Question: *How many votes are required to hold the Annual Meeting and what are the voting procedures?*

Answer: Quorum Requirement: As of the Record Date, 10,329,934 shares of the Company's common stock were issued and outstanding. A majority of the outstanding shares entitled to vote at the Annual Meeting, present or represented by proxy, constitutes a quorum for the purpose of adopting proposals at the Annual Meeting. If you submit a properly executed proxy, then you will be considered part of the quorum.

Required Votes: Each outstanding share of our common stock is entitled to one vote on each proposal at the Annual Meeting, subject to the limitation in our Certificate of Incorporation that provides that record holders of our common stock who beneficially own in excess of 10% of our outstanding shares of common stock are not entitled to vote the shares held in excess of this voting limitation. If Item 3, as further discussed below, is approved by the stockholders at the Annual Meeting, the voting limitation described in the preceding sentence will no longer be applicable to future stockholder votes.

If there is a quorum at the Annual Meeting, the matters to be voted upon by the stockholders require the following votes for such matter to be approved:

Election of Directors. The two (2) director nominees who receive the greatest number of votes cast for director nominees will be elected. There is no cumulative voting for our directors. If you indicate "withhold authority to vote" for a particular nominee on your proxy card, your vote will not count either "FOR" or "AGAINST" the nominee. Abstentions are not counted in the election of directors and do not affect the outcome.

Declassification of Board of Directors. The affirmative vote of holders of at least 80% of our outstanding shares is required to approve the amendment to the Certificate of Incorporation to declassify the Board of Directors and to provide for the annual election of directors beginning with the 2013 Annual Meeting of Stockholders.

Elimination of the Limitation on the Ability of Stockholders to Vote Shares of Our Common Stock above Specified Ownership Thresholds. The affirmative vote of holders of at least 80% of our outstanding shares is required to approve the amendment to the

Table of Contents

Certificate of Incorporation to eliminate the limitation on the ability of stockholders to vote shares of our common stock above specified ownership thresholds.

Reduction of Various Voting Thresholds for Amending Provisions in, and Taking Certain Actions under, Our Certificate of Incorporation. The affirmative vote of holders of at least 80% of our outstanding shares is required to approve the amendment to the Certificate of Incorporation to reduce various voting thresholds for amending provisions in, and taking certain actions under, our Certificate of Incorporation.

Elimination of the Current Provisions of Article EIGHTH (which Governs Business Combinations with Interested Stockholders) and Replace It with a Statement of the Company's Express Intention to be Governed by Section 203 of the DGCL. The affirmative vote holders of at least 80% of our outstanding shares is required to approve the amendment to the Certificate of Incorporation to eliminate the current provisions of Article EIGHTH (which governs business combinations with interested stockholders) and replace it with a statement of the Company's express intention to be governed by Section 203 of the DGCL.

Elimination of Article NINTH (which Enumerates Factors that the Board of Directors May Consider in Connection with Certain Proposed Corporate Transactions). The affirmative vote of holders of at least the majority of our outstanding shares is required to approve the amendment to the Certificate of Incorporation to eliminate Article NINTH.

Increase in Authorized Shares. The affirmative vote of holders of at least the majority of our outstanding shares is required to approve the amendment to the Certificate of Incorporation to increase our outstanding shares of common stock from 15,000,000 to 25,000,000 shares.

Advisory Vote on Approval of Executive Compensation. The affirmative vote of holders of at least the majority of the shares for which votes are cast at the Annual Meeting is required to approve, on a non-binding advisory basis, the compensation of our Named Executive Officers.

Advisory Vote on Frequency of Approval of Executive Compensation. The frequency that receives the highest number of votes cast at the Annual Meeting will constitute the non-binding advisory recommendation of the stockholders as to the frequency of future advisory votes on the Named Executive Officer compensation.

Approval of the Company's 2012 Long-Term Incentive Plan. The affirmative vote of holders of at least the majority of the shares for which votes are cast at the Annual Meeting is required to approve the Company's 2012 Long-Term Incentive Plan.

Ratification of Independent Auditors. The affirmative vote of holders of at least the majority of the shares for which votes are cast at the Annual Meeting is required for ratification of the appointment of VTD as our independent auditor for 2012.

Adjournment of the Annual Meeting. The affirmative vote of holders of at least the majority of the shares for which votes are cast at the Annual Meeting is required to approve the adjournment of the Annual Meeting to a later date or dates, if necessary, to permit further solicitation of additional proxies.

If a broker indicates on its proxy that it submits to the Company that it does not have authority to vote certain shares held in "street name," the

Table of Contents

shares not voted are referred to as "broker non-votes." Broker non-votes occur when brokers do not have discretionary voting authority to vote certain shares held in "street name" on particular proposals under the rules of the New York Stock Exchange, and the "beneficial owner" of those shares has not instructed the broker how to vote on those proposals. If you are a beneficial owner, your broker, bank or other nominee is permitted to vote your shares for or against "routine" matters such as the ratification of the appointment of our independent registered public accounting firm, even if the holder does not receive voting instructions from you. Brokers are not permitted to exercise discretionary voting authority to vote your shares for or against "non-routine" matters such as the election of directors. All of the matters on which stockholders will be asked to vote on at the Annual Meeting, with the exception of Item 11, Ratification of Independent Auditors, are "non-routine" matters.

Shares represented by proxies that are marked vote "withheld" with respect to the election of any nominee for director will not be considered in determining whether such nominee has received the affirmative vote of a plurality of the shares. Shares represented by proxies that are marked "abstain" with respect to any other matter to be voted upon at the Annual Meeting, with the exception of Items 8 through 12, will have the effect of a negative vote.

Question: *How may I cast my vote?*

Answer: If you are the stockholder of record, you may vote by one of the following four methods (as instructed on the enclosed proxy card):

in person at the Annual Meeting,

via the Internet,

by telephone, or

by mail.

If you would like to vote in person at the Annual Meeting and would like to obtain directions to the Annual Meeting please contact Investor Relations, Pacific Premier Bancorp, Inc., 1600 Sunflower Avenue, Costa Mesa, California 92626 at (714) 431-4000.

If you elect to vote by mail and you received a printed proxy card, you may mark, sign, date and mail the proxy card you received from us in the return envelope. If you did not receive a printed proxy card and wish to vote by mail, you may do so by requesting a paper copy of the proxy materials (as described below), which will include a proxy card.

Whichever method of voting you use, the proxies identified on the proxy card will vote the shares of which you are the stockholder of record in accordance with your instructions. If you submit a proxy card properly voted and returned through available channels without giving specific voting instructions, the proxies will vote the shares as recommended by our Board of Directors.

If you own your shares in "street name," that is, through a brokerage account or in another nominee form, you must provide instructions to the broker or nominee as to how your shares should be voted. Your broker or nominee will usually provide you with the appropriate instruction forms at the time you receive this Proxy Statement and our annual report. If you own your shares in this manner, you cannot vote in person at the Annual Meeting unless you receive a proxy to do so from the broker or the nominee, and you bring the proxy to our Annual Meeting.

Question: *How may I cast my vote over the Internet or by telephone?*

Answer: Voting over the Internet: If you are a stockholder of record, you may use the Internet to transmit your vote up until 11:59 P.M., Eastern Time, May 29, 2012. Visit www.proxyvote.com and have your proxy card in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.

Voting by Telephone: If you are a stockholder of record, you may call 1-800-776-9437 and use any touch-tone telephone to transmit your vote up until 11:59 P.M., Eastern Time, May 29, 2012. Have your proxy card in hand when you call and then follow the instructions.

If you hold your shares in "street name," that is through a broker, bank or other nominee, that

Table of Contents

institution will instruct you as to how your shares may be voted by proxy, including whether telephone or Internet voting options are available.

Question: *How may a stockholder nominate someone at the Annual Meeting to be a director or bring any other business before the Annual Meeting?*

Answer: The Company's bylaws require advance notice to the Company if a stockholder intends to attend an annual meeting of stockholders in person and to nominate someone for election as a director or to bring other business before the meeting. Such a notice may be made only by a stockholder of record within the time period established in the bylaws and described in each year's Proxy Statement.

Question: *How may I revoke or change my vote?*

Answer: If you are the record owner of your shares, and you completed and submitted the proxy card, you may revoke your proxy at any time before it is voted at the Annual Meeting by:

submitting a new proxy card with a later date,

delivering written notice to our Secretary on or before May 29, 2012, stating that you are revoking your proxy,

attending the Annual Meeting and voting your shares in person, or

If you are a record owner of your shares and you submitted your proxy by telephone or via the Internet, you may change your vote or revoke your proxy with a later telephone or Internet proxy, as the case may be.

Please note that attendance at the Annual Meeting will not, in itself, constitute revocation of your proxy.

If you own your shares in "street name," you may later revoke your voting instructions by informing the bank, broker or other holder of record in accordance with that entity's procedures.

Question: *Who is paying for the costs of this proxy solicitation?*

Answer: Our Company will bear the cost of preparing, printing and mailing the materials in connection with this solicitation of proxies. In addition to mailing these materials, officers and regular employees of our Company may, without being additionally compensated, solicit proxies personally and by mail, telephone, facsimile or electronic communication. Question: *Who will count the votes?*

Answer: American Stock Transfer & Trust Co., our inspector of elections for the Annual Meeting, will receive and tabulate the ballots and voting instruction forms.

Question: *How can I obtain the Company's Corporate Governance information?*

Answer: Our Company's Corporate Governance information is available on our website at www.ppbi.com under the Investor Relations section. Our stockholders may also obtain written copies at no cost by writing to us at 1600 Sunflower Avenue, Costa Mesa, California 92626, Attention: Investor Relations Department, or by calling (714) 431-4000.

One of the three classes is elected each year to succeed the directors whose terms are expiring. Each nominee is currently a director of the Company and each has indicated that he is willing and able to continue to serve as a director. We have provided biographical and other information on each of the nominees beginning on page 8 of this Proxy Statement.

John D. Goddard

Joseph L. Garrett

Our Board of Directors has adopted an amendment to our Certificate of Incorporation that, if approved by the stockholders at this Annual Meeting, will eliminate the three-year staggered terms of our directors and provide instead for the annual election of all directors beginning with the 2013 Annual Meeting of Stockholders. See Item 2 below for further details concerning the proposal to declassify our Board. To effectuate this change, each director who is standing for re-election at this Annual Meeting and each director currently serving a term that expires in 2014 will resign his Board seat following the Annual Meeting and the filing of the Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware (as further discussed below), but only if the required proposed amendment described in Item 2 below receives the requisite vote of stockholders at the Annual Meeting. Additionally, our Board intends that each such resigning director will be immediately re-appointed to his respective Board seat by the remaining members of our Board.

Vote Required

The two (2) director nominees who receive the greatest number of votes cast for the director nominees will be elected. There is no cumulative voting for our directors. If you indicate "withhold" for a particular nominee on your proxy card, your vote will not be considered in determining whether a nominee has received the affirmative vote of a plurality of the shares. The election of directors is considered a "non-routine" item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Therefore, broker "non-votes" will not be considered in determining whether a nominee has received the affirmative vote of a plurality of the shares.

If any nominee becomes unable or unwilling to serve, which is not anticipated, the accompanying proxy may be voted for the election of such other person as shall be designated by the Nominating and Corporate Governance Committee ("Nominating Committee") of our Board of Directors. Proxies granted may not be voted for a great number of nominees than the two (2) named above. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** each of the nominees listed above.

Recommendation of the Board of Directors

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS
VOTE "FOR" EACH OF THE DIRECTOR NOMINEES.**

Corporate Governance

We value strong corporate governance principles and adhere to the highest ethical standards. These principles and standards, along with our core values of fairness and caring, assist us in achieving our corporate mission. To foster strong corporate governance and business ethics, our Board of Directors continues to take many steps to strengthen and enhance our corporate governance practices and principles. As part of the Company's continuous effort to improve its corporate governance practices, the Board has extensively considered certain provisions in its Certificate of Incorporation and determined that it would serve the best interests of the Company's stockholders to amend the Certificate of Incorporation to (i) declassify the Board of Directors so that directors will serve for a one-year term, beginning with the 2013 Annual Meeting of Stockholders, (ii) eliminate the voting limit applicable to stockholders who beneficially own in excess of 10% of our common stock, (iii) reduce various voting thresholds for stockholder approval of certain matters under the Certificate of Incorporation, (iv) eliminate the current provisions of Article EIGHTH (which governs business combinations with interested stockholders) and replace it with a statement of the Company's express intention to be governed by Section 203 of the DGCL, and (v) remove Article NINTH from the Certificate of Incorporation (which enumerates factors that the Board of Directors may consider in connection with certain proposed corporate transactions), each of which is more fully described below. In addition, we have adopted Corporate Governance Guidelines to achieve the following goals:

to promote the effective functioning of the Board of Directors;

to ensure that the Company conducts all of its business in accordance with the highest ethical and legal standards; and

to enhance long-term stockholder value.

The full text of our Corporate Governance Guidelines is available on our website at www.ppbi.com under the Investor Relations section. Our stockholders may also obtain a written copy of the guidelines at no cost by writing to us at 1600 Sunflower Avenue, Costa Mesa, California 92626, Attention: Investor Relations Department, or by calling (714) 431-4000.

The Nominating Committee of our Board of Directors administers our Corporate Governance Guidelines, reviews performance under the guidelines and the content of the guidelines annually and, when appropriate, recommends updates and revisions to our Board of Directors.

Director Qualifications, Diversity and Nomination Process

Our Nominating Committee is responsible for reviewing with the Board of Directors annually the appropriate skills and characteristics required of the Board members, and for selecting, evaluating and recommending nominees for election by our stockholders. The Nominating Committee has authority to retain a third-party search firm to identify or evaluate, or assist in identifying and evaluating, potential nominees if it so desires, although it has not done so to date.

In evaluating both the current directors and the nominees for director, the Nominating Committee considers such other relevant factors as it deems appropriate, including the current composition of the Board, the need for Audit Committee expertise, and the director qualification guidelines set forth in the Company's Corporate Governance Policy. Under the Company's Governance Policy, the factors considered by the Nominating Committee and the Board in its review of potential nominees and directors include: integrity and independence; substantial accomplishments, and prior or current association with institutions noted for their excellence; demonstrated leadership ability, with broad experience, diverse perspectives, and the ability to exercise sound business judgment; the background and experience of candidates, particularly in areas important to the operation of the Company such as business, education, finance, government, law or banking; the ability to make a significant and immediate contribution to the Board's discussions and decision-making; special skills,

Table of Contents

expertise or background that add to and complement the range of skills, expertise and background of the existing directors; career success that demonstrates the ability to make the kind of important and sensitive judgments that the Board is called upon to make; and the availability and energy necessary to perform his or her duties as a director. In addition, the Nominating Committee and the Board believes the composition of the Board should reflect sensitivity to the need for diversity as to gender, ethnic background and experience. Application of these factors involves the exercise of judgment by the Board and cannot be measured in any mathematical or routine way.

In connection with the evaluation of nominees, the Nominating Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Nominating Committee, in concert with the Company's Chief Executive Officer, interviews prospective nominees. After completing its evaluation, the Nominating Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Nominating Committee.

For each of the nominees to the Board and the current directors, the biographies shown above highlight the experiences and qualifications that were among the most important to the Nominating Committee in concluding that the nominee or the director should serve or continue to serve as a director of the Company. The table below supplements the biographical information provided above. The vertical axis displays the primary factors reviewed by the Nominating Committee in evaluating a board candidate.

Our stockholders may propose director candidates for consideration by the Company's Nominating Committee by submitting the individual's name and qualifications to our Secretary at 1600 Sunflower Avenue, Costa Mesa, CA 92626. Our Nominating Committee will consider all director candidates properly submitted by our stockholders in accordance with our bylaws and Corporate Governance Guidelines. Stockholders who wish to nominate candidates for election to our Board at our Annual Meeting of Stockholders must follow the procedures outlined in "Stockholder Proposals for the 2013 Annual Meeting" set forth below.

Board of Directors Independence

The Boards of Directors of the Company and the Bank are made up of seven (7) directors each. The directors are divided into three classes. Directors are elected for staggered terms of three years and serve until their successors are elected and qualified. As further discussed in Item 2 below, if the proposal to declassify the Board is approved by the requisite vote of our stockholders, the directors will serve for a one-year term beginning with the 2013 Annual Meeting of Stockholders. Our Corporate

Table of Contents

Governance Guidelines require that our Board consists predominantly of non-management directors. This means directors who are not currently, and have not been, employed by us during the most recent three years. Currently, our Chief Executive Officer is our only director who is also a member of management.

Our Corporate Governance Guidelines require that a majority of the Board of Directors consist of independent directors as defined under the NASDAQ Stock Market (the "NASDAQ") rules. No director will be "independent" unless the Board affirmatively determines that the director meets the categorical standards set forth in the NASDAQ rules and otherwise has no relationship with the Company that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company).

Our Nominating Committee is responsible for reviewing with the Board annually the appropriate criteria and standards for determining director independence consistent with the NASDAQ rules. The Company's Board has determined that Kenneth A. Boudreau, Joseph L. Garrett, John D. Goddard, Jeff C. Jones, Michael L. McKennon, and Ronald G. Skipper are independent and have no material relationships with the Company.

Responsibilities of the Board of Directors

In addition to each director's basic duties of care and loyalty, the Board of Directors has separate and specific obligations enumerated in our Corporate Governance Guidelines. Among other things, these obligations require directors to effectively monitor management's capabilities, compensation, leadership and performance, without undermining management's ability to successfully operate the business. In addition, our Board and its committees have the authority to retain and establish the fees of outside legal, accounting or other advisors, as necessary to carry out their responsibilities.

The directors are expected to avoid any action, position or interest that conflicts with an interest of the Company, or gives the appearance of a conflict. As a result, our directors must disclose all business relationships with the Company and with any other person doing business with us to the entire Board and to recuse themselves from discussions and decisions affecting those relationships. We periodically solicit information from directors in order to monitor potential conflicts of interest and to confirm director independence.

Board of Directors Leadership Structure

Our Certificate of Incorporation and bylaws provide for a Board of Directors that is divided into three classes. The classes have three-year terms, and the term of one class expires each year in rotation at that year's annual meeting. As further discussed in Item 2 below, if the proposal to declassify the Board is approved by the requisite vote of our stockholders, the directors will serve for a one-year term beginning with the 2013 Annual Meeting. The size of the Board shall be designated by the Board, but shall be seven in the absence of such designation. Vacancies on the Board may be filled by a majority of the remaining directors. A director elected to fill a vacancy, or a new directorship created by an increase in the size of the Board, serves for the remainder of the full term of the class of directors in which the vacancy or newly created directorship occurred.

Our Board of Directors has no fixed policy with respect to the separation of the offices of Chairman of the Board of Directors and Chief Executive Officer. Our Board retains the discretion to make this determination on a case-by-case basis from time to time as it deems to be in the best interests of the Company and our stockholders at any given time. The Board currently believes that separating the positions of CEO and Chairman is the best structure to fit the Company's needs. This

Table of Contents

structure ensures a greater role for the independent directors in the oversight of the Company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board.

Board of Directors Risk Oversight

The understanding, identification and management of risk are essential elements for the successful management of our Company. The entire Board of Directors is responsible for oversight of the Company's risk management processes. The Board delegates many of these functions to the Audit Committee. Under its charter, the Audit Committee is responsible for monitoring business risk practices and legal and ethical programs. In this way, The Audit Committee helps the Board fulfill its risk oversight responsibilities relating to the Company's financial statements, financial reporting process and regulatory requirements. The Audit Committee also oversees our corporate compliance programs, as well as the internal audit function. In addition to the Audit Committee's work in overseeing risk management, our full Board regularly engages in discussions of the most significant risks that the Company is facing and how these risks are being managed, and the board receives reports on risk management from senior officers of the Company and from the chair of the Audit Committee. The board receives periodic assessments from the Company's ongoing enterprise risk management process that are designed to identify potential events that may affect the achievement of the Company's objectives. In addition, our Board and its standing committees periodically request supplemental information or reports as they deem appropriate.

Communication With Directors

Individuals may submit communications to any individual director, including our presiding Chairman, our Board of Directors as a group, or a specified Board committee or group of directors, including our non-management directors, by sending the communications in writing to the following address: Pacific Premier Bancorp, Inc., 1600 Sunflower Avenue, Costa Mesa, California 92626. All correspondence should indicate to whom it is addressed. The Company's Corporate Secretary will sort the Board correspondence to classify it based on the following categories into which it falls: stockholder correspondence, commercial correspondence, regulator correspondence or customer correspondence. Each classification of correspondence will be handled in accordance with a policy unanimously approved by the Board.

Board Meetings and Executive Sessions

Our Board of Directors currently holds twelve full Board meetings each year. All of our directors are encouraged to attend each meeting in person. Our management provides all directors with an agenda and appropriate written materials sufficiently in advance of the meetings to permit meaningful review. Any director may submit topics or request changes to the preliminary agenda as he or she deems appropriate in order to ensure that the interests and needs of non-management directors are appropriately addressed. To ensure active and effective participation, all of our directors are expected to arrive at each Board and committee meeting having reviewed and analyzed the materials for the meeting. During 2011, our Board of Directors met thirteen times, and all of our directors attended at least 98% of the aggregate of the total number of meetings of the Board of Directors held during his tenure in office during the last fiscal year and the total number of all meetings held by all committees of the Board of Directors on which he served during such year.

It is the Company's policy that the independent directors of the Company meet in executive sessions without management at least twice on an annual basis in conjunction with regularly scheduled board meetings. Executive sessions at which the independent directors meet with the Chief Executive

Table of Contents

Officer also may be scheduled. During 2011, the independent directors met twice in executive session without the presence of management.

Director Attendance at Company Annual Meetings

All of our directors are encouraged to attend every Company annual meeting of stockholders. All of our directors attended our 2011 Annual Meeting of Stockholders.

Director Contact with Management

All of our directors are invited to contact our Chief Executive Officer and or any of our executive or senior level managers at any time to discuss any aspect of our business. In addition, there generally are frequent opportunities for directors to meet with other members of our management team.

Corporate Code of Business Conduct and Ethics

We have implemented a Code of Business Conduct and Ethics applicable to our directors, Chief Executive Officer, Chief Financial Officer, other senior management, and to all of our officers and employees. Our Code of Business Conduct and Ethics provides fundamental ethical principles to which these individuals are expected to adhere. Our Code of Business Conduct and Ethics operates as a tool to help our directors, officers, and employees understand and adhere to the high ethical standards required for employment by, or association with, the Company and the Bank. Our Code of Business Conduct and Ethics is available on our website at www.ppbi.com under the Investor Relations section. Our stockholders may also obtain written copies at no cost by writing to us at 1600 Sunflower Avenue, Costa Mesa, California 92626, Attention: Investor Relations Department, or by calling (714) 431-4000. Any future changes or amendments to our Code of Business Conduct and Ethics and any waiver that applies to one of our senior financial officers or a member of our Board of Directors will be posted to our website.

A description of the general functions of each of the Company's Board committees and the composition of each committee is set forth below.

Audit Committee. The Audit Committee is responsible for selecting and communicating with the Company's independent auditors, reporting to the Board on the general financial condition of the Company and the results of the annual audit, and ensuring that the Company's activities are being conducted in accordance with applicable laws and regulations. The internal auditor of the Bank participates in the Audit Committee meetings. A copy of the Audit Committee charter can be found on the Company's website at www.ppbi.com under the Investor Relations section.

Table of Contents

No member of the Audit Committee receives any consulting, advisory or other compensation or fee from the Company other than fees for service as member of the Board of Directors, committee member or officer of the Board. Each of the Audit Committee members is considered "independent" under the NASDAQ listing standards and rules of the U.S. Securities and Exchange Commission (the "SEC"). The Board of Directors has determined that Mr. McKennon satisfies the requirements established by the SEC for qualification as an "audit committee financial expert".

Compensation Committee. The Compensation Committee reviews the amount and composition of director compensation from time to time and makes recommendations to the Board when it concludes changes are needed. In recommending director compensation, the Compensation Committee considers the potential negative effect on director independence if director compensation and perquisites exceed customary levels. The Compensation Committee also (i) has oversight responsibility for the Bank's compensation policies, benefits and practices, (ii) reviews the Chief Executive Officer's recommendations concerning individual incentive awards of officers directly reporting to him, (iii) approves all stock option and restricted stock grants, (iv) has oversight responsibility for management planning and succession, and (v) determines the annual salary, the annual bonus, stock options, and restricted stock grants of the Chief Executive Officer ("CEO"), Chief Financial Officer ("CFO"), Chief Banking Officer ("CBO"), and Chief Credit Officer ("CCO"). A copy of the Compensation Committee charter can be found on the Company's website at www.ppbi.com under the Investor Relations section.

Nominating and Corporate Governance Committee. The Nominating Committee has oversight responsibility for nominating candidates as directors and to determine satisfaction of independence requirements. The Nominating Committee has adopted a written charter. A copy of the charter and the Company's Corporate Governance Guidelines can both be found on the Company's website at www.ppbi.com under the Investor Relations section.

The primary responsibilities of our Nominating Committee include:

assisting the Board in identifying and screening qualified candidates to serve as directors, including considering stockholder nominees;

recommending to the Board candidates for election or reelection to the Board or to fill vacancies on the Board;

aiding in attracting qualified candidates to serve on the Board;

making recommendations to the Board concerning corporate governance principles;

periodically assessing the effectiveness of the Board in meeting its responsibilities representing the long-term interests of the stockholders; and

following the end of each fiscal year, providing the Board with an assessment of the Board's performance and the performance of the Board committees.

Compensation Committee Interlocks and Insider Participation

For 2011, the Company's Compensation Committee was comprised of Messrs. Boudreau, Goddard, and Skipper, each of whom was an independent director. None of these individuals is or has been an officer or employee of the Company during the last fiscal year or as of the date of this Proxy Statement, or is serving or has served as a member of the compensation committee of another entity that has an executive officer serving on the Company's Compensation Committee. No executive officer of the Company served as a director of another entity that had an executive officer serving on the Company's Compensation Committee. Finally, no executive officer of the Company served as a member of the compensation committee of another entity that had an executive officer serving as a director of the Company.

Table of Contents**Committee Independence and Additional Information**

The Company's Audit, Nominating and Compensation Committees are currently composed entirely of "independent" directors, as defined by our Corporate Governance Guidelines and applicable NASDAQ and SEC rules and regulations. Our Compensation Committee, Audit and Nominating Committees each have a written charter, which may be obtained on our website at www.ppbi.com under the Investor Relations section. Company stockholders may also obtain written copies of the charters at no cost by writing to us at 1600 Sunflower Avenue, Costa Mesa, California 92626, Attention: Investor Relations Department, or by calling (714) 431-4000.

The Chair of each committee is responsible for establishing committee agendas. The agenda, meeting materials and the minutes of each committee meeting are furnished in advance to all of our directors, and each committee chair reports on his or her committee's activities to the full Board.

Compensation of Non-Employee Directors

The Company's Board of Directors, acting upon a recommendation from the Compensation Committee, annually determines the non-employee directors' compensation for serving on the Board and its committees. In establishing director compensation, the Board and the Compensation Committee are guided by the following goals:

Compensation should consist of a combination of cash and equity awards that are designed to fairly pay the directors for work required for a company of our size and scope;

Compensation should align the directors' interests with the long-term interests of stockholders; and

Compensation should assist with attracting and retaining qualified directors.

The Compensation Committee of the Company was comprised of Messrs. Boudreau, Goddard, and Skipper for 2011, each of whom is "independent" as defined under the NASDAQ listing standards. The Compensation Committee held one meeting during 2011, at which all members were present. The Compensation Committee (i) has oversight responsibility for the Bank's compensation policies, benefits and practices; (ii) reviews the CEO's recommendations concerning individual incentive awards of officers directly reporting to him; (iii) approves all stock option and restricted stock grants; (iv) has oversight responsibility for management planning and succession; and (v) determines the annual compensation amount and the annual bonus, stock option and restricted stock grants of the CEO, CFO, CBO, and CCO. The Compensation Committee may from time to time retain independent compensation consultants to assist it in the exercise of its responsibilities, including developing compensation plans and providing comparative data regarding the Bank's compensation policies.

The Compensation Committee and Board most recently completed this process in November 2011, and determined that our director compensation for 2012 should remain unchanged from 2011. The Company does not pay director compensation to directors who are also our employees. Below are the elements of compensation paid to nonemployee directors for their service on our Board.

Cash Compensation

Company non-employee directors receive the following cash payments for their service on our Board of Directors and Board committees:

a monthly cash retainer of \$500 for service on the Company Board;

a monthly cash retainer of \$2,000 for service on the Bank's board of directors;

a monthly cash retainer of \$2,500 to the Chairman of the Bank's board of directors;

a quarterly cash retainer of \$500 to the Chairman of the audit committee of the Company Board;

Edgar Filing: PACIFIC PREMIER BANCORP INC - Form DEF 14A

During 2011, the Company did not provide perquisites to any director in an amount that is reportable under applicable SEC rules and regulations. All non-employee directors are entitled to reimbursement for travel expense incurred in attending Board and committee meetings.

Table of Contents**Stock Compensation**

Each non-employee director is eligible for a grant of either options to purchase Company common stock or shares of restricted stock issued from our 2004 Long-Term Incentive Plan, as recommended by our Compensation Committee. The options and restricted stock that the Company awards to our directors vest in equal thirds over three years on each anniversary of the date of grant, subject to earlier vesting on termination of service in certain circumstances. All awards are made based on the closing market price on the date of grant. As further discussed in Item 9 below, our Board of Directors, upon the recommendation of the Compensation Committee has approved the Company's 2012 Long-Term Incentive Plan, subject to stockholder approval.

In January 2011, stock options were awarded to Named Executive Officers and Directors. The Directors awards at January 5, 2011 were:

Mr. Hardin resigned from the Boards of Directors of the Company and the Bank effective March 8, 2012.

Stock Ownership Guideline for Directors

Our Board of Directors has adopted director stock ownership guidelines, as of March 28, 2012. The guidelines require that directors should own shares of common stock having a value of at least equal to five times the director's annual retainer. Directors have five years from the adoption of the guideline or after joining our Board to meet the guidelines.

Long-Term Care Insurance Plan

As more fully described under the heading "Long-Term Care Insurance" of "Executive Compensation" below, the Bank implemented in September 2006 a Long-Term Care Insurance Plan for the directors of the Bank and for Messrs. Gardner and Wilcox. The non-employee directors may elect not to participate in the insurance plan. For those who opt out, the amount of the insurance premium, up to \$4,000 annually, will be recorded each month to their deferred compensation account with interest. See "Deferred Compensation Plan" below. The plan premium expense for 2011 was \$19,735.

In accordance with applicable SEC rules and regulations, the following table reports all compensation the Company paid during 2011 to its non-employee directors.

Mr. Hardin resigned from the Boards of Directors of the Company and the Bank effective March 8, 2012. At that time 333 options had vested and 667 options were unvested and returned to the Company for future issuance.

(1)

Mr. McKennon started deferring a portion of his Bank Board fees in September 2006. Mr. Boudreau started deferring a portion of his Bank Board fees in January 2008. The deferment program allows a director to defer his or her normal monthly Board fees into an account that earns the rate of prime plus one percent. At December 31, 2011, Mr. McKennon had deferred \$94,000 of fees and had earned \$11,851 on that deferment and Mr. Boudreau had deferred \$96,000 of fees and had earned \$8,648 on that deferment.

(2)

The value of options granted in 2011 was determined based upon the aggregate grant date fair value as computed pursuant to FASB ASC Topic 718. Refer to Note 13 to the Consolidated Financial Statements in our Annual Report on Form 10-K for the year ended December 31, 2011 for a discussion of the assumptions underlying the option award valuations.

Deferred Compensation Plan

The Bank created a Directors' Deferred Compensation Plan in September 2006 which allows non-employee directors to defer Board of Directors' fees and provides for additional contributions from any opt-out portion of the Long-Term Care Insurance Plan. See "Long-Term Care Insurance Plan" under "Executive Compensation" below. The deferred compensation is credited with interest by the Bank at prime plus one

percent and the accrued liability is payable upon retirement or resignation. The Directors' Deferred Compensation Plan is unfunded. The Company is under no obligation to make matching contributions to the Directors' Deferred Compensation Plan. As of December 31, 2011, the unfunded liability for the plan was \$268,219 and the interest expense for 2011 was \$9,877. The table below shows the totals for the Deferred Compensation Plan contributions and earnings for the year ended December 31, 2011.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis ("CD&A")

The following discussion and analysis of compensation arrangements of our Named Executive Officers for 2011, which we refer to as the CD&A, should be read together with the compensation tables and related disclosures set forth below. This discussion contains forward-looking statements that are based on our current plans, considerations, expectations and determinations regarding future compensation programs. The Compensation Committee may adopt from time to time additional compensation arrangements or modify current compensation arrangements with our Named Executive Officers based upon its evaluation of the need for such modifications to achieve the objectives of our compensation program discussed below.

Compensation Philosophy and Objectives

This CD&A provides an overview and analysis of our compensation program and policies, the material decisions we have made under those programs and policies with respect to our Named Executive Officers, and the material factors we considered in making those decisions. We discuss within this CD&A the various elements included in executive compensation and how we determined those elements. We also discuss the roles of the Compensation Committee and our CEO in this process.

We believe that the most effective executive compensation program is one that enables us to attract, retain and motivate our Named Executive Officers to achieve the Company's long-term and strategic goals and enhance long-term stockholder value. We intend for our compensation program to align executives' interests with those of the stockholders by rewarding performance for implementing the Company's various strategies, with the ultimate goal of improving long-term stockholder value. We evaluate both performance and compensation to ensure that we maintain our ability to attract and retain employees in key positions, and to ensure that compensation provided to key employees keeps these employees focused on franchise value creation.

Periodically we review executive compensation among our peers, generally covering the twenty-fifth, fiftieth and seventy-fifth percentile figures. We do not target a specific level of compensation percentile, as we factor in each executive's roles, responsibilities, performance and experience, as well as corporate performance and other factors necessary to attract, motivate, retain and reward such individuals.

The mix of pay elements allows our Compensation Committee to use both cash (base pay and discretionary annual cash incentives) and equity (stock options) to encourage and motivate executives to achieve both the short-term and long-term business objectives of the Company. The Compensation Committee reviews the Company and individual performance each year using a broad range of performance metrics in order to arrive at a level of discretionary annual cash incentives for each officer which reflect performance for that year, which the Committee believes allows for substantial flexibility and a comprehensive approach to compensation management. The Committee also determines whether equity awards should be awarded in any given year when considering outstanding awards, the availability of awards, Company performance, individual performance, the overall risk profile of the compensation arrangements, and the alignment of executive officer pay with long-term stockholder returns. A substantial portion of potential Named Executive Officer compensation is performance-based and in the form of short and long-term incentives.

Our Compensation Committee believes that this approach provides the flexibility necessary to reward executives based on potentially very different economic environments while pursuing our business and strategic objectives.

Table of Contents

Our Named Executive Officers for 2012 consist of Steven R. Gardner, our CEO, Kent J. Smith, our CFO, Eddie Wilcox, our CBO, and Mike Karr, our CCO. We refer to Messrs. Gardner, Smith, Wilcox, and Karr in this Proxy Statement as our Named Executive Officers.

Process for Making Compensation Decisions

Roles of the Compensation Committee and Compensation Consultants. The Compensation Committee reviews and makes decisions with respect to salaries, cash incentives, equity incentives and employee benefits for our Named Executive Officers. The Compensation Committee has the authority to engage consultants as necessary and to request other information as needed to fairly measure, monitor and control the overall compensation of the Named Executive Officers. During 2011, the Compensation Committee engaged Pearl Meyer & Partners ("PM&P"), consulting firm specializing in compensation program design and evaluation for the financial services industry, to assist in establishing targeted aggregate levels and components of executive compensation. PM&P performed studies of compensation for executive officers at comparable peer group publicly-traded financial institutions to assist the Compensation Committee in evaluating and determining appropriate market-level compensation.

The 2011 data was developed by PM&P from public filings by selected Peer Banks which the Compensation Committee considers appropriate comparators for the purposes of developing executive compensation benchmarks. Peer Banks were selected based on size (total assets), location (California), loan portfolio and commercial banking focus. The results of the PM&P studies provided the Compensation Committee with context for determining the total compensation for our Named Executive Officers for 2011 and 2012.

The following banking institutions comprised the peer group for the PM&P study:

- | | |
|-----------------------------------|-----------------------------------------|
| -American River Bankshares | -Bank of Marin Bancorp |
| -BoFI Holding, Inc. | -Bridge Capital Holdings |
| -California United Bank | -Central Valley Community Bancorp |
| -Farmers & Merchants Bancorp | -First California Financial Group, Inc. |
| -First Northern Community Bancorp | -First PacTrust Bancorp |
| -FNB Bancorp | -Heritage Commerce Corp |
| -Heritage Oaks Bancorp | -Kaiser Federal Financial Group, Inc. |
| -Oak Valley Bancorp | -Pacific Mercantile Bancorp |
| -Preferred Bank | -Provident Financial Holdings, Inc. |
| -Sierra Bancorp | -TriCo Bancshares |
| -United Security Bancshares | |

The Compensation Committee independently evaluated the various components and levels of compensation for CEOs and CFOs within the peer group focusing on base salary, annual incentive (bonus) and equity compensation as well as benefits and retirement plans. Based on the Committee's independent evaluation, findings included in PM&P's analysis, and the recommendations of the CEO (in the case of the CFO, CBO and CCO), the Compensation Committee established compensation levels for our Named Executive Officers. These established levels included parameters of base salaries, annual cash incentives, equity incentive awards, retirement plans and other benefits, and other executive benefits (including perquisites) that were appropriate for the Named Executive Officers and in alignment with our compensation philosophy.

Role of Executive Officers in Compensation Decisions. The Compensation Committee makes the compensation decisions for the Named Executive Officers as set forth in the Summary Compensation Table below. The CEO reviews the performance of the CFO, CBO, and CCO annually and makes recommendations on salary adjustments and annual award amounts, which are presented to

Table of Contents

the Compensation Committee. The Compensation Committee then exercises its discretion and modifies any recommendations, adjustments, or awards to the CFO, CBO, and CCO, to align any such adjustment or award with the overall compensation philosophies of the Company.

Key Features of our Executive Compensation Plans

The Compensation Committee believes that our executive compensation program includes key features that align the interests of the Named Executive Officers and our long-term strategic direction with stockholders and does not include features that could misalign their interests.

Named Executive Officer pay is aligned with performance:

Compensation is balanced

Officer pay reflects performance achieved in financial results (through the discretionary annual cash bonus plan and equity awards)

The compensation program provides a mix of fixed compensation and short- and long-term variable compensation to mitigate excessive risk taking behavior

Compensation is targeted to the market:

Limited benefits and perquisites are provided

Total compensation opportunities are similar to those of our peer companies, which are similar in size

No tax gross-ups are provided

A significant portion of pay is tied to incentives:

No option repricing without stockholder approval is allowed

The Company provides both annual cash incentive opportunities as well as equity awards to motivate performance

No hedging of Company stock is allowed

Committee has flexibility on compensation decisions:

No pledging of Company stock is allowed

The Compensation Committee retains flexibility in the discretionary annual cash incentive and determination of equity awards to reflect Company and individual performance

Stock Ownership Guidelines encourage ownership

Annual incentives are capped:

The CEO must own the amount of shares of common stock at least equal to three times his salary and directors must own the amount of shares of common stock at least equal to five times their retainers

Named Executive Officers are limited in the amount of annual cash incentive they can receive in accordance with their employee contract

Elements of Compensation

For fiscal year ended December 31, 2011, the principal elements of compensation for the Named Executive Officers were:

Base salary;

Annual discretionary cash incentive awards;

Long-term equity incentive awards,

Retirement plans and other benefits; and

Other executive benefits, such as perquisites and severance benefits.

Base Salary

The Company provides the Named Executive Officers and all other employees with base salary to compensate them for services rendered during the fiscal year. Base salary ranges for the Named Executive Officers are determined by using market assessments and internal evaluations for each executive based on his position, experience, anticipated contributions and responsibilities.

As part of its review of base salaries for the Named Executive Officers, the Compensation Committee considers:

market data provided by public proxy information which may be confirmed or reviewed by independent sources;

Table of Contents

scope of the roles, duties and responsibilities of the executive and the impact these duties have on both the short and long term performance of the Company; and

individual performance of the executive and Company performance.

Except as determined by the terms of the employment agreements with our Named Executive Officers, salary levels are typically reviewed annually as part of the Company's performance review process as well as upon a promotion or other change in job responsibility.

During 2011, the Compensation Committee approved increases to the Named Executive Officers base salaries from 2010 levels. The Committee made this determination based on the findings included in the PM&P analysis conducted during late 2010 which indicated that then current salaries were generally within 10% of the median of the peer banks not participating in the Troubled Asset Relief Program ("TARP"), the executive's past salary adjustments, the current size of the Company, and the continued transformation of Company to a commercial banking business model. The following table reflects base salaries increases approved by the Compensation Committee during 2011:

Name	Title	2010	2011	% Change
Steven R. Gardner	President and Chief Executive Officer	\$ 375,000	\$ 415,000	10.7%
Kent J. Smith	Executive Vice President and Chief Financial Officer	\$ 175,000	\$ 195,000	11.4%
Eddie Wilcox	Executive Vice President and Chief Banking Officer	\$ 215,000	\$ 225,000	4.7%
Mike Karr	Executive Vice President and Chief Credit Officer	\$ 185,000	\$ 195,000	5.4%

In early 2012, the Compensation Committee approved increases to Messrs. Smith and Wilcox's base salaries. Similar to 2011, the Committee approved these salary increases in light of the findings included in PM&P's analysis conducted during late 2011, the executive's prior salary adjustments, the current size of the Company and the Company's continued shift to a commercial banking business model. The following table reflects base salaries increases approved by the Compensation Committee during 2012:

Name	Title	2011	2012	% Change
Steven R. Gardner	President and Chief Executive Officer	\$ 415,000	\$ 415,000	0.0%
Kent J. Smith	Executive Vice President and Chief Financial Officer	\$ 195,000	\$ 205,000	5.1%
Eddie Wilcox	Executive Vice President and Chief Banking Officer	\$ 225,000	\$ 235,000	4.4%
Mike Karr	Executive Vice President and Chief Credit Officer	\$ 195,000	\$ 195,000	0.0%

Incentive Compensation

The Company's incentive compensation is designed to provide cash (short-term) and equity-based (long-term) incentive compensation to:

promote high performance on a risk adjusted basis and achievement of the our strategic plans by our Named Executive Officers and key employees;

encourage the growth of stockholder value; and

allow key employees to participate as an equity stockholder in the long-term growth and profitability of the Company.

Annual Incentive Cash Awards. The Compensation Committee oversees establishment of annual discretionary incentive cash awards that are designed to motivate short-term performance and retain talent. In 2011, the Compensation Committee discussed if there was a need to establish specific performance targets for the awarding of the discretionary cash award and concluded that annual incentives for executives based on specific performance targets was not be in the best interest of the stockholders. Instead, the Compensation Committee focused on both the Company's performance compared to select peer banks performance, as well as the Named Executive Officers' performance in light of the key areas of implementation of the strategic plan such as new business account acquisition,

Table of Contents

new relationship account growth, core deposit growth, loan portfolio diversification, loan quality, as well as the overall risk mitigation and management practices.

The Compensation Committee analyzed the Bank's financial performance compared to the Company's 2011 budget and financial forecast and the peer banks and referenced the increasingly challenging environment for financial institutions. The Compensation Committee discussed the growth in business accounts and business banking relationships as well as the change in the composition of the loan portfolio. The Compensation Committee also discussed the specific performance of Mr. Gardner and the Bank for the past year and the transition of the Bank to a commercial banking business model. The Committee noted that during 2011 the Bank exceeded the "well capitalized" standards defined by the regulators and continued to focus on conservative credit culture, more than doubled its Net Income, Return on Average Assets and Return on Average Equity, grew the deposit base both organically and through the acquisition of Canyon National, managed the problem assets acquired through the Canyon National acquisition resulting in ending non-performing assets to total assets of 0.76%, managed expenses resulting in improved net interest margins, and diversified the customer base.

When determining the Named Executive Officers' discretionary cash awards, the Compensation Committee also took into consideration all components of compensation including the Named Executive Officer's use of a Company owned vehicle or vehicle allowance, the payment of his life insurance premium, health benefits, Salary Continuation Plan, if applicable, and total cash compensation.

Based on its analysis, the Compensation Committee approved the following discretionary incentive cash awards for the Named Executive Officers for 2011, which were paid in January 2012, in the amount of \$186,750 for the CEO, \$48,750 for the CFO, \$75,000 for the CBO, and \$48,750 for CCO. These amounts, as a percentage of salary, were below the median of targeted incentives for the peer companies which did not participate in TARP. Over the past several years, discretionary incentive cash awards (as a percentage of salary) have varied between 10-25% of salary for the executive vice president and senior vice president positions, and between 15%-45% for the CEO. In the case of all of the Named Executive Officers, the discretionary incentive cash awards cannot exceed 100% of their base salary per their employment agreements effective in 2011.

Long-Term Equity Incentive Awards. We maintain the 2004 Long-Term Incentive Plan, under which we are permitted to grant incentive stock options, restricted stock grants and stock appreciation rights. Each Named Executive Officer is eligible for equity incentive awards under the 2004 Long-Term Incentive Plan, as determined by the Compensation Committee. The options and restricted stock that the Company awards to our Named Executive Officers vest in equal thirds over three years on each anniversary of the date of grant, subject to earlier vesting on termination of service in certain circumstances. All awards are made based on the closing market price of our common stock on the date of grant.

Due in part to the few number of shares remaining available for issuance under the 2004 Long-Term Incentive Plan, as further discussed in Item 9 below, our Board of Directors, upon the recommendation of the Compensation Committee, has approved the Company's 2012 Long-Term Incentive Plan, subject to stockholder approval.

The Compensation Committee believes it is important that the Named Executive Officers' and employees' interests are aligned with stockholders and to provide long term incentive to achieve the Company's goals and attract and retain talented executive officers. In discussing the grant of equity incentive awards to the Named Executive Officers for 2011, the Compensation Committee concluded, consistent with its determination of the annual discretionary incentive cash awards discussed above, that because of the Company's strategic transition to a commercial banking platform, financial measures for the grants of equity awards were less relevant for 2011 than would be during a period of non-transition. The Committee also noted the fact that the Named Executive Officers have made open market

Table of Contents

purchases of the Company's stock from time to time and thus have continued to commit personal cash toward the support of the Company's stock.

During 2011, there were no awards of restricted stock to the Named Executive Officers. In January 2011, stock options were awarded to Named Executive Officers and Directors. The Named Executive Officer awards on January 5, 2011 were:

Name	Title	# of Options	Strike Price
Steven R. Gardner	President and Chief Executive Officer	5,000	\$ 6.30
Kent J. Smith	Executive Vice President and Chief Financial Officer	2,000	\$ 6.30
Eddie Wilcox	Executive Vice President and Chief Banking Officer	2,000	\$ 6.30
Mike Karr	Executive Vice President and Chief Credit Officer	2,000	\$ 6.30

Retirement Plans and Other Benefits

The Bank provides one tax-qualified, broad-based Employee Savings Plan (the "401(k) Plan"), to all employees and management of the Bank. Under the 401(k) Plan, employees may contribute from 1% to 50% of their compensation. In 2011, the Bank matched 100% of contributions for the first three percent contributed and 50% on the next two percent contributed. The amounts of contributions made to the 401(k) Plan by the Bank were \$212,240 for the year ended December 31, 2011, for all employees of the Bank and \$32,194 to executives named in the Summary Compensation Table. See "All Other Compensation" below.

In addition, the Bank implemented in 2006 a non-qualified supplemental retirement plan or the Salary Continuation Plan for the CEO and other then current executive officers. The Salary Continuation Plan is an unfunded plan and the Company is under no obligation to fund the Salary Continuation Plan. See "Salary Continuation Plan" under "Nonqualified Deferred Compensation" below.

Also in September 2006, the Bank implemented a Long-Term Care Insurance Plan for the Named Executive Officers at the time. The 2011 expense for this plan for the CEO and CBO was \$3,969. See "Long-Term Care Insurance Plan" under "Nonqualified Deferred Compensation" below.

Additionally, the Company provides Mr. Gardner, per his employee agreement, a life insurance policy in the amount of \$1.5 million and a short-term disability policy. See "All Other Compensation" below.

Perquisites and Other Personal Benefits

The Company provides perquisites and other personal benefits that the Company and the Compensation Committee believe are reasonable and consistent with the Company's overall compensation objectives of attracting and retaining superior employees for key positions. The Compensation Committee annually reviews the levels of perquisites and other personal benefits provided to the CEO, CFO, CBO and CCO.

Perquisites provided for the CEO, CFO, CBO and CCO may include, but are not limited to, the use of Company automobiles, auto allowance, travel and transportation accommodations, entertainment expenses, and participation in the plans and programs described above.

Attributed costs of the perquisites received by the above individuals for the fiscal year 2011 are included in the "All Other Compensation" column and related footnotes of the "Summary Compensation Table" below.

Employment Arrangements

Given the state of our industry and the Named Executive Officer's leadership positions with the Company or the Bank, the Company previously entered into employment agreements with the Named Executive Officers in 2011. We believe employment agreements serve a number of functions, including (1) retention of our Named Executive Officers; (2) mitigation of any uncertainty about future employment and continuity of management in the event of a change in control; and (3) protection of the Company and customers through confidentiality and non-solicitation covenants. Subsequent to the fiscal year-end, the Company amended employment agreements with the Named Executive Officers. The amended employment agreements entered into by the Bank and the Company with the Named Executive Officers generally have the same terms as the prior agreement. A summary of the employment agreement terms include the following:

Gardner Employment Agreement. Mr. Steven Gardner, the Company and the Bank entered into an Employment Agreement dated January 1, 2012 ("Gardner Agreement") that provides for the employment of Mr. Gardner as the President and Chief Executive Officer of the Company and the Bank. The Gardner Agreement has a term of three (3) years and, on each annual anniversary date, the term automatically is extended for an additional one-year period by the Company's and the Bank's boards of directors, unless Mr. Gardner, on the one hand, or the Company or the Bank, on the other hand, gives written notice to the other party of its election not to extend the term of the Gardner Agreement, with such notice to be given not less than ninety (90) days prior to any such anniversary date. If such notice is given by either party, then the Gardner Agreement will terminate at the conclusion of its remaining term.

Pursuant to the Gardner Agreement, Mr. Gardner will receive a minimum base salary of \$415,000 per year, which may be increased from time to time in such amounts as may be determined by the Company's and the Bank's boards of directors. Salary Continuation Agreements

As more fully discussed in "Salary Continuation Plan" under "Nonqualified Deferred Compensation" below, we have established a Salary Continuation Plan for our CEO that provides for certain annual benefits for him following his retirement from the Company, and that provides for the acceleration of his benefits upon his termination due to a change-in-control, as that term is defined in the plan.

Administration of the Company's Compensation Program

The Company monitors its compensation program through the Compensation Committee. The Compensation Committee ensures that the total compensation paid to the Company's Named Executive Officers are appropriate given the Company's compensation goals and philosophies, as well as the skill sets and abilities of each individual recipient. The Company, through the Compensation Committee, endeavors to ensure that the compensation and benefits of the Named Executive Officers are appropriate as compared to similar executive officers within the banking industry.

The Compensation Committee's responsibilities are to:

establish the base salary, incentive compensation and any other compensation for the Company's CEO and; review and approve the base salary, incentive compensation and other compensation for the CFO, the CBO and the CCO in consultation with the Company's CEO;

monitor the Company's management incentive and equity-based compensation plans, retirement and benefit plans and discharge the duties imposed on the Compensation Committee by the terms of those plans; and

perform other functions or duties deemed appropriate by the Board.

Compensation decisions for our Named Executive Officers and the non-employee Directors are made by the Compensation Committee.

Accounting and Tax Considerations Equity-Based Compensation

The Compensation Committee also considers the tax and accounting treatment of the various components of compensation, and although these considerations do not generally drive its decisions, the Compensation Committee generally strives to put the Company in the best position with respect to tax and accounting treatment. In particular, the Compensation Committee attempts to ensure that compensation to Named Executive Officers is deductible under Section 162(m) of the Internal Revenue Code, although the Compensation Committee has reserved the right to provide compensation to Named Executive Officers that is not deductible for income tax purposes as circumstances warrant.

Hedging/Pledging Policy

The Company considers it inappropriate for any director or officer to enter into speculative transactions in Pacific Premier's securities. The Company's insider trading policy prohibits the purchase or sale of puts, calls, options, or other derivative securities based on the Company's securities. This prohibition also includes hedging or monetization transactions, such as forward sale contracts, in which the stockholder continues to own the underlying security without all the risks or rewards of ownership. Finally, directors, officers, and other employees may not purchase the Company's securities on margin, or borrow against any account in which Company securities are held. The prohibitions do not apply to the exercise of stock options granted as part of a Company incentive plan.

Stock Ownership Guideline for the CEO

The Board of Directors has adopted a stock ownership guideline for the Chief Executive Officer as of March 28, 2012. The guidelines require that the CEO own shares of common stock having a value of at least three times base salary, to be achieved over a five year period from the adoption of the guideline.

Compensation Committee Report

The Compensation Committee of the Board of Directors has reviewed and discussed the Compensation Discussion and Analysis set forth in this Proxy Statement with management. Based on this review and discussion, the Compensation Committee has recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Compensation Policies and Programs and Risk Management

The Compensation Committee views the Company's compensation program with a long-term focus. The greatest amount of compensation can be achieved over long periods of time through sustained excellent performance. We believe our compensation policies and programs provide a balanced mix of cash and equity, annual and longer-term incentives, and performance metrics that mitigate excessive risk-taking that could harm our value or reward poor judgment by our Named Executive Officers. In addition, the Compensation Committee, with the assistance of the CEO, establishes goals and objectives with a mix of quantitative and qualitative performance elements in order to avoid excessive weight on one performance measure. The Compensation Committee retains discretion in making final award determinations under its program so as to take into account changing market conditions, which allows our executives to focus on the long-term health of our Company rather than an "all or nothing" approach to achieving short-term goals.

Pension Benefits

The Company has no pension benefits plans.

Nonqualified Deferred Compensation

The Company offers two nonqualified defined contribution plans: the Director's Deferred Compensation Plan and the Salary Continuation Plan. Currently the Company only offers deferred compensation to its Board of Directors under the Director's Deferred Compensation Plan as more fully described under "Director Compensation in 2011" above in this Proxy Statement. The Company does not offer deferred compensation to the Named Executive Officers at this time. During 2011, our CEO, which is the sole participant in our Salary Continuation Plan did not withdraw any amounts from the Salary Continuation Plan.

Salary Continuation Plan

In 2006, the Bank implemented a non-qualified supplemental retirement plan for our CEO. Because the Salary Continuation Plan is an unfunded plan, the Company is under no obligation to fund the Salary Continuation Plan. The Salary Continuation Plan, as outlined in the Salary Continuation Agreement between the Bank and our CEO, provides for the annual benefit of \$150,000 for our CEO, which is to be paid out in twelve (12) equal monthly installments commencing on the first day of the month following normal retirement at age 62. The annual benefit shall be distributed to the CEO for fifteen (15) years.

The amount expensed in 2011 under the Salary Continuation Plan amounted to an aggregate of \$76,538, \$70,262 was for Mr. Gardner. As of December 31, 2011, \$454,440 was recorded in other liabilities on the consolidated statements of condition for this Salary Continuation

Plan. The Salary Continuation Plan was accounted for in accordance with SFAS No. 158 as of December 31, 2011.

Long-Term Care Insurance Plan

In September 2006, the Bank implemented the Long-Term Care Insurance Plan for the Named Executive Officers and non-employee directors of the Bank. The non-employee directors may elect not to participate in the insurance plan. For those who opt out, the amount of the insurance premium, up to \$4,000 annually, is recorded each month to their deferred compensation account with interest. The expense for the Long-Term Care Insurance Plan in 2011, for the Named Executive Officers and Directors, was \$19,735.

Potential Payments Made Upon Termination or a Change-in-Control

As described in "Employment Arrangements" under "Compensation Discussion and Analysis" above in this Proxy Statement, all of our Named Executive Officers are party to an employment agreement with us, which provides the executives with benefits in the event of certain terminations of employment. In addition, Mr. Gardner, our CEO, is a party to a Salary Continuation Agreement, which also provides him with benefits in the event of certain terminations of employment.

Table of Contents

Employment Agreements

As previously discussed in "Employment Arrangements" under "Compensation Discussion and Analysis" above, on January 1, 2011, we entered into employment agreements with our Named Executive Officers. The following information, however, describes payments due to Messrs. Gardner, Smith, Wilcox and Karr, who were the only Named Executive Officers that had employment agreements at December 31, 2011 following their termination of employment with us as if it had occurred on December 31, 2011.

Termination for Cause; Resignation without Disability or Good Reason. If an executive is terminated for cause or resigns without disability or good reason, as such terms are defined in the employment agreements, he will receive only his base salary accrued through the date of termination or death. In this event, no special severance benefits are payable.

Termination as a Result of Disability; Death. If an executive is terminated as a result of disability or death during the term of employment, the executive will receive the lesser of (i) his base salary as in effect as of the date of termination, multiplied by one year, or (ii) his base salary for the duration of the term of his employment agreement.

Termination other than for Cause, Disability or Death; Resignation by the Executive Due to Our Material Breach or Following a Change of Control. If (i) an executive is terminated by us other than for cause, disability or his death, or (ii) an executive terminates the employment agreement due to (A) our material breach of the employment agreement, or (B) without his express written consent, (1) a material reduction by us of his functions, duties or responsibilities, (2) a material reduction by us of his base salary, or (3) our requirement that he be based at a location more than 50 miles from Costa Mesa, California, and the termination by the executive occurs within two (2) years following the initial occurrence of the breach or the good cause reason basis for termination, the executive will be entitled to a lump sum cash payment equal to his base salary as in effect immediately prior to the date of termination plus his incentive bonus for the previous year with respect to Messrs. Smith, Wilcox, and Karr, and with respect to Mr. Gardner, that same amount multiplied by three (3) years. Under the terms of Mr. Gardner's employment agreement only, if his employment with us is terminated as described in the previous sentence, then Mr. Gardner is entitled to participate, at no cost to him, in all group insurance, life insurance, health and accident, disability and other employee benefit plans, programs and arrangements in which he was entitled to participate immediately prior to the date of termination (other than any of our stock option or other stock compensation plans or bonus plans), for a period ending at the earlier of (i) the third anniversary of the date of termination, and (ii) the date of his full-time employment by another employer, provided that in the event Mr. Gardner's participation in any such plan, program or arrangement is barred, we must arrange to provide him with benefits substantially similar to those he was entitled to receive under such plans, programs and arrangements prior to the date of termination.

In receiving any of the foregoing payments, the Named Executive Officers are not obligated to seek other employment or to mitigate in any way the amounts payable to them as set forth above, and such amounts will not be reduced or terminated whether or not an executive obtains other employment.

Each employment agreement also provides that the severance payments and benefits will be modified or reduced by the amount, if any, which is the minimum necessary to result in no portion of the payments and benefits payable being subject to an excise tax under the "golden parachute" provisions under Section 280G of the Internal Revenue Code or subject to the excise tax imposed under Section 4999 of the Internal Revenue Code.

Table of Contents

Restrictive Covenants

The employment agreements require each executive to refrain from soliciting employees of the Company for a two-year period after termination of employment. The agreements limit the executives' ability to disclose or use any of the Company's confidential information, trade secrets or business opportunities.

Salary Continuation Agreements

The following describes the potential payments required pursuant to the Salary Continuation Agreement that we entered into with our Mr. Gardner on April 1, 2006, which is still in effect, in the event of his termination or a change of control.

Early Termination other than due to Change in Control, Death, Disability or for Cause. In the event of an early termination of Mr. Gardner's employment agreement, which termination results other than from a change in control, disability or cause, as such terms are defined in the Salary Continuation Agreements, Mr. Gardner will receive one hundred percent (100%) of the accrual balance, as defined in the Salary Continuation Agreement, determined as of the end of the month preceding the termination payable in twelve (12) equal monthly installments for a period of fifteen (15) years.

Disability Benefit. In the event Mr. Gardner's employment is terminated due to disability, Mr. Gardner will receive one hundred percent (100%) of the accrual balance determined as of the end of the month preceding the termination payable in twelve (12) equal monthly installments for a period of fifteen (15) years.

Change in Control Benefit. Upon a change of control, followed within twelve (12) months by a termination of the Mr. Gardner's employment agreement, Mr. Gardner will receive a lump sum amount equal to the present value of the stream of one hundred eighty (180) monthly payments of \$12,500 each; provided that, in the event this amount is subject to federal excise taxes under the "golden parachute" provisions under Section 280G of the Internal Revenue Code, the payments will be reduced or delayed to the extent it would not be an excess parachute payment.

Death Benefit. In the event Mr. Gardner dies while employed by us, his beneficiary will receive a lump sum amount equal to the present value of the stream of one hundred eighty (180) monthly payments of \$12,500.

Table of Contents**Summary of Potential Termination Payments**

The following table reflects the value of termination payments and benefits that each of Messrs. Gardner, Smith, Wilcox and Karr, who were our Named Executive Officers that had employment agreements as of December 31, 2011, would receive under their employment agreements and the termination payments and benefits that Mr. Gardner would receive under the Salary Continuation Agreement, as applicable, which was in place on December 31, 2011, if they had terminated employment on December 31, 2011 under the circumstances shown. The table does not include accrued salary and benefits, or certain amounts that the Messrs. Gardner, Smith, Wilcox and Karr would be entitled to receive under certain plans or arrangements that do not discriminate in scope, terms or operation, in favor of our executive officers and that are generally available to all salaried employees.

ITEM 2. TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO DECLASSIFY THE BOARD OF DIRECTORS AND PROVIDE FOR THE ANNUAL ELECTION OF DIRECTORS BEGINNING WITH THE 2013 ANNUAL MEETING OF STOCKHOLDERS

We are asking you to approve an amendment to our Certificate of Incorporation to declassify the Board. Our Certificate of Incorporation provides that the Board be divided into three classes, with each class elected every three years. Our Board has unanimously approved, and recommends that all stockholders approve, the proposed amendment to our Certificate of Incorporation eliminating the classified structure of the Board. The discussion regarding this proposal is qualified in its entirety by reference to the complete text of the proposed amendment to Section A, Article SIXTH of our Certificate of Incorporation, which is attached to this Proxy Statement as Appendix A and incorporated into this Proxy Statement by reference. We urge you to review carefully this proposed amendment to Section A, Article SIXTH as set forth in Appendix A in its entirety because this summary may not contain all the information about this amendment that is important to you.

Background of Proposal

The Board's consideration of whether to maintain its classified Board structure, as well as the other corporate governance proposals in Items 3 through 7 discussed below, was undertaken as part of the Company's continuous effort to improve and enhance its corporate governance practices. The Board considered the advantages and disadvantages of maintaining the classified Board structure as compared to providing for an annual election of directors. The Board considered the view of some that classified boards reduce the accountability of directors to stockholders because stockholders are unable to evaluate and elect all directors on an annual basis. Director elections are the primary means for stockholders to express their views on the performance of individual directors, and a classified board structure affords stockholders this opportunity only once every three years for any particular director. A declassified board of directors has become a corporate governance "best practice."

The Board also considered benefits of retaining the classified Board structure, which has a long history in corporate law. A classified structure is considered by some to provide continuity and stability in the management of the business and affairs of a company because a majority of directors will have prior experience as directors of a company. In some circumstances, classified boards may enhance stockholder value by forcing an entity seeking control of a company to initiate discussions at arm's-length with the board of the company, because the entity cannot replace the entire board in a single election.

After deliberating over the somewhat divergent considerations noted above, the Board unanimously determined that it is in the best interest of the Company and its stockholders to eliminate the classified Board structure as proposed. As such, the Board has decided to submit this proposal to eliminate the classified Board structure.

Declassification of our Board of Directors

If stockholders approve this proposal, then the declassified Board structure would be implemented as follows:

the class of directors elected at this Annual Meeting will be elected for a three-year term ending at the 2015 Annual Meeting, as is currently required;

Table of Contents

following the Annual Meeting, we will file an Amended and Restated Certificate of Incorporation that will include the amendment to our Certificate of Incorporation in the form attached hereto at Appendix A with the Secretary of State of the State of Delaware;

directors whose terms are scheduled to expire at the 2014 and 2015 annual meetings will resign following the Annual Meeting; and

the remaining Board will reappoint the resigning directors for one-year terms of office which expire at the 2013 Annual Meeting of Stockholders.

Thus, beginning with the 2013 Annual Meeting of Stockholders, the entire Board will be elected annually by stockholders.

Removal of Directors without Cause

Delaware corporate law provides that members of a classified board of directors may be removed only for cause. At present, because our Board is classified, our Certificate of Incorporation currently provides that our directors are removable only for cause, and only by the affirmative vote of the holders of at least 80% of the voting power of our then outstanding capital stock entitled to vote at an election of directors. If the proposal to declassify our Board is approved by our stockholders, Section D, Article SIXTH of our Certificate of Incorporation would be amended to provide that, once the Board becomes declassified, directors may be removed with or without cause in order to comply with Delaware corporate law. If Item 4 below is approved, the removal of a director with or without cause may only occur upon the affirmative vote of the holders of at least 66²/₃% of the voting power of our then-outstanding capital stock entitled to vote at an election of directors. If Item 4 below is not approved, the removal of a director with or without cause may only occur upon the affirmative vote of the holders of at least 80% of the voting power of our then-outstanding capital stock entitled to vote at an election of directors.

Text of the Amendment

Section A, Article SIXTH of our Certificate of Incorporation currently sets forth the classified structure of the Board. The proposed amendment to our Certificate of Incorporation eliminates current Section A, Article SIXTH. The amendment to our Certificate of Incorporation, which is set forth in Appendix A to this Proxy Statement, shows the proposed changes with deletions indicated by strike-outs. The Board has also adopted conforming amendments to the Company's Bylaws, to be effective immediately upon the effectiveness of the amendments to the Certificate of Incorporation. If this proposal is approved by our stockholders, we will amend and restate our Certificate of Incorporation to reflect the revisions contemplated by this proposal as set forth in Appendix A and the resulting Amended and Restated Certificate of Incorporation will become effective upon its filing with the Secretary of State of the State of Delaware, which is anticipated to occur promptly after the Annual Meeting.

Vote Required

The affirmative vote of the holders of at least 80% of the outstanding shares of common stock is needed to approve this proposal. Therefore, the failure to vote, either by proxy or in person, will have the same effect as a vote against the approval of the proposal. Abstentions also will have the same effect as a vote against the approval of the proposal. This proposal to amend our Certificate of Incorporation to declassify the Board and provide for the annual election of directors is considered a "non-routine" item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Therefore, broker "non-votes" will have the same effect as a vote against the approval of the proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

Table of Contents

Recommendation of the Board of Directors

For the reasons described above, our Board of Directors believes that this proposal to amend our Certificate of Incorporation to declassify the Board and provide for the annual election of directors is advisable and in the best interests of the Company and its stockholders.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT

**ITEM 3. TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION
TO ELIMINATE THE LIMITATION ON THE ABILITY OF STOCKHOLDERS TO
VOTE SHARES OF OUR COMMON STOCK ABOVE SPECIFIED OWNERSHIP
THRESHOLDS**

We are asking you to approve an amendment to our Certificate of Incorporation to eliminate the limitation on the ability of stockholder to vote their shares of our common stock above certain ownership thresholds. Our Certificate of Incorporation prohibits any record owner of any outstanding common stock which is beneficially owned, directly or indirectly, by a person who, as of any record date for the determination of stockholders entitled to vote on any matter, beneficially owns in excess of 10% of the then outstanding shares of common stock, from voting those shares held in excess of the 10% limit. Our Board has unanimously approved, and recommends that all stockholders approve, the proposed amendment to our Certificate of Incorporation to eliminate Section C, Article FOURTH of the Certificate of Incorporation. The discussion regarding this proposal is qualified in its entirety by reference to the complete text of the proposed amendment to Section C, Article FOURTH of the Certificate of Incorporation, which is attached to this Proxy Statement as Appendix B and incorporated into this Proxy Statement by reference. We urge you to read carefully this proposed amendment to Section C, Article FOURTH that is set forth in Appendix B in its entirety because this summary may not contain all the information about this amendment that is important to you.

Background of Proposal

As part of the Board's review of our corporate governance policies, the Board considered the advantages and disadvantages of voting limitations similar to that currently found in Section C, Article FOURTH of our Certificate of Incorporation. This type of voting limitation generally is intended to facilitate corporate stability by requiring broad stockholder consensus to effect changes that require a vote of stockholders. However, many investors and others have begun to view voting limitation provisions as conflicting with principles of good corporate governance by preventing stockholders holding more than 10% of our issued and outstanding shares of common stock from fully exercising their voting rights as stockholders. Voting limitations, such as those in Section C, Article FOURTH of our Certificate of Incorporation, may also have the effect of providing anti-takeover protection to the Company.

After considering the advantages and disadvantages of the voting limitation set forth in Section C, Article FOURTH of our Certificate of Incorporation, the Board has unanimously voted to propose to the stockholders that Section C, Article FOURTH be removed from our Certificate of Incorporation. In reaching this determination, the Board concluded that the benefits of the voting limitation were outweighed by the Board's belief that removing the voting limitation will allow stockholders the ability to exercise the full voting rights associated with owning shares of the Company's common stock. Further, our Board believes this change furthers our goal of having our

Table of Contents

corporate governance policies conform to current best practices and maximizing the ability of our stockholders to appropriately participate in the affairs of the Company.

Text of the Amendment

The proposed amendment to our Certificate of Incorporation, which is set forth in Appendix B to this Proxy Statement, shows the proposed elimination of Section C, Article FOURTH of our Certificate of Incorporation, with deletions indicated by strike-outs. Certain conforming changes, such as moving and modifying defined terms and updating cross-references, will also be necessary in connection with the foregoing amendment and such conforming changes will be reflected in our Amended and Restated Certificate of Incorporation. A copy of our Amended and Restated Certificate of Incorporation is set forth in Appendix G and reflects changes that will be made to our Certificate of Incorporation assuming Items 2 through 7 of this Proxy Statement are approved by our stockholders at the Annual Meeting, with deletions indicated by strike-outs and additions indicated by underlining. If this proposal is approved by our stockholders, we will amend and restate our Certificate of Incorporation to reflect the revisions contemplated by this proposal as set forth in Appendix B and the resulting Amended and Restated Certificate of Incorporation will become effective upon its filing with the Secretary of State of the State of Delaware, which is anticipated to occur promptly after the Annual Meeting.

Vote Required

The affirmative vote of holders of at least 80% of the outstanding shares of common stock is needed to approve this proposal. Therefore, the failure to vote, either by proxy or in person, will have the same effect as a vote against the approval of the proposal. Abstentions also will have the same effect as a vote against the approval of the proposal. This proposal to eliminate Section C, Article FOURTH of our Certificate of Incorporation is considered a "non-routine" item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Therefore, broker "non-votes" will have the same effect as a vote against this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

Recommendation of the Board of Directors

For the reasons described above, our Board of Directors believes that this proposal to amend our Certificate of Incorporation by removing Section C, Article FOURTH is advisable and in the best interests of the Company and its stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE PROPOSED AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO ELIMINATE THE LIMITATION ON THE ABILITY OF STOCKHOLDERS TO VOTE SHARES OF OUR COMMON STOCK ABOVE SPECIFIED OWNERSHIP THRESHOLDS AS SET FORTH IN SECTION C, ARTICLE FOURTH OF OUR CERTIFICATE OF INCORPORATION.

ITEM 4. TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO REDUCE VARIOUS VOTING THRESHOLDS FOR AMENDING PROVISIONS IN, AND TAKING CERTAIN ACTIONS UNDER, OUR CERTIFICATE OF INCORPORATION

We are asking you to approve amendments to our Certificate of Incorporation to reduce the voting thresholds for amending certain provisions in, and taking certain actions under, our Certificate of Incorporation, which are described below. Our Certificate of Incorporation requires the approval of at least 80% (the "Supermajority Vote Requirement") of the voting power of all the then-outstanding shares of capital stock of the Company entitled to vote generally in the election of directors (the "voting stock") to approve certain stockholder actions, including, among others, the removal of directors, and the adoption, amendment or repeal of bylaws. Our Board has unanimously approved, and recommends that all stockholders approve, the reduction of the Supermajority Vote Requirement from 80% of the voting stock to 66²/₃% of the voting stock, through the following specific amendments to our Certificate of Incorporation: (i) Section D, Article SIXTH with respect to the removal of directors, (ii) Article SEVENTH with respect to the ability of stockholders to adopt, amend or repeal bylaws of the Company, and (iii) Article TWELFTH with respect to the ability of stockholders to amend Section C of Article FOURTH (concerning the voting limitation applicable to stockholders who beneficially own in excess of 10% of our common stock), Sections C or D of Article FIFTH (concerning the prohibitions against stockholder actions by written consent and the calling of special meetings of the stockholders), Article SIXTH (concerning the size of the Board of Directors and election and removal of directors), Article SEVENTH (concerning changes to the bylaws), Article EIGHTH (concerning business combinations between us and an interested stockholder), Article TENTH (concerning indemnification) or Article TWELFTH (concerning matters related to the foregoing). The discussion regarding this proposal is qualified in its entirety by reference to the complete text of the proposed amendments to our Certificate of Incorporation, which are attached respectively to this Proxy Statement at Appendices A, C, and D and incorporated into this Proxy Statement by reference. We urge you to read carefully the proposed amendments to our Certificate of Incorporation that are set forth in Appendices A, C and D in their entirety because this summary may not contain all the information about these amendments that are important to you.

Background of Proposal

As part of the Board's review of our corporate governance policies, the Board considered the advantages and disadvantages of the various Supermajority Voting Requirements contained in our Certificate of Incorporation. Supermajority voting provisions are intended to facilitate corporate governance stability by requiring broad stockholder consensus to effect changes. In addition, supermajority vote requirements are intended to provide protection against self-interested action by large stockholders and to encourage a person seeking control of a company to negotiate with its board of directors to reach terms that are fair and provide the best results for all stockholders. However, many investors and others have begun to view supermajority voting provisions as conflicting with principles of good corporate governance because the provisions potentially impede accountability to stockholders and contribute to Board and management entrenchment, with the possibility that boards and management become less responsive to stockholders. After considering the advantages and disadvantages of supermajority voting provisions, the Board of Directors has determined that it is in the best interests of the Company's stockholders that the Supermajority Voting Requirements be revised so as to reduce the threshold required for stockholders to approve certain actions.

Table of Contents

Description of Proposed Amendments to Our Certificate of Incorporation.

Revise Article SIXTH of Our Certificate of Incorporation to Reduce Supermajority Voting Requirement for Removal of Directors for Cause and to Provide for Removal of Directors without Cause

Section D, Article SIXTH of our Certificate of Incorporation currently provides that, subject to the rights of holders of any series of preferred stock of the Company then outstanding, any director or the entire Board may be removed from office at any time, but only for cause and only by the affirmative vote of holders of at least 80% of the Company's voting stock then outstanding. If this proposal is approved by stockholders, the Supermajority Vote Requirement to remove any director or the entire Board, with cause will be reduced from 80% of our voting stock then outstanding to 66²/₃% of our voting stock then outstanding. If the proposal to declassify the Board is approved by the stockholders, as described in Item 2 above, then the stockholders will also be permitted to remove any director or the entire Board, without cause, by the same affirmative vote of the stockholders as is required to remove a director or the entire Board for cause, as described in the preceding sentence. Removal of any director or the entire Board will also remain subject to the rights of holders of any series of preferred stock of the Company then outstanding. This discussion is qualified in its entirety by reference to the complete text of the proposed amendment to our Certificate of Incorporation, which is attached to this Proxy Statement at Appendix A.

Revise Article SEVENTH to Reduce Supermajority Voting Requirement to Adopt, Amend or Repeal Bylaws

Article SEVENTH of our Certificate of Incorporation currently provides that our bylaws may be adopted, amended or repealed by stockholders only upon the affirmative vote of the holders of at least 80% of the voting stock then outstanding. If this proposal is approved by stockholders, the Supermajority Vote Requirement for stockholders to adopt, amend or repeal the Company's Bylaws will be reduced from 80% of the Company's voting stock then outstanding to 66²/₃% of the Company voting stock then outstanding. This discussion is qualified in its entirety by reference to the complete text of the proposed amendment to our Certificate of Incorporation, which is attached to this Proxy Statement at Appendix C.

Revise Article TWELFTH to Reduce Supermajority Voting Requirement to Amend, Repeal or Adopt Certain Provisions of the Certificate of Incorporation

Article TWELFTH sets forth the Supermajority Voting Requirement with respect to any amendment, repeal or adoption of provisions inconsistent with certain existing sections of the Certificate of Incorporation, including limitations on voting by stockholders beneficially owning in excess of 10% of the Company's outstanding shares of Common Stock from voting their shares held in excess of the 10% limit under Section C, Article FOURTH of the Certificate of Incorporation, prohibitions against stockholder actions by written consent under Section C, Article FIFTH of the Certificate of Incorporation, the calling of special meetings of the stockholders under Section D, Article FIFTH of the Certificate of Incorporation, the size of the Board of Directors and election and removal of directors under Article SIXTH, changes to the bylaws under Article SEVENTH of the Certificate of Incorporation, business combinations under Article EIGHTH of the Certificate of Incorporation, and indemnification under Article TENTH of the Certificate of Incorporation. Certain of these sections are subject to other material changes identified in the proposals contained in Items 3 and 5 of this Proxy Statement. If the proposals in either or both of Items 3 and 5 are approved by our stockholders at the Annual Meeting, certain of the references to sections of our Certificate of Incorporation in Article TWELFTH may be revised or deleted.

The vote required for any amendment or repeal of any of these sections of the Certificate of Incorporation referenced in Article TWELFTH, including those sections described in the proposals contained in Items 3 and 5 of this Proxy Statement, currently is 80% of the voting stock then

outstanding. If this proposal is approved by stockholders, the vote required for any amendment or repeal of the sections of the Certificate of Incorporation referenced in Article TWELFTH will be reduced from 80% of the Company's voting stock outstanding to 66²/₃% of the Company's voting stock then outstanding. This discussion is qualified in its entirety by reference to the complete text of the proposed amendment to our Certificate of Incorporation, which is attached to this Proxy Statement at Appendix D.

Text of the Amendments

The proposed amendments to our Certificate of Incorporation described above are reflected in Appendices A, C and D respectively to this Proxy Statement, which show such proposed amendments to our Certificate of Incorporation, with deletions indicated by strike-outs and additions indicated by underlining. Certain conforming changes, such as moving and modifying defined terms and updating cross-references, will also be necessary in connection with the foregoing amendment and such conforming changes will be reflected in our Amended and Restated Certificate of Incorporation. A copy of our Amended and Restated Certificate of Incorporation is set forth in Appendix G and reflects changes that will be made to our Certificate of Incorporation assuming Items 2 through 7 of this Proxy Statement are approved by our stockholders at the Annual Meeting, with deletions indicated by strike-outs and additions indicated by underlining. If this proposal is approved by our stockholders, we will amend and restate our Certificate of Incorporation to reflect the revisions contemplated by this proposal as set forth in Appendices A, C and D as contemplated above and the resulting Amended and Restated Certificate of Incorporation will become effective upon its filing with the Secretary of State of the State of Delaware, which is anticipated to occur promptly after the Annual Meeting.

Vote Required

The affirmative vote of holders of at least 80% of our voting stock then outstanding is needed to approve this proposal. Therefore, the failure to vote, either by proxy or in person, will have the same effect as a vote against the approval of the proposal. Abstentions also will have the same effect as a vote against the approval of the proposal. This proposal to amend our Certificate of Incorporation to modify the supermajority voting requirements is considered a "non-routine" item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Therefore, broker "non-votes" will have the same effect as a vote against this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

Recommendation of the Board of Directors

For the reasons described above, our Board of Directors believes that this proposal to amend our Certificate of Incorporation to modify the Supermajority Voting Requirements as described in this proposal is advisable and in the best interests of the Company and its stockholders.

ITEM 5. TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO ELIMINATE THE CURRENT PROVISIONS OF ARTICLE EIGHTH (WHICH GOVERNS BUSINESS COMBINATIONS WITH INTERESTED STOCKHOLDERS) AND REPLACE IT WITH A STATEMENT OF THE COMPANY'S EXPRESS INTENTION TO BE GOVERNED BY SECTION 203 OF THE DGCL

We are asking you to approve an amendment to our Certificate of Incorporation to eliminate the current provisions of Article EIGHTH, which govern business combinations with interested stockholders, and to replace it with a new statement that the Company expressly elects to be governed by Section 203 of DGCL. We are presently subject to Section 203 of the DGCL, which governs certain business combinations with interested stockholders, and we will continue to be governed by Section 203 of the DGCL whether or not this proposal is approved by the stockholders.

Our Board has unanimously approved, and recommends that all stockholders approve, the elimination of the current provisions of Article EIGHTH and the addition of a new statement therein that the Company expressly elects to be governed by Section 203 of the DGCL. The discussion regarding this proposal is qualified in its entirety by reference to the complete text of the proposed amendment to our Certificate of Incorporation, which is attached to this Proxy Statement as Appendix E and incorporated into this Proxy Statement by reference. We urge you to read carefully the proposed amendment to our Certificate of Incorporation that is set forth in Appendix E in its entirety because this summary may not contain all the information about this amendment that is important to you.

Background of Proposal

Currently, Article EIGHTH of our Certificate of Incorporation requires the approval of at least 80% of the voting stock of the Company to approve certain business combinations (similar to those covered by Section 203 of the DGCL, discussed below) between us and an interested stockholder (for purposes of our Certificate of Incorporation, generally a holder of more than 10% of the Company's outstanding voting stock). Business combinations with interested stockholders meeting certain "fair market value" requirements set forth in Article EIGHTH are not subject to this supermajority voting requirement. If all of the "fair market value" criteria are met, then the supermajority voting requirement need not be complied with, and the business combination is subject to the approval by the affirmative vote of holders of the majority of our voting stock (after giving effect to the voting limitations currently set forth in Article FOURTH of our Certificate of Incorporation), or such other vote as is required by the DGCL or our Certificate of Incorporation.

This type of "fair market value" provision is an anti-takeover measure designed to help companies defend against certain business combination transactions initiated by an interested stockholder, including a type of tender offer known as coercive, two-tiered tender offers. In this form of tender offer, a potential acquirer will offer one price for the shares needed to gain control of a target company and then offer a lower price or other less favorable consideration for the remaining shares, thereby creating pressure for stockholders to tender their shares for the tender offer price, regardless of their value. Standard fair market value provisions encourage a potential acquirer to negotiate with a company's board of directors by requiring the potential acquirer to pay "fair market value" for all shares as determined under a specified formulation, unless the acquirer's offer has satisfied specified board or stockholder approval requirements.

We are, and will continue to be, subject to Section 203 of the DGCL, which contains provisions that provide similar protection to those provided by Article EIGHTH of our Certificate of

Table of Contents

Incorporation. Section 203 of the DGCL provides, in general, that a transaction constituting a "business combination" within the meaning of Section 203 involving a person or entity owning 15% or more of a company's voting stock, cannot be completed for a period of three years after the date the person became an interested stockholder, unless (1) the board of directors approved either the business combination or the transaction that resulted in the person becoming an interested stockholder under the DGCL prior to such business combination, (2) upon consummation of the transaction that resulted in the person becoming an interested stockholder under the DGCL, that person owned at least 85% of the company's outstanding voting stock (excluding shares owned by persons who are directors and also officers of the company and shares owned by certain employee benefit plans), or (3) the business combination was approved by the board of directors and by the affirmative vote of at least 66²/₃% of the outstanding voting stock not owned by such interested stockholder. The Board believes that the protection afforded by Section 203 of the DGCL is sufficient to address the concerns associated with two-tier tender offers and other types of business combination transactions addressed by the "fair market value" provision in Article EIGHTH of our Certificate of Incorporation.

This proposed amendment to eliminate the provisions of Article EIGHTH of our Certificate of Incorporation will have two principal effects on the voting by our stockholders with respect to business transactions:

those transactions currently covered by Article EIGHTH would require the vote required by applicable law or our governing documents, rather than 80% of the voting stock then-outstanding; and

the Board will be able to effect, without obtaining stockholder approval, those transactions currently covered by Article EIGHTH that do not otherwise require stockholder approval under Delaware law.

Text of the Amendment

The amendment to our Certificate of Incorporation that will eliminate the current provisions of Article EIGHTH, and replace it with a new statement that the Company expressly elects to be governed by Section 203 of the DGCL is reflected in Appendix E to this Proxy Statement and shows such proposed amendment to our Certificate of Incorporation, with deletions indicated by strike-outs and additions indicated by underlining. A copy of our Amended and Restated Certificate of Incorporation is set forth in Appendix G and reflects changes that will be made to our Certificate of Incorporation assuming Items 2 through 7 of this Proxy Statement are approved by our stockholders at the Annual Meeting, with deletions indicated by strike-outs and additions indicated by underlining. If this proposal is approved by our stockholders, we will amend and restate our Certificate of Incorporation to reflect the revisions contemplated by this proposal as set forth in Appendix E and the resulting Amended and Restated Certificate of Incorporation will become effective upon its filing with the Secretary of State of the State of Delaware, which is anticipated to occur promptly after the Annual Meeting.

Vote Required

The affirmative vote of holders of at least 80% of the outstanding shares of common stock is needed to approve this proposal. Therefore, the failure to vote, either by proxy or in person, will have the same effect as a vote against the approval of the proposal. Abstentions also will have the same effect as a vote against the approval of the proposal. This proposal is considered a "non-routine" item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Therefore, broker "non-votes" will have the same effect as a vote against this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

Recommendation of the Board of Directors

For the reasons described above, our Board of Directors believes that this proposal to amend our Certificate of Incorporation to eliminate the current provisions of Article EIGHTH, which govern business combinations with interested stockholders, and to replace it with a new statement that the Company expressly elects to be governed by Section 203 of the DGCL, as described in this proposal, is advisable and in the best interests of the Company and its stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE PROPOSED AMENDMENT TO ELIMINATE THE CURRENT PROVISIONS OF ARTICLE EIGHTH (WHICH GOVERNS BUSINESS COMBINATIONS WITH INTERESTED STOCKHOLDERS) AND REPLACE IT WITH A STATEMENT OF THE COMPANY'S EXPRESS INTENTION TO BE GOVERNED BY SECTION 203 OF THE DGCL.

ITEM 6. TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO ELIMINATE ARTICLE NINTH (WHICH ENUMERATES FACTORS THAT THE BOARD OF DIRECTORS MAY CONSIDER IN CONNECTION WITH CERTAIN PROPOSED CORPORATE TRANSACTIONS)

We are asking you to approve an amendment to our Certificate of Incorporation to eliminate Article NINTH (which enumerates factors that the Board of Directors may consider in connection with certain proposed corporation actions). Our Certificate of Incorporation in Article NINTH enumerates factors, including but not limited to social and economic factors, the Board may consider when evaluating any offer from a third party to (a) make a tender or exchange offer for any equity security of the Company, (b) merge or consolidate the Company with another corporation or entity or (c) purchase or otherwise acquire all or substantially all of the properties and assets of the Company.

Our Board has unanimously approved, and recommends that all stockholders approve, the proposed amendment to our Certificate of Incorporation to eliminate Article NINTH of the Certificate of Incorporation. The discussion regarding this proposal is qualified in its entirety by reference to the complete text of the proposed amendment to Article NINTH of the Certificate of Incorporation, which is attached to this Proxy Statement as [Appendix F](#) and incorporated into this Proxy Statement by reference. We urge you to read carefully this proposed amendment to Article NINTH that is set forth in [Appendix F](#) in its entirety because this summary may not contain all the information about this amendment that is important to you.

Background of Proposal

As part of the Board's review of our corporate governance policies, the Board considered the various positions for and against continued retention of Article NINTH of the Certificate of Incorporation. Delaware law establishes the parameters by which the board of directors of Delaware corporations such as the Company may consider and evaluate transactions similar to those described above from third parties, depending upon the proposed transaction structure and offered consideration. Delaware law that is applied to various transactions with third parties continues to evolve and change over time. However, Article NINTH was not designed to keep current with these changes. The Board has concluded that Article NINTH is unnecessary and should be removed. If Article NINTH is eliminated, the Board's analysis of a proposed transaction will continue to be based upon a review of that transaction under current Delaware law, rather than only the static factors enumerated under Article NINTH. To that end, the Board has determined that approving the elimination of Article

Table of Contents

NINTH of the Certificate of Incorporation as described in this proposal is in the best interests of the Company and its stockholders.

Text of the Amendment

The proposed amendment to our Certificate of Incorporation, which is set forth in Appendix F to this Proxy Statement, shows the proposed elimination of Article NINTH of our Certificate of Incorporation, with deletions indicated by strike-outs. If this proposal is approved by our stockholders, we will amend and restate our Certificate of Incorporation to reflect the revisions contemplated by this proposal as set forth in Appendix F and the resulting Amended and Restated Certificate of Incorporation will become effective upon its filing with the Secretary of State of the State of Delaware, which is anticipated to occur promptly after the Annual Meeting.

Vote Required

The affirmative vote of holders of at least a majority of the outstanding shares of common stock is needed to approve this proposal. Therefore, the failure to vote, either by proxy or in person, will have the same effect as a vote against the approval of the proposal. Abstentions also will have the same effect as a vote against the approval of the proposal. This proposal to amend Article NINTH of our Certificate of Incorporation is considered a "non-routine" item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Therefore, broker "non-votes" will have the same effect as a vote against this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

Recommendation of the Board of Directors

For the reasons described above, our Board of Directors believes that this proposal to amend our Certificate of Incorporation by removing Article NINTH is advisable and in the best interests of the Company and its stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE PROPOSED AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO ELIMINATE ARTICLE NINTH (WHICH ENUMERATES FACTORS THAT THE BOARD OF DIRECTORS MAY CONSIDER IN CONNECTION WITH CERTAIN PROPOSED CORPORATE TRANSACTIONS)

ITEM 7. TO AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE OUR AUTHORIZED SHARES OF COMMON STOCK FROM 15,000,000 TO 25,000,000 SHARES

We are asking you to approve an amendment to our Certificate of Incorporation to increase the number of authorized shares of our common stock. Our Certificate of Incorporation provides for the authorization of 15,000,000 shares of common stock. Our Board has approved, and recommends that all stockholders approve, the proposed amendment to our Certificate of Incorporation to increase the authorized shares of common stock from 15,000,000 to 25,000,000 shares. The discussion regarding this proposal is qualified in its entirety by reference to the complete text of the proposed amendment to Section A, Article FOURTH of our Certificate of Incorporation, which is attached to this Proxy Statement as Appendix B and incorporated into this Proxy Statement by reference. We urge you to read carefully this proposed amendment to Section A, Article FOURTH that is set forth in Appendix B in its entirety because this summary may not contain all the information about this amendment that is important to you.

Table of Contents**Background of Proposal**

The Board has proposed this increase in authorized shares of Common Stock to ensure that we have sufficient shares of common stock available for general corporate purposes including, without limitation, to have sufficient shares of common stock available to the extent that we want to offer our common stock in full or partial consideration for acquisition opportunities that we may pursue from time to time, to raise capital to the extent deemed appropriate, and to provide equity incentives to employees. Currently, we do not have any arrangements, agreements or understandings to issue shares in connection with any of the foregoing activities, except with respect to awards that may be made pursuant to the Company's 2012 Long-Term Incentive Plan, subject to stockholder approval.

As of the Record Date, 10,329,934 shares of our common stock were issued and outstanding and an additional 561,750 shares of common stock were reserved for issuance upon the exercise of outstanding rights to acquire common stock allocated by the Company under its various compensation plans, and 4,108,316 shares of common stock remain currently available for issuance by us.

The additional shares of common stock authorized by the proposed amendment to Section A, Article FOURTH will be available for issuance at the direction of the Board from time to time for any proper corporate purpose, including, without limitation, the raising of additional capital for use in our business, future acquisitions of other companies, issuances of common stock pursuant to employee benefit plans, each as discussed above, as well as stock dividends, stock splits and other general corporate purposes. Certain issuances of common stock approved by the Board, however, may also require the approval by our stockholders under applicable law or NASDAQ rules. The proposed amendment to Section A, Article FOURTH does not change the terms of our common stock. The additional shares of common stock to be authorized by the proposed amendment to Section A, Article FOURTH will have the same voting rights, the same rights to dividends and distributions and will be identical in all other respects to the common stock now authorized. Approval of the proposed amendment to Section A, Article FOURTH will not affect the rights of the holders of our currently outstanding common stock, except for incidental effects that would only occur as a result of increasing the number of shares of common stock outstanding, such as dilution of the earnings per share and dilution of voting rights of current holders of common stock.

The following table sets forth information with respect to our common stock:

Currently Authorized Shares	Currently Outstanding Shares (1)	Shares Currently Reserved for Issuance (2)	Shares Currently Available for Issuance	Proposed Authorized Shares (3)	Shares Potentially Available for Issuance (4)
15,000,000	10,329,934	561,750	4,108,316	25,000,000	14,108,316

- (1) As of the close of business on the Record Date.
- (2) Consists of shares of common stock reserved for issuance under our 2004 Long-term Incentive Plan. Does not include the shares authorized under the Company's 2012 Long-Term Incentive Plan, which is further discussed in Item 10 below.
- (3) The number of authorized shares of common stock, if this Item 7 is approved by our stockholders.
- (4) The number of shares of common stock available for issuance, if this Item 7 is approved by our stockholders.

Anti-Takeover Issues

This proposal has not been made in response to, and is not being presented to deter, any effort to obtain control of the Company and is not being proposed as an anti-takeover measure. Nevertheless, the proposed increase in the number of authorized shares of common stock may discourage or make it more difficult to effect a change in control of the Company. For example, we could issue additional shares to dilute the voting power of, create voting impediments for, or otherwise frustrate the efforts of persons seeking to take over or gain control of the Company, whether or not the change in control is favored by a majority of our unaffiliated stockholders. We could also privately place shares of common stock with purchasers who would side with our Board in opposing a hostile takeover bid.

Text of the Amendment

The proposed amendment to our Certificate of Incorporation, which is set forth in Appendix B to this Proxy Statement, shows the proposed amendments to Section A, Article FOURTH of our Certificate of Incorporation increasing the authorized shares of common stock, with deletions indicated by strike-outs and additions indicated by underlining. If this proposal is approved by our stockholders, we will amend and restate our Certificate of Incorporation to reflect the revisions contemplated by this proposal as set forth in Appendix B and the resulting Amended and Restated Certificate of Incorporation will become effective upon its filing with the Secretary of State of the State of Delaware, which is anticipated to occur promptly after the Annual Meeting.

Vote Required

The affirmative vote of holders of at least the majority of the outstanding shares of our common stock is needed to approve this proposal. Therefore, the failure to vote, either by proxy or in person, will have the same effect as a vote against the approval of the proposal. Abstentions also will have the same effect as a vote against the approval of the proposal. This proposal to amend Section A, Article FOURTH of our Certificate of Incorporation is considered a "non-routine" item upon which brokerage firms may not vote in their discretion on behalf of their clients if such clients have not furnished voting instructions. Therefore, broker "non-votes" will have the same effect as a vote against the approval of the proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

Recommendation of the Board of Directors

For the reasons described above, our Board of Directors believes that this proposal to amend Section A, Article FOURTH of our Certificate of Incorporation to increase the number of authorized shares of common stock from 15,000,000 to 25,000,000 shares is advisable and in the best interests of the Company and its stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" APPROVAL OF THE PROPOSED AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCREASE THE TOTAL NUMBER OF AUTHORIZED SHARES OF COMMON STOCK.

ITEM 8. TO APPROVE, ON A NON-BINDING ADVISORY BASIS, THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Board believes that the Company's compensation policies and procedures are appropriately aligned with the long-term interest of its stockholders. The Board also believes that both the Company and stockholders benefit from responsive corporate governance policies and constructive and consistent dialogue.

Table of Contents

Although currently not required under the SEC's rules implementing the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), our Board is voluntarily submitting for stockholder approval, on an advisory basis, the compensation paid to our Named Executive Officers as described in this Proxy Statement.

This proposal, commonly known as a "say-on-pay" proposal, gives you as a stockholder the opportunity to endorse or not endorse our executive pay program through the following resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED."

As described in detail in the *Compensation Discussion and Analysis*, we intend for our compensation program to align the interests of our executive officers with those of the stockholders by rewarding performance for implementing the Company's various strategies, with the ultimate goal of improving long-term stockholder value. We evaluate both performance and compensation to ensure that we maintain our ability to attract and retain employees in key positions, and to ensure that compensation provided to key employees keeps these employees focused on franchise value creation. Our compensation program includes

Base salary;

Annual discretionary cash incentive awards;

Long-term equity incentive awards,

Retirement plans and other benefits; and

Other executive benefits, such as perquisites and severance benefits.

Vote Required

Your vote on this proposal is an advisory vote, which means that the Company and the Board are not required is required to take any action based on the outcome of the vote. However, the Compensation Committee will seriously consider the vote of our stockholders on this proposal when determining the nature and scope of future executive compensation programs.

The affirmative vote of holders of the majority of the shares for which votes are cast at the Annual Meeting is needed to approve this proposal on a non-binding advisory basis. Abstentions and broker non-votes will not be counted as votes cast and, therefore, will not affect this proposal. Further, the failure to vote, either by proxy or in person, will not have an effect on this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

ITEM 9. TO APPROVE, ON A NON-BINDING ADVISORY BASIS, THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE NAMED EXECUTIVE OFFICER COMPENSATION

As described in Item 8 above, our stockholders are being provided with the opportunity to cast an advisory vote on the Company's executive compensation program. The advisory vote on executive compensation described in Item 8 is commonly referred to as a "say-on-pay" vote.

This Item 9 provides stockholders with the opportunity to cast an advisory vote on how often we should include a say-on-pay vote in our proxy materials for future annual stockholder meetings (or a special stockholder meeting for which we must include executive compensation information in the Proxy Statement for that meeting). The vote on this proposal is not binding on the Company but will be considered by the Compensation Committee as it administers the Company's executive compensation program. Stockholders may vote for a frequency of say-on-pay votes of one, two, or three years, or may abstain from voting

The Company values the opinions expressed by stockholders and will consider the outcome of these votes in making its decisions on executive compensation in the future. We believe that say-on-pay votes should be conducted every year so that stockholders may annually express their views on the Company's executive compensation program.

You may cast your vote on your preferred voting frequency by choosing the option of once every year ("1 year"), once every two years ("2 years"), once every three years ("3 years"), or you may abstain from voting on the following resolution:

"RESOLVED, that the option of once every year, once every two years, or once every three years that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency for holding an advisory stockholder vote to approve the compensation of the named executive officers, as disclosed in the Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the Summary Compensation Table, and the other related tables and disclosure."

Vote Required

The option of 1 year, 2 years or 3 years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on executive compensation recommended by stockholders. While this vote on the frequency of the advisory vote on executive compensation is non-binding, the Board and the Compensation Committee will consider the outcome of the vote when determining the frequency of the advisory vote on executive compensation. The Board may determine that it is advisable and in the best interests of the stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option preferred by stockholders.

Recommendation of the Board of Directors

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT
STOCKHOLDERS VOTE "FOR" THE "*EVERY YEAR*" OPTION
AS THE FREQUENCY FOR THE ADVISORY VOTE ON EXECUTIVE COMPENSATION.**

ITEM 10. TO APPROVE THE COMPANY'S 2012 LONG-TERM INCENTIVE PLAN

Purpose of the 2012 Long-Term Incentive Plan

On March 28, 2012, the Board of Directors, upon the recommendation of the Compensation Committee, unanimously approved the Company's 2012 Long-Term Incentive Plan subject to stockholder approval of the 2012 Long-Term Incentive Plan.

The 2012 Long-Term Incentive Plan is intended to promote the long-term interests of the Company and its stockholders by providing a broad based group of employees, officers, directors, consultants and independent contractors with equity-based incentives and rewards to encourage them to enter into and continue in the employ of the Company. The equity-based incentives and rewards provided under the 2012 Long-Term Incentive Plan also give recipients a proprietary interest in the long-term success of the Company, thereby aligning their interests with those of our stockholders.

The 2012 Long-Term Incentive Plan is attached as Appendix H to this Proxy Statement. The following description of the material terms of the 2012 Long-Term Incentive Plan is qualified in its entirety by the complete text of the 2012 Long-Term Incentive Plan.

Description of the Principal Features of the 2012 Long-Term Incentive Plan

Types of Awards. Grants under the 2012 Long-Term Incentive Plan may be made in the form of stock options, restricted stock, and stock appreciation rights ("SARs").

Number of Authorized Shares. Subject to adjustment as provided in the 2012 Long-Term Incentive Plan, the number of shares of common stock that may be issued or transferred shall not in the aggregate exceed 620,000, which is equal to approximately six percent (6%) of our outstanding shares of common stock as of the Record Date.

Change in Capitalization. In the event of any equity restructuring, merger, consolidation or the like such as a stock dividend, stock split, spinoff, rights offering or recapitalization, the Compensation Committee shall cause an equitable adjustment to be made (i) in the number and kind of shares of our common stock that may be delivered under the 2012 Long-Term Incentive Plan and (ii) with respect to outstanding awards, in the number and kind of shares subject to outstanding awards, and the exercise price, grant price or other price of shares subject to outstanding awards.

Eligibility and Participation. Eligible participants include all officers, employees, directors, consultants and independent contractors of the Company and our subsidiaries, as determined by the Compensation Committee.

Transferability. Awards generally are restricted as to transferability although certain awards may be transferable by will or the laws of descent and distribution.

Amendment and Termination. The 2012 Long-Term Incentive Plan may be amended or terminated by our Board of Directors at any time and, subject to limitations under the 2012 Long-Term Incentive Plan, the awards granted under the 2012 Long-Term Incentive Plan may be amended by the Compensation Committee at any time, provided that no such action to the plan or an award may, without a participant's consent, adversely affect any previously granted award.

Effective Date and Duration. If approved by our stockholders, the 2012 Long-Term Incentive Plan will become effective on May 30, 2012, and will authorize the granting of awards for up to ten years. The 2012 Long-Term Incentive Plan will remain in effect with respect to outstanding awards until no awards remain outstanding.

Table of Contents

Types of Awards

The following is a general description of the types of awards that may be granted under the 2012 Long-Term Incentive Plan. Terms and conditions of awards will be determined on a grant-by-grant basis by the Compensation Committee, subject to the limitations contained in the 2012 Long-Term Incentive Plan.

Stock Options. The Compensation Committee may grant incentive stock options ("ISOs") or nonqualified stock options ("NQSOs") under the 2012 Long-Term Incentive Plan. The exercise price for each such award will be at least equal to 100% of the fair market value of a share of common stock on the date of grant (110% of fair market value in the case of an ISO granted to a person who owns more than 10% of the voting power of all classes of stock of the Company or any subsidiary). Options will expire at such times and will have such other terms and conditions as the Compensation Committee may determine at the time of grant; provided, however, that no option may be exercisable later than the tenth anniversary of its grant (fifth anniversary in the case of an ISO granted to a person who owns more than 10% of the voting power of all classes of stock of the Company or any subsidiary). The exercise price of options granted under the 2012 Long-Term Incentive Plan generally may be paid in cash or check. The Compensation Committee may, in its discretion, permit a participant to exercise vested and exercisable options by surrendering an amount of common stock already owned by the participant equal to the options' exercise price.

ISOs and NQSOs generally shall vest and be exercisable in full on the third (3rd) anniversary of the date of grant, unless otherwise determined in the sole discretion of the Compensation Committee. No vesting shall occur on or after the date that a participant's employment or personal services contract with the Company terminates for any reason, except as may be set forth in the applicable award agreement. Notwithstanding the general rule described above, and subject to certain limitations, a participant's options shall vest immediately upon death, disability or retirement, a change of control or upon the participant's termination without cause or resignation with good reason.

Restricted Stock. The Compensation Committee is authorized to award restricted stock under the 2012 Long-Term Incentive Plan. Restricted stock is an award that is non-transferable and subject to a substantial risk of forfeiture until vesting conditions, which can be related to continued service or other conditions established by the Compensation Committee, are satisfied. Prior to vesting, holders of restricted stock may receive dividends and voting rights. If the vesting conditions are not satisfied, the participant forfeits the shares.

Unless accelerated under certain circumstances, the restrictions imposed on shares shall lapse in accordance with the vesting requirements specified by the Compensation Committee in an applicable award agreement. Such vesting requirements may be based on the continued employment of the participant with the Company for a specified time period, or upon the attainment of specified business goals or measures established by the Compensation Committee in its sole discretion. Notwithstanding the general rule described above, and subject to certain limitations, a participant's restricted stock award shall vest immediately upon a change in control, the participant's death while in the employ of the Company, the participant's termination of employment as a result of disability, the participant's termination without cause or the participant's resignation with good reason, except as determined in the sole discretion of the Compensation Committee and set forth in an applicable award agreement.

Stock Appreciation Rights. The Compensation Committee may grant SARs under the 2012 Long-Term Incentive Plan which may be in the form of freestanding SARs (SARs granted independently of any option), tandem SARs (SARS granted in connection with a related option) or a combination thereof. The grant price of a freestanding SAR will be equal to the fair market value of a share of common stock on the date of grant. The grant price of a tandem SAR will be equal to the exercise price of the related option. Freestanding SARs may be exercised upon such terms and

Table of Contents

conditions as are imposed by the Compensation Committee and set forth in a participant's award agreement. Tandem SARs may be exercised only with respect to the shares of common stock for which its related option is exercisable. Upon exercise of a SAR, a participant will receive the product of the excess of the fair market value of a share of common stock on the date of exercise over the grant price multiplied by the number of shares with respect to which the SAR is exercised.

Certain U.S. Federal Income Tax Consequences

Set forth below is a summary discussion of the United States federal income tax consequences associated with the grant of awards pursuant to the 2012 Long-Term Incentive Plan. The following discussion is not intended to be exhaustive and reference is made to the Internal Revenue Code of 1986, as amended, and the regulations and interpretations issued thereunder for a complete statement of all relevant federal tax consequences. This summary does not describe the state, local or foreign tax consequences that may be associated with the grant of awards under the 2012 Long-Term Incentive Plan.

Incentive Stock Options. In general, no taxable income is realized by a participant upon the grant of an ISO. If shares of common stock are issued to a participant pursuant to the exercise of an ISO, then, generally (i) the participant will not realize ordinary income with respect to the exercise of the option, (ii) upon sale of the underlying shares acquired upon the exercise of an ISO, any amount realized in excess of the exercise price paid for the shares will be taxed to the participant as capital gain and (iii) the Company will not be entitled to a compensation deduction. The amount by which the fair market value of the stock on the exercise date of an ISO exceeds the purchase price generally will, however, constitute an item which increases the participant's income for purposes of the alternative minimum tax. However, if the participant disposes of the shares acquired on exercise of ISO before the later of the second anniversary of the date of grant or one year after the receipt of the shares by the participant (a "Disqualifying Disposition"), the participant generally would include in ordinary income in the year of the Disqualifying Disposition an amount equal to the excess of the fair market value of the shares at the time of exercise (or, if less, the amount realized on the disposition of the shares), over the exercise price paid for the shares. If ordinary income is recognized due to a Disqualifying Disposition, the Company would generally be entitled to a compensation deduction in the same amount. Subject to certain exceptions, an ISO generally will not be treated as an ISO if it is exercised more than three months following termination of employment. If an ISO is exercised at a time when it no longer qualifies as an ISO, it will be treated for tax purposes as an NQSO, as discussed below.

Nonqualified Stock Options. In general, no taxable income is realized by a participant upon the grant of an NQSO. Upon exercise of an NQSO, the participant generally would include in ordinary income at the time of exercise an amount equal to the excess, if any, of the fair market value of the shares at the time of exercise over the exercise price paid for the shares. At the time the participant recognizes ordinary income, the Company generally will be entitled to a compensation deduction in the same amount. In the event of a subsequent sale of shares received upon the exercise of an NQSO, any appreciation after the date on which taxable income is realized by the participant in respect of the option exercise should be taxed as capital gain in an amount equal to the excess of the sales proceeds for the shares over the participant's basis in such shares. The participant's basis in the shares will generally equal the amount paid for the shares plus the amount included in ordinary income by the participant upon exercise of the NQSO.

Restricted Stock. In general, a participant will not recognize any income upon the grant of restricted stock, unless the participant elects under Section 83(b) of the Code, within thirty days of such grant, to recognize ordinary income in an amount equal to the fair market value of the restricted stock at the time of grant, less any amount paid for the shares. If the election is made, the participant will not be allowed a deduction for amounts subsequently required to be returned to the Company. If the

Table of Contents

election is not made, the participant will generally recognize ordinary income on the date that the restrictions to which the restricted stock lapse, in an amount equal to the fair market value of such shares on such date, less any amount paid for the shares. At the time the participant recognizes ordinary income, the Company generally will be entitled to a deduction in the same amount. Generally, upon a sale or other disposition of restricted stock with respect to which the participant has recognized ordinary income (i.e., where a Section 83(b) election was previously made or the restrictions were previously removed), the participant will recognize capital gain or loss in an amount equal to the difference between the amount realized on such sale or other disposition and the participant's basis in such shares.

Stock Appreciation Rights. In general, the grant of a SAR will not result in income for the participant or in a tax deduction for the Company. Upon the settlement of a SAR, the participant will recognize ordinary income equal to the aggregate value of the payment received, and the Company generally will be entitled to a tax deduction at such time in the same amount.

Vote Required

The affirmative vote of holders of the majority of the shares for which votes are cast at the Annual Meeting is needed to approve this proposal and approve of the adoption of the 2012 Long-Term Incentive Plan. Abstentions and broker non-votes will not be counted as votes cast and, therefore, will not affect this proposal. Further, the failure to vote, either by proxy or in person, will not have an effect on this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

Recommendation of the Board of Directors

For the reasons described above, our Board of Directors believes that this proposal to adopt the 2012 Long-Term Incentive Plan is advisable and in the best interests of the Company and its stockholders.

**ITEM 11. TO RATIFY THE APPOINTMENT OF VAVRINEK, TRINE,
DAY & CO., LLP AS THE COMPANY'S INDEPENDENT AUDITOR FOR THE
FISCAL YEAR ENDED DECEMBER 31, 2012**

The Company's independent auditors for its fiscal year ended December 31, 2011 were VTD, independent public accountants. The Audit Committee of the Board of Directors considered the qualifications and experience of VTD, and, in consultation with the Board of Directors of the Company, appointed them as independent auditors for the Company for the current fiscal year which ends December 31, 2012. Although ratification of our independent auditors by stockholders is not required by law, the Audit Committee and Board of Directors desire to obtain the stockholders' ratification of such appointment. If ratification of VTD as our independent auditors is not approved by stockholders, the matter will be referred to the Audit Committee for further review.

Representatives of VTD will be present at the Annual Meeting of Stockholders, will have the opportunity to make a statement if they so desire, and will be available to respond to appropriate questions submitted to the Secretary of the Company in advance of the Annual Meeting.

Audit-Related Fees

Audit-related fees for each of 2011 and 2010 included fees for audits of the Company's 401(k) plan.

Tax Fees

Tax fees in both 2011 and 2010 consisted of tax compliance services in preparation of the Company's tax returns filed with the Internal Revenue Service and various state tax agencies.

All Other Fees

All other fees for 2011, included fees related to the acquisition of Canyon National and 2010 included fees paid related to internal control procedures and internal compliance with management's assessment of internal controls.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specified audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it.

In 2011, 100% of Audit-Related Fees, Tax Fees and All Other Fees were pre-approved by the Audit Committee.

ITEM 12. ADJOURNMENT OF THE ANNUAL MEETING

In the event there are not sufficient votes at the time of the Annual Meeting to approve Items 2 through 7, and 10, our Board of Directors may propose to adjourn the Annual Meeting to a later date or dates in order to permit the solicitation of additional proxies. Pursuant to the DGCL, the

Table of Contents

Board of Directors is not required to fix a new record date to determine the stockholders entitled to vote at the adjourned meeting. If the Board of Directors does not fix a new record date, it is not necessary to give any notice of the time and place of the adjourned meeting other than an announcement at the meeting at which the adjournment is taken unless the adjournment is for more than 30 days. If a new record date is fixed, notice of the adjourned meeting shall be given as in the case of an original meeting.

In order to permit proxies that have been received by us at the time of the Annual Meeting to be voted for an adjournment, if necessary, we have submitted this proposal to you as a separate matter for your consideration (the "Adjournment Proposal"). If approved, the Adjournment Proposal will authorize the holder of any proxy solicited by our Board of Directors to vote in favor of adjourning the Annual Meeting and any later adjournments. If our stockholders approve this Adjournment Proposal, we could adjourn the Annual Meeting, and any adjourned session of the Annual Meeting, to use the additional time to solicit additional proxies in favor of Items 2 through 7, and 10, including the solicitation of proxies from our stockholders who have previously voted against these proposals. Among other things, approval of the Adjournment Proposal could mean that, even if proxies representing a sufficient number of votes against Items 2 through 7, and 10, have been received, we could adjourn the Annual Meeting without a vote on the proposal and seek to convince the holders of those shares to change their votes to votes in favor of the proposals.

Vote Required

The affirmative vote of holders of the majority of the shares for which votes are cast at the Annual Meeting is needed to approve this proposal. Abstentions and broker non-votes will not be counted as votes cast and, therefore, will not affect this proposal. Methods used to account for significant unusual transactions;

The effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy delivery requirements for Proxy Statements with respect to two or more stockholders sharing the same address by delivering a single Proxy Statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers household proxy materials, delivering a single Proxy Statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or us will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement, or if you are receiving multiple copies of the Proxy Statement and wish to receive only one, please notify your broker or nominee if your shares are held in a brokerage account or other account or our agent, American Stock Transfer & Trust Co., if you hold registered shares. You can notify American Stock Transfer & Trust Co. by sending a written request to: American Stock Transfer & Trust Co., 59 Maiden Lane, New York, NY 10038, or by calling American Stock Transfer & Trust Co., at (800) 937-5449.

STOCKHOLDER PROPOSALS FOR THE 2013 ANNUAL MEETING

Under the rules of the SEC and our bylaws, as amended, stockholder proposals that meet certain conditions may be included in our Proxy Statement and form of proxy for a particular annual meeting if they are presented to us in accordance with the following:

Stockholder proposals intended to be considered for inclusion in next year's Proxy Statement for the 2013 Annual Meeting of Stockholders must be received by the Company by December 18, 2012, which is one hundred twenty (120) days prior to the anniversary date that we released this Proxy Statement to our stockholders for the 2012 Annual Meeting of Stockholders.

Stockholders that intend to present a proposal at our 2013 Annual Meeting of Stockholders, but not to include the proposal in our Proxy Statement, must give notice of the proposal to our Secretary no sooner than January 30, 2013, which is one hundred twenty (120) days prior to May 30, 2013, which is the one-year anniversary of our 2012 Annual Meeting, but no later than March 1, 2013, which is ninety (90) days prior to May 30, 2013 (the one-year anniversary of our 2012 Annual Meeting). As set forth our bylaws, as amended, the stockholder's notice to the Secretary must contain certain required information.

If the date of the 2013 Annual meeting is held on a date more than thirty (30) calendar days before or sixty (60) days after May 30, 2013 (the one-year anniversary of our 2012 Annual Meeting), the stockholder's notice must be delivered to our Secretary no sooner than the 120th day prior to the 2013 Annual Meeting, and no later than (a) the 90th day prior to the date of the 2013 Annual Meeting, or (b) in the event the first public announcement of the date of the 2013 Annual Meeting is less than one hundred (100) days prior to the date of the 2013 Annual Meeting, the 10th day following the day on which public announcement of the date of the 2013 Annual Meeting is first made by the Company.

In the event the Board increases the number of directors to be elected to the Board and the public announcement of such increase is not made on or before February 19, 2013, which is one hundred (100) days prior to May 30, 2013 (the one-year anniversary of our 2012 Annual Meeting), stockholder nominees for the new directorships will be considered timely if provided to Secretary within 10 days of the public announcement.

Table of Contents

Pursuant to Rule 14a-4(c)(1) promulgated under the Exchange Act the proxies designated by us for the 2012 Annual Meeting will have discretionary authority to vote with respect to any proposal received after March 5, 2012, which is forty-five (45) days before the date on which the Company first sent the proxy materials for the 2012 Annual Meeting of Stockholders. In addition, our bylaws, as amended, provide that any matter to be presented at the 2012 Annual Meeting must be proper business to be transacted at the Annual Meeting or a proper nomination to be decided on at the Annual Meeting and must have been properly brought before such meeting pursuant to our bylaws.

Our Secretary must receive notices of stockholder proposals or nominations in writing at the executive offices of the Company at 1600 Sunflower Avenue, Costa Mesa, California 92626, Attention: Secretary.

No notice that a stockholder intends to present a proposal at the Company's 2012 Annual Meeting of Stockholders was received by the Company on or before March 1, 2012, which is ninety (90) days before the 2012 Annual Meeting of Stockholders.

OTHER MATTERS

The Board of Directors knows of no business that will be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting of Stockholders. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote the shares represented thereby on such matters in accordance with their best judgment.

Whether or not you intend to be present at the Annual Meeting, you are urged to promptly return your proxy card or vote via telephone or the Internet. If you are present at the Annual Meeting and wish to vote your shares in person, your original proxy may be revoked by voting at the Annual Meeting. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record-holder to vote personally at the Annual Meeting.

Appendix A

Article SIXTH of the Company's Certificate of Incorporation would be amended as follows:

SIXTH:

~~A.~~ The number of Directors shall be fixed from time to time exclusively by the Board of Directors pursuant to a resolution adopted by a majority of the Whole Board. The Directors shall be divided into three classes, as nearly equal in number as reasonably possible, with the term of office of the first class to expire at the first annual meeting of stockholders, the term of office of the second class to expire at the annual meeting of stockholders one year thereafter and the term of office of the third class to expire at the annual meeting of stockholders two years thereafter with each Director to hold office until his or her successor shall have been duly elected and qualified. ~~B.A.~~ Subject to the rights of holders of any series of Preferred Stock outstanding, the newly created directorships resulting from any increase in the authorized number of Directors or any vacancies in the Board of Directors resulting from death, resignation, retirement, disqualification, removal from office or other cause may be filled only by a majority vote of the Directors then in office, though less than a quorum, and Directors so chosen shall hold office for a term expiring at the next annual meeting of stockholders ~~at which the term of office of the class to which they have been chosen expires~~. Appendix B

Article FOURTH of the Company's Certificate of Incorporation would be amended as follows:

FOURTH:

A. The total number of shares of all classes of stock which the Corporation shall have authority to issue is ~~sixteen~~twenty-six million (~~16,000,000~~26,000,000) consisting of:

1. One million (1,000,000) shares of Preferred Stock, par value one cent (\$.01) per share (the "Preferred Stock"); and

The number of authorized shares of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the Common Stock, without a vote of the holders of the Preferred Stock, or of any series thereof, unless a vote of any such holders is required pursuant to the terms of any Preferred Stock Designation.

~~TENTH~~

A. Each person who was or is made a party to or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (hereinafter a "proceeding"), by reason of the fact that he or she is or was a Director or an Officer of the Corporation or is or was serving at the request of the Corporation as a Director, Officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan (hereinafter an "indemnitee"), whether the basis of such proceeding is alleged action in an official capacity as a Director, Officer, employee or agent or in any other capacity while serving as a Director, Officer, employee or agent, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the Delaware General Corporation Law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than such law permitted the Corporation to provide prior to such amendment), against all expense, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith; provided, however, that, except as provided in Section C hereof with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board of Directors of the Corporation.

B. The right to indemnification conferred in Section A of this Article ~~TENTH~~NINTH shall include the right to be paid by the Corporation the expenses incurred in defending any such proceeding in advance of its final disposition (hereinafter an "advancement of expenses"); provided, however, that, if the Delaware General Corporation Law requires, an advancement of expenses incurred by an indemnitee in his or her capacity as a Director or Officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, services to an employee benefit plan) shall be made only upon delivery to the Corporation of an undertaking (hereinafter an "undertaking"), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal (hereinafter a "final adjudication") that such indemnitee is not entitled to be indemnified for such expenses under this Section or otherwise. The rights to indemnification and to the advancement of expenses conferred in Sections A and B of this Article ~~TENTH~~NINTH shall be contract rights and such rights shall continue as to an indemnitee who has ceased to be a Director, Officer, employee or agent and shall inure to the benefit of the indemnitee's heirs, executors and administrators.

Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) to have made a determination prior to the commencement of such suit that indemnification of the indemnitee is proper in the circumstances because the indemnitee has met the applicable standard of conduct set forth in the Delaware General Corporation Law, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its stockholders) that the indemnitee has not met such applicable standard of conduct, shall create a presumption that the indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the indemnitee, be a defense to such suit. In any suit brought by the indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or by the Corporation to recover an advancement of expenses pursuant to the terms of an undertaking, the burden of proving that the indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Article ~~TENTH~~NINTH or otherwise shall be on the Corporation.

D. The rights to indemnification and to the advancement of expenses conferred in this Article ~~TENTH~~NINTH shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, ~~the Corporation's~~this Certificate of Incorporation, Bylaws of the Corporation, agreement, vote of stockholders or Disinterested Directors or otherwise.

E. The Corporation may maintain insurance, at its expense, to protect itself and any Director, Officer, employee or agent of the Corporation or subsidiary or Affiliate or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the Delaware General Corporation Law. "Affiliate" shall have the meaning ascribed to such term in Rule 12b-2 of the General Rules and Regulations under the Securities Exchange Act of 1934, as amended, as in effect on the date of filing of this Certificate of Incorporation.

F. The Corporation may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Corporation to the fullest extent of the provisions of this Article ~~TENTH~~NINTH with respect to the indemnification and advancement of expenses of Directors and Officers of the Corporation.

~~ELEVENTH~~TENTH: A Director of this Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a Director, except for liability (i) for any breach of the Director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the Director derived an improper personal benefit. If the Delaware General Corporation Law is amended to authorize corporate action further eliminating or limiting the personal liability of Directors, then the liability of a Director of the Corporation shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended.

Any repeal or modification of the foregoing paragraph by the stockholders of the Corporation shall not adversely affect any right or protection of a Director of the Corporation existing at the time of such repeal or modification.

**ARTICLE III
ADMINISTRATION OF THE PLAN AND MISCELLANEOUS**

3.01 Plan Administration. The Plan shall be administered by the Compensation Committee (the "Committee") of the Board. References herein to the Committee shall be deemed to include and refer to the Board of Directors to the extent applicable. The Committee may, in its discretion, delegate to one or more officers responsibility for the day-to-day operation of the Plan. The Committee shall make all determinations with respect to participation in the Plan by Employees, Officers, directors, consultants or independent contractors of the Company, and with respect to the extent of that participation. The interpretation and construction of any provision of the Plan by the Committee shall be final. No member of the Committee shall be liable for any action or determination made by him or her in good faith.

3.02 Limitation on Liability. No Committee member shall be liable for any action or determination made in good faith with respect to the Plan. To the maximum extent allowed by law and the Company's organizational documents and Bylaws, the Committee shall be indemnified by the Company in respect of all their activities under the Plan.

3.03 Compliance with Law and Regulations. All Awards granted hereunder shall be subject to all applicable federal and state laws, rules and regulations and to such approvals by any government or regulatory agency as may be required. The Company shall not be required to issue or deliver any certificates for shares of Common Stock prior to the completion of any registration or qualification of, or obtaining of consents or approvals with respect to, such shares under any federal or state law or any rule or regulation of any government body, which the Company shall, in its sole discretion, determine to be necessary or advisable.

Table of Contents

3.04 Restrictions on Transfer. The Company shall place a legend upon any certificate representing shares acquired pursuant to an Award granted hereunder noting that the transfer of such may be restricted pursuant to the terms of an Award Agreement or as set forth in applicable laws and regulations.

3.05 Revocation for Misconduct. Any Award, or portion thereof, under this Plan, whether or not vested, made to a Participant who is discharged from the employ of the Company or any of its subsidiaries (or whose personal services contract is terminated in the case of a consultant or independent contractor) for Cause may be automatically terminated, or rescinded and revoked by determination of the Committee.

**ARTICLE IV
ELIGIBILITY**

Awards may be granted to such Employees, Officers, directors, consultants or independent contractors as may be designated from time to time by the Committee, pursuant to guidelines, if any, which may be adopted from time to time.

**ARTICLE V
COMMON STOCK AVAILABLE FOR THE PLAN**

The aggregate number of shares of Common Stock which may be issued pursuant to this Plan shall be 620,000 (6%). If and to the extent that the number of issued shares of Common Stock shall be increased or reduced by change in par value, split up, reclassification, distribution of a dividend payable in Common Stock, merger, consolidation, reorganization, recapitalization, reincorporation, or the like, the Board shall make appropriate adjustment in the number of shares of Common Stock authorized by the Plan and in the number and exercise or purchase price of shares covered by outstanding Awards under the Plan; provided that no such adjustment shall cause any Award hereunder which is or becomes subject to Section 409A of the Code to fail to comply with the requirements of such section. In the event of any adjustment in the number of shares covered by any Award, any fractional shares resulting from such adjustment shall be disregarded and each such Award shall cover only the number of full shares resulting from such adjustment. The Board may make such adjustments, and its determination shall be final, binding and conclusive.

The Board also may adjust the number of shares subject to outstanding Awards and the exercise or purchase price and the terms of outstanding Awards to take into consideration material changes in accounting practices or principles, extraordinary dividends, acquisitions or dispositions of stock or property or any other event if it is determined by the Board that such adjustment is appropriate in order to prevent dilution or expansion of the rights of Participants, provided that no such adjustment shall be made in the case of an Incentive Stock Option, without the consent of the Participant, if such adjustment would constitute a modification, extension or renewal of the Option within the meaning of Section 424(h) of the Code. Notwithstanding anything to the contrary in this Article V, the Company shall not engage in any re-pricing of any Options granted under this Plan without approval by the Company's stockholders who are eligible to vote at a meeting of stockholders. For purposes of this Article V, the term "re-pricing" shall mean the following: (i) lowering the exercise price of an Option to take into account a decrease in the Fair Market Value of the Company's Common Stock below the Option's stated exercise price, or (ii) canceling an Option at a time when its exercise price exceeds the Fair Market Value of the underlying Common Stock in exchange for another Award under the Plan.

No shares shall be the subject of more than one Award at any time, but if an Award as to any shares is surrendered before exercise, or expires or terminates for any reason without having been exercised in full, or for any other reason ceases to be exercisable, the number of shares covered thereby

shall again become available for grant under the Plan as if no Awards had been previously granted with respect to such shares.

**ARTICLE VI
PARTICIPATION; AWARD AGREEMENT**

The Committee shall, in its discretion, determine from time to time which Employees, Officers, directors, consultants or independent contractors will participate in the Plan and receive Awards under the Plan. In making all such determinations, there shall be taken into account the duties, responsibilities and performance of each respective Employee, Officer, director, consultant or independent contractor, his or her present and potential contributions to the growth and success of the Company, his or her cash compensation and such other factors as the Committee shall deem relevant to accomplishing the purposes of the Plan.

Awards may be granted individually or in tandem with other Awards. All Awards are subject to the terms, conditions, restrictions and privileges of the Plan in addition to the terms, conditions, restrictions and privileges for an Award contained in the Award Agreement. No Award under this Plan shall be effective unless memorialized in writing by the Committee in an Award Agreement delivered to and signed by the Participant.

**ARTICLE VII
AWARDS**

7.01 Stock Options. The Committee may from time to time grant to eligible Participants Awards of Incentive Stock Options or Non-Qualified Stock Options; provided however that Awards of Incentive Stock Options shall be limited to Employees of the Company. Awards of Incentive and Non-Qualified Stock Options must have an exercise price at least equal to the Fair Market Value of a share of Common Stock at the time of grant, except as provided in Section 8.07. The exercise price applicable to a particular Award shall be set forth in each individual Award Agreement.

7.02 Restricted Stock. The Committee may from time to time grant to eligible Participants Awards of Restricted Stock in such amounts, on such terms and conditions, and for such consideration, including no consideration or such minimum consideration as may be required by law, as it shall determine. A Restricted Stock Award represents shares of Common Stock that are issued subject to such restrictions on transfer and other incidents of ownership and such forfeiture conditions as the Committee may determine. The Committee may, in connection with any Restricted Stock Award, require the payment of a specified purchase price.

7.03 Stock Appreciation Rights. The Committee may from time to time grant to eligible Participants Awards of Stock Appreciation Rights ("SARs") in such amounts, on such terms and conditions, as it shall determine. A SAR gives to a Participant the right to receive upon exercise, an amount equal to the excess of (1) the Fair Market Value of one share of Common Stock on the date of exercise over (2) the exercise price of the SAR (which in the case of an SAR granted in tandem with an Option shall be equal to the exercise price of the underlying Option, and which in the case of any other SAR shall be such price as the Committee may determine, provided it is no less than 100% of the Fair Market Value of a share of Common Stock on the date of grant of such SAR), times the number of shares of Common Stock covered by such SAR Award.

**ARTICLE VIII
OPTION AWARDS**

8.01 Vesting of Options.

(a) General Rules. Incentive Stock Options and Non-Qualified Stock Options shall vest and be exercisable in full on the third (3rd) anniversary of the date of grant, unless otherwise determined in

Table of Contents

the sole discretion of the Committee. Subject to the foregoing, no vesting shall occur on or after the date that a Participant's employment or personal services contract with the Company terminates for any reason, except as set forth herein and as may be set forth in an applicable Award Agreement.

(b) Acceleration of Vesting Upon Death, Disability or Retirement. In the event a Participant dies while in the employ of the Company or terminates employment with the Company as a result of Disability, any Option(s) granted to such Participant under this Plan not yet vested on such date shall become 100% vested as of such date and be exercisable either by the Participant or the Participant's representative. In the event of a Participant's Retirement, any Option(s) granted to such Participant under this Plan not yet vested on such date shall become 100% vested as of such date and become exercisable only if the grant date of such Option(s) precedes the Participant's date of Retirement by two (2) or more years.

(c) Accelerated Vesting Upon a Change in Control. Notwithstanding the general rule described in subsection (a) hereof, all of a Participant's Options shall become immediately vested and exercisable upon a Change in Control, provided that the Participant has been employed by (or rendered services to) the Company for a period of at least six (6) months as of the date of the Change in Control, except as determined in the sole discretion of the Committee and set forth in an applicable Award Agreement.

(d) Accelerated Vesting Upon Certain Separations From Service. Notwithstanding the general rule described in subsection (a) hereof, all of a Participant's Options shall become immediately vested and exercisable upon the Participant's (i) termination without Cause, or (ii) resignation with Good Reason. If the Participant's employment or service is terminated by the Company with Cause or if the Participant resigns for other than Good Reason, then the unvested portion of the Option will be forfeited at the close of business on such termination or resignation date, except as determined in the sole discretion of the Committee and set forth in an applicable Award Agreement.

8.02 Duration of Options. Subject to the terms of an applicable Award Agreement, each Option granted to a Participant shall be exercisable at any time on or after it vests for a period of (i) ten (10) years from the date of grant (five years in the case of an Incentive Stock Option granted to an individual who, at the time such Incentive Stock Option is granted, owns, directly or indirectly, more than ten percent (10%) of the total combined voting power of all classes of stock issued to stockholders of the Company), or (ii) in the event of termination of employment for any reason except death or Disability, ninety (90) days from the date of termination.

8.03 Exception for Termination Due to Death or Disability. If a Participant dies while in the employ of the Company or terminates employment with the Company as a result of Disability without having fully exercised his Options, the Participant or his legal representative or guardian, or the executors, administrators, legatees or distributees of his estate shall have the right, during the twelve (12) month period following the earlier of his death or Disability, to exercise such Options to the extent vested on the date of such death or Disability. In no event, however, shall any Option be exercisable more than ten (10) years from the date it was granted.

8.04 Notice of Disposition; Withholding; Escrow. A Participant shall immediately notify the Company in writing of any sale, transfer, assignment or other disposition (or action constituting a disqualifying disposition within the meaning of Section 421 of the Code) of any shares of Common Stock acquired through exercise of an Incentive Stock Option, within two (2) years after the grant of such Incentive Stock Option or within one (1) year after the acquisition of such shares, setting forth the date and manner of disposition, the number of shares disposed of and the price at which such shares were disposed. The Company shall be entitled to withhold from any compensation or other payments then or thereafter due to the Participant such amounts as may be necessary to satisfy any withholding requirements of federal or state law or regulation and, further, to collect from the Participant any additional amounts which may be required for such purpose. The Board may, in its discretion, require

Table of Contents

shares of Common Stock acquired by a Participant upon exercise of an Incentive Stock Option to be held in an escrow arrangement for the purpose of enabling compliance with the provisions of this Section.

8.05 Manner of Exercise. To the extent vested and exercisable, Options may be exercised in part or in whole from time to time by execution of a written notice directed to the Company, at the Company's principal place of business, accompanied by cash or a check in payment of the exercise price for the number of shares specified and paid for. The Committee may, in its discretion, permit a Participant to exercise vested and exercisable options awarded under this Plan by surrendering an amount of Common Stock already owned by the Participant equal to the Options' exercise price. Subject to any limitations set forth in the Award Agreement, for so long as the Common Stock is listed or admitted to trading on a national securities exchange, the Committee may, in its discretion, allow the Participant to make payment by arranging with a third party broker to sell a number of shares otherwise deliverable to the Participant and attributable to the exercise of the Option in order to pay the exercise price of the Option and any applicable withholding and employment taxes due.

8.06 \$100,000 Limitation. Notwithstanding any contrary provisions contained elsewhere in this Plan and as long as required by Section 422 of the Code, the aggregate Fair Market Value, determined as of the time an Incentive Stock Option is granted, of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year under this Plan and stock options that satisfy the requirements of Section 422 of the Code under any other stock option plan or plans maintained by the Company, shall not exceed \$100,000. To the extent that the aggregate value of shares of Common Stock to be received by the Participant for the first time in any one year pursuant to the exercise of an Incentive Stock Option ("ISO Stock") exceeds \$100,000 based on the fair market value of the Common Stock as of the date of the Incentive Stock Option's grant, such excess shall be treated as Common Stock received pursuant to the exercise of a Non-Qualified Stock Option ("NQSO Stock"). The Company shall designate which shares of Common Stock to be received by the Participant will be treated as ISO Stock and which shares of Common Stock, if any, will be treated as NQSO Stock by issuing separate share certificates identifying in the Company's share transfer records which shares are ISO Stock.

8.07 Limitation on Ten Percent Stockholders. The price at which shares of Common Stock may be purchased upon exercise of an Incentive Stock Option granted to an individual who, at the time such Incentive Stock Option is granted, owns, directly or indirectly, more than ten percent (10%) of the total combined voting power of all classes of stock issued to stockholders of the Company, shall be no less than one hundred and ten percent (110%) of the Fair Market Value of a share of the Common Stock of the Company at the time of grant, and such Incentive Stock Option shall by its terms not be exercisable after the expiration of five (5) years from the date such Incentive Stock Option is granted.

**ARTICLE IX
RESTRICTED STOCK AWARDS**

9.01 Vesting Requirements. The restrictions imposed on shares granted under a Restricted Stock Award shall lapse in accordance with the vesting requirements specified by the Committee in an applicable Award Agreement, except as provided below. Such vesting requirements may be based on the continued employment of the Participant with the Company for a specified time period or periods, or upon the attainment of specified business goals or measures established by the Committee in its sole discretion, in either case as set forth in the Award Agreement.

A Participant's Restricted Stock Award shall immediately vest and be exercisable upon (i) a Change in Control, provided that the Participant has been employed by (or rendered services to) the Company for a period of at least six (6) months as of the date of the Change in Control, (ii) the Participant's death while in the employ of the Company, (iii) the Participant's termination of employment with the Company as a result of Disability, (iv) the Participant's termination without

Table of Contents

Cause, or (v) the Participant's resignation with Good Reason, in each case except as determined in the sole discretion of the Committee and set forth in an applicable Award Agreement.

9.02 Restrictions. Shares granted under any Restricted Stock Award may not be transferred, assigned or subject to any encumbrance, pledge, or charge until all applicable restrictions are removed or have expired, unless otherwise allowed by the Committee. The Committee may require the Participant to enter into an escrow agreement providing that the certificates representing the shares granted or sold under a Restricted Stock Award will remain in the physical custody of an escrow holder until all restrictions are removed or have expired. Failure to satisfy any applicable restrictions shall result in the subject shares of the Restricted Stock Award being forfeited and returned to the Company, with any purchase price paid by the Participant to be refunded, unless otherwise provided by the Committee. The Committee may require that certificates representing the shares granted under a Restricted Stock Award bear a legend making appropriate reference to the restrictions imposed.

9.03 Rights as Stockholder. Subject to the foregoing provisions of this Article IX and the applicable Award Agreement, the Participant will have all rights of a stockholder with respect to the shares granted to him under a Restricted Stock Award, including the right to vote the shares and receive all dividends and other distributions paid or made with respect thereto, unless the Committee determines otherwise at the time the Restricted Stock Award is granted.

9.04 Section 83(b) Election. The Committee may provide in a Stock Award Agreement that the Restricted Stock Award is conditioned upon the Participant's refraining from making an election with respect to the Award under section 83(b) of the Code. Irrespective of whether an Award is so conditioned, if a Participant makes an election pursuant to section 83(b) of the Code with respect to a Restricted Stock Award, the Participant shall be required to promptly file a copy of such election with the Company.

**ARTICLE X
NONASSIGNABILITY; NONTRANSFERABILITY**

Unexercised or unsettled Awards shall not be transferable by a Participant except by will or the laws of descent or distribution and, during a Participant's lifetime, shall be exercisable only by such Participant or the Participant's guardian or legal representative.

**ARTICLE XI
AMENDMENT AND TERMINATION OF THE PLAN**

The Board may, by resolution, at any time terminate or amend the Plan with respect to any shares of Common Stock or Awards which have not been granted, but no such action shall adversely affect the rights under any outstanding Award without the holder's consent. If and to the extent necessary to ensure that Incentive Stock Options granted under the Plan remain qualified under Section 422 of the Code or for the Plan to comply with any law, regulation or stock exchange requirement, Plan amendments shall be subject to approval by the Company's stockholders who are eligible to vote at a meeting of stockholders.

**ARTICLE XII
EMPLOYMENT RIGHTS**

Neither the Plan nor any Award hereunder shall create any right on the part of any Employee of the Company to continue in such capacity.

Table of Contents

**ARTICLE XIII
WITHHOLDING AND TAXES**

13.01 Withholding. The Company may withhold from any cash payment made under this Plan sufficient amounts to cover any applicable withholding and employment taxes, and if the amount of such cash payment is insufficient, the Company may require the Participant to pay to the Company the amount required to be withheld as a condition to delivering the shares acquired pursuant to an Award. The Company also may withhold or collect amounts with respect to a disqualifying disposition of shares of Common Stock acquired pursuant to exercise of an Incentive Stock Option, as provided in Section 8.02(c).

The Board is authorized to adopt rules, regulations or procedures which provide for the satisfaction of a Participant's tax withholding obligation by the retention of shares of Common Stock to which he otherwise would be entitled pursuant to an Award or by the Participant's delivery of previously-owned shares of Common Stock or other property. However, if the Company adopts rules, regulations or procedures which permit withholding obligations to be met by the retention of Common Stock to which a Participant otherwise would be entitled pursuant to the exercise or settlement of an Award, the fair market value of the Common Stock retained for such purpose shall not exceed the minimum required Federal, state and local tax withholding due upon exercise or settlement of the Award.

13.02 Section 409A. The Board intends that payments and benefits under the Plan comply with Section 409A of the Code to the extent subject thereto, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted and be administered to be in compliance therewith. Notwithstanding anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, any Participant shall not be considered to have terminated employment with the Company for purposes of the Plan and no payment that is payable upon termination of employment shall be due to the Participant under the Plan or any Award Agreement until the Participant would be considered to have incurred a "separation from service" from the Company within the meaning of Section 409A of the Code. Any payments described in the Plan that are due within the "short term deferral period" as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. Notwithstanding anything to the contrary in the Plan, to the extent that any Awards are payable upon a separation from service and such payment would result in accelerated taxation and/or tax penalties under Section 409A of the Code, the settlement and payment of such portion of such Award shall instead be made on the first business day after the date that is six months following such separation from service (or the Participant's death, if earlier).

**ARTICLE XIV
EFFECTIVE DATE OF THE PLAN; TERM**

14.01 Effective Date of the Plan. This Plan shall become effective on the Effective Date, and Awards may be granted hereunder as of or after the Effective Date and prior to the termination of the Plan, provided that no Incentive Stock Option issued pursuant to this Plan shall qualify as such unless this Plan is approved by the requisite vote of the holders of the outstanding voting shares of the Company at a meeting of stockholders of the Company or by a written consent of such stockholders held or executed within twelve (12) months before or after the Effective Date.

14.02 Term of Plan. Unless sooner terminated, this Plan shall remain in effect for a period of ten (10) years ending on the tenth anniversary of the Effective Date. Termination of the Plan shall not affect any Awards previously granted and such Awards shall remain valid and in effect until they have been fully exercised or earned, are surrendered or by their terms expire or are forfeited.
