**Item 12. Results of Operations and Financial Condition.**

On August 6, 2003, St. Mary Land & Exploration Company issued a press release which announced its results of operations for the quarterly period ended June 30, 2003. The press release is furnished as part of this report as Exhibit 99.1. As indicated in the press release, the Company has scheduled a related second quarter 2003 earnings teleconference call for August 7, 2003 at 8:00 a.m. (MDT). The teleconference call is publicly accessible and the press release includes instructions as to when and how to access the teleconference and the location on the Company's web site where the teleconference information will be available.

The press release contains information about the Company's discretionary cash flow, which is a "non-GAAP financial measure" under SEC rules. The press release also presents information about the Company's net cash provided by operating activities, which is the most directly comparable GAAP financial measure, and contains a reconciliation of discretionary cash flow to net cash provided by operating activities for the periods presented, a presentation of other cash flow information under GAAP, and a statement indicating why management believes that the presentation of discretionary cash flow provides useful information to investors.
