. Your written notice should also specify your name and mailing address.

A written notice of intention to demand to be paid the fair market value of your shares of the Common Stock is only effective if it is signed by, or for, the shareholder of record who owns such shares at the time the demand is made. The demand must be signed as the shareholder's name appears on the Common Stock certificate(s). If you are the beneficial owner of the Common Stock, but not the shareholder of record, you must have the shareholder of record sign a written notice of intention to demand to be paid the fair market value of your shares.

If you own the Common Stock in a fiduciary capacity, such as a trustee, guardian or custodian, you must disclose the fact that you are signing the notice of intention to demand to be paid the fair market value of your shares in that capacity.

If you own the Common Stock with more than one person, such as in a joint tenancy or a tenancy in common, all the owners must sign, or have signed for them by an authorized agent, the notice of intention to demand to be paid the fair market value of your shares. An authorized agent, which could include one or more of the joint owners, may sign the notice of intention to demand to be paid the fair market value of your shares for a shareholder of record; however, the agent must expressly disclose who the shareholder of record is and that the agent is signing the demand as that shareholder's agent.

If you are a record owner, such as a broker-dealer, which holds the Common Stock as a nominee for others, you may exercise a right to be paid the fair market value of your shares with respect to the shares held for one or more beneficial owners, while not exercising such right for other beneficial owners. In such a case, you should specify in the written notice of intention to demand the number of shares as to which you intend to demand appraisal. If you do not expressly specify the number of shares, we will assume that your written notice covers all the shares of the Common Stock that are registered in your name.

If you are a shareholder who intends to exercise dissenters' rights, you should mail or otherwise deliver a written notice of intention to demand to be paid the fair market value of your shares to:

PerfectData Corporation
1445 East Los Angeles Avenue
Suite 208
Simi Valley, California 93065
Attn: Irene J. Marino, Secretary

Surrender your stock certificate(s): Within 30 days after the notice by the Company is mailed, you must deliver your stock certificate(s) to the Company so that the Company may make a notation on the certificate(s) reflecting your demand. If you fail to submit your stock certificates(s) to the Company within this time frame, you will lose your right to be paid the fair market value of your shares.

You must continuously hold your shares: You must continuously hold your shares of the Common Stock from the date you file the notice of intention to demand to be paid the fair market value of your shares through at least the date you surrender your shares for endorsement after the notice by the Company as to approval of the transaction is sent to you.

Edgar Filing: PERFECTDATA CORP - Form PRER14A

Payment period: As noted above, each of the Company and you have made offers as to the fair market value of your dissenting shares. If you and the Company are able to agree on an amount, the Company is obligated to pay you that amount within 30 days after such determination, provided that you surrender, against payment, your certificate(s) for shares of the Common Stock for cancellation.

Commencement of Litigation: If you are not able to agree with the Company as to the fair value of your shares, then, within six months after notice of the approval of the sale to Spray was mailed to you, you may commence an action against the Company in the Superior Court of California for a determination of the fair market value of your shares.

You may, as an alternative, intervene in any pending action by another dissenting shareholder. The Company may move to consolidate all actions by dissenting shareholders.

Appraisal of shares: If the court determines that you are entitled to dissenters' rights, the court will determine the value of your shares of the Common Stock as of the day prior to the date of the first announcement of the transactions. To determine the fair value of the shares, the court will consider all relevant factors except for any appreciation or depreciation to the fair market value of the shares due to the anticipation or accomplishment of the sale to Spray of the Company's business or the then pending SuperCom transaction. The court may appoint an appraiser or appraisers to make the determination as to fair market value of your shares. After the court determines the fair value of the shares, it will direct the Company to pay that value to you. The court can also direct the Company to pay interest at the legal rate for judgments. In order to receive payment for your shares, you must then surrender your stock certificates to the Company.

The court could determine that the fair market value of our shares is more than, the same as, or less than the quoted market price on the day preceding the first announcement of the Spray transaction (i.e., \$1.05) or on the date of its decision. In other words, if you demand to be paid the fair market value of your shares, you could receive less consideration than if you elect to sell your shares in the over-the-counter market.

Costs and expenses of appraisal proceeding: The costs of the appraisal proceeding (including the cost of any appraiser) may be assessed against the Company and the shareholders participating in the appraisal proceeding in such manner as the court deems equitable under the circumstances. You may request that the court allocate the expenses of the appraisal action incurred by you pro rata against the value of all the shares held by all of the Company's shareholders entitled to dissenters' rights.

If the appraisal by the court exceeds the price offered by the Company by 125%, then the latter must pay the costs (including in the discretion of the court attorneys' fees, fees of expert witnesses and interest at legal rate of judgments for such dissenters' rights actions).

Loss of shareholder's rights: Until the fair market value of your dissenters' shares is determined, you continue to have all rights and privileges incident to such shares. You can, however, lose your dissenting shareholder status if you do not file an action, or intervene in another dissenting shareholder's action, within the statutory period or if you transfer your shares before they are endorsed as dissenters' shares. Additionally, a dissenting shareholder may not withdraw a demand for payment without the consent of the Company.

Solicitation

The solicitation of consents on the enclosed form of consents is made by and on behalf of the Board of Directors of the Company and the cost of this solicitation is being paid by the Company. In addition to the use of the mails, consents may be solicited personally, or by telephone or telegraph, by the officers or directors of the Company. The Company has not engaged, and has no intention to engage, any third party not affiliated with the Company to solicit consents.

Shareholder Proposals

The Company held its last Annual Meeting of Shareholders on December 6, 2002, delayed from the usual meeting date for the Company's fiscal year ended March 31, 2002 because of the then pending acquisition transaction with GraphCo. Normally the Board would have scheduled the meeting approximately 30 days after the audited financial statements for the fiscal year ended March 31, 2002 were made available for mailing to shareholders. The Board also delayed calling its Annual Meeting of Shareholders for the fiscal year ended March 31, 2003 in order to include approval of the SuperCom transaction in the proposals to be voted on by the Company's shareholders. See the section "Terminated Transactions" under the caption "Proposed Sale Transaction" elsewhere in this Consent Solicitation Statement for information as to both such transactions. In order to keep expenses at a minimum the Board currently intends to call the Annual Meeting of Shareholders for the fiscal year ending March 31, 2004 ("fiscal 2004") in September 2004 after the financial statements for fiscal 2004 are available for distribution to shareholders. Shareholders' proposals for inclusion in the Company's proxy statement for the Annual Meeting of Shareholders for fiscal 2004 must be received no later than a reasonable time before the Company prints and mails its proxy material for such Annual Meeting. If a shareholder intends to submit a proposal for consideration at such Annual Meeting by means other than the inclusion of the proposal in the Company's proxy statement for such Annual Meeting, the shareholder must notify the Company of such intention no later than a reasonable time before the Company prints and mails its proxy material for such Annual Meeting, or risk management exercising discretionary voting authority with respect to the management proxies to defeat such proposal when and if presented at such Annual Meeting. The Company currently anticipates mailing the proxy material for such Annual Meeting on or before Friday, August 20, 2004. The Company shall advise its shareholders of any change in the contemplated mailing date for its proxy material for the Annual Meeting of Shareholders for fiscal 2004 by notice in its earliest possible Quarterly Report on Form 10-QSB or by other appropriate notice.

2.1 Organization of the Seller. The Seller is a corporation duly incorporated, validly existing and in good standing under the laws of the State of California, with all requisite power and authority to own, lease and operate its properties and to carry on the Business as it is now being conducted. The Seller is qualified or licensed as a foreign entity in each jurisdiction in which it is required as a result of the conduct of the Business or location of the property owned, leased or operated by it in connection with the Business except where failure to be so qualified or licensed would not have a material adverse effect on the value of the Purchased Assets, taken as a whole (a "Material Adverse Effect").

2.2 Authorization of the Seller. The Seller has full power, capacity and authority to execute this Agreement and all other agreements and documents contemplated hereby. The execution and delivery of this Agreement and such other agreements and documents by the Seller and the consummation by the Seller of the transactions contemplated hereby have been duly authorized and no other action on the part of the Seller is necessary to authorize the transactions contemplated hereby. THE SELLER MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY NATURE WITH RESPECT TO THE PURCHASED ASSETS (EXCEPT AS EXPRESSLY SET FORTH IN ARTICLE II) OR THE FINANCIAL CONDITION OF THE BUSINESS, INCLUDING BUT NOT LIMITED TO THE LEVEL OF SALES, PROFITABILITY, INCOME OR FUTURE PROSPECTS. THE PURCHASER ACKNOWLEDGES THAT ANY FINANCIAL OR OPERATING INFORMATION RELATING TO THE SELLER'S OPERATION OF THE BUSINESS WAS PROVIDED SOLELY FOR INFORMATIONAL PURPOSES AND THAT THE SELLER HAS NO RESPONSIBILITY TO THE PURCHASER WITH RESPECT TO SUCH FINANCIAL OR OPERATING INFORMATION.

3.1 Corporate Existence. The Purchaser is a corporation duly organized, validly existing and in good standing under the laws of the state of its incorporation, with all requisite corporate power and authority to own, lease and operate its properties and to carry on its business as now being conducted. The Purchaser is qualified or licensed as a foreign corporation in each jurisdiction in which it is required as a result of the character of its business or location of the property owned, leased or operated by it in connection with its business except where failure to be so qualified or licensed would not have a material adverse effect on the Purchaser.

A-5

3.2 Authorization of Purchaser. The Purchaser has full corporate power, capacity and authority to execute this Agreement and all other agreements and documents contemplated hereby. The execution and delivery of this Agreement and such other agreements and documents by the Purchaser and the consummation by the Purchaser of the transactions contemplated hereby have been duly authorized and no other corporate action on the part of the Purchaser is necessary to authorize the transactions contemplated hereby. This Agreement has been duly executed and delivered by the Purchaser and constitutes the valid and binding obligation of the Purchaser, enforceable in accordance with its terms, except that (i) enforcement may be subject to bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally, and (ii) the remedies of specific performance and injunctive relief are subject to certain equitable defenses and to the discretion of the court before which any proceedings may be brought.

3.3 No Violations. The execution and delivery of this Agreement and the other agreements and documents contemplated hereby by the Purchaser and the consummation of the transactions contemplated hereby will not (i) violate any provision of the certificate of incorporation or bylaws of the Purchaser, (ii) violate any statute, rule, regulation, order or decree of any public body or

Edgar Filing: PERFECTDATA CORP - Form PRER14A

authority by which the Purchaser or its properties or assets are bound, or (iii) result in a violation or breach of, or constitute a default under or result in the creation of any Lien upon, or create any rights of termination, cancellation or acceleration in any person with respect to, any agreement, contract, indenture, mortgage or instrument to which the Purchaser is a party or any of its properties or assets is bound except (in the case of (ii) and (iii)) where any such violation, breach or default would not have a material adverse effect on the Purchaser.

3.4 Consents. No consent, approval or other authorization of any governmental authority or third party is required as a result of or in connection with the execution and delivery of (i) this Agreement and the other agreements and documents to be executed by the Purchaser in connection herewith or (ii) the consummation by the Purchaser of the transactions contemplated hereby, except for those that have been, or prior to the Closing will be, obtained.

4.3 Investigations. The Seller shall provide the Purchaser and its representatives and agents such access to the books and records of the Seller and furnish to the Purchaser such financial and operating data and other information with respect to the Purchased Assets as Purchaser may reasonably request from time to time. If the transactions provided for herein are not consummated, the provisions of the Confidentiality Agreement, dated as of May 30, 2003 between the Seller and the Purchaser shall be binding on the Purchaser as if such Confidentiality Agreement was entered into as of the date hereof. Notwithstanding the foregoing, the Purchaser acknowledges that it has conducted its due diligence with respect to the Seller the Business and the Purchased Assets and it may not terminate this Agreement based on further due diligence.

Edgar Filing: PERFECTDATA CORP - Form PRER14A

4.4 No Solicitation. 4.5 Public Announcements. Without the prior written consent of the other party hereto, neither party shall make any press release, public announcement or other disclosure to third parties including customers (other than disclosures to lenders and professional advisors who agree to keep such information confidential) with respect to the transactions contemplated by this Agreement, except as required by law, or pursuant to any securities laws or regulations.

5.3.1 Accuracy of Representations and Warranties and Compliance with Covenants. Each representation and warranty of the Purchaser contained in this Agreement shall be true and correct when made, and shall be true and correct in all material respects on and as of the Closing Date with the same effect as though such representation and warranty had been made on and as of the Closing Date. Each of the covenants and agreements herein on the part of the Purchaser to be complied with or performed on or before the Closing Date shall have been fully complied with and performed in all material respects. The Seller shall have received a certificate, dated the Closing Date, of the Purchaser to the foregoing effect.

5.5 Rights on Termination.

5.5.1 If this Agreement is terminated pursuant to Section 5.4 hereof, all further obligations of the parties under or pursuant to this Agreement shall, subject to Section 7.12 herein, terminate without further liability of either party to the other, except that (i) the Purchaser's obligations contained in Section 4.3 of this Agreement, (ii) the representations of the parties contained in Section 7.10 and (iii) the provisions of Section 7.11, shall all survive any such termination.

A-9

5.5.2 In the event that either party hereto terminates this Agreement for a reason other than as set forth in Section 5.4 herein, or refuses to or is unable to close the transaction contemplated herein other than as is permitted hereunder (such party being referred to herein as the "Non-Closing Party"), and such inability to close is not the fault of the other party, the Non-Closing Party shall pay a break-up fee to the other party in an amount equal to One Hundred Thousand (\$100,000) Dollars in cash.

5.6 Management.

5.6.1 If this Agreement is not terminated pursuant to Section 5.4 herein, the Purchaser shall, beginning November 1, 2003, act as the manager for the fulfillment of orders from the Seller's customers. In connection therewith, the Purchaser shall manufacture or otherwise obtain all finished goods required by the Seller's customers and package such items for shipment to the Seller's customers in accordance with each purchase order. In order to facilitate such fulfillment obligations, the Seller shall, prior to October 31, 2003, deliver all its finished goods and certain of its equipment and other fixed assets used in connection with the operation of the Business, to a pre-designated warehouse (the "Facility") of the Purchaser.

5.6.2 As compensation for the Purchaser's services under this management arrangement, the Purchaser shall be entitled to a fee (the "Fee") equal to seven and one-half (7.5%) percent of the "Net Sales" of all products sold to the Seller's customers. For purposes of this Section 5.6, "Net Sales" shall mean the gross invoice price of each product less all (i) commissions payable in connection with the sale of such products and (ii) rebates given by the Seller to its customers in the ordinary course of Seller's business. The Fee shall be payable on a monthly basis within thirty (30) days after the end of the following month in which payment was received by the Seller for such product.

5.6.3 In connection with the services to be provided under this management arrangement by the Purchaser, (a) the Seller agrees to: (i) maintain adequate facilities to process orders and invoices; and (ii) deliver to the Purchaser in a timely manner all customer orders and (b) the Purchaser (i) agrees to timely fulfill and ship all customer orders and (ii) shall be responsible for all payments with respect to the transport of inventory from the Facility to the customers.

5.6.4 Notwithstanding anything contained herein to the contrary, the

Edgar Filing: PERFECTDATA CORP - Form PRER14A

Seller has the right to reject any customer orders if the Seller, in its sole discretion, deems the profit margins on such purchase orders to be inadequate.

5.6.5 The obligations of each of the parties under this Section 5.6 shall survive until the earlier of the Closing or the termination of this Agreement.

5.6.6 Upon the termination of this Agreement, in addition to all rights and remedies under this Agreement, the Purchaser shall be required to fulfill all existing customer orders sent by the Seller and shall immediately return all unsold inventory of the Seller to the Seller.

ARTICLE 6 INDEMNIFICATION

6.1 Purchaser's Losses.

6.1.1 The Seller shall indemnify and hold harmless the Purchaser, its directors, officers, employees, representatives, agents, and attorneys ("Purchaser Indemnified Parties") from, against and in respect of any and all Purchaser's Losses (as defined below) suffered, sustained, incurred or required to be paid by any of them by reason of (i) any representation or warranty made by the Seller in or pursuant to this Agreement being untrue or incorrect in any material respect; or (ii) any failure by the Seller to observe or perform its covenants and agreements set forth in this Agreement or any other agreement or document executed by the Seller in connection with the transactions contemplated hereby; except in any instance to the extent the Purchaser's Losses results from a Purchaser Indemnified Party's own negligence or willful misconduct.

6.1.2 "Purchaser's Losses" shall mean all damages, including, without limitation, subject to Section 6.2.3 amounts paid in settlement with the Seller's consent, which consent may not be unreasonably withheld, losses, obligations, liabilities, liens, deficiencies, costs (including, without limitation, reasonable attorneys' fees), taxes, penalties, fines, interest, monetary sanctions and expenses, including, without limitation, reasonable attorneys' fees and costs incurred to comply with injunctions and other court and agency orders, and other costs and expenses incident to any suit, action, investigation, claim or proceeding or to establish or enforce a Purchaser Indemnified Party's right to indemnification hereunder. The Seller shall not have any obligation under Section 6.1 to indemnify the Purchaser Indemnified Parties with respect to (i) Purchaser's Losses until the aggregate combined total of all such Purchaser's Losses incurred by the Purchaser Indemnified Parties exceeds \$25,000, whereupon the Purchaser Indemnified Parties shall be entitled to indemnification with respect to the full amount of Purchaser's Losses determined without regard to such limitation, and (ii) aggregate Purchaser's Losses in excess of the amount of the Purchase Price actually paid to the Seller.

6.2 Seller's Losses.

6.2.1 The Purchaser shall indemnify and hold harmless the Seller and its officers, directors, employees, representatives, agents, and attorneys ("Seller Indemnified Parties") from, against and in respect of any and all Seller's Losses (as defined below) suffered, sustained, incurred or required to be paid by any of them, by reason of (i) any representation or warranty made by the Purchaser in or pursuant to this Agreement being untrue or incorrect in any material respect, or (ii) any failure by the Purchaser to observe or perform its covenants and agreements set forth in this Agreement or any other agreement or document executed by it in connection with the transactions contemplated hereby

Edgar Filing: PERFECTDATA CORP - Form PRER14A

including a failure to pay an Assumed Liability, except in any instance to the extent the Seller's Losses results from a Seller Indemnified Party's own negligence or willful misconduct.

A-11

6.2.2 "Seller's Losses" shall mean all damages, including, without limitation, subject to Section 6.2.3 amounts paid in settlement with the Purchaser's consent, which consent may not be unreasonably withheld, losses, obligations, liabilities, liens, deficiencies, costs (including, without limitation, reasonable attorneys' fees), taxes, penalties, fines, interest, monetary sanctions and expenses, including, without limitation, reasonable attorneys' fees and costs incurred to comply with injunctions and other court and agency orders, and other costs and expenses incident to any suit, action, investigation, claim or proceeding or to establish or enforce a Seller Indemnified Party's right to indemnification hereunder. The Purchaser shall not have any obligation under Section 6.2 to indemnify the Seller Indemnified Parties with respect to Seller's Losses until the aggregate combined total of all such Seller's Losses incurred by the Seller Indemnified Parties exceeds \$25,000, whereupon the Seller Indemnified Parties shall be entitled to indemnification with respect to the full amount of Seller's Losses determined without regard to such limitation, provided, however, that this limitation shall not apply to a failure to pay Purchase Price or a failure to pay an Assumed Liability.

6.2.3 Claims Procedure. Whenever a Purchaser's Loss or Seller's Loss subject to the indemnity provisions in this Article VI shall arise (a "Claim"), the party entitled to indemnity (the "Indemnified Party") shall promptly notify the party obligated to provide indemnity (the "Indemnifying Party") of such Claim and, when known, the facts constituting the basis of such Claim, provided, however, that in the event of a claim resulting from or in connection with any Claim by a third party, the Indemnified Party shall use its diligent efforts to give notice no later than ten (10) days prior to the time any response to the asserted Claim is required. In the event of a Claim resulting from or in connection with a Claim by a third party, the Indemnifying Party may, at its sole cost and expense, assume the defense thereof. If an Indemnifying Party assumes the defense of the Claim, the Indemnifying Party shall be entitled to select counsel and take all steps necessary in the defense thereof and shall have the right to effect a settlement of the Claim. The Indemnified Party shall have the right, but not the obligation, to participate at its own expense in the defense thereof by counsel of its own choice. In the event that the Indemnifying Party fails to timely defend, contest or otherwise protect against any such Claim, the Indemnified Party shall have the right to defend, contest or otherwise protect against the same and may make any compromise or settlement thereof and recover from the Indemnifying Party the entire cost thereof, including, without limitation, reasonable attorneys' fees, disbursements and all amounts paid as a result of such Claim or compromise or settlement thereof.

ARTICLE 7 MISCELLANEOUS

7.1 Further Assurances. If, at any time after the Closing, either party shall reasonably consider or be advised that any further assignments, conveyances, certificates, filings, instruments or documents or any other things are necessary or desirable to vest, perfect or confirm in the Purchaser title to the Purchased Assets or to consummate any of the transactions contemplated by this Agreement, the other party shall, upon request, promptly execute and deliver all such assignments, certificates, filings, instruments and documents and do all things reasonably necessary and proper to vest, perfect or confirm title in the Purchaser and to otherwise carry out the purposes of this Agreement.

No supplement, modification, or amendment of this Agreement shall be binding unless executed in writing by all of the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.

7.7 Schedules and Exhibits. All exhibits and schedules annexed hereto are expressly made a part of this Agreement as though fully set forth herein and all references to this Agreement herein or in any such exhibits or schedules shall refer to and include all such exhibits and schedules.

7.8 Notices. Appendix C

CALIFORNIA GENERAL CORPORATION LAW SECTIONS 1300-1312

1300.

(a) If the approval of the outstanding shares (Section 152) of a corporation is required for a reorganization under subdivisions (a) and (b) or subdivision (e) or (f) of Section 1201, each shareholder of the corporation entitled to vote on the transaction and each shareholder of a subsidiary corporation in a short-form merger may, by complying with this chapter, require the corporation in which the shareholder holds shares to purchase for cash at their fair market value the shares owned by the shareholder which are dissenting shares as defined in subdivision (b). The fair market value shall be determined as of the day before the first announcement of the terms of the proposed reorganization or short-form merger, excluding any appreciation or depreciation in consequence of the proposed action, but adjusted for any stock split, reverse stock split, or share dividend which becomes effective thereafter.

(b) As used in this chapter, "dissenting shares" means shares which come within all of the following descriptions:

(1) Which were not immediately prior to the reorganization or short-form merger either (A) listed on any national securities exchange certified by the Commissioner of Corporations under subdivision (o) of Section 25100 or (B) listed on the National Market System of the NASDAQ Stock Market, and the notice of meeting of shareholders to act upon the reorganization summarizes this section and Sections 1301, 1302, 1303 and 1304; provided, however, that this provision does not apply to any shares with respect to which there exists any restriction on transfer imposed by the corporation or by any law or regulation; and provided, further, that this provision does not apply to any class of shares described in subparagraph (A) or (B) if demands for payment are filed with respect to 5 percent or more of the outstanding shares of that class.

(2) Which were outstanding on the date for the determination of shareholders entitled to vote on the reorganization and (A) were not voted in favor of the reorganization or, (B) if described in subparagraph (A) or (B) of paragraph (1) (without regard to the provisos in that paragraph), were voted against the reorganization, or which were held of record on the effective date of a short-form merger; provided, however, that subparagraph (A) rather than subparagraph (B) of this paragraph applies in any case where the approval required by Section 1201 is sought by written consent rather than at a meeting.

(3) Which the dissenting shareholder has demanded that the corporation purchase at their fair market value, in accordance with Section 1301.

(4) Which the dissenting shareholder has submitted for endorsement, in accordance with Section 1302.

(c) As used in this chapter, "dissenting shareholder" means the recordholder of dissenting shares and includes a transferee of record.

C-1

Edgar Filing: PERFECTDATA CORP - Form PRER14A

1301.

(a) If, in the case of a reorganization, any shareholders of a corporation have a right under Section 1300, subject to compliance with paragraphs (3) and (4) of subdivision (b) thereof, to require the corporation to purchase their shares for cash, such corporation shall mail to each such shareholder a notice of the approval of the reorganization by its outstanding shares (Section 152) within 10 days after the date of such approval, accompanied by a copy of Sections 1300, 1302, 1303, 1304 and this section, a statement of the price determined by the corporation to represent the fair market value of the dissenting shares, and a brief description of the procedure to be followed if the shareholder desires to exercise the shareholder's right under such sections. The statement of price constitutes an offer by the corporation to purchase at the price stated any dissenting shares as defined in subdivision (b) of Section 1300, unless they lose their status as dissenting shares under Section 1309.

(b) Any shareholder who has a right to require the corporation to purchase the shareholder's shares for cash under Section 1300, subject to compliance with paragraphs (3) and (4) of subdivision D-1 (b) thereof, and who desires the corporation to purchase such shares shall make written demand upon the corporation for the purchase of such shares and payment to the shareholder in cash of their fair market value. The demand is not effective for any purpose unless it is received by the corporation or any transfer agent thereof. (1) in the case of shares described in clause (i) or (ii) of paragraph (1) of subdivision (b) of Section 1300 (without regard to the provisos in that paragraph), not later than the date of the shareholders' meeting to vote upon the reorganization, or (2) in any other case within 30 days after the date on which the notice of the approval by the outstanding shares pursuant to subdivision (a) or the notice pursuant to subdivision (i) of Section 1110 was mailed to the shareholder.

(c) The demand shall state the number and class of the shares held of record by the shareholder which the shareholder demands that the corporation purchase and shall contain a statement of what such shareholder claims to be the fair market value of those shares as of the day before the announcement of the proposed reorganization or short-form merger. The statement of fair market value constitutes an offer by the shareholder to sell the shares at such price.

1302.

Within 30 days after the date on which notice of the approval by the outstanding shares or the notice pursuant to subdivision (i) of Section 1110 was mailed to the shareholder, the shareholder shall submit to the corporation at its principal office or at the office of any transfer agent thereof,

(a) if the shares are certificated securities, the shareholder's certificates representing any shares which the shareholder demands that the corporation purchase, to be stamped or endorsed with a statement that the shares are dissenting shares or to be exchanged for certificates of appropriate denomination so stamped or endorsed or

C-2

(b) if the shares are uncertificated securities, written notice of the number of shares which the shareholder demands that the corporation purchase. Upon subsequent transfers of the dissenting shares on the books of the corporation, the new certificates, initial transaction statement, and other written statements issued therefor shall bear a like statement, together with

Edgar Filing: PERFECTDATA CORP - Form PRER14A

the name of the original dissenting holder of the shares.

1303.

(a) If the corporation and the shareholder agree that the shares are dissenting shares and agree upon the price of the shares, the dissenting shareholder is entitled to the agreed price with interest thereon at the legal rate on judgments from the date of the agreement. Any agreements fixing the fair market value of any dissenting shares as between the corporation and the holders thereof shall be filed with the secretary of the corporation.

(b) Subject to the provisions of Section 1306, payment of the fair market value of dissenting shares shall be made within 30 days after the amount thereof has been agreed or within 30 days after any statutory or contractual conditions to the reorganization are satisfied, whichever is later, and in the case of certificated securities, subject to surrender of the certificates therefor, unless provided otherwise by agreement.

1304.

(a) If the corporation denies that the shares are dissenting shares, or the corporation and the shareholder fail to agree upon the fair market value of the shares, then the shareholder demanding purchase of such shares as dissenting shares or any interested corporation, within six months after the date on which notice of the approval by the outstanding shares (Section 152) or notice pursuant to subdivision (i) of Section 1110 was mailed to the shareholder, but not thereafter, may file a complaint in the superior court of the proper county praying the court to determine whether the shares are dissenting shares or the fair market value of the dissenting shares or both or may intervene in any action pending on such a complaint.

(b) Two or more dissenting shareholders may join as plaintiffs or be joined as defendants in any such action and two or more such actions may be consolidated. (c) On the trial of the action, the court shall determine the issues. If the status of the shares as dissenting shares is in issue, the court shall first determine that issue. If the fair market value of the dissenting shares is in issue, the court shall determine, or shall appoint one or more impartial appraisers to determine, the fair market value of the shares.

1305.

(a) If the court appoints an appraiser or appraisers, they shall proceed forthwith to determine the fair market value per share. Within the time fixed by the court, the appraisers, or a majority of them, shall make and file a report in the office of the clerk of the court. Thereupon, on the motion of any party, the report shall be submitted to the court and considered on such evidence as the court considers relevant. If the court finds the report reasonable, the court may confirm it.

C-3

(b) If a majority of the appraisers appointed fail to make and file a report within 10 days from the date of their appointment or within such further time as may be allowed by the court or the report is not confirmed by the court, the court shall determine the fair market value of the dissenting shares.

(c) Subject to the provisions of Section 1306, judgment shall be rendered against the corporation for payment of an amount equal to the fair market value of each dissenting share multiplied by the number of dissenting shares which any dissenting shareholder who is a party, or who has intervened, is entitled to require the corporation to purchase, with interest thereon at the

Edgar Filing: PERFECTDATA CORP - Form PRER14A

legal rate from the date on which judgment was entered.

(d) Any such judgment shall be payable forthwith with respect to uncertificated securities and, with respect to certificated securities, only upon the endorsement and delivery to the corporation of the certificates for the shares described in the judgment. Any party may appeal from the judgment.

(e) The costs of the action, including reasonable compensation to the appraisers to be fixed by the court, shall be assessed or apportioned as the court considers equitable, but, if the appraisal exceeds the price offered by the corporation, the corporation shall pay the costs (including in the discretion of the court attorneys' fees, fees of expert witnesses and interest at the legal rate on judgments from the date of compliance with Sections 1300, 1301 and 1302 if the value awarded by the court for the shares is more than 125 percent of the price offered by the corporation under subdivision (a) of Section 1301).

1306.

To the extent that the provisions of Chapter 5 prevent the payment to any holders of dissenting shares of their fair market value, they shall become creditors of the corporation for the amount thereof together with interest at the legal rate on judgments until the date of payment, but subordinate to all other creditors in any liquidation proceeding, such debt to be payable when permissible under the provisions of Chapter 5.

1307.

Cash dividends declared and paid by the corporation upon the dissenting shares after the date of approval of the reorganization by the outstanding shares (Section 152) and prior to payment for the shares by the corporation shall be credited against the total amount to be paid by the corporation therefor.

1308.

Except as expressly limited in this chapter, holders of dissenting shares continue to have all the rights and privileges incident to their shares, until the fair market value of their shares is agreed upon or determined. A dissenting shareholder may not withdraw a demand for payment unless the corporation consents thereto.

1309.

Dissenting shares lose their status as dissenting shares and the holders thereof cease to be dissenting shareholders and cease to be entitled to require the corporation to purchase their shares upon the happening of any of the following:

(a) The corporation abandons the reorganization. Upon abandonment of the reorganization, the corporation shall pay on demand to any dissenting shareholder who has initiated proceedings in good faith under this chapter all necessary expenses incurred in such proceedings and reasonable attorneys' fees.

(b) The shares are transferred prior to their submission for endorsement in accordance with Section 1302 or are surrendered for conversion into shares of another class in accordance with the articles.

(c) The dissenting shareholder and the corporation do not agree upon the status of the shares as dissenting shares or upon the purchase price of the shares, and neither files a complaint or intervenes in a pending action as provided in Section 1304, within six months after the date on which notice of

Edgar Filing: PERFECTDATA CORP - Form PRER14A

the approval by the outstanding shares or notice pursuant to subdivision (i) of Section 1110 was mailed to the shareholder.

(d) The dissenting shareholder, with the consent of the corporation, withdraws the shareholder's demand for purchase of the dissenting shares.

1310.

If litigation is instituted to test the sufficiency or regularity of the votes of the shareholders in authorizing a reorganization, any proceedings under Sections 1304 and 1305 shall be suspended until final determination of such litigation.

1311.

This chapter, except Section 1312, does not apply to classes of shares whose terms and provisions specifically set forth the amount to be paid in respect to such shares in the event of a reorganization or merger.

1312.

(a) No shareholder of a corporation who has a right under this chapter to demand payment of cash for the shares held by the shareholder shall have any right at law or in equity to attack the validity of the reorganization or short-form merger, or to have the reorganization or short-form merger set aside or rescinded, except in an action to test whether the number of shares required to authorize or approve the reorganization have been legally voted in favor thereof; but any holder of shares of a class whose terms and provisions specifically set forth the amount to be paid in respect to them in the event of a reorganization or short-form merger is entitled to payment in accordance with those terms and provisions or, if the principal terms of the reorganization are approved pursuant to subdivision (b) of Section 1202, is entitled to payment in accordance with the terms and provisions of the approved reorganization.

(b) If one of the parties to a reorganization or short-form merger is directly or indirectly controlled by, or under common control with, another party to the reorganization or short-form merger, subdivision (a) shall not apply to any shareholder of such party who has not demanded payment of cash for such shareholder's shares pursuant to this chapter; but if the shareholder institutes any action to attack the validity of the reorganization or short-form merger or to have the reorganization or short-form merger set aside or rescinded, the shareholder shall not thereafter have any right to demand payment of cash for the shareholder's shares pursuant to this chapter. The court in any action attacking the validity of the reorganization or short-form merger or to have the reorganization or short-form merger set aside or rescinded shall not restrain or enjoin the consummation of the transaction except upon 10 days' prior notice to the corporation and upon a determination by the court that clearly no other remedy will adequately protect the complaining shareholder or the class of shareholders of which such shareholder is a member.

(c) If one of the parties to a reorganization or short-form merger is directly or indirectly controlled by, or under common control with, another party to the reorganization or short-form merger, in any action to attack the validity of the reorganization or short-form merger or to have the reorganization or short-form merger set aside or rescinded, (1) a party to a reorganization or short-form merger which controls another party to the reorganization or short-form merger shall have the burden of proving that the transaction is just and reasonable as to the shareholders of the controlled party, and (2) a person who controls two or more parties to a reorganization shall have the burden of proving that the transaction is just and reasonable as to the shareholders of any party so controlled.

PERFECTDATA CORPORATION
Notes to Financial Statements

1. All adjustments included in the financial statements in this Report are of a normal recurring nature and are necessary to present fairly the Company's financial position as of December 31, 2003 and the results of its operations and cash flows for the nine months ended December 31, 2003 and 2002. Results of

Edgar Filing: PERFECTDATA CORP - Form PRER14A

operations for the interim periods are not necessarily indicative of results of operations for a full year due to external factors that are beyond the control of the Company. This Report should be read in conjunction with the Company's Annual Report on Form 10-KSB for the fiscal year ended March 31, 2003 ("Annual Report 2003").

As previously reported, on October 3, 2003, the Company entered into an Asset Purchase Agreement (the "APA") with Spray Products Corporation ("Spray"), pursuant to which the Company agreed to sell to Spray (or a Spray affiliate) substantially all of the operating assets of the Company for a price equal to the sum of the value of the inventory, collectible accounts receivable and \$100,000, less the amount of trade payables which are being assumed by Spray.

Since November 1, 2003, Spray has, pursuant to the APA, been acting as a manager for the fulfillment of orders from the Company's customers. As compensation for Spray's services, Spray is receiving a fee of 7 1/2% of net sales. As a result of the management arrangement with Spray, the Company has moved to smaller facilities and reduced its staff, thereby reducing its ongoing overhead expenses. As an example, the Company expects to save approximately \$11,000 per month in rent and related facility costs.

The Board of Directors, after consultation with certain major shareholders, had elected in June 2003, to sell the operating business assets of the Company because, despite efforts by the Company during the prior fiscal years which had increased sales and reduced expenses, the Company continues to operate at a loss, thereby diluting the Company's cash, which is its major asset. The Board concluded that a sale or liquidation of the operating assets was in the best interests of the Company and its shareholders even if no acquisition or merger (including the then pending transaction with SuperCom) was effected.

The Company will seek shareholders' approval, by consents in lieu of holding a meeting, to permit the sale of its operating assets to Spray. At such time as the Company has obtained formal approval of its shareholders to permit the sale to Spray, the Company will have no operations and will thereafter receive no revenues until an acquisition or merger is effected.

As previously reported, on July 2, 2003, the Company entered into the Merger Agreement and related agreements with SuperCom, an Israeli corporation, culminating the negotiations which had begun in April 2003. SuperCom is engaged in the research, development and marketing of advanced technologies and products for government secured ID projects and smart card production technology. On January 20, 2004, the Company reported that the Merger Agreement had terminated.

The Board of Directors of the Company does not intend to liquidate the Company, but instead, with the Company having cash or cash equivalents currently in excess of \$1,500,000, the Board intends to continue its search for a suitable merger or acquisition candidate. Even though the Company will have no operations, the company believes its listing is valuable and therefore makes it a viable merger candidate. During the past three fiscal years, the Company had been seeking acquisitions which have not been related to its current business. The Board was of the opinion that profitability on a continuous basis would not be achieved absent an acquisition of a new business or businesses and/or new products. However, the Board can not determine when any such acquisition will be consummated, if at all. During recent years, three potential acquisitions (including SuperCom) were actively pursued; however, all terminated for different reasons and the Company incurred expenses in connection therewith.

No adjustments have been made to the financial statements as a result of these uncertainties.

2. Inventories

Edgar Filing: PERFECTDATA CORP - Form PRER14A

Pursuant to the APA, the Company transferred its inventory on hand at October 31, 2003 to Spray. Pursuant to this agreement, Spray will pay the Company for the inventory at the time of the close of the transaction. The Company reclassified its inventory, with a net book value of \$28,000, to other current assets.

4. Income taxes

At December 31, 2003, the Company had net operating loss (NOL) carryforwards of approximately \$5,381,598 for federal income tax purposes expiring in varying amounts through 2023. The NOL carryforwards, which are available to offset future profits of the Company and are subject to limitations should a "change in ownership" as defined in the Internal Revenue Code occur, will begin to expire in 2009 if not utilized. Additionally, the Company has general business tax credit carryforwards of \$12,000 which will begin to expire in 2006.

SFAS 109 requires that the tax benefit of such NOLs and other deferred tax assets be recorded as an asset using current tax rates to the extent management assesses the utilization of such NOLs and other assets to be more likely than not. Management has determined that future taxable income of the Company will likely not be sufficient to realize the recorded deferred tax asset of \$2,034,270. As such, the Company has recorded a valuation allowance of \$2,034,270.

5. Loss Per Common Share

Basic net loss per share is based on the weighted average number of shares outstanding during each of the respective periods. Diluted net loss per share includes the dilutive impact of all Common Stock equivalents such as options and warrants to purchase the Company's Common Stock. During the respective periods, the impact of the Common Stock equivalents, such as stock options, was

Edgar Filing: PERFECTDATA CORP - Form PRER14A

antidilutive; therefore, they have been excluded from the calculation of diluted loss per share.

6. Shareholders' Equity

On July 31, 2003, the Company issued 50,000 shares of the Company's Common Stock to the Chairman of the Audit Committee as compensation for his services over the past three years. During the quarter ended June 30, 2003, the Company had recorded compensation expense of \$51,500 for the shares.

7. Stock-Based Compensation

The Company has adopted the disclosure provisions of SFAS No. 148, Accounting for Stock-Based Compensation - Transition and Disclosure. Due to the reduction of the exercise price of fixed stock options through the cancellation of stock option awards and the granting of replacement awards, per FIN No. 44, Accounting for Certain Transactions Involving Stock Compensation, the Company has adopted variable accounting for the replacement awards, per FIN No. 28, Accounting for Stock Appreciation Rights and Other Variable Stock Option or Award Plans.

D-6

The Company applies APB Option No. 25 in accounting for its employees and director stock option plans. Had the Company determined compensation cost based on the fair value at the grant date for its stock options under SFAS No. 123 and SFAS No. 148, the Company's net loss would have been increased to the pro forma amounts indicated below. The fair value of these options was estimated at the date of grant using a Black-Scholes option-pricing model, assuming a risk-free interest rate of 4.57% - 6.26%, a ten-year term, 50% volatility, and \$0 expected dividend rate.

On January 20, 2004, the Company announced that the Agreement and Plan of Merger and Reorganization dated as of July 2, 2003 (the "Merger Agreement") by

Edgar Filing: PERFECTDATA CORP - Form PRER14A

and between the Company and SuperCom Ltd. ("SuperCom") and related agreements had terminated.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Proposed Sale of Current Business Operations

As previously reported, on October 3, 2003, the Company entered into an Asset Purchase Agreement (the "APA") with Spray Products Corporation ("Spray"), pursuant to which the Company agreed to sell to Spray (or a Spray affiliate) substantially all of the operating assets of the Company for a price equal to the sum of the value of the inventory, collectible accounts receivable and \$100,000, less the amount of trade payables which are being assumed by Spray.

Since November 1, 2003, Spray has, pursuant to the APA, been acting as a manager for the fulfillment of orders from the Company's customers. As compensation for Spray's services, Spray is receiving a fee of 7 1/2% of net sales. The Board concluded that a sale or liquidation of the operating assets was in the best interests of the Company and its shareholders even if no acquisition or merger (including the then pending transaction with SuperCom) was effected.

The Company will seek shareholders' approval, by consents in lieu of holding a meeting, to permit the sale of its operating assets to Spray.

At such time as the Company has obtained formal approval of its shareholders to permit the sale to Spray, the Company will have no operations and will thereafter receive no revenues until an acquisition or merger is effected.

Efforts to Seek Another Merger or Acquisition Candidates

As previously reported, on July 2, 2003, the Company entered into the Merger Agreement and related agreements with SuperCom, an Israeli corporation, culminating the negotiations which had begun in April 2003. SuperCom is engaged in the research, development and marketing of advanced technologies and products for government secured ID projects and smart card production technology. On January 20, 2004, the Company reported that the Merger Agreement had terminated.

The Board of Directors of the Company does not intend to liquidate the Company, but instead, with the Company having cash or cash equivalents currently in excess of \$1,500,000, the Board intends to continue its search for a suitable merger or acquisition candidate. Even though the Company will have no operations, the Company believes its listing is valuable and therefore makes it a viable merger candidate. During recent years, three potential acquisitions (including SuperCom) were actively pursued; however, all terminated for different reasons and the Company incurred expenses in connection therewith.

Edgar Filing: PERFECTDATA CORP - Form PRER14A

Critical Accounting Policies

Management believes that the following discussion addresses the Company's most critical accounting policy, which is most important to the portrayal of the Company's financial condition and results, and requires the most difficult, subjective and complex judgments, often as a result of the need to make estimates about the effect of matters that are inherently uncertain. Prior to November 1, 2003, the date on which Spray assumed responsibility for fulfillment of customer orders, management also included a discussion of its evaluation of inventory as a critical accounting policy on an on-going basis.

Allowance for Doubtful Accounts:

The Company evaluates the collectibility of its accounts receivable and provides an allowance for estimated losses that may result from customers' inability to pay. The amount of the reserve is determined by analyzing known uncollectible accounts, aged receivables and customers' credit-worthiness. Amounts later determined and specifically identified to be uncollectible are written off against the allowance.

Results of Operations

Net sales for the third fiscal quarter ended December 31, 2003 ("current quarter") increased \$136,000, or 27%, to \$636,000 from net sales of \$500,000 in the year-earlier period. Net sales for the nine months ended December 31, 2003 ("current nine-month period") increased \$515,000, or 33%, to \$2,069,000 from net sales of \$1,554,000 in the year-earlier period. The increased sales were a result of an increase in sales volume with the Company's existing customers. Spray's management of the operations, as described under the caption "Proposed Sale of Current Business Operations" in this Item 2, had no effect on the increased sales in the current quarter.

Cost of Goods Sold ("Costs") as a percentage of net sales for the current quarter and current nine-month period was 66% and 65% respectively, as compared to 65% in each of the respective year-earlier periods. The increase in Costs primarily related to the interim management fee for Spray.

Selling, General and Administrative Expenses ("Expenses") for the current quarter were \$431,000 as compared to \$310,000 in the year-earlier period. Expenses for the current nine-month period were \$1,201,000 as compared to \$1,066,000 in the year-earlier period. The increase in Expenses in the current quarter directly relates to costs associated with the SuperCom transaction, as well as severance pay and related taxes paid to employees whose employment was terminated when the Company transferred its order fulfillment to Spray. Expenses in both the current nine-month period and the year-earlier period have been impacted by the efforts to seek a strategic acquisition. An aggregate of \$226,000 in Expenses relating to the SuperCom transaction were incurred in the current nine-month period and an aggregate of \$115,000 in Expenses relating to an aborted transaction were incurred in the year-earlier period. In addition, the Company recorded in the current nine-month period a compensation expense of \$51,500 related to the 50,000 shares of the Company's Common Stock issued to the Chairman of the Audit Committee for his services as such.

Other Income for the current quarter was primarily dividend income of \$4,000 as compared to dividend income of \$9,000 in the year-earlier period. Other Income for the current nine-month period was primarily dividend income of \$15,000 as compared to dividend income of \$33,000 in the year-earlier period.

The increased net loss in the current quarter directly related to the increased Expenses, as described above. The decreased net loss in the current nine-month period directly related to the increased sales.

Liquidity and Capital Resources

The Company's cash and cash equivalents decreased \$67,000 from \$2,173,000 at March 31, 2003 to \$2,106,000 at December 31, 2003. The decrease in cash during the current nine-month period resulted from cash used in operating activities of \$67,000, which was primarily the result of the net loss of \$471,000 partially offset by a decrease in inventories and accounts receivable and an increase in accounts payable and accrued expenses.

As a result of the continuing negative cash flows from operations, the Company is dependent on the proceeds from its March 2000 private placement in order to meet its payable requirements. On March 31, 2000, certain investors (including two of the current directors) purchased from the Company an aggregate of 1,333,333 shares of the Common Stock at \$2.25 per share or an aggregate purchase price of \$2,999,999.25. The net proceeds approximated \$2,895,000. Because all of such funds were not required for operations, the funds deemed excess were invested in a working capital management account with Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch"). As reported in Note 2 to the Financial Statements in the Annual Report, as of March 31, 2003, the Company had approximately \$2,173,000 of cash equivalents in two financial institutions, which exposes the Company to a concentration of credit risk. The Company had, as of that date, approximately \$2,138,000 invested in highly liquid money market instruments with Merrill Lynch, which are not federally insured. The remaining \$35,000 was deposited at a bank, which is federally insured up to \$100,000. As of December 31, 2003, the Company had \$1,886,700 in its Merrill Lynch account, which exposes the Company to the same concentration of credit risk as described in the Annual Report.

The Company believes that, as a result of the cash described in the preceding paragraph and assuming consummation of the proposed sale of business operations to Spray, the Company's working capital is adequate to fund its operations and its requirements for the balance of the fiscal year ending March 31, 2004 and for the fiscal year ending March 31, 2005 ("fiscal 2005"). In the event, which in the opinion of management is deemed unlikely, that the sale to Spray is not consummated, the Board believes that the Company would either continue to operate the business for a short period while seeking another buyer or, more likely, would liquidate its operations in an orderly fashion. In either event, the Company believes it has adequate working capital to continue to operate for fiscal 2005 while seeking a suitable merger and acquisition candidate.

Recent Accounting Pronouncements

In June 2002, the FASB issued SFAS No. 146, Accounting for Costs Associated with Exit or Disposal Activities. SFAS No. 146 addresses financial accounting and reporting for costs associated with exit or disposal activities and nullifies Emerging Issues Task Force (EITF) Issue 94-3, Liability Recognition for Certain Employee Termination Benefits and Other Costs to Exit an Activity. The provisions of this Statement are effective for exit or disposal activities that are initiated after December 31, 2002, with early application encouraged. The adoption of SFAS No. 146 is not expected to have a material effect on the Company's financial statements.

Forward-Looking and Cautionary Statements

With the exception of historical information, the matters discussed in this Management's Discussion and Analysis of Financial Condition and Results of Operations include certain forward-looking statements that involve risks and uncertainties. The Company is hereby identifying information that is

Edgar Filing: PERFECTDATA CORP - Form PRER14A

forward-looking and, accordingly, involves risks and uncertainties, including, without limitation, statements regarding the Company's future financial condition and the success of the Company's efforts to seek a merger or acquisition partner and the proposed sale to Spray. Other risks are discussed in the Annual Report 2003. As a result, actual results may differ materially from those described in the forward-looking statement. The Company cautions that the foregoing list of important factors is not exclusive. The Company does not undertake to update any forward-looking statement in this Report.

Item 3. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

The Company has a CEO and a CFO/CAO, constituting all of management, and, during the reporting period, two employees to conduct operations. The CEO and CFO/CAO performed an evaluation of the effectiveness of the design and operation of the Company's disclosure controls and procedures as of December 31, 2003. Because of its small size and limited number of personnel, the Company does not currently have elaborate written procedures, nor does management believe that such elaborate written procedures are currently necessary to ensure accurate reporting in the Company's periodic reports. The then Audit Committee and management will review this requirement should a transaction with a merger or acquisition candidate be consummated, as to which consummation there can be no assurance. In making their evaluation, the CEO and CFO/CAO consulted with the Company's outside counsel. Based on that evaluation, the two officers concluded that the Company's disclosure controls and procedures were adequate and effective, as of December 31, 2003, to ensure that material information relating to the Company would be made known to them by others within the Company, particularly during the period in which this Report was being prepared. Their evaluation was reported to the Audit Committee in connection with its review of this Report prior to its filing.

Changes in Internal Controls

There have been no significant changes in the Company's internal controls or in other factors that could significantly affect internal controls since the date of their evaluation.

CERTIFICATE OF INCORPORATION

OF

PERFECTDATA (DELAWARE) INC.

The undersigned, a natural person, for the purpose of organizing a corporation for conducting the business and promoting the purposes hereinafter stated, under the provisions and subject to the requirements of the laws of the State of Delaware (particularly Chapter 1, Title 8 of the Delaware Code and the acts amendatory thereof and supplemental thereto, and known, identified and referred to as the "General Corporation Law of the State of Delaware"), hereby certifies that:

FIRST: The name of the corporation (hereinafter called the "Corporation") is: PerfectData (Delaware) Inc.

SECOND: The address of the Corporation's registered office in the State of Delaware is 2711 Centerville Road, Suite 400, Wilmington, Delaware 19808-1297, County of New Castle. The name of its registered agent at such address is the Corporation Service Company.

THIRD: The nature of the business to be conducted and the purposes of the Corporation are:

To purchase or otherwise acquire, invest in, own, lease, mortgage, pledge, sell, assign and transfer or otherwise dispose of, trade and deal in and with real property and personal property of every kind, class and description (including, without limitation, goods, wares and merchandise of every kind, class and description), to manufacture goods, wares and merchandise of every kind, class and description, both on its own account and for others;

To make and perform agreements and contracts of every kind and description; and

Edgar Filing: PERFECTDATA CORP - Form PRER14A

To engage in any lawful act or activity or carry on any business for which corporations may be organized under the Delaware General Corporation Law or any successor statute.

FOURTH: The total number of shares of all classes of stock which the Corporation shall have authority to issue is 12,000,000 shares, consisting of 10,000,000 shares of common stock, par value \$0.01 per share (the "Common Stock") and 2,000,000 shares of preferred stock, par value \$0.01 per share (the "Preferred Stock").

A. Common Stock.

1. General. The voting, dividend and liquidation and other rights of the holders of the Common Stock are expressly made subject to and qualified by the rights of the holders of any series of Preferred Stock.
2. Voting Rights. The holders of record of the Common Stock are entitled to one vote per share on all matters to be voted on by the Corporation's stockholders.
3. Dividends. Dividends may be declared and paid on the Common Stock from funds lawfully available therefor if, as and when determined by the Board of Directors in their sole discretion, subject to provisions of law, any provision of this Certificate of Incorporation, as amended from time to time, and subject to the relative rights and preferences of any shares of Preferred Stock authorized, issued and outstanding hereunder.
4. Liquidation. Upon the dissolution, liquidation or winding up of the Corporation, whether voluntary or involuntary, holders of record of the Common Stock will be entitled to receive pro rata all assets of the Corporation available for distribution to its stockholders, subject, however, to the liquidation rights of the holders of Preferred Stock authorized, issued and outstanding hereunder.

B. Preferred Stock.

The Preferred Stock may be issued from time to time in one or more series. The Board of Directors is authorized, subject to any limitations prescribed by law, to provide for the issuance of shares of Preferred Stock in series, and by filing a certificate pursuant to the applicable law of the State of Delaware (such certificate being hereafter referred to as a "Preferred Stock Designation"), to establish from time to time the number of shares to be included in each such series, and to fix the designation, powers, preferences and rights of the shares of each such series and any qualifications, limitations or restrictions thereof. In the event that at any time the Board of Directors shall have established and designated one or more series of Preferred Stock consisting of a number of shares less than all of the authorized number of shares of Preferred Stock, the remaining authorized shares of Preferred Stock shall be deemed to be shares of an undesignated series of Preferred Stock unless and until designated by the Board of Directors as being part of a series previously established or a new series then being established by the Board of Directors. Notwithstanding the fixing of the number of shares constituting a particular series, the Board of Directors may at any time thereafter authorize an increase or decrease in the number of shares of any such series except as set

Edgar Filing: PERFECTDATA CORP - Form PRER14A

forth in the Preferred Stock Designation for such series. In case the number of shares of any series shall be so decreased, the shares constituting such decrease shall resume the status of authorized undesignated Preferred Stock unless and until designated by the Board of Directors as being a part of a series previously established or a new series then being established by the Board of Directors.

FIFTH: The name and mailing address of the sole incorporator is as follows:

Name	Mailing Address
Allan J. Weiss, Esq.	Wachtel & Masyr, LLP 110 East 59th Street New York, New York 10022

SIXTH: The Corporation is to have perpetual existence.

SEVENTH: For the management of the business and for the conduct of the affairs of the Corporation, and in further definition and not in limitation of the powers of the Corporation and of its directors and of its stockholders or any class thereof, as the case may be, conferred by the State of Delaware, it is further provided that:

A. The management of the business and the conduct of the affairs of the Corporation shall be vested in its board of directors (the "Board of Directors"). The number of directors which shall constitute the whole Board of Directors shall be fixed by, or in the manner provided in, the Corporation's By-Laws (the "By-laws"). The phrase "whole Board" and the phrase "total number of directors" shall be deemed to have the same meaning, to wit, the total number of directors which the Corporation would have if there were no vacancies. No election of directors need be by written ballot.

B. After the original or other By-Laws of the Corporation have been adopted, amended or repealed, as the case may be, in accordance with the provisions of Section 109 of the General Corporation Law of the State of Delaware, and, after the Corporation has received any payment for any of its stock, the power to adopt, amend, or repeal the By-Laws of the Corporation may be exercised by the Board of Directors of the Corporation.

C. The books of the Corporation may be kept at such place within or without the State of Delaware as the By-Laws of the Corporation may provide or as may be designated from time to time by the Board of Directors of the Corporation.

EIGHTH: The Corporation shall, to the fullest extent permitted by Section 145 of the General Corporation Law of the State of Delaware, as the same may be amended and supplemented from time to time, indemnify and advance expenses to, (i) its directors and officers, and (ii) any person who at the request of the Corporation is or was serving as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, from and against any and all of the expenses, liabilities, or other matters referred to in or covered by said section as amended or supplemented (or any successor), provided, however, that except with respect to proceedings to enforce rights to indemnification, the By-Laws of the Corporation may provide that the Corporation shall indemnify any director, officer or such person in connection with a proceeding (or part thereof) initiated by such director, officer or such person only if such proceeding (or part thereof) was authorized by the board of directors of the Corporation. The Corporation, by action of its Board of Directors, may provide indemnification or advance expenses to employees and agents of the Corporation or other persons only on such terms and conditions and to the extent determined by the board of directors in its sole and absolute

Edgar Filing: PERFECTDATA CORP - Form PRER14A

discretion. The indemnification provided for herein shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any By-Law, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in their official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

NINTH: A director of the Corporation shall not be personally liable to the Corporation or its stockholders for the monetary damages for any breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the General Corporation Law of the State of Delaware, or (iv) for any transaction from which the director derived an improper personal benefit. If the General Corporation Law of the State of Delaware is amended after approval by the stockholders of this Certificate of Incorporation to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of a director shall be eliminated or limited to the fullest extent permitted by the General Corporation Law of the State of Delaware, as so amended. Any repeal or modification of this Article Ninth shall be prospective and shall not affect the rights under this Article Ninth in effect at the time of the alleged occurrence of any act or omission to act giving rise to liability or indemnification.

TENTH: Whenever a compromise or arrangement is proposed between this Corporation and its creditors or any class of them and/or between this Corporation and its stockholders or any class of them, any court of equitable jurisdiction within the State of Delaware may, on the application in a summary way of this Corporation or of any creditor or stockholder thereof or on the application of any receiver or receivers appointed for this Corporation under the provisions of Section 291 of Title 8 of the Delaware Code or on the application of trustees in dissolution or of any receiver or receivers appointed for this Corporation under the provisions of Section 279 of Title 8 of the Delaware Code, order a meeting of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, to be summoned in such manner as the said court directs. If a majority in number representing three-fourths (3/4) in value of the creditors or class of creditors, and/or of the stockholders or class of stockholders of this Corporation, as the case may be, agree to any compromise or arrangement and to any reorganization of this Corporation as consequence of such compromise or arrangement, the said compromise or arrangement and the said reorganization shall, if sanctioned by the court to which the said application has been made, be binding on all the creditors or class of creditors, and/or on all the stockholders or class of stockholders, of this Corporation, as the case may be, and also on this Corporation.

ELEVENTH: From time to time any of the provisions of this Certificate of Incorporation may be amended, altered or repealed, and other provisions authorized by the laws of the State of Delaware at the time in force may be added or inserted in the manner and at the time prescribed by said laws, and all rights at any time conferred upon the stockholders of the Corporation by this Certificate of Incorporation are granted subject to the provisions of this Article.

I, the undersigned, being the sole incorporator, for the purpose of forming a Corporation under the laws of the State of Delaware, do make, file and record this Certificate of Incorporation, to certify that the facts herein stated are true, and accordingly have hereto set my hand this day of March, 2004.

The annual meeting of the stockholders for the election of directors, and for the transaction of such other business as may properly come before the meeting, shall be held at such place, date and hour as shall be fixed by the Board of Directors (the "Board") and designated in the notice or waiver of notice thereof, except that no annual meeting need be held if all actions, including the election of directors, required by the General Corporation Law of the State of Delaware (the "Delaware Statute") to be taken at a stockholders' annual meeting are taken by written consent in lieu of meeting pursuant to Section 2.10 of this Article II.

2.2 Special Meetings.

2.3 Notice of Meetings.

Edgar Filing: PERFECTDATA CORP - Form PRER14A

Except as otherwise required by statute, the Certificate of Incorporation of the Corporation (the "Certificate") or these Bylaws, notice of each annual or special meeting of the stockholders shall be given to each stockholder of record entitled to vote at such meeting not less than 10 nor more than 60 days before the day on which the meeting is to be held, by delivering written notice thereof to him, her or it personally, or by mailing a copy of such notice, postage prepaid, directly to him, her or it at his, her or its address as it appears in the records of the Corporation, or by transmitting such notice thereof to him, her or it at such address by telegraph, cable or other telephonic transmission. Every such notice shall state the place, the date and hour of the meeting, and, in case of a special meeting, the purpose or purposes for which the meeting is called. Notice of any meeting of stockholders shall not be required to be given to any stockholder who shall attend such meeting in person or by proxy, or who shall, in person or by his, her or its attorney thereunto authorized, waive such notice in writing, either before or after such meeting. Except as otherwise provided in these Bylaws, neither the business to be transacted at, nor the purpose of, any meeting of the stockholders need be specified in any such notice or waiver of notice. Notice of any adjourned meeting of stockholders shall not be required to be given, except when expressly required by law.

2.4 Quorum.

At each meeting of the stockholders, except where otherwise provided by the Certificate or these Bylaws, the holders of a majority of the issued and outstanding shares of Common Stock of the Corporation entitled to vote at such meeting, present in person or represented by proxy, shall constitute a quorum for the transaction of business. In the absence of a quorum, a majority in interest of the stockholders present in person or represented by proxy and entitled to vote, or, in the absence of all the stockholders entitled to vote, any officer entitled to preside at, or act as secretary of, such meeting, shall have the power to adjourn the meeting from time to time, until stockholders holding the requisite amount of stock to constitute a quorum shall be present or represented. At any such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally called.

2.5 Place of Meetings.

Annual meetings or special meetings of stockholders may be held at any place within or without the State of Delaware as may be selected from time to time by the Chief Executive Officer or the Board.

2.6 Organization.

Unless otherwise determined by the Board, at each meeting of the stockholders, one of the following shall act as chairman of the meeting and preside thereat, in the following order of precedence:

- (a) the Chairman, if any;
- (b) the Chief Executive Officer;
- (c) any director, officer or stockholder of the Corporation designated by the Board to act as chairman of such meeting and to preside thereat if the Chairman or the Chief Executive Officer shall be absent from such meeting; or
- (d) a stockholder of record who shall be chosen chairman of such meeting by a majority in voting interest of the stockholders present in person or by proxy and entitled to vote thereat.

The Secretary or, if he shall be presiding over such meeting in

Edgar Filing: PERFECTDATA CORP - Form PRER14A

accordance with the provisions of this Section 2.6 or if he shall be absent from such meeting, the person (who shall be an Assistant Secretary, if an Assistant Secretary has been appointed and is present) whom the chairman of such meeting shall appoint, shall act as secretary of such meeting and keep the minutes thereof.

2.7 Order of Business.

The order of business at each meeting of the stockholders shall be determined by the chairman of such meeting, but such order of business may be changed by a majority in voting interest of those present in person or by proxy at such meeting and entitled to vote thereat.

2.8 Voting.

Except as otherwise provided by law, the Certificate or these Bylaws, at each meeting of the stockholders, every stockholder of the Corporation shall be entitled to one vote in person or by proxy for each share of Common Stock of the Corporation held by him, her or it and registered in his, her or its name on the books of the Corporation on the date fixed pursuant to Section 6.7 of Article VI as the record date for the determination of stockholders entitled to vote at such meeting. Persons holding stock in a fiduciary capacity shall be entitled to vote the shares so held. A person whose stock is pledged shall be entitled to vote, unless, in the transfer by the pledgor on the books of the Corporation, he, she or it has expressly empowered the pledgee to vote thereon, in which case only the pledgee or his, her or its proxy may represent such stock and vote thereon. If shares or other securities having voting power stand in the record of two or more persons, whether fiduciaries, members of a partnership, joint tenants, tenants in common, tenants by the entirety or otherwise, or if two or more persons have the same fiduciary relationship respecting the same shares, unless the Secretary shall be given written notice to the contrary and furnished with a copy of the instrument or order appointing them or creating the relationship wherein it is so provided, their acts with respect to voting shall have the following effect:

(a) if only one votes, his, her or its act binds all;

(b) if more than one votes, the act of the majority so voting binds all; and

(c) if more than one votes, but the vote is evenly split on any particular matter, such shares shall be voted in the manner provided by law. If the instrument so filed shows that any such tenancy is held in unequal interests, a majority or even-split for the purposes of this Section 2.8 shall be a majority or even-split in interest. The Corporation shall not vote directly or indirectly any share of its own capital stock. Any vote of stock may be given by the stockholder entitled thereto in person or by his, her or its proxy appointed by an instrument in writing, subscribed by such stockholder or by his, her or its attorney thereunto authorized, delivered to the secretary of the meeting; provided, however, that no proxy shall be voted after three years from its date, unless said proxy provides for a longer period. At all meetings of the stockholders, all matters (except where other provision is made by law, the Certificate or these Bylaws) shall be decided by the vote of a majority in interest of the stockholders present in person or by proxy at such meeting and entitled to vote thereon, a quorum being present. Unless demanded by a stockholder present in person or by proxy at any meeting and entitled to vote thereon, the vote on any question need not be by ballot. Upon a demand by any such stockholder for a vote by ballot upon any question, such vote by ballot shall be taken. On a vote by ballot, each ballot shall be signed by the stockholder voting, or by his, her or its proxy, if there be such proxy, and shall state the number of shares voted.

Edgar Filing: PERFECTDATA CORP - Form PRER14A

2.9 Inspection.

The chairman of the meeting may at any time appoint one or more inspectors to serve at any meeting of the stockholders. Any inspector may be removed, and a new inspector or inspectors appointed, by the Board at any time. Such inspectors shall decide upon the qualifications of voters, accept and count votes, declare the results of such vote, and subscribe and deliver to the secretary of the meeting a certificate stating the number of shares of stock issued and outstanding and entitled to vote thereon and the number of shares voted for and against the question, respectively. The inspectors need not be stockholders of the Corporation, and any director or officer of the Corporation may be an inspector on any question other than a vote for or against his or her election to any position with the Corporation or on any other matter in which he or she may be directly interested. Before acting as herein provided, each inspector shall subscribe an oath faithfully to execute the duties of an inspector with strict impartiality and according to the best of his or her ability.

2.10 List of Stockholders.

It shall be the duty of the Secretary or other officer of the Corporation who shall have charge of its stock ledger to prepare and make, at least 10 days before every meeting of the stockholders, a complete list of the stockholders entitled to vote thereat, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to any such meeting, during ordinary business hours, for a period of at least 10 days prior to such meeting, either at a place within the city where such meeting is to be held, which place shall be specified in the notice of the meeting or, if not so specified, at the place where the meeting is to be held. Such list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present.

1.11 Stockholders' Consent in Lieu of Meeting.

Any action required by the Delaware Statute to be taken at any annual or special meeting of the stockholders of the Corporation, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, by a consent in writing, as permitted by the Delaware Statute.

2.12 Action by Means of Conference Telephone or Similar Communications Equipment.

Any one or more of the stockholders may participate in a meeting of the stockholders by means of conference telephone or similar communications equipment by which all persons participating in the meeting can hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting.

ARTICLE III

BOARD OF DIRECTORS

3.1 General Powers.

The business, property and affairs of the Corporation shall be managed by or under the direction of the Board, which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by law or by the Certificate directed or required to be exercised or done by the stockholders.

Edgar Filing: PERFECTDATA CORP - Form PRER14A

3.2 Number and Term of Office.

The number of directors of the Corporation shall not be less than five nor more than eight. The number of directors within the range set forth in the preceding sentence shall be fixed from time to time by the Board. Directors need not be stockholders. Each director shall hold office until his or her successor is elected and qualified, or until his or her earlier death or resignation or removal in the manner hereinafter provided.

3.3 Election of Directors.

At each meeting of the stockholders for the election of directors at which a quorum is present, the persons receiving the greatest number of votes, up to the number of directors to be elected, of the stockholders present in person or by proxy and entitled to vote thereon shall be the directors; provided, however, that for purposes of such vote no stockholder shall be allowed to cumulate his or her votes. Unless an election by ballot shall be demanded as provided in Section 2.8 of Article II, election of directors may be conducted in any manner approved at such meeting.

3.4 Resignation, Removal and Vacancies.

Any director may resign at any time by giving written notice to the Board, the Chairman, the Chief Executive Officer or the Secretary. Such resignation shall take effect at the time specified therein or, if the time be not specified, upon receipt thereof; and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Any director or the entire Board may be removed, with or without cause, at any time, by vote of the holders of a majority of the shares then entitled to vote at an election of directors or by written consent of the stockholders pursuant to Section 2.11 of Article II.

Vacancies occurring on the Board for any reason may be filled by vote of the stockholders or by the stockholders' written consent pursuant to Section 2.11 of Article II, or by vote of the Board or by the directors' written consent pursuant to Section 3.6 of this Article III. If the number of directors then in office is less than a quorum, such vacancies may be filled by a vote of a majority of the directors then in office.

3.5 Meetings.

(a) Annual Meetings. As soon as practicable after each annual election of directors, the Board shall meet for the purpose of organization and the transaction of other business, unless it shall have transacted all such business by written consent pursuant to Section 3.6 of this Article III.

(b) Other Meetings. Other meetings of the Board shall be held at such times and at such places as the Board, the Chairman, the Chief Executive Officer or any director shall from time to time determine.

(c) Notice of Meetings. Notice shall be given to each director of each meeting, including the time, place and purpose of such meeting. Notice of each such meeting shall be mailed to each director, addressed to him or her at his or her residence or usual place of business, at least two days before the date on which such meeting is to be held, or shall be sent to him or her at such place by telegraph, cable, wireless or other form of recorded communication, or be delivered personally or by telephone not later than the day before the day on which such meeting is to be held, but notice need not be given to any director who shall attend such meeting. A written waiver of notice, signed by the person entitled thereto, whether before or after the time of the meeting stated

Edgar Filing: PERFECTDATA CORP - Form PRER14A

therein, shall be deemed equivalent to notice.

(d) Place of Meetings. The Board may hold its meetings at such place or places within or outside the State of Delaware as the Board may from time to time determine, or as shall be designated in the respective notices or waivers of notice thereof.

(e) Quorum and Manner of Acting. A majority of the total number of directors then in office shall be present in person at any meeting of the Board in order to constitute a quorum for the transaction of business at such meeting, and the vote of a majority of those directors present at any such meeting at which a quorum is present shall be necessary for the passage of any resolution or act of the Board, except as otherwise expressly required by law or these Bylaws. In the absence of a quorum for any such meeting, a majority of the directors present thereat may adjourn such meeting from time to time until a quorum shall be present.

(f) Organization. At each meeting of the Board, one of the following shall act as chairman of the meeting and preside thereat, in the following order of precedence:

(i) the Chairman, if any;

(ii) the Chief Executive Officer (if a director); or

(iii) any director designated by a majority of the directors present.

The Secretary or, in the case of his or her absence, an Assistant Secretary, if an Assistant Secretary has been appointed and is present, or any person whom the chairman of the meeting shall appoint shall act as secretary of such meeting and keep the minutes thereof.

3.6 Directors' Consent in Lieu of Meeting.

Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by all of the directors then in office and such consent is filed with the minutes of the proceedings of the Board.

3.7 Action by Means of Conference Telephone or Similar Communications Equipment.

Any one or more members of the Board may participate in a meeting of the Board by means of conference telephone or similar communications equipment by which all persons participating in the meeting can hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting.

3.8 Committees.

The Board may, by resolution or resolutions passed by a majority of the whole Board, designate one or more committees, such committee or committees to have such name or names as may be determined from time to time by resolution adopted by the Board, and each such committee to consist of one or more directors of the Corporation, which to the extent provided in said resolution or resolutions shall have and may exercise the powers of the Board in the management of the business and affairs of the Corporation and may authorize the seal of the Corporation to be affixed to all papers which may require it. A majority of all the members of any such committee may determine its action and fix the time and place of its meetings, unless the Board shall otherwise

Edgar Filing: PERFECTDATA CORP - Form PRER14A

provide. The Board shall have power to change the members of any such committee at any time, to fill vacancies and to discharge any such committee, either with or without cause, at any time.

4.3 Other Officers.

The Corporation may have such other officers, agents and employees as the Board may deem necessary, including, a President, one or more Assistant Secretaries, one or more Assistant Treasurers and one or more Vice Presidents, each of whom shall hold office for such period, have such authority and perform such duties as the Board, the Chairman or the Chief Executive Officer may from time to time determine. 4.4 Term of Office, Resignation and Removal.

All officers shall be elected or appointed by the Board and shall hold office for such term as may be prescribed by the Board. The Board may require any officer to give security for the faithful performance of his or her duties.

Any officer may resign at any time by giving written notice to the Board, the Chairman, the Chief Executive Officer or the Secretary. Such resignation shall take effect at the time specified therein or, if the time be not specified, at the time it is accepted by action of the Board. Except as aforesaid, the acceptance of such resignation shall not be necessary to make it effective.

All officers and agents elected or appointed by the Board shall be subject to removal at any time by the Board or by the stockholders of the Corporation with or without cause.

4.5 Vacancies.

If the office of Chairman, Chief Executive Officer, Secretary or Treasurer becomes vacant for any reason, the Board shall fill such vacancy, and if any other office becomes vacant, the Board may fill such vacancy. Any officer so appointed or elected by the Board shall serve only until such time as the unexpired term of his or her predecessor shall have expired, unless reelected or reappointed by the Board.

4.6 The Chairman.

Edgar Filing: PERFECTDATA CORP - Form PRER14A

The Chairman shall give counsel and advice to the Board and the officers of the Corporation on all subjects concerning the welfare of the Corporation and the conduct of its business and shall perform such other duties as the Board may from time to time determine. Every owner of stock of the Corporation shall be entitled to have a certificate certifying the number and class of shares owned by him, her or it in the Corporation, which shall be in such form as shall be prescribed by the Board. Certificates shall be numbered and issued in consecutive order and shall be signed by, or in the name of, the Corporation by the Chairman, the Chief Executive Officer or any Vice President, and by the Treasurer (or an Assistant Treasurer, if appointed) or the Secretary (or an Assistant Secretary, if appointed). In case any officer or officers who shall have signed any such certificate or certificates shall cease to be such officer or officers of the Corporation, whether because of death, resignation or otherwise, before such certificate or certificates shall have been delivered by the Corporation, such certificate or certificates may nevertheless be adopted by the Corporation and be issued and delivered as though the person or persons who signed such certificate had not ceased to be such officer or officers of the Corporation.

6.3 Transfer and Registration of Stock.

The transfer of stock and certificates which represent the stock of the Corporation shall be governed by Article 8 of Subtitle 1 of Title 6 of the Delaware Code (the Uniform Commercial Code), as amended from time to time.

Registration of transfers of shares of the Corporation shall be made only on the books of the Corporation upon request of the registered holder thereof, or of his, her or its attorney thereunto authorized by power of attorney duly executed and filed with the Secretary of the Corporation, and upon the surrender of the certificate or certificates for such shares properly endorsed or accompanied by a stock power duly executed.

6.4 Addresses of Stockholders.

Each stockholder shall designate to the Secretary an address at which notices of meetings and all other corporate notices may be served or mailed to him, her or it, and, if any stockholder shall fail to designate such address, corporate notices may be served upon him, her or it by mail directed to him, her or it at his, her or its post-office address, if any, as the same appears on the share record books of the Corporation or at his, her or its last known post-office address.

6.5 Lost, Destroyed and Mutilated Certificates.

The holder of any shares of the Corporation shall immediately notify the Corporation of any loss, destruction or mutilation of the certificate therefor, and the Board may, in its discretion, cause to be issued to him, her or it a new certificate or certificates for such shares, upon the surrender of the mutilated certificates or, in the case of loss or destruction of the certificate, upon satisfactory proof of such loss or destruction, and the Board may, in its discretion, require the owner of the lost or destroyed certificate or his, her or its legal representative to give the Corporation a bond in such sum and with such surety or sureties as it may direct to indemnify the Corporation against any claim that may be made against it on account of the alleged loss or destruction of any such certificate.

6.6 Regulations.

6.7 Fixing Date for Determination of Stockholders of Record.

(a) In order that the Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which record date shall be not more than 60 nor less than 10 days before the date of such meeting. If no record date is fixed by the Board, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

Edgar Filing: PERFECTDATA CORP - Form PRER14A

(b) In order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which date shall be not more than 10 days after the date upon which the resolution fixing the record date is adopted by the Board. If no record date has been fixed by the Board, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board is required by the Delaware Statute, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery to its registered office in the State of Delaware, its principal place of business or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board and prior action by the Board is required by the Delaware Statute, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board adopts the resolution taking such prior action.

(c) In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than 60 days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.

ARTICLE VII

INDEMNIFICATION AND INSURANCE

7.1 Indemnification.

(a) As provided in the Certificate, to the fullest extent permitted by the Delaware Statute as the same exists or may hereafter be amended, a director of the Corporation shall not be liable to the Corporation or its stockholders for breach of fiduciary duty as a director.

(b) Without limitation of any right conferred by paragraph (a) of this Section 7.1, each person who was or is made a party or is threatened to be made a party to or is otherwise involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she is or was a director, officer or employee of the Corporation or is or was serving at the request of the Corporation as a director, officer or employee of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan (hereinafter an "indemnitee"), whether the basis of such proceeding is alleged action in an official capacity while serving as a director, officer or employee or in any other capacity while serving as a director, officer or employee, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the Delaware Statute, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than permitted prior thereto), against all expense, liability and loss (including attorneys' fees, judgments, fines, excise taxes or amounts paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith and

Edgar Filing: PERFECTDATA CORP - Form PRER14A

such indemnification shall continue as to an indemnitee who has ceased to be a director, officer or employee and shall inure to the benefit of the indemnitee's heirs, testators, intestates, executors and administrators; provided, however, that such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation, and with respect to a criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful; provided further, however, that no indemnification shall be made in the case of an action, suit or proceeding by or in the right of the Corporation in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such director, officer, employee or agent is liable to the Corporation, unless a court having jurisdiction shall determine that, despite such adjudication, such person is fairly and reasonably entitled to indemnification; provided further, however, that, except as provided in Section 7.1(c) of this Article VII with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) initiated by such indemnitee was authorized by the Board of Directors of the Corporation. The right to indemnification conferred in this Article VII shall be a contract right and shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition (hereinafter an "advancement of expenses"); provided, however, that, if the Delaware Statute requires, an advancement of expenses incurred by an indemnitee in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the Corporation of an undertaking (hereinafter an "undertaking"), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal (hereinafter a "final adjudication") that such indemnitee is not entitled to be indemnified for such expenses under this Section or otherwise.

(c) If a claim under Section 7.1(b) of this Article VII is not paid in full by the Corporation within 60 days after a written claim has been received by the Corporation, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be 20 days, the indemnitee may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim. If successful in whole or in part in any such suit, or in a suit brought by the Corporation to recover an advancement of expenses pursuant to the terms of any undertaking, the indemnitee shall be entitled to be paid also the expense of prosecuting or defending such suit. In (i) any suit brought by the indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by the indemnitee to enforce a right to an advancement of expenses) it shall be a defense that, and (ii) in any suit by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the Corporation shall be entitled to recover such expenses upon a final adjudication that, the indemnitee has not met the applicable standard of conduct set forth in the Delaware Statute. Neither the failure of the Corporation (including the Board, independent legal counsel, or the stockholders) to have made a determination prior to the commencement of such suit that indemnification of the indemnitee is proper in the circumstances because the indemnitee has met the applicable standard of conduct set forth in the Delaware Statute, nor an actual determination by the Corporation (including the Board, independent legal counsel or the stockholders) that the indemnitee has not met such applicable standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the indemnitee, be a defense to such suit. In any suit brought by the indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this

Edgar Filing: PERFECTDATA CORP - Form PRER14A

Section or otherwise shall be on the Corporation.

(d) The rights to indemnification and to the advancement of expenses conferred in this Article VII shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, the Certificate, agreement, vote of stockholders or disinterested directors or otherwise.

7.2 Insurance.

The Corporation may purchase and maintain insurance, at its expense, to protect itself and any person who is or was a director, officer, employee or agent of the Corporation or any person who is or was serving at the request of the Corporation as a director, officer, employer or agent of another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the Delaware Statute.

ARTICLE VIII

8.1 Seal.

The Board may provide a corporate seal, which shall be in the form of a circle and shall bear the full name of the Corporation, the year of incorporation of the Corporation and the words and figures "Corporate Seal - Delaware."

8.2 Fiscal Year.

The fiscal year of the Corporation shall end March 31 unless otherwise determined by the Board.

8.3 Amendment.

Any bylaw (including these Bylaws) may be adopted, amended or repealed by the vote of the holders of a majority of the shares then entitled to vote or by the stockholders' written consent pursuant to Section 2.11 of Article II, or by the vote of the Board or by the directors' written consent pursuant to Section 3.6 of Article III.
