Upon 30 days' prior written notice to the depositary, we may terminate the deposit agreement if (a) such termination is necessary to preserve our status as a REIT or (b) a majority of each series of preferred stock affected by such termination consents to such termination. Upon the termination of the deposit agreement, the depositary shall deliver or make available to each holder of depositary receipts, upon surrender of the depositary receipts held by such holder, such number of whole or fractional shares of preferred stock as are represented by the depositary shares evidenced by the depositary receipts together with any other property held by the depositary with respect to the depositary receipt. If the deposit agreement is terminated to preserve our status as a REIT, then we will use our best efforts to list the preferred stock issued upon surrender of the related depositary shares on a national securities exchange.

The deposit agreement will automatically terminate if (a) all outstanding depositary shares shall have been redeemed, (b) there shall have been a final distribution in respect of the related preferred stock in connection with our liquidation, dissolution or winding up and such distribution shall have been distributed to the holders of depositary receipts evidencing the depositary shares representing such preferred stock or (c) each share of the related preferred stock shall have been converted into our capital stock not so represented by depositary shares.

### Charges of Depositary

## Edgar Filing: CALAVO GROWERS INC - Form 4

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the deposit agreement. In addition, we will pay the fees and expenses of the depository in connection with the performance of its duties under the deposit agreement. However, holders of depository receipts will pay certain other transfer and other taxes and governmental charges. The holders will also pay the fees and expenses of the depository for any duties, outside of those expressly provided for in the deposit agreement, the holders request to be performed.

### **Resignation and Removal of Depository**

The depository may resign at any time by delivering to us notice of its election to do so. We may at any time remove the depository, any such resignation or removal will take effect upon the appointment of a successor depository. A successor depository must be appointed within 60 days after delivery of the notice of resignation or removal and must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of \$50,000,000 or more.

### **Miscellaneous**

The depository will forward to holders of depository receipts any reports and communications from us which are received by the depository with respect to the related Preferred Stock.

30

---

We and the depository will not be liable if either of us is prevented from or delayed in, by law or any circumstances beyond its control, performing its obligations under the deposit agreement. Our obligations and the depository's obligations under the deposit agreement will be limited to performing the duties thereunder in good faith and without negligence, in the case of any action or inaction in the voting of preferred stock represented by the depository shares, gross negligence or willful misconduct. If satisfactory indemnity is furnished, we and the depository will be obligated to prosecute or defend any legal proceeding in respect of any depository receipts, depository shares or shares of preferred stock represented thereby. We and the depository may rely on written advice of counsel or accountants, or information provided by persons presenting shares of preferred stock represented by depository receipts for deposit, holders of depository receipts or other persons believed in good faith to be competent to give such information, and on documents believed in good faith to be genuine and signed by a proper party.

In the event the depository shall receive conflicting claims, requests or instructions from any holders of depository receipts, on the one hand, and us, on the other hand, the depository shall be entitled to act on our claims, requests or instructions.

## **DESCRIPTION OF COMMON STOCK**

### **General**

Chelsea's authorized capital stock includes 50 million shares of common stock, \$.01 par value per share. For each outstanding share of common stock held, the holder is entitled to one vote on all matters presented to stockholders for a vote. Cumulative voting is not permitted. Holders of the common stock do not have preemptive rights. At September 20, 2002, there were 37,954,571 shares of common stock outstanding.

All shares of common stock issued and sold will be duly authorized, fully paid, and non-assessable. Distributions may be paid to the holders of common stock if and when declared by our Board of Directors. Dividends will be paid out of funds legally available for dividend payment. We have paid quarterly dividends, beginning with a dividend for the portion of the quarter from the closing of our initial public offering in November 1993.

Under Maryland law, stockholders are generally not liable for our debts or obligations. If we are liquidated, subject to the right of any holders of preferred stock to receive preferential distributions, each outstanding share of common stock will be entitled to participate pro rata in the assets remaining after payment of, or adequate provision for, all of our known debts and liabilities.

### **Certain Provisions of Our Articles of Incorporation**

Our Board of Directors is divided into three classes of directors, with each class constituting approximately one-third of the total number of directors. The classes serve staggered terms. At each annual meeting of stockholders, the class of directors to be elected at such meeting will be elected for a three-year term and the directors in the other two classes will continue in office. We believe that classified directors will help to assure the continuity and stability of the Board of Directors and our business strategies and policies. The use of a staggered board may make a

change in our control and/or the removal of incumbent management more difficult.

### **Restrictions on Ownership**

In order to qualify as a REIT under the Code, not more than 50% in value of our outstanding common stock may be owned, directly or indirectly, by five or fewer individuals, as defined in the Code, during the last half of a taxable year and the common stock must be beneficially owned by 100 or more persons during 335 days of a taxable year of 12 months, or during a proportionate part of a

31

shorter taxable year. To satisfy the above ownership requirements and certain other requirements for qualification as a REIT, our Board of Directors has adopted, and the stockholders approved, a provision in the Articles of Incorporation restricting the ownership or acquisition of shares of common stock.

### **Registrar and Transfer Agent**

EquiServe, Boston, Massachusetts is the Registrar and Transfer Agent for the common stock.

### **PLAN OF DISTRIBUTION**

We may sell the securities to one or more underwriters for public offering and sale by them or may sell the securities to investors directly or through agents. We will name, in the applicable prospectus supplement, any such underwriter or agent involved in the offer and sale of the securities.

Underwriters may offer and sell the securities at a fixed price or prices, which may be changed, at prices related to the prevailing market prices at the time of sale or at negotiated prices. We may, from time to time, authorize underwriters acting as our agents to offer and sell the securities upon the terms and conditions as are set forth in the applicable prospectus supplement. In connection with the sale of securities, underwriters may be deemed to have received compensation from us in the form of underwriting discounts or commissions and may also receive commissions from purchasers of securities for whom they may act as agent. Underwriters may sell securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agent.

We will set forth in the applicable prospectus supplement any underwriting compensation either of us pays to underwriters or agents in connection with the offering of securities, and any discounts, concessions or commissions allowed by underwriters to participating dealers. Underwriters, dealers and agents participating in the distribution of the securities may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the securities may be deemed to be underwriting discounts and commissions, under the Securities Act. Underwriters, dealers and agents may be entitled, under agreements entered into with us, to indemnification against and contribution toward certain civil liabilities, including liabilities under the Securities Act.

If the applicable prospectus supplement so indicates, we will authorize dealers acting as our agents to solicit offers by certain institutions to purchase securities from them at the public offering price set forth in such prospectus supplement pursuant to Delayed Delivery Contracts ("Contracts") providing for payment and delivery on the date or dates stated in such prospectus supplement. Each Contract will be for an amount not less than, and the aggregate principal amount of securities sold pursuant to Contracts shall be equal to, the respective amounts stated in the applicable prospectus supplement. Institutions with whom Contracts, when authorized, may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions, and other institutions but will in all cases be subject to our approval. Contracts will not be subject to any conditions except (a) the purchase by an institution of the securities covered by its Contracts shall not at the time of delivery be prohibited under the laws of any jurisdiction in the United States to which such institution is subject, and (b) if the securities are being sold to underwriters, we shall have sold to such underwriters the total principal amount of the securities less the principal amount thereof covered by Contracts.

In the ordinary course of business, certain of the underwriters and their affiliates may be customers of, engage in transactions with and perform services for us.
