CLEAR CHANNEL COMMUNICATIONS, INC. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2002 AND 2001

1. DESCRIPTION OF PLAN

The following description of the Clear Channel Communications, Inc. (the Company and Plan Sponsor) 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL -- The Plan is a defined contribution plan generally covering all eligible employees of the Company who have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974.

CONTRIBUTIONS -- Employer contributions to the Plan consist of matching contributions and elective contributions made annually at the discretion of the Plan Sponsor's Board of Directors. The employer contribution was \$10,554,648 for the year ended December 31, 2002.

Participants may elect to defer a portion of their compensation by an amount that does not exceed the maximum allowed under IRS rules and regulations. Participants are always 100% vested in their voluntary contributions.

Each year, participants may contribute up to 25 percent of pretax compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one sponsored Company stock and twelve registered investment funds.

PARTICIPANT ACCOUNTS -- Each participant's account is credited with allocations of the Plan Sponsor's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FORFEITURES -- Participant forfeitures of non-vested contributions are used to reduce employer contributions to the Plan. For the year ending December 31, 2002, approximately \$674,000 of forfeitures was used to reduce employer contributions.

VESTING -- Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contributions is based on years of continuous service. A participant is 100% vested after seven years of

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form 11-K

credited service (or upon the death or disability of the participant) for contributions made prior to January 1, 2002. A participant is 100% vested after five years of credited service (or upon the death or disability of the participant) for contributions made after January 1, 2002.

PARTICIPANT LOANS -- Participants may borrow \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear a fixed interest rate determined by the Plan Sponsor.

PAYMENT OF BENEFITS -- On termination of service, the Plan provides that benefits less than \$5,000 will be paid by lump sum distribution or rollover. For benefits over \$5,000, benefits may be paid by lump sum distribution, remain in the Plan until the earlier of age 65 or death of the participant, or rolled over into another qualified plan.

Hardship withdrawals are available to Plan participants upon approval.

2. SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING -- The financial statements of the Plan are prepared using the accrual method of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION -- The Plan's investments are stated at fair value. The Plan's investments in the common stock of the Company are reported at fair value based on quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at December 31. Participant loans are valued at cost, which approximates fair value.

PAYMENTS OF BENEFITS -- Benefits are recorded when paid.

USE OF ESTIMATES -- The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. PLAN INTEREST IN CLEAR CHANNEL COMMUNICATIONS, INC. - MASTER TRUST

Effective July 1, 1999, the Plan transferred all investments to the Clear Channel Communications, Inc. - Master Trust (Master Trust) which is held by Fidelity Management Trust Company (Trustee). These investments in the Master Trust consist primarily of registered investment companies and sponsored Company stock.

The purpose of the Master Trust is the collective investment of the assets of participating employee benefit plans of the Company. The Master Trust's assets are allocated among participating plans by assigning to each plan those transactions (primarily contributions and benefit payments) which can be

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form 11-K
