PART I

ITEM 1. DESCRIPTION OF BUSINESS

General Description and Development of Business

Unless otherwise noted, all dollar references are in U.S. Dollars.

On July 21, 1998, Westsphere Asset Corporation, Inc., a Colorado corporation was incorporated under the laws of the State of Colorado, under the name of Newslink Networks TDS, Inc. On April 23, 1999, the Corporation changed its name to Westsphere Asset Corporation, Inc. Westsphere Asset Corporation is referred to herein as Westsphere, the Company we and our.

Since 2000, the Company's business focus has been on opportunities afforded in the non-conventional banking industry and sought out opportunities available to the Company that through acquisitions of equity positions within operating corporations or the establishment of wholly owned subsidiary companies that would assist in the asset growth of the Company. Consequently, the Company commenced a review of the opportunities afforded by Vencash Capital Corporation.

Non-Conventional Banking Business is described as business related activities which would be normally associated in Canada with a registered chartered bank or bank affiliated financial institution but is privately owned and operated and not affiliated with a Canadian Chartered Bank.

Westsphere has no ongoing business operations other than acting as a holding company.

General Description and Development of Subsidiary Company Business

VENCASH CAPITAL CORPORATION

Vencash Capital Corporation was incorporated in the province of Alberta, Canada on October 2, 1996. In July 1998 Vencash Capital Corporation entered into the non-conventional banking industry otherwise known in the industry as the white label ATM market place. Vencash Capital became the seventh Canadian channel authorized to participate within the Canadian INTERAC system.

The white label ATM market place is described as privately owned and operated Automated Teller Machines that dispense cash for a fee, which are not affiliated by ownership or operation to Canadian Registered Chartered Banks.

A channel is described as a provider of audit control to ATM customers, ATM equipment owners and ATM site providers by channeling the fee revenues generated through customer usage of the ATM equipment to the settlement accounts of the contracted site holder and equipment suppliers.

On December 4, 1998 after a review of opportunities in the Canadian market, available due to the deregulation of the Canada Bank Act and the privatization of ATMs (Automated Teller Machines) and POS (point-of-sale) electronic transfer transaction processing, Westsphere entered into an option agreement with an arms-length shareholder of Vencash Capital, 3 Oceans Investment Corporation, a Belize corporation, to acquire a minority interest in Vencash Capital Corporation (Vencash Capital).

The option agreement called for the exchange by the Company of a total of 4,800,000 shares of its common stock for 8 shares of the issued and outstanding common stock of Vencash Capital, which represented 8% of the common stock of Vencash Capital. The option agreement included the assignment of a promissory note in the amount of \$30,720 (\$48,000 CDN). The Company exercised its right under the option agreement on December 12, 1998 and exchanged 4,800,000 shares of its common stock with 3 Oceans Investment Corporation.

On December 7, 1998, the Company executed a share exchange with Mac Donald Venture Corporation, Mr. Joseph Bowser and Mr. Robert L. Robins to exchange a total of 4,800,000 shares of the Company's common stock in exchange for a 33% interest in Vencash Capital. The share exchange included the assignment of a promissory note in the amount of \$3,480 (\$6,000 CDN). The exchange of shares was completed on December 12, 1998. At the time of this transaction, Westsphere had no operations or

significant assets. Prior to such agreement, Westsphere's only affiliation with Vencash was through Mr. Mac Donald and Mr. Robins, who were officers and directors of both companies.

On December 17, 1999, Westsphere acquired the remaining fifty-nine percent (59%) of Vencash Capital from various arms-length shareholders of Vencash Capital by way of a share exchange whereby Westsphere issued a total of 1,770,000 common shares in exchange for 59 shares of the common stock of Vencash Capital.

Vencash Capital maintains offices at 2140 Pegasus Way N.E., Calgary, AB T2E 8M5. As of December 31, 2004, Vencash Capital has sites located nationally across Canada and holds under management 985 automated teller machines (ATMs) sites in Canada, most notably in the Provinces of British Columbia and Alberta, Saskatchewan, Ontario and Maritimes. A site is described as a location where an ATM has been placed, and has contracted with Vencash Capital to provide monitoring, reporting and distribution of financial surcharge transaction revenues.

Of the 985 ATM s sites managed by Vencash, 138 are owned by Vencash Capital and Westsphere Financial Group and the balance are owned by private purchases or investors. Vencash Capital is one of several nation-wide companies involved in the private ATM market in Canada and presently has two distributors in the Maritime region in Canada, three independent distributors in the Metro Toronto area of Ontario, Canada, one distributor in the Province of Saskatchewan, one distributor in Kamloops, British Columbia and one distributor in the Greater Vancouver, British Columbia area.

Vencash s head office operations are located in Calgary, Alberta with several contracted sales persons and three service and system technicians.

The expansion of the present operations of Vencash Capital have allowed for some horizontal integration of other opportunities for the Company to supply financial services and packages, which have been marketed in conjunction with the ATM placement network. (See ***-Business of Vencash Capital Corporation*** below.)

VENCASH FINANCIAL CORPORATION

On September 23, 1998, Vencash Capital incorporated a wholly owned subsidiary, Vencash Financial Corporation ("Vencash Financial"), as a federal corporation under the laws of Canada, in order to secure and protect the "Vencash" name in all Provincial jurisdictions in Canada. Vencash Financial conducts no actual business activities.

WESTSPHERE FINANCIAL GROUP LTD.

On May 18, 1999, Westsphere formed a wholly owned subsidiary, Westsphere Financial Group Ltd., to lease/sell ATMs to Vencash Capital s clients, lease/sell/inject/activate POS unit to/for TRAC clients. (See ***TRAC POS Processing Inc.*** below). On November 15, 2004 negotiations regarding the sale of the business operations of Westsphere Financial Group Ltd. commenced with an independent party with a closing date set for early 2005. (See ***"-Business of Westsphere Financial Group Ltd."*** below.)

KAN-CAN RESORTS LTD.

On June 1, 1999, Westsphere acquired a 10% interest in Kan-Can Resorts Ltd. from Lee Beasley and William Beasley by way of a share exchange whereby Westsphere exchanged a total of 290,000 common shares of Westsphere for 69,500 common shares of Kan Can Resorts Ltd. ("Kan-Can") The shares of Kan-Can had anti-dilution provisions which require that any shares issued in Kan-Can will be issued on a pari-parsu basis so as not to dilute Westsphere's share holdings below 10% of the total issued and outstanding common shares of Kan-Can. In a settlement of the legal proceeding between Kan Can and Alpine Resort Ltd., on December 5, 2001 Kan-Can Resorts Ltd. sold its head lease and all assets for total of \$465,087 to Banff Gate Mountain Resort Association. The owners of Banff Gate Mountain Resort are

some of the timeshare owners of Alpine Resort Ltd. The terms of the sale are a deposit of \$106,844 and a six year loan of \$358,243 at 4.25% per annum with monthly payments of \$5,646 commencing on May 1, 2002. Banff Gate Mountain Resort Association agreed to return 32% of Kan-Can Resorts Ltd. for cancellation and with the purchase of group of minority Kan-Can shareholders Westsphere has become a 99% owner of Kan-Can Resorts Ltd.

WESTSPHERE POS SERVICES LTD.

On May 16, 2000, Westsphere incorporated Vencash ATM/POS Services Inc. ("Services") under the laws of the Province of Alberta for the purpose of providing servicing for ATM machines and sales and servicing for the point of sale market. "Point of Sale" is described as an electronic terminal that accepts bank debit cards and credit cards to pay by way of direct settlement to the retailers account from the customers banking or credit card provider on a daily basis for a purchase of goods or services. On May 9, 2003 Services changed its name to **WESTSPHERE POS SERVICES LTD.** Westsphere POS Services Ltd. has had no business activity to the date of this filing. With Management's reorganization and consolidation of business operations it is anticipated Westsphere POS will be eliminated during fiscal year 2005.

WESTSPHERE SYSTEMS INC.

On May 16, 2000, Westsphere incorporated Westsphere System Inc. under the laws of the Province of Alberta. In January 2002, Westsphere Systems Inc. began business in the area of hosting web sites, leasing server space and network services. (See "*-Business of Westsphere Systems Inc.*" below.)

WESTSPHERE ENTERTAINMENT CORPORATION

On January 8, 2003, Westsphere Entertainment Corporation was incorporated under the laws of the Province of Alberta. It was incorporated solely to conduct business in a proposed casino, the company is currently inactive. With Management's review, reorganization and consolidation of business operations on December 5, 2004 negotiations regarding the sale of the business operations of Camrose Convention Inn Inc. commenced with a closing date set for early 2005. If a sale cannot be initiated it is anticipated Westsphere Entertainment Corporation will be eliminated during fiscal year 2005.

WESTSPHERE DEVELOPMENT CORPORATION

On January 8, 2003, Westsphere Development Corporation was incorporated under the laws of the Province of Alberta. It was incorporated solely to develop a convention inn, hotel and casino, the Company is currently inactive. With Management's review, reorganization and consolidation of business operations on December 5, 2004 negotiations regarding the sale of the business operations of Westsphere Development Corporation commenced with a closing date set for early 2005. If a sale cannot be initiated it is anticipated Camrose Convention Inn Inc. will be eliminated during fiscal year 2005.

E-DEBIT INTERNATIONAL INC.

On June 1, 2004, the Company executed a share exchange agreement with a non affiliated third party E-Debit shareholder, Mr. Prathavan Venkatraman, to exchange a total of 33,333 shares of the Company's common stock in exchange for a ten (10%) percent interest in E-Debit International Inc. This share exchange resulted in E-Debit being a wholly owned Westsphere subsidiary. E-Debit International Inc. is a provider of pre-paid debit cards. (*See "-Business of E-Debit International Inc."* below.)

TRAC POS PROCESSING INC.

On July 2, 2004, the Company executed a share exchange agreement with a non affiliated third party TRAC shareholder, 3 Ocean Investment Corporation, to exchange a total of 2,437,500 shares of the Company's common stock in exchange for a thirteen (13%) percent interest in TRAC POS Processing Inc. Also on July 2, 2004, the Company executed a share exchange agreement with a non affiliated third party TRAC shareholder, 5 Crowns Investment Corporation, to exchange a total of 2,250,000 shares of the Company's common stock in exchange for a ten (10%) percent interest in TRAC POS Processing Inc. from a wholly owned corporation controlled by Mr. Bernd Reuscher, who is a member of Westsphere's Board of Directors. This share exchange resulted Westsphere holding a 56% majority shareholder position in TRAC. (See "*Business of TRAC POS Processing Inc.*" below.)

CAMROSE CONVENTION INN INC.

Westsphere holds a ten percent (10%) interest in this newly formed corporation, which is currently inactive. With Management's review, reorganization and consolidation of business operations on December 5, 2004 negotiations regarding the sale of the business operations of Camrose Convention Inn Inc. commenced with an independent party with a closing date set for early 2005. If a sale cannot be initiated it is anticipated Camrose Convention Inn Inc. will be eliminated during fiscal year 2005

CASH DIRECT FINANCIAL SERVICES INC.

On July 17, 2003, Cash Direct Financial Services Inc. was incorporated under the laws of the Province of Alberta. It was incorporated in order to develop a bricks and mortar expansion to Westsphere's business expansion of non-conventional banking operations branded Personal Financial Solutions. (See "**General Description and Development of Business**".)

WESTSPHERE CAPITAL GROUP INC.

Westsphere Capital Group Inc. was incorporated under the laws of the Province of Alberta on January 4, 2005 to supply Operational, Financial, and Administrative support to the Westsphere Group of Companies.

VENCASH FINANCIAL SYSTEMS INC.

Vencash Financial Systems Inc. was incorporated under the laws of the State of Nevada on January 11, 2005 in order to facilitate the distribution of a portion of the ownership of its wholly-owned subsidiary, Vencash Capital Corporation, to the Company's shareholders. Distribution of the ownership of Vencash Capital Corporation will be preceded by the filing of a registration statement with the Securities and Exchange Commission, to register the securities of Vencash Financial Systems Inc. which are to be distributed. Following the effective date of the registration statement, Vencash Financial Systems Inc. will become subject to the reporting requirements of the SEC.

It is the intention of the Corporation and the management of Vencash Financial Systems Inc. that Vencash Financial Systems Inc would then find a market maker to submit an application to have the common stock approved for trading on the OTC/Bulletin Board. It is the belief of the management of the Corporation and Vencash Financial Systems Inc that this would result in Vencash Financial Systems Inc being to attract financing to expand its operations and possibly also provide the shareholders liquidity in their investment in Vencash Capital Corporation.

Westsphere Asset Corporation Business

Westsphere's principal place of business and its executive offices are located at 2140 Pegasus Way, N.E. Calgary, Alberta, Canada T2E 8M5. Westsphere's agent for service of process is located at 5801 West 11th Street Suite 101 Greeley, Colorado 80634.

Westsphere provides operational and administrative support as well as financial services and packages to its subsidiaries through its wholly-owned subsidiary Westsphere Capital Group Inc., and intends to conduct its business operations through its wholly-owned subsidiaries, Vencash Capital, Westsphere Systems Inc., E Debit, Cash Direct Financial Services Inc. and through its 99% owned subsidiary, Kan-Can. (See "**-General Description and Development of Business**".)

a. Business of Vencash Capital Corporation

Vencash Capital has been in the past and is presently the Company's major subsidiary operation producing the majority of the Company's consolidated revenues.

Vencash Capital has contracted for switching services allowing Vencash Capital to participate within the Canadian INTERAC system as a channel. Vencash also contracts with Triton Systems, Inc. who supplies ATM equipment.

ATM Business in Canada

(a) Background of the ATM Business

In the latter part of 1997 the Canadian Banking and Financial sectors of Canadian industry commenced a government deregulation program in which under deregulation of the Canada Bank Act allowed for the release of certain segments of proprietary control involving banking institutions. One of the preliminary results of deregulation was the allowance of private operation of Automated Teller Machines not associated with Canadian Banking financial institutions. This private ownership and operation of ATM equipment has been described within the industry as the "white label ATM" market.

Canadian Banking Institutions have been participating in the development of new technology particularly in regard to online computer banking. Advances originating from the introduction of credit card and debit card services evolved to the installation of commercial point of sale management systems across the country and the development of the Canadian INTERAC system which allowed for complete online banking services for 24-hour customer banking availability between the various existing banking institutions. This also provided for full bank service availability from remote site locations throughout Canada.

Evolving online financial technology being pursued by the institutional banking financial sectors has been confronted by growth of computer-based commerce. The Internet and the expansion of computer generated online commerce shifted a significant amount of consumer financial services from conventional banking and financial institutions to non traditional and new and innovative virtual based methods of conducting financial transactions. This on-line or Interac connecting the conventional banking institutions was a significant factor for the profits being produced by Canadian conventional banking and financial institutions in the past five years.

In late 1997 "non-conventional banking" participation and private ownership of automated teller machines (ATMs) was authorized, through the deregulation process within the Canada Bank Act that allows for private participation within the Canadian INTERAC system. The implications of private ownership and participation within this technologically based commerce have been significant.

Many Canadian companies pursued participation in the burgeoning field of marketing, distribution, selling, and leasing cash dispensing equipment recognized in the market place as "ATMs" (automated teller machines), "ABMs" (automated banking machines), "white label machines" (a cash dispensing machine which is not owned or operated by a Conventional Banking institution but is privately owned and operated).

A "switch" is a computer system that receives requests for financial transactions from ATM terminals, "point-of-sale" or electronic transfer terminals in retail businesses, and routes those transaction requests to and from ATM devices and financial institutions for final transaction processing and/or authorization. In Canada, the Canadian INTERAC network coordinates this activity. Under recent deregulation, non-financial institutions that are members of INTERAC are allowed to be an indirect connector. They provide switching services for shared cash dispensing, data processing, and other associated services in connection with the network. Pursuant to the rules and regulations set out by INTERAC and current switch technology, a switch can process up to 10,000 transactions at any given time.

The Entry of Vencash into the ATM Business

Vencash Capital identified the opportunities brought about by the privatization of the ATM business. During December 1997, the first privately owned ATMs were placed in Western Canada. In July 1998, Vencash Capital entered the "white label" ATM market place. Vencash contracted with TNS Smart Network Inc. of Etobicoke, Ontario, a company providing switching services to the industry and became the 7th Canadian Channel authorized to participate within the "white label" ATM business.

By March 1999, Vencash Capital had placed and held under its management 90 ATMs across Canada, primarily in the Provinces of Ontario, British Columbia and Alberta. Westsphere reached an agreement with Vencash Capital to fund by way of lease and loan agreements the expansion of Vencash's placement of ATMs. By the year-end of 1999, through Westsphere's financial assistance, Vencash expanded management and ownership of ATMs across Canada, increasing its network to the Maritime Provinces by establishing two new distributorships, one in Prince Edward Island and one in New Brunswick.

By December 2004, Vencash Capital had sites located nationally across Canada and held under management 865 automated teller machines (ATMs) sites in Canada. As of March 31, 2005, Vencash Capital holds sites under management 985 ATM nationally across Canada most notably in the Provinces of British Columbia and Alberta, Saskatchewan, Ontario and Maritimes. Of the 985 ATM s managed by Vencash, 138 are owned by Vencash Capital and the balance are owned by private purchases or investors.

Vencash Capital is one of several nation-wide companies involved in the private ATM market in Canada and presently has two distributors in the Maritime region in Canada, three independent distributors in the Metro Toronto area of Ontario, Canada, one distributor in the Province of Saskatchewan, one distributor in Kamloops, British Columbia and one distributor in the Greater Vancouver, British Columbia area.

At present, Vencash Capital acts as a "channel" which contracts its financial electronic transfer responsibilities with two "switches" (Data West Solutions and Calypso Canada Ltd.).

Vencash Capital is continuing its expansion of existing ATM business with a view to grow its ATM terminal placement network to the point where after completion of a thorough cost-benefit analysis

Vencash Capital has the capability to develop its own self sufficient "switch" associated directly with the Canadian INTERAC network. A "switch" is described as a financial currency processor of moneys including customer deposits being dispensed by ATM equipment combined with all fees charged associated to the dispensing of the money from the ATM at the request of a customer, and provides settlements to Interac Direct Payment and credit card transactions. The "switch" supplies the financial information to the "channel" in relationship to the processing of all surcharge fees that are associated with the customer use of the ATM. The opportunities for Vencash to become a switch are of foremost importance to management and they have given this project the highest priority.

Current Stage of Corporate Development

Vencash Capital continues to generate significant positive revenues and returns and remains the financial engine driving the expansion of both Vencash Capital and other Westsphere subsidiaries from its cash flow. Westsphere will focus on supplying the required funding for the growth of its placement and ownership of equipment to Vencash customers through its relationship with its equipment supplier and its contracted Switching Network to allow for the growth of the Vencash distribution network.

Growth Strategy & Market Niche

Vencash management's plan is to capture immediate dramatic growth within the ATM market place as follows:

- a. In 2004 Vencash again exceeded its previous year's forecast of placements and sales of ATM's across Canada; we again forecast continued business expansion throughout the year in 2005. As a result of the completion of year 2004 restructuring, reorganization, and business relocation, Vencash's management is in a position to push aggressive growth in several demographic areas of Canada. We are anticipating an over-all growth of ATM's managed by Vencash in excess of 10%
- b. To continue to work with our equipment manufacturer and switching partners in order to obtain the best financial returns from the added growth of our ATM network.
- c. Of significant importance to Westsphere and Vencash is our goal to expand Vencash's management of and placement of ATM equipment in order justify its effort to become a non-financial institutional member of INTERAC and an indirect connector either directly or through a joint venture. This will allow Vencash to provide switching services for shared cash dispensing, data processing and other associated services in connection with the network, switches, gateways and operation of electronic data capture equipment, including but not limited to ATMs and point of sales terminals.
- d. To continue to grow the regional distribution network in both sales and servicing of ATM's and POS.
- e. To source potential merger candidates, strategic alliances and joint venture partners in like businesses in the industry.

The Canadian ATM's Market

In late 1997 "non-conventional banking" participation and private ownership of automated teller machines (ATMs) was authorized allowing for participation within the "Canadian INTERAC system". The "Canadian Interac Association" is a national organization linking enterprises that have proprietary

networks to communicate with each other for the purposes of exchanging electronic financial transactions. Five (5) Canadian Banking and Financial Institutions founded the association in 1984. As of December 2003 there were 107 member organizations. Interac is the organization responsible for the development of a national network of shared electronic financial services: Interac Shared Cash Dispensing Service (SCD) at Automated Banking Machines and Interac Direct Payment Services (IDP), Canada's national debit service. Interac Direct Payment is Canada's national debit card service, available in excess of 365,616 merchants across the country.

Westsphere's management continues to consider the business opportunities originating from Canada Bank Act deregulation to be very significant notwithstanding the fact that the nature of the business has matured. But with the maturity of the business, acceptance of the white label ATM placement has become normal, routine and expected.

The Canadian market been available since deregulation in 1998, which allowed for private ownership and operation of ATM within the Interac system and although past its infancy, market saturation is not yet comparable to the United States market experience.

The United States market has developed over the past fifteen years and has reached its present mature levels, making it very difficult for expansion. The Canadian market, enhanced by national access to all regions within Canada through the Interac System allows for the opportunity for Westsphere to grow Vencash expansion through sales and distribution networks. Combined with acquisition and shared services opportunities, Westsphere's management continues to view the growth potential within the ATM and point of sale business in Canada to be very viable and one to be pursued aggressively.

Competitors

(a) Direct Cash - is one of Canada's largest ATM companies in operation. They have offices and distribution centers in all of the major cities across Canada. Direct cash sells and services Triton, Cross and NCR equipment.

(b) Frisco Bay - a large ATM corporation with integrated business operations, supplying security systems to major financial corporations and the banking industry. They sell and service Triton, DiBold, and NCR equipment.

(c) Laser Cash - is another large operator in service. This company also has distribution across Canada with head office in Mississauga, Ontario. The majority of their market is in Eastern Canada. They primarily sell the DiBold line of equipment.

(d) Cash-Line - A Victoria, B.C. based company with ATM machines in service primarily across Western Canada.

e) Numerous regional and National Companies - these companies compete on a regional basis with Vencash's regional distributor network and nationally with Vencash.

Competitive Advantages

While there are a number of competitors in the business, many of whom have substantially more equipment in the market than Vencash, the management of Vencash will continue to make calculated decisions to expand the business operations of Vencash by continuing to support our partnership program with our distribution network. Although the sourcing of acquisitions and business consolidation has been quite active in Canada it is presently not deemed to be the method of growth Westsphere and Vencash are particularly inclined to look to. Vencash management will continue to utilize selective placement and monitoring of ATM's, in order to maximum value for placement to result in high percentage returns per terminal per placement. The Company is one of the few companies in Canada actively pursuing the newly deregulated POS market and this is a part of the business which Vencash is most interested in pursuing.

History in the Canadian marketplace has demonstrated that customers will switch in response to better quality in relation to price and a more responsive and dependable customer service. Vencash is an exclusive distributor of Triton Systems Inc.'s equipment, which allows for significant pricing advantages. With its Administrative and Operational and Service Support re-organization and development Vencash

has improved its marketing and distribution network development, with expansion planned in Vencash established areas of influence as well as expansion outside of those areas.

Management believes that information, knowledge and service are the most valuable assets our employees, agents and distributors can give their customer base. Service and information dissemination

will remain the priority for the management team, every employee, distributor and strategic partner. Information processing and communications systems will integrate all components of our internal and external operations. The extensive restructuring program initiated in the first quarter of 2004 to allow for dramatic improvement in managing, operating, administrating and servicing Vencash's ATM equipment is completed and has resulted in significant efficiencies related to inventory control, service costs and maximum ATM operational up-time.

Groups consisting of management, staff, and strategic partners hold regular meetings to review operations and discuss ways to improve the quality of current products and services, develop new products and services and streamline delivery processes, control costs, and improve relationships with suppliers, distributors, dealers and above all customers. It is management's belief that the Company's information- integrated operations upon completion of the restructuring in the quarter one of 2004 will result in the following benefits to the Company:

1.

Maximum productivity and cost efficiency

2.

Maximum inventory and receivables turnovers and positive cash flow

3.

"Premium" product quality

4.

Independent decision-making with minimum supervision

5.

Highly involved and motivated people as Vencash support and distributors

6.

Total customer satisfaction

On June 08, 1998, Vencash Capital Corporation signed a supply agreement with Triton Systems, Inc., its ATM manufacturer and supplier of choice. The agreement has pricing schedules based on Vencash volume purchase requirements.

Vencash Capital has processing agreements with the following:

Data West Solutions Formerly known as TCS (Canada) Ltd), executed June 24, 1999.

Calypso Canada Ltd. executed originally August 1999 and renegotiated in December 2003.

Vencash Capital presently has 7 distributors of its equipment, products and services, under contract across Canada and 1 contracted sales person in Vancouver, B.C. and 7 contracted sales persons in the Province of Alberta, Canada. Vencash Capital is one of several nation-wide companies involved in the private ATM market in Canada. The expansion of the present operations of Vencash Capital will allow for vertical integration of other opportunities for the Company to supply financial services and packages, which can be marketed in conjunction with the ATM placement network

The private "white label" ATM business is highly competitive. The Company faces competition from large numbers of companies engaged in the selling and servicing of ATM products in all areas in which it may attempt to operate in the future. Many of the programs and companies so engaged possess greater financial and personnel resources than the Company and therefore have greater leverage to use in developing technologies, establishing plants and markets, acquiring prospects, hiring personnel and marketing. Accordingly, a high degree of competition in these areas is expected to continue. The major banks in Canada could aggressively enter the "white label" market and the Company could not overcome or compete with them due to their financial and corporate strength.

The Company has a large customer base and a large geographical area in which to market its products.

The Company and its subsidiaries are subject to the terms and conditions applicable to channels as set forth by the INTERAC network system.

b. Business of Westsphere Financial Group Ltd.

On May 18, 1999, the Company incorporated Westsphere Financial Group Ltd., a company incorporated pursuant to the laws of the Province of Alberta, Canada ("Westsphere Financial"), as a wholly owned subsidiary, to provide lease financing for ATM machines to Vencash Capital and to provide equity

financing loans to independent equipment purchasers who may or may not be contracted with Vencash Capital.

During 2003 Westsphere Financial established itself as a reseller of point of sale equipment, which representing the following manufacturers and distributors: Hypercom, Omni VeriFone and Ingenico and during this period it serviced eighteen (18) Independent Sales Organizations (ISO s). During this period the projected market model changed which saw significant changes to the marketing strategy utilized by the equipment manufacturers which eroded the profit margins originally offered and in some cases decided to move to the manufacturer direct sale to the ISO groups which Westsphere Financial had developed and serviced.

Year 2003 saw the development of the Westsphere Financial Injection Facility as an Interac approved facility allowing for secure premises where the injection of software and encryption of security codes to point of sale equipment are completed before being distributed to the various locations. This facility met the strict security requirements of Interac and resulted in a significant development cost to the Company.

A change in several point of sale manufacturer s marketing strategies to sell directly to the market and bypass such resellers such as Vencash. Other changes particularly the income source generated by the Key Injection process was dramatically reduced due to changes in Injection and software downloading operations initiated by both the point of sale equipment manufacturers and equipment switches removing any financial benefits which had been projected by Westsphere Financials management.

With Management s review, reorganization and consolidation of its business operations a complete review of the business model of Westsphere Financial Group in relation to its involvement in the point of sale business model has resulted in the suspension of related business operations related to point of sale an on November 15, 2004 negotiations regarding the sale of the business operations of Westsphere Financial Group Ltd. commenced with a closing date set for early 2005.

c. Business of Kan-Can Resorts Ltd.

On June 1, 1999, Westsphere acquired a 10% interest in Kan-Can Resorts Ltd. from Lee Beasley and William Beasley by way of a share exchange whereby Westsphere exchanged a total of 290,000 common shares of Westsphere for 69,500 common shares of Kan Can Resorts Ltd. ("Kan-Can"). The shares of Kan-Can had anti-dilution provisions which require that any shares issued in Kan-Can will be issued on a pari-parsu basis so as not to dilute Westsphere's share holdings below 10% of the total issued and outstanding common shares of Kan-Can. In a settlement of the legal proceeding between Kan Can and Alpine Resort Ltd., on December 5, 2001 Kan-Can Resorts Ltd. sold its head lease and all assets for total of \$465,087 to Banff Gate Mountain Resort Association. The owners of Banff Gate Mountain Resort are some of the timeshare owners of Alpine Resort Ltd. The terms of the sale are a deposit of \$106,844 and a six year loan of \$358,243 at 4.25% per annum with monthly payments of \$5,646 commencing on May 1, 2002. The mortgage bearing an interest rate of 4.5% with monthly payments (principal and interest) of CAD\$8,982 (US\$5,720) is accounted for by the Company as a debt investment being held to maturity. As part of the settlement agreement Banff Gate Mountain Resort Association agreed to return 32% of Kan-Can Resorts Ltd. for cancellation.

As a result of this transaction, the Company s ownership percentage of Kan-Can increased by 99% and the Company accordingly adjusted its equity in the subsidiary by \$1,630. As of today, Kan-Can has no business activities other than

collecting the monthly mortgage payment resulted from the sale of the head lease on November 26, 2001. During the Spring of 2004, the Company was notified by the Mortgagee, and subsequently confirmed in documentation form that the Government Head Lease for the property which related directly to the Kan-Can mortgage had been re-written for a period of 25 years, ensuring the

continued receipt of mortgage proceeds with out any anticipated further issues related to the mortgage security.

d. Business of Westsphere POS Services Ltd.

Services was formed to provide ATM services and point of sale to the industry. Services has had no business activity to the date of this filing.

e. Business of Westsphere Systems Inc.

Westsphere Systems was formed to be Company's technical services arm and is focusing its business development primarily by:

i.

Providing internal security for the intellectual property and technical development.

ii.

Providing premium web-hosting services to re-sellers and the general public.

iii.

Providing development space and business support for burgeoning product developers in joint venture relationships, where certain proprietary rights and development is obtained for services supplied by Westsphere Systems and integrate this development into Westsphere's present subsidiaries.

Westsphere Systems has a staff of (3) three developers/engineers with very diverse technical backgrounds including:

a.

Hardware and Systems design specialists with twelve (12) years international experience.

b.

Server and DNS specialists with global experience particularly centered in Korea and eastern Asia.

c.

Multi-national professional sales experience centering on sale of electronic components and equipment.

d.

Software engineering and development.

The Company invested limited funding to Westsphere Systems in 2003, in order to re-evaluate its business model, and in January 2004 relocated its base of operations to Calgary, Alberta. It is Systems' management view the expansion of this wholly owned subsidiary business operations in fiscal year 2005 will be rewarded by growth of the Company's consolidated revenues.

f. Business of E-Debit International Inc.

E-Debit International Inc. ("E-Debit") was incorporated pursuant to the laws of the Province of Alberta, Canada. Initial development stages focused on meeting the payment system needs of current and potential online shoppers. E-Debit's business model was based on an anonymous payment system to protect the identity of the purchaser while allowing for guaranteed payment to the merchant. This was to be

accomplished by developing and marketing a secure, anonymous online payment system that could be used by online consumers and merchants.

The consequences of the events of September 11th 2001 caused the management of Westsphere to seriously look at the anonymity factor of the E-debit process, particularly the fact that the E-debit process allowed for the anonymous transfer of currency. The anonymity extended to E-Debit itself as the E-debit

account holder's identity would not be available to E-Debit once the account numbers for that individual account had been changed by the account holder allowing for currency transfer without any ability to track or trace the account holder.

E-Debit was being developed to meet the payment system needs of current and potential online shoppers. This was to be accomplished by developing and marketing a secure, anonymous online payment system that can be used by online consumers and merchants. However due to the events surrounding September 11, 2001, this project is now pending until determination of its appropriate applications.

On February 11, 2004 Westsphere entered into a purchase agreement to acquire a further ten (10%) percent interest in E-Debit International Inc. from a non affiliated third party E-Debit shareholder. With this purchase E-Debit becomes a one hundred (100%) percent wholly owned subsidiary of Westsphere Asset. The E-Debit card process was redeveloped to be launched initially for internal specialized Westsphere related financial transfers utilizing Vencash Capital ATM equipment. To March 31, 2005 this has not been accomplished. Development and Beta Testing of a related on-line system which will be the foundation platform of the E-Debit process has been ongoing since the third quarter of 2004. During the latter part of the third quarter of 2004 and the first quarter of 2004 E-Debit continued its reorganizing and restructuring concentrating its focus on the business activities of the Company's wholly owned subsidiary Cash Direct Financial Services Inc.

In conjunction with the original functionality of the E-debit process which allows consumers to access E-Debit's proprietary payment systems the system utilizes existing electronic funds transfer protocols, allowing consumers to shop physically or virtually online without a credit card. As a further similarity to cash, the E-Debit card allows for complete anonymity. When a consumer makes an online purchase using an E-Debit card, no information is given to the merchant during the course of the purchase unless the consumer actively gives it.

As a result the anonymity aspect of E-Debit's features, this information has been isolated and is accessible only to certain restricted levels of E-debit's management and protected under the strictest of Privacy Protected legislation and procedures which can be developed. The business model has been amended in order to incorporate and integrate the E-debit process into the aspects of our ATM and Point of Sale and Cash Direct Financial Services Inc.'s other financial based business operations. E-Debit has had no business activity to the date of this Annual Report.

CASH DIRECT FINANCIAL SERVICES INC.

On July 17, 2003, Cash Direct Financial Services Inc. was incorporated under the laws of the Province of Alberta. It was incorporated in order to develop a bricks and mortar expansion to Westsphere's business expansion of non-conventional banking operations branded Personal Financial Solutions.

Non-Conventional Banking Business is described as business related activities which would be normally associated in Canada with a registered chartered bank or bank affiliated financial institution but is privately owned and operated and not affiliated with a Canadian Chartered Bank.

The first Personal Financial Solutions storefront commenced business operations on November 1, 2004 supplying short term cash advance loan agreements under the brand name CashDirect Advance , cheque cashing services and a corporate registry and filing as well as other related services. Completion of the business model and system for Personal Financial Solutions is anticipated by the end of the second quarter of 2005 at which time a national roll out of Personal Financial Solutions store fronts will be commenced.

Current Stage of Corporate Development

Cash Direct revenues generated by its Personal Financial Solutions business operations has been growing significantly on a month to month basis during the first three months of operations. As the first store front operation has been a beta test operation it has yet to generate revenues and returns to cover its operational and system development costs.

Upon completion of the business model and system being developed to manage and control its business operations and the start of the national roll out of Personal Financial Solutions stores, expected by the completion of the second quarter of 2005, Management views that Cash Direct business operations will significantly add to Westsphere's cash flow and allow for the immediate advanced development of Westsphere subsidiary E-Debit International Inc. as well as switch development through Westsphere Systems Inc.

Westsphere has 4 full-time employees and 1 consultant who is an officer and director of the Company. Vencash Capital Corporation has 6 full-time employees and 1 part-time employee working in its offices in Calgary, Alberta. Trac POS has 1 full time employee working in its offices in Calgary, Alberta. Westsphere Systems Inc. has 2 full-time employees and 1 consultant working from its offices in Calgary, Alberta. Cash Direct Financial Services has 2 full-time employees working from its offices in Calgary, Alberta

ITEM 2. DESCRIPTION OF PROPERTIES

Principal Plants and Other Property

Westsphere's property holdings are as follows:

1. 2140 Pegasus Way N.E. Calgary, Alberta T2E 8M5

Effective March 15, 2004, Westsphere consolidated all of its business operations to a 8,320 square foot facility in the North East Industrial area of Calgary just minutes away from the Calgary International Airport. Westsphere leases this property at a rate of \$7,020 per month. This facility houses Westsphere's administrative headquarters, Vencash Capital Corporation's operations, service and administrative center, Westsphere Systems Inc. and E-Debit I

2. 1528 - 9th Avenue S.E.. Calgary, Alberta T2G OT7

Westsphere's previous administrative headquarters remains under lease with two years remaining on the lease and option to purchase. On March 1, 2005 this property is subject to a sales agreement which is scheduled to close on May 1, 2005. Westsphere's financial responsibility for this property will remain at \$4,002 per month; until the sale is closed. This property was sub-let at \$3,250 per month and will remain sublet until the sale of the property is closed.

3. Suite 1430, 555 West Hastings Street, Vancouver, B.C. V6N 4N4

Westsphere's wholly owned subsidiary, Westsphere Systems Inc., leases this property for \$944 per month and it includes 560 square feet. Westsphere Systems uses these facilities to secure its 100 megabit connection broad-band supply and related Internet switching equipment and houses Westsphere's integrated Internet Server System.

ITEM 3.

LEGAL PROCEEDINGS

We are from time to time a party to legal proceeding which arises in the normal course of business. We are currently involved in material litigation, the outcome of which, would in my judgment based on information currently available, have a material consequence on our financial condition and they are listed below.

1.

Court of Queens Bench of Alberta Judicial District of Calgary

Action No. 0401-05739 - Westsphere Asset Corporation Inc. (Plaintiffs/Defendant by Counterclaim) vs Fred Sebastian (Defendants/Plaintiff by Counterclaim)

2.

Ontario Superior Court of Justice Action No. 2940-04SR

Peter Gregory (Plaintiffs/Defendant by Counterclaim) vs Vencash Capital Corporation (Defendants/Plaintiff by Counterclaim)

On April 7, 2004, Westsphere Asset Corporation Inc. filed Action No. 0401-05739 in the Court of Queens Bench of Alberta against Fred and Linda Sebastian (Defendants) to recover an outstanding loan of \$80,000.00 plus interest and court costs.

On September 03, 2004 the Defendants Fred Sebastian and Linda Sebastian responded with the filing of a Statement of Defence and Counterclaim in the amount of \$257,002.32 (Cdn).

On May 28, 2004 Peter Gregory (Plaintiff) Court File No. 2940-045R was filed in the Ontario Superior Court of Justice against Vencash Capital Corporation (Defendants). Peter Gregory was a Vencash distributor and agent who filed the action related to a claim of wrongful dismissal from Vencash of \$260,000.00. On July 30, 2004 Vencash filed a Statement of Defence and Counterclaim in the amount of \$1,600,000 for breach of contract, breach of confidence, breach of fiduciary duties, interference with economic relations, damages for inducing breach of contract, and punitive damages.

ITEM 4. SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

The Annual Meeting of Shareholders was held on January 22, 2005, at which the following items were voted upon:

1. The following directors were elected to the Board of Directors to hold such position until the next annual meeting of the shareholders or until their successor is duly elected and qualified:

<u>Voting Results</u>	<u>For</u>	<u>Against</u>	<u>Abstain</u>
Douglas Mac Donald	22,724,715	0	0
Robert Robins	22,724,715	0	0
Kim Law	22,724,715	0	0
Roy Queen	22,724,715	0	0
Bernd Reuscher	22,724,715	0	0
Jack (John) Thomson	22,724,715	0	0

2. The shareholders ratified and accepted the Company's Audited Annual Financial Statements for the fiscal year ended December 31, 2004.

<u>Voting Results</u>	<u>For</u>	<u>Against</u>	<u>Abstain</u>
	22,724,715	0	0

3. The shareholders ratified the appointment of Miller & McCollom as our U.S. auditors, who have been our auditors since December 1999 and Sam Yeung as our Canadian auditor, who has been our auditor since December 1999.

<u>Voting Results</u>	<u>For</u>	<u>Against</u>	<u>Abstain</u>
Ratify U.S. Auditors	22,724,964	0	0
Ratify Canadian Auditors	21,790,939	4,000	0

4. The shareholders voted to approve a spin-off of Vencash Capital Corporation.

As of March 18, 2005, Westsphere had 436 shareholders of record of its common stock.

No dividends on outstanding common stock have been paid within the last two fiscal years, and interim periods. Westsphere does not anticipate or intend upon paying dividends for the foreseeable future.

No dividends on outstanding common stock have been paid within the last two fiscal years, and interim periods. Westsphere does not anticipate or intend upon paying dividends for the foreseeable future.

The Company currently has 13 market makers.

ITEM 6. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND CHANGES IN FINANCIAL CONDITION AND RESULTS OF OPERATIONS

During the period of operations ended December 31, 2003, Westsphere and its subsidiaries generated a net loss of \$252,849. Westsphere and its subsidiaries generated a net loss from operations of \$569,296 for the twelve month period ended December 31, 2004. A significant increase in net loss of \$316,447 over previous year was primarily due to the impairment of assets of \$563,969. The impairment of assets consisted of the impairment test of the intellectual property of Trac Pos Processing Inc. totalling \$472,158 and the write-off of an investment in Camrose Convention Inn Inc. total \$91,811. However, we realized a significant decrease in our net loss of \$247,522 without an impairment of assets compared to the previous year. The decrease in net loss is primary due to the reorganization and restructure of operations, and an increase in placement of ATMs in the market for the twelve month period ended December 31, 2004. This is evidenced through the residual and interchange income increased of \$737,434 or 36.63% over previous year, and gross margin increased from 38.10% in year 2003 (\$1,082,550) to 39.14% in year 2004 (\$1,274,694). The salaries and benefits also decrease from year 2003 of \$612,562 to year 2004 total \$555,391. The decrease in salaries and benefits is due to the elimination of five positions since the restructure take place, which represents savings of approximately \$223,000 in annual salary. The Company in turn replaced four (4) new employees at an annual cost of \$79,390. Two (2) employees for the information technology department of \$49,060 which are primary to assist with the software development, and the other two (2) employees for the administration and accounting department of \$30,330 as office helper. The Company has completed its operational review at end of December 31, 2004. Travel, delivery and vehicle expenses also decrease from year 2003 total \$156,594 to year 2004 total \$108,851. The decreased in travel, delivery and vehicle expenses is primary due to cut back the budget for travel expenses and implement new controls and procedures for a more efficient delivery systems. Other expenses decrease from year 2003 total \$328,816 to year 2004 total \$213,802. The decreased in other expenses is primary due to cut back the budget. Westsphere has written off a long over due loan receivable of total \$62,997 due to it deems to be uncollectible in the near future. This is to comply with the Generally Accepted Accounting Principle in United States.

During the period of operations ended December 31, 2004, Westsphere debt settled \$12,004 which included consulting fee of \$1,360, and accounts payable of \$10,644. In June 2004, Westsphere acquired the remainder 10% interest of E-Debit International Inc. in exchange for Westsphere's shares of 33,333. In July 2004, Westsphere acquired an additional of 25% interest of Trac POS Processing Inc. in exchange for Westsphere's shares of 4,687,500. This acquisition would increase the Company's holding in Trac Pos Processing Inc. to 56% of the outstanding shares. In November 2004, Westsphere's subsidiary Cash Direct Financial Services raised \$39,373 by way of a loan payable from an existing shareholder of Westsphere, with an interest rate to be determined in the first quarter of year 2005. The purpose of the loan was to use it as cash circulation for Vencash's owned ATMs.

In order to growth Westsphere businesses in ATM machines, Finance/Lease and POS machines, Westsphere dependent upon private placements, loans and/or joint venture arrangements. The profit is expected to be generated by the surcharges collected from ATM machines, the sale of ATM machines, the sale of POS machines and Finance/Lease charge.

Changes in Financial Position

During fiscal year 2003, total assets decreased to \$1,669,626 primarily due to the decrease in inventory of ATM machines and POS machines. The decreased in inventory is due to Westsphere's restructuring of its

inventory system by maintaining adequate level of inventory on hand to avoid unnecessarily tied up of cash flow. Westsphere's current liabilities of \$467,790 as of December 31, 2003 consisted primarily of accounts payables of \$73,748 to suppliers for the purchase of ATM machines with \$88,468 due for consulting services, \$77,245 due for return of surcharge and interchange fees, \$70,371 due for officers and directors bonuses payable from previous year, \$13,518 due for short term loan from existing shareholder, and \$144,440 due for office expense, equipment leases, and various other general fees and charges. Long term liabilities consist of bank loan totaling \$161,953 for funds to pay down accounts payable to major supplier, convertible debentures totaling \$111,985 for funds advanced for general working capital by various related and unrelated parties and \$233,499 for outstanding accounts due to shareholders of Westsphere. Westsphere's shareholder loan of \$154,919 has interest of 18% on outstanding balance and it is a demand loan. The remainder balance of shareholder loan totaled \$78,580 with no specific terms of repayment, which was advanced by 5 Crown Investment Inc and Beasley Ranching which both are shareholders of Westsphere.

Shareholders' equity as of December 31, 2003 was \$668,999, inclusive of an accumulated loss from operations of \$943,686, as compared to shareholders equity of \$690,837 as of the same date from the previous year. Total issued and outstanding share capital as of the year ended December 31, 2002 was 28,568,140 common shares as compared to a total of 29,564,640 common shares as of December 31, 2003.

During fiscal year 2004, total assets decreased to \$1,455,327 primarily due to the decrease in accounts receivable, loans related parties and other investments. Such decrease is caused by a write-off of a long over due accounts receivable of \$62,997 and \$72,203 of other investments from Camrose Convention Inn Inc. as it is determined by the management as bad debt. For consolidation purposes, the decrease is offset by investment in Trac Pos Processing Inc. which consists of loans from related parties of \$101,909, and other investments of \$172,660. As of December 31, 2004, Westsphere's current liabilities totaled \$532,628 and consisted of accounts payable of \$85,181 to suppliers for the purchase of ATM machines and POS machines, officers and directors bonuses payable in the amount of \$60,773, surcharge and interchange payable in the amount of \$146,283, accounting and legal payable in the amount of \$49,619 and \$190,772 due for consulting services, office expense and various other general fees and charges. Long term liabilities as at December 31, 2004 consist of bank loan totaling \$123,252 for funds to pay down accounts payable to major supplier, convertible debentures totaling \$120,332 for funds advanced for general working capital by various related and unrelated parties and \$374,243 for outstanding accounts due to shareholders of Westsphere. Westsphere's shareholder loan of \$184,145 has interest of 18% on outstanding balance and it is a demand loan. The remainder balance of shareholder loan totaled \$190,098 with no specific terms of repayment, which was advanced by 5 Crown Investment Inc and Beasley Ranching which both are shareholders of Westsphere.

Shareholders' equity as of December 31, 2004 was \$294,452, inclusive of an accumulated loss from operations of \$1,512,982, as compared to shareholders equity of \$668,999 as of the same date from the previous year. Total issued and outstanding share capital as of the year ended December 31, 2003 was 1,478,303 common shares as compared to a total of 1,731,183 common shares as of December 31, 2004.

Liquidity

Westsphere expects that its need for liquidity will increase in 2005 in anticipation of expending funds to develop its growth plan. Westsphere was unable to raise funds last year necessary to grow Vencash Capital due to the condition of the financial markets.

Short Term

On a short term basis, Westsphere's subsidiary Vencash Capital is expected to generate sufficient revenues to meet overhead needs. In order to meet its growth plan, Westsphere will continue to be dependent on equity funds raised, joint venture arrangements and/or loan proceeds. Westsphere believes that it could continue as a going concern with the present revenues from its subsidiary Vencash Capital Corporation but it would be unable to meet its market growth projections without further funding outside of the ongoing revenue from operations of Vencash.

Westsphere's current assets of \$601,634 are higher than its current liabilities of \$532,628 as at the year ended December 31, 2004. The current liabilities include the bonuses to officers and director payable in the amount of \$60,773 and accounts payable to related parties of \$102,195. There is no demand of repayment on these two payable.

Long Term

As mentioned above, Westsphere believes that its subsidiary, Vencash Capital, generates sufficient ongoing revenue to ensure that Westsphere is a going concern. It is anticipated that operations will have substantial increases in net cash flow at the fiscal year ended December 31, 2004. In addition, Westsphere s believes a further substantial cost saving with the new system to improve the effectiveness and efficiency of the operations. Westsphere will remain reliant on the successful development and marketing of the products related to its business for possibility of future income.

Capital Resources

The primary capital resource of Westsphere is the operations of Vencash Capital, its wholly owned subsidiary. The secondary capital resource will be its stock which may be illiquid because of resale restrictions and/or as a result of its inability to sustain the growth of its market and the risk of takeover by competitors.

Report of Independent Registered Public Accounting Firm

Board of Directors

Westsphere Asset Corporation, Inc.

We have audited the accompanying consolidated balance sheets of Westsphere Asset Corporation, Inc. as of December 31, 2004 and December 31, 2003, and the related consolidated statements of operations, stockholders equity, and cash flows for the years ended December 31, 2004 and December 31, 2003. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Westsphere Asset Corporation, Inc. as of December 31, 2004 and December 31, 2003 and the consolidated results of its operations, stockholders' equity, and its cash flows for the years ended December 31, 2004 and December 31, 2003, in conformity with accounting principles generally accepted in the United States of America.

WESTSPHERE ASSET CORPORATION, INC.

Notes to Financial Statements

For the Years Ended December 31, 2004 and 2003

Note 1 - Organization and Principles of Consolidation

Westsphere Asset Corporation Inc. (Company) was incorporated in Colorado on July 21, 1998 as Newslink Networks TDS, Inc. and changed its name to Westsphere Asset Corporation Inc. on April 29, 1999.

The Company's primary business is the sale and operation of cash vending (ATM) and point of sale (POS) machines in Canada.

On December 12, 1998, the Company acquired 41% of Vencash Capital Corporation (Vencash), a Canadian Corporation, and then on December 17, 1999 acquired the remaining 59% of the outstanding stock of Vencash. The Vencash stock was acquired by exchanging the Company's common stock with shareholders of Vencash. Vencash is in the business of selling and installing cash vending machines (ATM machines) throughout Canada. Because certain shareholders were shareholders of both corporations, the Company accounted for its acquisition of Vencash as a reverse acquisition, which is a capital transaction and not a business combination.

On May 18, 1999, the Company formed a wholly owned Alberta subsidiary, Westsphere Financial Group Ltd. (Financial), which was organized to lease cash vending machines. During the period from June 1999 through October 2001 the Company acquired 99% of Kan-Can Resorts Ltd. (Kan-Can), an Alberta company by exchanging stock. On May 16, 2000, Vencash ATM/POS Services Inc., (formerly VC/POS/ATM Services Inc.) (Services) and Westsphere Systems Inc. (formerly 880487 Alberta Ltd.) (Systems) were incorporated as wholly owned Alberta subsidiaries of the Company. During 2000 and 2001, the Company acquired a 90% interest in E-Debit International Inc. (E-Debit), a company engaged in the development of online payment systems, and which has no other operations. On September 23, 1998, Vencash Capital Corporation incorporated Vencash Financial Corporation (Financial) in Alberta. Vencash Financial has had no business activity. In January of 2003 the company incorporated two wholly owned subsidiaries, Westsphere Development Corporation to pursue real estate development opportunities, and Westsphere Entertainment Corporation to pursue opportunities in the entertainment industries, both of which have had no business activity to date. During 2004, the Company formed a wholly owned Alberta subsidiary, Cash Direct Financial Services Ltd (Cash Direct), as a holding company for a 51% interest in 1105725 Alberta Ltd DBA Personal Financial Solutions, an Alberta Corporation, to pursue opportunities in check cashing, payday loans, and similar businesses.

Note 2 Summary of Significant Accounting Policies

These financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and are stated in United States dollars.

Use of Estimates in the Preparation of Financial Statements

The preparation of the Company's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and to report amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

Estimated Fair Value of Financial Instruments

The carrying value of accounts receivable, accounts payable and accrued expenses, and loans payable to related parties reflected in the financial statement approximate fair value due to the short-term maturity of the instruments. The fair value of the mortgage receivable (a debt investment being held to maturity), based on estimated current interest rates for comparable instruments, is \$211,190 compared to its carrying value of \$221,174.

Inventory

Inventory consists primarily of cash vending and POS machines, which are valued at the lesser of cost (on a first-in, first-out method) or net realizable value.

Earnings (Loss) per Share

Earnings (loss) per share is computed dividing the net (loss) by the weighted average number of shares outstanding during the periods ended December 31, 2004 and 2003. Fully diluted earnings per share are not presented because they are anti-dilutive.

Valuation of Long-Lived Assets

The Company periodically analyzes its long-lived assets for potential impairment, assessing the appropriateness of lives and recoverability of unamortized balances through measurement of undiscounted operation cash flows on a basis consistent with accounting principles generally accepted in the United States of America.

Revenue Recognition

Revenues are recognized in accordance with SEC Staff Accounting Bulletin (SAB) No. 101, "Revenue Recognition in Financial Statements." Under SAB 101, product revenues (or service revenues) are recognized when persuasive evidence of an arrangement exists, delivery has occurred (or service has been performed), the sales price is fixed and determinable and collectibility is reasonably assured.

Revenues from sales, leasing and servicing of individual cash vending machines are recognized when substantially all significant events to be provided by the Company have been performed. Interchange and residual revenues from the operation of vending and point-of-sale machines are recognized when the transaction is processed and due to the company.

The Company offers no warranties or right of return beyond manufacturers' warranties.

Foreign Currency

The functional currency of the Company and its subsidiaries is the Canadian dollar. The Company translates amounts into United States dollars using the current rate method. Under this method, assets and liabilities are translated to United States dollars at current exchange rates; revenues and expenses are translated at the average exchange rate during the period, and equity accounts are translated at the historical rate. Related translation adjustments are reported as other comprehensive income, a component of stockholders' equity.

Income Taxes

The Company records deferred taxes in accordance with Statement of Financial Accounting Standards (SFAS) No. 109, "Accounting for Income Taxes." The statement requires recognition of deferred tax assets and liabilities for temporary differences between the tax bases of assets and liabilities and the amounts at which they are carried in the financial statements, based upon the enacted tax rates in effect for the year in which the differences are expected to reverse. A valuation allowance is established when necessary to reduce deferred tax assets to the amount expected to be realized.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of the Company and all of its wholly-owned and majority-owned subsidiaries. All inter-company accounts have been eliminated in the consolidation.

Minority interests in the income and equity of consolidated subsidiaries that are less than wholly-owned are recorded except when the subsidiary has a deficit and there are no agreements for the minority shareholders to contribute additional capital.

Other

The Company has elected December 31 as its fiscal year end.

The Company expenses advertising costs as incurred and the total amounts for 2004 and 2003 were nominal.

The Company paid no dividends during the years presented.

Certain comparative figures for the prior period have been reclassified to conform to the current year presentation.

Note 3 Property and Equipment

Property and equipment consists of the following elements:

	Cost	Accumulated Depreciation/ Amortization	Net Amount	Depreciation Rate and Method
December 31, 2003 - Office furniture and equipment	\$ 78,461	\$ 33,657	\$ 44,804	20% DB
Computer hardware and software	146,970	82,333	64,637	30% DB
ATM machines	226,067	32,223	193,844	30% DB
Other	24,598	9960	14,638	Var
December 31, 2004 -	\$ 476,096	\$ 158,173	\$ 317,923	

Office furniture and

equipment	\$	86,673	37,485	49,188	20% DB
Computer hardware and					
software		185,772	107,958	77,814	30% DB
ATM machines		279,521	102,030	177,491	30% DB
Other		65,887	21,321	44,566	Var
	\$	617,853	268,794	349,059	

Depreciation and amortization have been provided in amounts sufficient to recover asset costs over their estimated useful lives. All components of property and equipment are being depreciated or amortized.

Note 4 Investments

On January 22, 2002, the Company bought a 10% interest in TRAC P.O.S. Processing, Inc. (TRAC POS) for \$47,137. The purchase of the 10% interest was from a related party. The Company subsequently purchased an additional 26% interest in exchange for common stock, valued at \$66,258 based on quoted market prices, which gives the Company a 36% interest in TRAC POS. During 2003, the Company settled debt in the amount of \$50,965 by exchanging a 5% interest in Trac POS Processing, Inc. This reduced the Company's holding in Trac POS Processing, Inc. to 31% of the outstanding shares of Trac POS Processing, Inc. As of December 31, 2003, the Company accounted for its investment under the equity method.

During July 2004, the Company purchased an additional 25% interest in TRAC POS for 236,042 shares valued at \$141,958 (\$.60 per share) based on market value of the stock at the transaction date. This brought the Company's ownership interest in TRAC POS to 56%, which is a controlling interest, with a cumulative purchase cost of \$244,502. For the year ended 2004, the company recorded the acquisition as a step purchase in accordance with ARB 51, and consolidated income for the year ended December 31, 2004 includes postacquisition income of the subsidiary for the year, and a minority interest was recorded for the income and equity of the subsidiary.

Fair value of the assets acquired was determined by Fair value of the assets acquired was allocated as follows:

	Book value before purchase	Fair Value
Assets	\$ 53,218	\$ 53,218
Liabilities	(210,287)	(210,287)
Intellectual Property		593,679
Total	\$ (157,069)	\$ 436,610
Purchase cost (56%)		\$ 244,502

At December 31, 2004, the Company evaluated the estimated future cash flows associated with the intellectual property of TRAC POS, and recorded an impairment loss of \$491,205.

During 2002, the Company purchased a 10% interest in Camrose Convention Inn, Inc. (Camrose) for \$6. Camrose proposes to develop a convention center and casino in Camrose, Alberta. In addition, the Company advanced funds to Camrose of \$88,222 at year-end. At December 31, 2004, the Company determined that the project was no longer feasible, and recorded an impairment loss for the entire investment.

Note 5 Loans and Convertible Debentures (Related Parties)

The Company had \$120,332 of convertible debentures outstanding to related parties at December 31, 2004. The outstanding debentures are payable to persons who are shareholders of the Company. The debentures are convertible into common stock of the Company at \$.75 a share.

At December 31, 2004, the Company also has loans payable of \$374,243 due to shareholders of the Company. The loans have no specified interest or repayment terms. The Company recorded imputed interest related to these loans as a contribution to capital.

During May 2003, the Company's subsidiary, Westsphere Financial Group, Ltd. borrowed CAD\$250,000 (US\$185,000) from a bank. The loan bears interest at the bank's prime rate plus 2% (currently 6.75%). The balance of the loan at December 31, 2004 was \$123,252. The loan is secured by the assets of the subsidiary, and is also guaranteed by the Company's subsidiary Vencash Capital Corporation and Douglas N. Mac Donald, President/CEO

Note 6 Common Stock

During 2002, the Company issued 15,807 shares of its common stock in exchange for services, at an average price of \$.14. The Company also issued 42,858 shares of its common stock at an average price of \$.04 to acquire an interest in Trac POS, and issued 313,481 shares of its common stock at an average price of \$.03 for conversion of debt.

During 2003, the Company settled debt in the amount of \$50,965 by exchanging a 5% interest in Trac POS Processing, Inc. This reduced the Company's holding in Trac POS Processing, Inc. to 31% of the outstanding shares of Trac POS Processing, Inc.

During 2003, the Company issued an additional 49,825 shares of its common stock at an average price of \$0.70 for settlement of accrued interest and salaries.

During 2004, the Company issued 15,139 shares to settle debt in the amount of \$53,652 (.28 per share). The Company also issued 1,700 shares for services valued at \$1,720 (\$1.01 per share). The Company issued 236,042 shares to acquire an interest in TRAC POS (Note 4).

Stock issued for consideration other than cash was valued based on quoted market prices.

Note 7 Outstanding Warrants

The Company had outstanding warrants to purchase 164,550 shares of its common stock at December 31, 2003, at prices ranging from \$.30 to \$1.00 per share. The warrants became exercisable in 2001 and expire at various dates through 2004.

The following schedule shows the warrants outstanding and changes made during the years ending December 31, 2004 and 2003:

	Number	Weighted Average Exercise Price
Warrants outstanding December 31, 2002	164,550	\$ 0.80
Changes during the year 2003:		
Changes during the year 2004:		

Expired	164,550	\$	0.80
Warrants outstanding December 31, 2004		\$	

Where appropriate an allocation has been made in the consolidated statements of stockholders' equity between common stock and common stock warrants to give effect to the estimated fair value of the common stock warrants.

Note 8 - Acquisition of Kan-Can Resorts Ltd., Sale of Head Lease and Mortgage Receivable

On October 19, 2001, the Company acquired 57% of Kan-Can Resorts Ltd plus a shareholder loan of \$114,425 in exchange for 200,000 shares of the Company's common stock valued at \$0.50 per share based on average quoted market price. The Company previously owned 10% of Kan-Can. The acquisition was treated as a purchase. Accordingly, the purchase price was allocated to the shareholder loan and net assets of Kan-Can based on fair market values, with the excess of \$9,294 allocated to Kan-Can's principal asset—a head lease. Prior to the acquisition, Kan-Can had nominal revenue, so no pro-forma information is presented.

On November 26, 2001 Kan-Can sold its head lease in exchange for CAD\$170,000 (US\$108,000) cash, a mortgage of CAD\$740,000 (US\$465,409), and Kan-Can common stock equaling 32% of the outstanding shares before the transaction. The mortgage bears an interest rate of 4.5% with monthly payments (principal and interest) of CAD\$8,982 (US\$5,720), and is accounted for by the Company as a debt investment being held to maturity. The shares received were returned to the treasury and canceled. As a result of this transaction, the Company's ownership percentage of Kan-Can increased to 99% and the Company accordingly adjusted its equity in the subsidiary by \$1,630.

Note 9 - Income Taxes

The Company files United States income tax returns, and the Company's operating subsidiaries file Canadian income tax returns.

The Company has estimated net operating loss carryforwards of \$741,016, which expire as follows:

2020	\$ 73,797
2021	\$ 189,587
2022	\$ 237,425
2023	\$ 240,207

2025 \$ 540,831

Estimated tax benefits resulting from U.S. net operating loss carryforwards of \$435,828 are offset by a reserve of the same amount because it is uncertain that the company will be able to utilize the carryforwards before they expire. In addition, because the Company has no US income other than from its subsidiaries, it is expected that the Company will pay no US income tax due to the expected tax credits due from any Canadian taxes paid.

Income taxes at the statutory rate are reconciled to Company's actual income taxes as follows:

	2004	2003
Tax (benefit) at statutory rate (34%)	\$ (193,561)	\$ (85,969)
Canadian tax benefits	17,785	(37,274)
Income taxes paid and accrued		(8,373)
Change in reserve for net operating loss carryforwards	197,923	(5,325)
Income tax expense (benefit)	(22,147)	(45,647)

Canadian tax benefits resulting from non-capital loss carryforwards and excess of undepreciated costs of property and equipment arising from differences between the Company's depreciation rates and those prescribed for income tax purposes and using projected Canadian tax rates are as follows:

Non-capital loss carryforwards:	\$ 42,849
Temporary differences due to depreciation methods	1,799
Income tax benefit	44,648

Note 10 - Stock Based Compensation

During 2002, the Company adopted the 2002 Employees Stock Option and Stock Award Plan for directors, employees and consultants. The maximum number of shares that may be optioned or awarded under the plan is 4,000,000. Additional provisions of the plan call for awards, exercise prices and vesting to be determined by the board of directors or its designated administrator.

Following is a table of outstanding options and changes during 2004 and 2003:

	Employee Options	Non- Employee Options	Weighted Average Exercise Price
Options Outstanding, December 31, 2002	48,500	46,794	2.80
Options granted in 2003:			
Options exercised in 2003:			
Options Outstanding, December 31, 2003	48,500	46,794	2.80
Options granted in 2004:			.70
Options exercised in 2004:			
Option expired in 2004:		42,858	2.80
Options Outstanding, December 31, 2004	48,500	3,936	1.96

All outstanding options vest immediately.

If not previously exercised or canceled, options outstanding at December 31, 2004 will expire as follows:

Year Ending December 31,	Range of Exercise Prices		Number of Shares	Weighted Average Exercise Price
	High	Low		
2007	2.80	10.00	67,000	2.80
2014	.70	.70	44,975	.70

The fair value of each option granted was computed using the Black-Scholes method using the following weighted-average assumptions:

Year Ended

December 31,

2004

Expected Volatility 250%

Risk-free interest rate: 1.33%

Expected Dividends:

Expected Term in Years: 10

AS permitted by FASB Statement No.123, the company applies the methods of APB 25 and related interpretations in accounting for stock options issues to employees and recorded no expense for these options. No employee options were issued in 2003. If the company had expensed the fair value of employee options issued in 2004, net (loss) would have been increased by \$26,983 to \$596,279.

Note 11 Commitments and Contingencies

The Company leases real estate (office and warehouse space) under non-cancelable operating leases that expire on varying dates through 2009. The Company also has various obligations for auto and equipment leases through 2008.

Minimum future rental payments under non-cancelable operating leases having remaining terms in excess of one year are as follows:

	Real Estate	Other
2005	51,251	100,892
2006	36,101	92,010
2007	14,401	19627
2008	8,498	5355
2009	14,401	

Note 12 – Related party transactions

The Company expensed \$37,500 during 2004 for consulting and management services to a company that is controlled by the Company's president, all of which is outstanding at year-end.

Note 13 Recent Accounting Pronouncements

In January 2003, the FASB issued Interpretation No. 46, "Consolidation of Variable Interest Entities." It requires existing unconsolidated variable interest entities (VIE's) to be consolidated by their primary beneficiaries if the entities do not effectively disperse risks among the parties involved. It applies immediately to VIE's created after January 31, 2003 and to VIE's in which an enterprise holds a variable interest that was acquired before February 1, 2003, the Interpretation applies for periods beginning after June 15, 2003. In December 2003, the FASB reissued Interpretation No. 46 with certain modifications and clarifications for certain VIE's. The Company has no unconsolidated VIE's and therefore its financial statements are in compliance with the requirements of Interpretation No. 46.

In April 2003, the FASB issued SFAS No. 149 "Amendment of Statement 133 on Derivative Instruments and Hedging Activities", which amends and clarifies the accounting guidance on certain derivative instruments and hedging activities. SFAS 149 is generally effective for contracts entered into or modified after June 30, 2003 and hedging relationships designated after June 30, 2003. The adoption of this statement did not impact the Company's financial position, results of operations, or cash flows.

In May 2003, the FASB issued SFAS No. 150, "Accounting for Certain Financial Instruments with Characteristics of both Liabilities and Equity." SFAS 150 establishes standards for how an issuer of equity (including the equity shares of any entity whose financial statements are included in the consolidated financial statements) classifies and measures

on its balance sheet certain financial instruments with characteristics of both liabilities and equity. SFAS 150 is effective for financial instruments entered into or modified after May 31, 2003 and for existing financial instruments after July 1, 2003. The adoption of this statement did not impact the Company's financial position, results of operations, or cash flows.

During 2004, the FASB issued SFAS No. 151, *Inventory Costs* an amendment of ARB No. 43, Chapter 4, SFAS No. 152, *Accounting for Real Estate Time-Sharing Transactions* an amendment of FASB Statements No. 66 and 67, SFAS No. 153, *Exchanges of Nonmonetary Assets* an amendment of APB Opinion No. 29, and SFAS No. 123 (revised 2004), *Share-based Payment*. These statements are effective for periods after these financial statements. We do not believe the impact of adoption of these statements will be significant to our overall results of operations or financial position.

Note 14 Subsequent Events

On April 1, 2005, the company executed a 20-for-1 reverse stock split of its common stock. All share and per-share numbers in this report have been adjusted to reflect the stock split.

ITEM 8. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE.

None.

ITEM 8A. CONTROLS AND PROCEDURES.

We maintain disclosure controls and procedures that are designed to ensure that information required to be disclosed in our Exchange Act reports is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

As of the end of the period covered by this report, we carried out an evaluation, under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures pursuant to Exchange Act Rule 13a-14. Based upon the foregoing, our Chief Executive Officer and our Chief Financial Officer concluded that our disclosure controls and procedures are effective.

PART III

ITEM 9. DIRECTORS, EXECUTIVE OFFICERS, PROMOTERS AND CONTROL PERSONS; COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

(a) Directors and officers of Westsphere and its Subsidiaries

1. Management of Westsphere

The following table furnishes the information concerning the members of the Board of Directors of Westsphere as of March 31, 2005. The Directors of Westsphere are elected every year and serve until their successors are elected and qualify.

Edgar Filing: WESTSPHERE ASSET CORP INC - Form 10KSB

Name	Age	Title	Term of Service
Douglas N. Mac Donald	56	Director, President, CEO	07/98 to present
Robert L. Robins	63	Director/V.P./Sec. Treasurer	07/98 to present
Dr. Roy Queen	62	Director	12/98 to present
Kim Law	37	V.P./CFO	05/00 to present
		Director	08/02 to present

Bernd Reuscher	61	Director	04/02 to present
Sonia Goeseels	53	Vice-President	05/00 to present

Mr. Douglas N. Mac Donald

Chief Executive Officer, President and a Director and one of the original founders of Vencash Capital Corporation. In March 1995 Mr. Mac Donald retired from the RCMP after a distinguished twenty-five year service career. In April 1995 Mr. Mac Donald developed Mac Donald Gaming Corporation and Mac Donald Venture Corporation. These companies were designed specifically to provide support to developers in the gaming industry and also to develop new business opportunities. Since 1998 Mr. Mac Donald has devoted his time to the development of Westsphere Asset Corporation and its subsidiary companies. Mr. Mac Donald is presently President and Chief Executive Officer and is a member of the Board of Directors of both Westsphere Asset Corporation and Vencash Capital Corporation.

Mr. Robert L. Robins

Vice President, Director and Secretary Treasurer of Westsphere Asset Corporation. Mr. Robins is a retired member of the Calgary Police Service, retiring in 1991 after serving in the Homicide and Criminal Intelligence Units. Prior to service with the City Police Mr. Robins was a serving member of the Canadian Armed Forces serving with the U.N. Peace Keeping in the Middle East and with NATO in Europe. After retiring from the City Police Mr. Robins was employed with Alberta Family & Social Services Fraud Investigation. Mr. Robins has a total of 38 years of experience in all levels of government Federal, Provincial and Municipal. As a result of his successful careers, the company respects Mr. Robins's counsel in the many aspects of Westsphere's day-to-day operations and acts as Westsphere's Security Officer. Mr. Robins also sits as Secretary, Treasurer, and Director of Vencash Capital Corporation.

Dr. Roy Queen, B.A.,D.M.D.,M.S.C.,M.R.C.D.

Director - Dr. Roy Queen graduated with a Doctor of Medical Dentistry (D.M.D.) and a Master's Degree in Biological Science (M.S.C.) from the University of Manitoba. He has established a successful practice in Clinical Orthodontics in Kamloops, British Columbia and became a Fellow of the Royal College of Dentistry (M.R.C.D.) Dr. Queen's business interests and holdings are varied and expansive and with the experience of being an officer and director of several publicly traded companies his advice and counsel enhances the management of Westsphere and its subsidiaries.

Bernd Reuscher-

Director- On April 30, 2002 Mr. Reuscher joined the Westsphere Board of Directors. Mr. Reuscher was employed for twenty years by Siemens AG, one of the largest German multi-national companies. During that time, Mr. Reuscher served in several Senior Executive positions in Europe, South America and Southeast Asia. Since 1994, Mr. Reuscher has been involved in the ownership and management of several private Canadian corporations in the areas of fast food franchising, fast food processing, land development, design and construction of high-end apartment buildings, corporate registries services and research and design of environmental products. Mr. Reuscher graduated in 1973 with an Engineering Degree in Telecommunications in Hamburg, Germany.

Mr. Kim S. Law

Director-CFO-Vice President of Finance - Mr. Law has held this position since May, 2000. Mr. Law has been instrumental in establishing the financial controls for Westsphere Asset Corporation and all of its Subsidiary companies. From July 1999 to April 2000, Mr. Law was the Vice President Finance of Kan-Can Resorts Ltd., a property development company. The prior nine years Mr. Law was the Controller in the Hospitality and Resort Industry.

Ms. Sonia Goeseels

Vice President of Administration for Westsphere Asset Corporation. This position includes the responsibilities of Executive Assistant to the Board of Directors. Ms. Goeseels has held this position with Westsphere Asset Corporation since May 2000. Ms. Goeseels was employed in the Hospitality and Resort Industry in various capacities with the responsibilities in the areas of Administration and Management. Westsphere calls upon Mrs. Goeseels considerable administrative background along with her commercial marketing, client service and customer relations experience in order to coordinate the Administration and Management of Westsphere and its subsidiary companies.

Mr. Jack Thomson Director Mr Thomson was appointed to the Board on October 23, 2004. Mr Thomson served in the Canadian military from 1943 to 1978 and retired at that time with the rank of Colonel. From 1978 to 1983 he was Vice-President and co-owner of a Seattle based automobile dealership Auburn Lincoln Mercury Inc. During the same period he was also President and C.E.O. of Auburn Import Export as well as Auburn Electronics. In 1983, he returned to Canada and became the C.E.O. and C.O.O. of International Tempest Company, which provides electronic security sensing devices. From 1986 to 1990 he was Executive Director of the Canadian Red Cross Society, Kingston and District Branch.

Presently Mr. Thomson is the President and C.E.O. as well as the sole shareholder of the Cedar Island Sales and Service Ltd., a electronic gaming and lottery company and is an active member of the Board of Directors of the "Break Open Ticket Program Management Alliance". He is currently the Chairman of the "Ethics and Education" committee. From 1989 to 1995, Mr. Thomson served as Vice-Chairman of the Board of Director of the Canadian Forces "Communication Museum" and upon the death of the Chairman Mr. A.J.E. Child QC, CD became the Chairman and C.E.O. From 1994 to 1986, Mr. Thomson served on the Board of Directors of the Canadian Red Cross Kingston Ontario Division

Mr. Jack (John) Thomson	75	Director	11/04 to 01/2005

For information on Douglas N. Mac Donald, Robert L. Robins, Sonia Goeseels, Kim Kaw, and Dr. Roy Queen, see "Management of Westsphere Asset Corporation Inc.", above.

Darrell D. Wakelam, -Director of Westsphere Entertainment Corporation, Darrell is a retired member of the Royal Canadian Mounted Police who is acknowledged as one of the most qualified experts in the field of gambling and gaming investigations in Western Canada. Retiring from the RCMP in 1991 as one of the Force's four National Gaming Specialists, Mr. Wakelam joined the Alberta Gaming Control Branch as a Gaming Inspector where he was employed until 1994 after which time he was employed by the British Columbia Public Gaming Branch.

During his periods as an RCMP Gaming Specialist and Provincial Gaming Investigator in both Alberta and British Columbia, Mr. Wakelam was qualified as an expert witness in both regulated and criminal gaming investigations at every level of the judicial system (magistrates, Provincial, and Queens Bench) in the Provinces of British Columbia, Alberta, the North West Territories and the Yukon. Mr. Wakelam is recognized as one of the foremost security specialists in relation to Casino Gaming Security Operations in Western Canada and upon his departure from the government service entered into the field of corporate gaming security and operations.

The Board of Directors of Westsphere Asset Corporation Inc., at present, does not have an audit committee.

The term of office for each Director is one (1) year, or until his/her successor is elected at Westsphere's annual meeting and qualified. The term of office for each officer of Westsphere is at the pleasure of the Board of Directors.

(b) Section 16(a) Beneficial Ownership Reporting Compliance

None of Westsphere's officers, directors or beneficial owners of more than 10% of our securities did not file on a timely basis reports required by Section 16(a) of the Securities Exchange Act of 1934 during the most recent fiscal year or prior fiscal years and no such persons is known by Westsphere to have failed to file any such reports.

As of the date of the filing of this report, the Company has not adopted a code of ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions. The Company in its last annual filing announced its intention to prepare such a code of ethics and present it to its Board of Directors for adoption during the end of the fiscal year 2005. To the date of the preparation of this code of ethics has not been completed with further review and counsel being sought through legal opinion. Upon completion and adoption, the Company intends to will a copy of its code of ethics with the Securities and Exchange Commission as an exhibit to its next periodic report after adaptation of a Code of Ethics and post it on its website.

ITEM 10. EXECUTIVE COMPENSATION*Cash Compensation*

Compensation paid by Westsphere for all services provided during the fiscal year ended December 31, 2004, (1) to each of Westsphere's five most highly compensated executive officers whose cash compensation exceeded \$100,000 and (2) to all officers as a group is set forth below under directors.

SUMMARY COMPENSATION TABLE OF EXECUTIVES

Name and Principal Position	Year	Salary	Stock Options
Douglas N. Mac Donald*	-	-	-
President and Director	2001	\$33,393	0
	2002	\$38,049	375,000

Compensation of Directors

Westsphere did not pay any compensation services provided as directors during the fiscal year ended December 31, 2004.

Termination of Employment and Change of Control Arrangements

None.

ITEM 11. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information concerning the beneficial ownership of our outstanding common stock as of March 18, 2005 for:

each of our directors and executive officers individually;

each person or group that we know owns beneficially more than 5% of our common stock; and

all directors and executive officers as a group.

Rule 13d-3 under the Securities Exchange Act defines the term, "beneficial ownership". Under this rule, the term includes shares over which the indicated beneficial owner exercises voting and/or investment power. The rules also deem common stock subject to options currently exercisable, or exercisable within 60 days, to be outstanding for purposes of computing the percentage ownership of the person holding the options but do not deem such stock to be outstanding for purposes of computing the percentage ownership of any other person. The applicable percentage of ownership for each shareholder is based on 35,372,243 shares of common stock outstanding as of March 18, 2005, together with applicable options for that shareholder. Except as otherwise indicated, we believe the beneficial owners

of the common stock listed below, based on information furnished by them, have sole voting and investment power over the number of shares listed opposite their names.
