Item 2.02 Results of Operations and Financial Condition.

On July 10, 2008, Intermec, Inc. (“we” or “our”) issued a press release announcing revised revenue guidance for the second fiscal quarter, which ended June 29, 2008. A copy of the press release is furnished as Exhibit 99.1 to this report and is incorporated herein by reference.

Item 2.05 Costs Associated with Exit or Disposal Activities.

On July 9, 2008, we committed to a business restructuring plan intended to reduce our cost structure and streamline operations. We announced the plan to employees on July 10, 2008, and issued a press release announcing the restructuring activities described in this Item 2.05 of this Current Report. The press release is attached hereto as Exhibit 99.1.

Pursuant to this plan, we will relocate the final assembly of our product lines from Everett, WA, to Venture Corporation Limited (SGX: VENM. SI), a global electronics services provider. We also will consolidate two U.S. service depots to existing locations in Charlotte, NC, and Monterey, Mexico and transfer our on-site field service repair to a third party supplier.

This plan will be implemented over the next 9 to 12 months and will reduce our workforce by approximately 260 employees. We currently employ approximately 2,300 employees worldwide.

The total restructuring costs are expected to be in a pre-tax range of \$7.5 million to \$9.0 million, including employee termination costs of approximately \$3.5 million, \$0.5 million of non-cash asset impairment and \$3.5 million to \$5.0 million of other transitional costs. We expect to record approximately \$6.0 million to \$7.0 million of this restructuring charge in the second half of 2008, and expect that the balance will be recorded in 2009. We anticipate that all of the severance related, and periodic transitional costs will be cash expenditures.

Item 7.01 Regulation FD Disclosure.

On July 10, 2008, we issued a press release announcing revised revenue guidance for the second quarter of fiscal year 2008 with respect to our anticipated range of revenues.

In this same press release issued on July 10, 2008, we also announced our plans to relocate the final assembly of our product lines from Everett, WA, to Venture Corporation Limited (SGX: VENM. SI), a global electronics services provider, to consolidate two U.S. service depots to existing locations in Charlotte, NC, and Monterey, Mexico, and to transfer our on-site field service repair to a third party supplier, as described more fully in Item 2.05 of this Current Report. In the press release, we described the anticipated restructuring costs resulting from the actions described in Item 2.05. The press release is attached hereto as Exhibit 99.1.
