SAFE HARBOR STATEMENT / M&A DISCLOSURE

This announcement may contain, in addition to historical information, certain forward-looking statements that involve risks and uncertainties. Actual results could differ materially from those currently anticipated as a result of a number of factors, including risks and uncertainties discussed in Gart Sports' and The Sports Authority's filings with the Securities and Exchange Commission. Those risks include, among other things, the competitive environment in the sporting goods industry in general and in the specific market areas of Gart Sports and The Sports Authority, consumer confidence, changes in discretionary consumer spending, changes in costs of goods and services and economic conditions in general and in the companies' specific market areas, unseasonable weather and those risks generally associated with the integration of the two companies. There can be no assurance that the merger will close, as to the timing of the closing, that the companies will be integrated successfully or without unanticipated costs or that anticipated synergies or other benefits will be realized. The companies assume no obligation to update any forward-looking statements as a result of new information or future events or developments.
