PricewaterhouseCoopers LLP has been the auditor of the Corporation since its incorporation in 1977.

Edgar Filing: THOMSON CORP /CAN/ - Form 40-F

Fees payable to PricewaterhouseCoopers LLP for the years ended December 31, 2003 and 2002 were as follows:

Fees in millions of U.S. dollars	2003	2002

Audit-related fees	6.3	2.9
Tax fees	7.5	7.8
All other fees	1.7	4.0
Total	26.2	26.0

Audit Fees

These audit fees were for professional services rendered for the audits of the Corporation's consolidated financial statements, review of interim financial statements included in the Corporation's quarterly reports and services that generally only the independent auditor can reasonably provide, such as comfort letters, statutory audits, consents, and assistance and review of documents filed with the Securities and Exchange Commission and Canadian securities regulatory authorities.

Audit-Related Fees

These audit-related fees were for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under the "audit fees" category above. These services included Sarbanes-Oxley Section 404 advisory services, internal control reviews, audits of the Corporation's various employee benefit plans, transaction due diligence, subsidiary audits, and other services related to acquisitions and dispositions.

These tax fees were for tax compliance, tax advice and tax planning. Insurance, transaction and benefit plan advisory services;

Review of non-financial information systems design and implementation in 2002; and

French translations of financial statements, management's discussion and analysis and financial information included in our annual information form, prospectuses and other offering documents.

Pre-Approval Policies and Procedures

The Corporation's audit committee is responsible for overseeing the work of the independent auditors and has considered whether the provision of services other than audit services is compatible with maintaining the auditors' independence. The audit committee has adopted a policy regarding its pre-approval of all audit and permissible non-audit services provided by the independent auditors. The policy gives detailed guidance to the Corporation's management as to the specific types of services that have been pre-approved. The policy requires audit committee specific approval of all other permitted types of services that have not been pre-approved. The Corporation's senior management periodically provides the audit committee with a summary of services provided by the independent auditors in accordance with the pre-approval policy. The audit committee's charter delegates to its Chair the authority to evaluate and approve engagements in the event that the need arises for pre-approval between audit committee meetings. If the Chair approves any such engagements, he reports his approval decisions to the full audit committee at its next meeting. For the year ended December 31, 2003, none of the audit-related, tax or all other fees described above made use
