SECTION 2 - FINANCIAL INFORMATION

Item 2.05 Costs Associated With Exit or Disposal Activities.

Edgar Filing: CIRCUIT CITY STORES INC - Form 8-K

On February 16, 2005, Circuit City Stores, Inc. issued a press release announcing the closing of 19 Superstores and five regional offices. The closings are expected to be completed by the end of the current month. The press release is attached as Exhibit 99.1 to this report.

Based on continuing analysis of markets across the country, the Company has identified 19 Superstores located in trade areas that the Company believes can no longer support a Circuit City Superstore, leaving the locations with no reasonable expectation of positive cash flow and without relocation opportunities over the near term. In many larger markets in which the Company is closing stores, it has added incremental stores in more vital trade areas or relocated stores to more attractive sites. The repositioning its stores within these markets continues, and it no longer makes financial sense to keep some of the stores in those markets open.

The closings were authorized by Circuit City's board of directors on February 15, 2005 and communicated to affected employees on February 16, 2005.

Circuit City expects to incur expenses of approximately \$30 million after tax in conjunction with the store and regional office closings. The costs relate to lease contract termination costs of approximately \$22 million after tax, other associated costs such as fixed asset disposals of approximately \$7 million after tax and one-time termination benefits of approximately \$1 million after tax. The costs will be recorded in the fourth quarter of the current fiscal year. The termination benefits and the lease termination costs will result in future cash expenditures.
