USE OF PROCEEDS

Unless we otherwise specify in the applicable prospectus supplement, the net proceeds we receive from the sale of the securities offered by this prospectus and the accompanying prospectus supplement will be used for general corporate purposes or the repayment of indebtedness. The net proceeds may be invested temporarily or applied to repay debt until they are used for their stated purpose or for general corporate purposes.

DESCRIPTION OF DEBT SECURITIES

We may issue debt securities on a senior basis under an indenture, dated as of October 11, 2012, by and among the Company and Deutsche Bank Trust Company Americas (the "trustee"), as may be amended and supplemented from time to time.

The following summary of the terms of our debt securities and the indenture sets forth certain general terms that apply to the debt securities, except to the extent modified with respect to one or more series of debt securities to be issued under the indenture. The particular terms of any series of debt securities will be described in the prospectus supplement and/or free writing prospectus relating to those debt securities. To the extent that any description in a prospectus supplement or in a free writing prospectus of particular terms of debt securities or of the indenture differs from this description, this

Edgar Filing: AIR LEASE CORP - Form S-3ASR

Table of Contents

description will be deemed to have been superseded by the description in that prospectus supplement or in that free writing prospectus in respect of those particular terms of the debt securities or the indenture.

We have filed the indenture, and will file the forms of certificates evidencing any debt securities, with the SEC as exhibits to the registration statement, of which this prospectus forms a part, or as exhibits to documents that are or will be incorporated by reference in this prospectus. We urge you to read these documents before you invest in the debt securities. This summary is not complete, and is subject, and qualified in its entirety by reference, to all the provisions of the indenture and the certificates evidencing the debt securities. Some terms used in the following summary and not defined have the meanings given to those terms in the indenture.

For purposes of this "Description of Debt Securities," references to "the Company," "we," "our," and "us" refer only to Air Lease Corporation and not to its subsidiaries.

Provisions Applicable to Indenture

General

The indenture does not limit the amount of debt securities that may be issued thereunder, nor does it limit the amount of other debt or other securities that we may issue. The indenture provides that we may issue debt securities thereunder from time to time in one or more series and permits us to establish the terms of the debt securities of each series at the time of issuance.

Under the indenture, we may, without the consent of the holders of any debt securities under the indenture, from time in the future "reopen" any series of debt securities and issue additional debt securities of that series. The debt securities of a series and any additional debt securities of that series that we may issue in the future upon a reopening will constitute together a single series of debt securities under the indenture. This means that, in circumstances where the indenture provides for the holders of debt securities of any series to vote or take any action, the original debt securities of a series, together with any additional debt securities of that series that we may issue by reopening the series, will vote or take that action as a single class.

Terms

The prospectus supplement relating to any series of debt securities being offered will include specific terms relating to the offering. These terms will include some or all of the following:

the title of the debt securities;

the aggregate principal amount of the debt securities;

collateral security for the debt securities, if any;

whether the debt securities will be guaranteed, whether upon issuance or the occurrence of certain events;

conversion rights with respect to the debt securities, if any;

whether the debt securities will be issued in individual certificates to each holder or in the form of temporary or permanent global securities held by a depositary on behalf of holders;

the date or dates on which the principal of the debt securities will be payable;

any interest rate, the date from which interest will accrue, interest payment dates and record dates for interest payments;

Table of Contents

whether and under what circumstances any additional amounts with respect to the debt securities will be payable;

the place or places where payments on the debt securities will be payable;

any provisions for optional redemption or early repayment;

any provisions that would require the redemption, purchase or repayment of debt securities;

the denominations in which the debt securities will be issued;

whether payments on the debt securities will be payable in foreign currency or currency units and whether payments will be payable by reference to any index or formula;

the portion of the principal amount of debt securities that will be payable if the maturity is accelerated, if other than the entire principal amount;

whether the debt securities are defeasable and any additional conditions or limitations to defeasance of the debt securities or any changes to those conditions or limitations;

any sinking fund or analogous provision;

any changes or additions to the events of default or covenants in the indenture; and

other specific terms of the debt securities.

Guarantee of Debt Securities

The debt securities of a particular series may be guaranteed on a senior basis upon issuance of the debt securities of that series or, if the terms of the debt securities of that series so provide, upon the occurrence of certain events. The guarantors of debt securities of a particular series, if any, will unconditionally and irrevocably guarantee the payment when due (whether at stated maturity, by acceleration or otherwise) of all of our obligations to pay principal, interest and premium on the debt securities of that series pursuant to a guarantee to be endorsed on or otherwise provided for the debt securities of that series.

Ranking

The debt securities will be our senior obligations and will rank *pari passu* in right of payment with all of our unsubordinated indebtedness and will be senior in right of payment to all of our subordinated indebtedness.

Consolidation, Merger and Sale of Assets

Except as otherwise provided in the indenture or the debt securities, we may not (A) merge into or consolidate with any other entity, or (B) convey, transfer or lease our properties and assets substantially as an entirety to any individual or entity, unless, in the case of clauses (A) and (B) above, (x) the successor entity (if not the Company) shall (i) be a corporation, partnership, limited liability company, trust or similar entity organized under the laws of the United States of America, any State of the United States or the District of Columbia, and (ii) expressly assume by supplemental indenture the due and punctual payment of the principal of and any premium and interest on the debt securities and the

Edgar Filing: AIR LEASE CORP - Form S-3ASR

performance of our obligations under the indenture, and (y) immediately after giving effect to such transaction, no default or event of default with respect to the debt securities of any series shall have occurred and be continuing.

Table of Contents

Events of Default

Except as otherwise provided under the terms of a series of debt securities, the following are events of default with respect to a series of debt securities:

a default in the payment of any interest on such series of debt securities when due and payable, and the continuance of such default for a period of 30 days;

a default in the payment of principal of or any premium on such series of debt securities when due and payable;

a default in the deposit of any sinking fund payment, when and as due by the terms of any security of that series and the continuance of such default for a period of 30 days;

a default in the performance, or breach, of other covenants or warranties of the Company in the indenture that continues for 90 consecutive days after we receive notice of the default or breach from the trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series;

a default under any instrument that evidences or secures indebtedness for borrowed money of the Company or any of its subsidiaries (other than intercompany indebtedness or non-recourse indebtedness), which default constitutes a failure to pay at final stated maturity principal in an amount exceeding the threshold amount specified for such series, or which resulted in acceleration of such indebtedness the principal amount of which exceeds such threshold amount, without such indebtedness having been discharged or such acceleration having been rescinded within 30 days after we receive notice of this event of default from the trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of that series; or

certain events of bankruptcy, insolvency or liquidation involving us or a guarantor of the debt securities of such series.

If an event of bankruptcy, insolvency or liquidation relating to us or a guarantor of the debt securities of a particular series that constitutes an event of default with respect to such series has occurred, the principal amount payable under the indenture on the debt securities of such series will become immediately due and payable. If any other event of default with respect to a series of debt securities shall occur and be continuing, either the trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of such series may declare the principal amount payable under the indenture on the debt securities of such series to be due and payable.

Defeasance

If the terms of a series of debt securities so provide, our obligations on the debt securities of such series (subject to survival of certain provisions of the indenture) and each guarantor's obligations with respect to such debt securities under its guarantee of such debt securities, will terminate if we irrevocably deposit or cause to be deposited with the trustee in trust for the benefit of the holders of such debt securities:

cash,

U.S. government obligations, which through the scheduled payment of interest and principal in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, cash, or

a combination of the foregoing,

in each case sufficient to pay each installment of principal and interest on such debt securities or to pay principal and interest on such securities on the applicable redemption date.

Edgar Filing: AIR LEASE CORP - Form S-3ASR

Table of Contents

The defeasance of the debt securities of a particular series is subject to certain other conditions, including, without limitation,

no event of default or event (including such deposit) which with notice or lapse of time would become an event of default shall have occurred and be continuing on the date of such deposit (or, with respect to an event of bankruptcy, insolvency or liquidation of us or a guarantor of the debt securities of such series, at any time on or prior to the 90th day after the date of such deposit),

we have delivered to the trustee an opinion of counsel stating that (i) since the date of the indenture there has been a change in applicable U.S. federal income tax law, or (ii) we have received from, or there has been published by, the U.S. Internal Revenue Service a ruling, in either case (i) or (ii) to the effect that holders of the debt securities of such series will not recognize gain or loss for U.S. federal income tax purposes as a result of such defeasance,

such defeasance shall not result in a breach or violation of, or constitute a default under, any other material agreement or instrument to which we are a party or otherwise bound.

Modification and Waiver

Modification of Indenture

The indenture provides that we, any guarantor and the trustee may, without the consent of any holders of debt securities, enter into supplemental indentures for the purposes of, among other things, adding to our covenants, adding additional events of default and curing ambiguities or inconsistencies in the indenture. We, any guarantor and the trustee may, without the consent of any holders of debt securities, also make other changes to the indenture that do not have a material adverse effect on the interests of the holders of the outstanding debt securities of the applicable series.

In addition, modifications and amendments of the indenture and/or any guarantee of debt securities may be made by us, any applicable guarantor and the trustee with the consent of the holders of more than 50% of the aggregate principal amount of the outstanding debt securities of each series affected by such modification or amendment, provided, however, that no such modification or amendment may, without the consent of each holder of outstanding debt securities affected thereby,

change the stated maturity of the principal of, or any installment of principal of or interest on, any debt securities;

reduce the principal of or interest rate on or any premium payable upon redemption of any debt securities;

change the currency in which any debt securities or any interest or premium thereon is payable;

impair the right to institute suit for the enforcement of any payment of principal, interest or premium on any debt securities on or after the stated maturity thereof;

reduce the percentage in principal amount of the outstanding debt securities required for modification or amendment of the indenture or for any waiver of compliance with certain provisions of the indenture or for waiver of certain defaults; or

subject to certain limited exceptions, modify any of the above provisions.

Waiver of Default

Edgar Filing: AIR LEASE CORP - Form S-3ASR

The holders of not less than a majority of aggregate principal amount of the outstanding debt securities of the series affected by the default may, on behalf of the holders of all such debt securities of such series, waive any past default under the indenture with respect to all of the outstanding debt

Edgar Filing: AIR LEASE CORP - Form S-3ASR

securities of such series except a default in the payment of principal or any premium or interest on such debt securities and a default in respect of a covenant or provision of the indenture that cannot be modified or amended without the consent of each holder of the outstanding debt securities of such series affected.

Payment and Paying Agents

Payments on the debt securities of a particular series will be made at the office or agency maintained by us for that purpose in the place of payment specified for such securities (or, if we fail to maintain such office or agency, at the corporate trust office of the trustee). At our option, however, we may make payments of interest by check mailed to the holder's registered address or, with respect to global notes, by wire transfer. Interest payments made on scheduled interest payment dates with respect to a particular debt security will be paid to the person in whose name such debt security is registered at the close of business on the record date for the interest payment.

Unless we inform you otherwise, the trustee will be designated as our paying agent for payments on the debt securities. We may at any time designate additional paying agents or rescind the designation of any paying agent or approve a change in the office through which any paying agent acts.

Subject to the requirements of applicable abandoned property law, the trustee and paying agent shall pay to us upon written request any money held by them for payments on the debt securities that remain unclaimed for two years after the date upon which that payment has become due. After payment to us, holders entitled to the money must look to us for payment. In that case, all liability of the trustee or paying agent with respect to that money will cease.

Notices

Except as otherwise described herein, notice to registered holders of the notes will be given by mail to the addresses as they appear in the security register. Notices will be deemed to have been given on the date of such mailing. As long as the debt securities of any series are in the form of one or more global securities, notice to holders of such series may be made electronically in accordance with the procedures of the applicable depository.

Governing Law

The indenture, the debt securities and each guarantee, if any, will be governed by and construed in accordance with the laws of the State of New York.

DESCRIPTION OF CAPITAL STOCK

We are authorized to issue 500,000,000 shares of Class A Common Stock, \$0.01 par value per share ("Class A Common Stock"), 10,000,000 shares of Class B Non-Voting Common Stock, \$0.01 par value per share ("Class B Non-Voting Common Stock," and together with the Class A Common Stock, the "common stock"), and 50,000,000 shares of preferred stock, \$0.01 par value per share ("preferred stock"), the rights and preferences of which may be established from time to time by our board of directors. As of October 5, 2012, 99,417,998 shares of Class A Common Stock were outstanding and 1,829,339 shares of Class B Non-Voting Common Stock were outstanding. We have reserved 8,193,088 shares of Class A Common Stock for issuance under the Amended and Restated Air Lease Corporation 2010 Equity Incentive Plan.

The following summary is a description of our capital stock and provisions of our restated certificate of incorporation and amended and restated bylaws. This information does not purport to be complete and is subject to, and qualified in its entirety by reference to, the terms of our restated certificate of incorporation and amended and restated bylaws and the provisions of applicable Delaware law.

Table of Contents

Common Stock

Our restated certificate of incorporation provides that, except with respect to voting rights and conversion rights, the Class A Common Stock and Class B Non-Voting Common Stock shall be treated equally and identically.

Except as otherwise required by law, as otherwise described in this paragraph or as otherwise provided in any certificate of designation for any series of preferred stock, the holders of Class A Common Stock possess all voting power for the election of our directors and all other matters requiring stockholder action, except with respect to amendments to our restated certificate of incorporation that alter or change the powers, preferences, rights or other terms of any outstanding preferred stock if the holders of such affected series of preferred stock are entitled to vote on such an amendment. Holders of our Class A Common Stock are entitled to one vote for each share held and will not have cumulative voting rights in connection with the election of directors. Accordingly, holders of a majority of the shares of Class A Common Stock entitled to vote in any election of directors are able to elect all of the directors standing for election. Holders of Class B Non-Voting Common Stock are not entitled to any vote, other than with respect to amendments to the terms of the Class B Non-Voting Common Stock that would significantly and adversely affect the rights or preferences of the Class B Non-Voting Common Stock, including, without limitation with respect to the convertibility thereof.

Except as otherwise provided by law, our restated certificate of incorporation or our amended and restated bylaws, all matters to be voted on by our stockholders require approval by a majority of the shares present in person or by proxy at a meeting of stockholders and entitled to vote on the subject matter. Any stockholder wishing to propose for election as director someone who is not proposed by our board will be required to give notice of the intention to propose the person for election, in compliance with the advance notice provisions of our amended and restated bylaws. Our amended and restated bylaws provide that such stockholder nominees shall be elected by a plurality of the votes cast at any meeting of stockholders.

Each share of Class B Non-Voting Common Stock is convertible into a share of Class A Common Stock at the option of the holder, except that each share of Class B Non-Voting Common Stock will only become convertible at the time it is transferred to a third party unaffiliated with Société Générale S.A., which wholly owns Genefinance S.A., the holder of record of all of the outstanding shares of Class B Non-Voting Common Stock.

Any amendment to the terms of the Class A Common Stock shall apply equally to the Class B Non-Voting Common Stock and the Class B Non-Voting Common Stock shall have all of the same rights as the Class A Common Stock, except as to voting and convertibility, and shall be treated equally in all respects with the Class A Common Stock, including, without limitation, with respect to dividends.

Subject to any preferential rights of any then outstanding preferred stock, holders of common stock are entitled to receive any dividends that may be declared by our board of directors out of legally available funds. We have no current plans to declare or pay any dividends to our stockholders.

In the event of our liquidation, dissolution or winding up, holders of common stock will be entitled to receive proportionately any of our assets remaining after the payment of liabilities and any preferential rights of the holders of our then outstanding preferred stock.

Except as described in this prospectus, holders of common stock will have no preemptive, subscription, redemption or conversion rights. The outstanding shares of common stock are validly issued and fully paid. The rights, preferences and privileges of holders of common stock will be subject to those of the holders of any shares of our preferred stock we may issue in the future.

Table of Contents

Preferred Stock

Our restated certificate of incorporation authorizes our board of directors to issue and to designate the terms of one or more classes or series of preferred stock. The rights with respect to a class or series of preferred stock may be greater than the rights attached to our common stock. It is not possible to state the actual effect of the issuance of any shares of our preferred stock on the rights of holders of our common stock until our board of directors determines the specific rights attached to that class or series of preferred stock.

Certain Anti-Takeover Matters

Special meeting of stockholders

Our restated certificate of incorporation and our amended and restated bylaws provide that special meetings of our stockholders may be called only by the Chairman of the board of directors, by our Chief Executive Officer or by a majority vote of our entire board of directors.

No stockholder action by written consent

Our restated certificate of incorporation and our amended and restated bylaws prohibit stockholder action by written consent.

Advance notice requirements for stockholder proposals and director nominations

Our amended and restated bylaws provide that stockholders seeking to bring business before our annual meeting of stockholders, or to nominate candidates for election as directors at our annual meeting of stockholders, must provide timely notice of their intent in writing. To be timely, a stockholder's notice must be delivered to our principal executive offices not less than 90 days nor more than 120 days prior to the meeting. Our amended and restated bylaws also specify certain requirements as to the form and content of a stockholder's notice. These provisions may preclude our stockholders from bringing matters before our annual meeting of stockholders or from making nominations for directors at our annual meeting of stockholders.

Stockholder-initiated bylaw amendments

Our amended and restated bylaws may be adopted, amended, altered or repealed by stockholders only upon approval of at least two-thirds of the voting power of all the then outstanding shares of the common stock. Additionally, our restated certificate of incorporation provides that our amended and restated bylaws may be adopted, amended or repealed by the board of directors by a majority vote.

Authorized but unissued shares

Our authorized but unissued shares of common stock are available for future issuances without stockholder approval and could be utilized for a variety of corporate purposes, including future offerings to raise additional capital, acquisitions and employee benefit plans. The existence of authorized but unissued and unreserved common stock could render more difficult or discourage an attempt to obtain control of us by means of a proxy contest, tender offer, merger or otherwise.

Supermajority voting

The vote of the holders of not less than 66²/₃% of the votes entitled to be cast is required to adopt any amendment to our restated certificate of incorporation or amended and restated bylaws as well as to remove a director from office. The foregoing provisions may discourage attempts by others to acquire control of us without negotiation with our board of directors. This enhances our board of directors' ability to attempt to promote the interests of all of our stockholders. However, to the extent

Table of Contents

that these provisions make us a less attractive takeover candidate, they may not always be in our best interests or in the best interests of our stockholders.

Section 203 of the Delaware General Corporation Law

We have not opted out of Section 203 of the Delaware General Corporation Law. Subject to certain exceptions, Section 203 of the Delaware General Corporation Law prohibits a public Delaware corporation from engaging in a business combination (as defined in such section) with an "interested stockholder" (defined generally as any person who beneficially owns 15% or more of the outstanding voting stock of such corporation or any person affiliated with such person) for a period of three years following the time that such stockholder became an interested stockholder, unless (i) prior to such time the board of directors of such corporation approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder; (ii) upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of such corporation outstanding at the time the transaction commenced (excluding for purposes of determining the voting stock of such corporation outstanding (but not the outstanding voting stock owned by the interested stockholder) those shares owned (A) by persons who are directors and also officers of such corporation and (B) by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer); or (iii) on or subsequent to such time the business combination is approved by the board of directors of such corporation and authorized at a meeting of stockholders by the affirmative vote of at least two-thirds of the outstanding voting stock of such corporation not owned by the interested stockholder.

Forum selection clause in amended and restated bylaws

On February 15, 2011, our board of directors approved an amendment and restatement of our bylaws to provide that, unless we consent in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (i) any derivative action or proceeding brought on our behalf, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or its stockholders, (iii) any action asserting a claim arising pursuant to any provision of the Delaware General Corporation Law or our restated certificate of incorporation or bylaws, or (iv) any other action asserting a claim governed by the internal affairs doctrine. Our amended and restated bylaws further provide that any person or entity purchasing or otherwise acquiring any interest in shares of our capital stock shall be deemed to have notice of and to have consented to the provisions described above.

Limitation on liability and indemnification of directors and officers

Our restated certificate of incorporation and amended and restated bylaws provide that our directors and officers will be indemnified by us to the fullest extent authorized by Delaware law as it currently exists or may in the future be amended, against all expenses and liabilities reasonably incurred in connection with their service for or on our behalf. In addition, our restated certificate of incorporation provides that our directors will not be personally liable for monetary damages to us or our stockholders for breaches of their fiduciary duty as directors.

In addition to the indemnification provided by our restated certificate of incorporation and amended and restated bylaws, we have entered into agreements to indemnify our directors and executive officers. These agreements, among other things and subject to certain standards to be met, require us to indemnify these directors and officers for certain expenses, including attorneys' fees, judgments, fines and settlement amounts incurred by any such person in any action or proceeding, including any action by or in our right, arising out of that person's services as a director or officer of us or any of our subsidiaries or any other company or enterprise to which the person provides services at

our request. These agreements also require us to advance expenses to these officers and directors for defending any such action or proceeding, subject to an undertaking to repay such amounts if it is ultimately determined that such director or officer was not entitled to be indemnified for such expenses.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers or controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Stock exchange listing symbol

Our Class A Common Stock is listed on the NYSE under the symbol "AL." Our Class B Non-Voting Common Stock is not currently listed on any national securities exchange or market system.

Transfer agent and registrar

American Stock Transfer and Trust Company is the transfer agent and registrar for our common stock.

DESCRIPTION OF WARRANTS

We may issue warrants for the purchase of debt securities, preferred stock, depositary shares or Class A Common Stock. Warrants may be issued independently or together with our debt securities, preferred stock, depositary shares or Class A Common Stock and may be attached to or separate from any offered securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a bank or trust company, as warrant agent. The warrant agent will act solely as our agent in connection with the warrants and will not have any obligation or relationship of agency or trust for or with any holders or beneficial owners of warrants. A copy of the warrant agreement will be filed with the SEC in connection with any offering of warrants.

The prospectus supplement relating to a particular issue of warrants to purchase debt securities, preferred stock, depositary shares or Class A Common Stock will describe the terms of those warrants, including the following:

the title of the warrants;

the offering price for the warrants, if any;

the aggregate number of the warrants;

the designation and terms of the debt securities, preferred stock, depositary shares or Class A Common Stock that may be purchased upon exercise of the warrants;

if applicable, the designation and terms of the securities that the warrants are issued with and the number of warrants issued with each security;

if applicable, the date from and after which the warrants and any securities issued with them will be separately transferable;

if applicable, the principal amount of debt securities that may be purchased upon exercise of a warrant and the price at which the debt securities may be purchased upon exercise;

Edgar Filing: AIR LEASE CORP - Form S-3ASR

if applicable, the number of shares of preferred stock, Class A Common Stock or depositary shares that may be purchased upon exercise of a warrant and the price at which the shares may be purchased upon exercise;

the dates on which the right to exercise the warrants will commence and expire;

Table of Contents

if applicable, the minimum or maximum amount of the warrants that may be exercised at any one time;

whether the warrants represented by the warrant certificates or debt securities that may be issued upon exercise of the warrants will be issued in registered or bearer form;

information relating to book-entry procedures, if any;

the currency or currency units in which the offering price, if any, and the exercise price are payable;

if applicable, a discussion of material United States federal income tax considerations;

anti-dilution provisions of the warrants, if any;

redemption or call provisions, if any, applicable to the warrants;

any additional terms of the warrants, including terms, procedures and limitations relating to the exchange and exercise of the warrants; and

any other information we think is important about the warrants.

DESCRIPTION OF DEPOSITARY SHARES

We may issue depositary shares, each of which will represent a fractional interest in a share of a particular series of preferred stock as specified in the applicable prospectus supplement and/or free writing prospectus. We may issue depositary shares rather than fractional shares of preferred stock of any series. Subject to the terms of the applicable deposit agreement, each owner of a depositary share will be entitled, in proportion to the applicable fractional interest in shares of preferred stock underlying that depositary share, to all rights and preferences of the preferred stock underlying that depositary share. Those rights may include dividend, voting, redemption and liquidation rights.

The shares of preferred stock underlying the depositary shares will be deposited with a depositary under a deposit agreement between us and the depositary. The depositary will be a bank or trust company selected by us. The depositary will also act as the transfer agent, registrar and, if applicable, dividend disbursing agent for the depositary shares. We anticipate that we will enter into a separate deposit agreement for the depositary shares representing fractional interests in preferred stock of each series.

Holders of depositary receipts evidencing the depositary shares will be deemed to agree to be bound by the deposit agreement, which requires holders to take certain actions such as filing proof of residence and paying certain charges.

The following is a summary of selected terms of the depositary shares and the related depositary receipts and deposit agreement. The deposit agreement, the depositary receipts, our restated certificate of incorporation and the certificate of designation for the applicable series of preferred stock that have been, or will be, filed with the SEC will set forth all of the terms relating to each issue of depositary shares. To the extent that any particular terms of any depositary shares or the related depositary receipts or deposit agreement described in the applicable prospectus supplement or free writing prospectus differ from any of the terms described below, then the terms described below will be deemed to have been superseded by the applicable terms described in that prospectus supplement or free writing prospectus. The following summary of selected provisions of the depositary shares and the related depositary receipts and deposit agreement is not complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the applicable depositary receipts and deposit agreement, including terms defined in those documents.

Table of Contents

Immediately following our issuance of shares of a series of preferred stock that will be offered as depositary shares, we will deposit the shares of preferred stock with the applicable depositary, which will then issue and deliver the depositary receipts. Depositary receipts will only be issued evidencing whole depositary shares. A depositary receipt may evidence any number of whole depositary shares.

Dividends

The depositary will distribute all cash dividends or other cash distributions received relating to the series of preferred stock underlying the depositary shares to the record holders of depositary receipts in proportion to the number of depositary shares owned by those holders on the relevant record date. The record date for the depositary shares will be the same date as the record date for the preferred stock.

If there is a distribution other than in cash, the depositary will distribute property received by it to the record holders of depositary receipts that are entitled to receive the distribution. However, if the depositary determines that the distribution cannot be made proportionately among the holders or that it is not feasible to make the distribution, the depositary may, with our approval, adopt another method for the distribution. The method may include selling the securities or property and distributing the net proceeds to the holders.

The amount distributed in any of the foregoing cases will be reduced by any amounts required to be withheld by us or the depositary on account of taxes or other governmental charges.

Liquidation Preference

If we voluntarily or involuntarily liquidate, dissolve or wind up, the holders of each depositary share will be entitled to receive the fraction of the liquidation preference accorded each share of the applicable series of preferred stock, as set forth in the applicable prospectus supplement.

Redemption

If the series of preferred stock underlying the depositary shares is subject to redemption, the depositary shares will be redeemed from the proceeds received by the depositary from the redemption, in whole or in part, of preferred stock held by the depositary. Whenever we redeem any preferred stock held by the depositary, the depositary will redeem, as of the same redemption date, the number of depositary shares representing the preferred stock so redeemed. The depositary will mail the notice of redemption to the record holders of the depositary receipts promptly upon receiving the notice from us and not less than 35 nor more than 60 days prior to the date fixed for redemption of the preferred stock and the depositary shares. The redemption price per depositary share will be equal to the applicable fraction of the redemption price payable per share for the applicable series of preferred stock. If fewer than all the depositary shares are redeemed, the depositary shares to be redeemed will be selected by lot or ratably as the depositary will decide.

After the date fixed for redemption, the depositary shares so called for redemption will no longer be deemed to be outstanding and all rights of the holders of the depositary shares will cease, except the right to receive the moneys payable upon redemption and any moneys or other property to which the holders of the depositary shares were entitled upon the redemption, upon surrender to the depositary of the depositary receipts evidencing the depositary shares.

Voting

Upon receipt of notice of any meeting at which the holders of preferred stock are entitled to vote, the depositary will mail the information contained in the notice of meeting to the record holders of the depositary receipts representing the preferred stock. Each record holder of those depositary receipts on the record date will be entitled to instruct the depositary as to the exercise of the voting rights

Table of Contents

pertaining to the amount of preferred stock underlying that holder's depositary shares. The record date for the depositary shares will be the same date as the record date for the preferred stock. The depositary will try, as far as practicable, to vote the preferred stock underlying the depositary shares in a manner consistent with the instructions of the holders of the depositary receipts. We will agree to take all action which may be deemed necessary by the depositary in order to enable the depositary to do so. The depositary will not vote the preferred stock to the extent that it does not receive specific instructions from the holders of depositary receipts.

Withdrawal of Preferred Stock

Owners of depositary shares are entitled, upon surrender of depositary receipts at the applicable office of the depositary and payment of any unpaid amount due the depositary, to receive the number of whole shares of preferred stock underlying the depositary shares. Partial shares of preferred stock will not be issued. After the withdrawal of shares of preferred stock as described in the preceding sentence, the holders of those shares of preferred stock will not be entitled to deposit the shares under the deposit agreement or to receive depositary receipts evidencing depositary shares for those shares of preferred stock.

Amendment and Termination of Deposit Agreement

The form of depositary receipt evidencing the depositary shares and any provision of the applicable deposit agreement may be amended at any time and from time to time by agreement between us and the depositary. However, any amendment which materially and adversely alters the rights of the holders of depositary shares, other than any change in fees, will not be effective unless the amendment has been approved by at least a majority of the depositary shares then outstanding. The deposit agreement automatically terminates if:

all outstanding depositary shares have been redeemed; or

there has been a final distribution relating to the preferred stock in connection with our liquidation, dissolution or winding up, and that distribution has been made to all the holders of depositary shares.

Charges of Depositary

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will also pay charges of the depositary in connection with the initial deposit of the preferred stock and the initial issuance of the depositary shares and receipts, any redemption of the preferred stock and all withdrawals of preferred stock by owners of depositary shares. Holders of depositary receipts will pay transfer, income and other taxes and governmental charges and certain other charges as provided in the deposit agreement. In certain circumstances, the depositary may refuse to transfer depositary shares, withhold dividends and distributions, and sell the depositary shares evidenced by the depositary receipt, if the charges are not paid.

Reports to Holders

The depositary will forward to the holders of depositary receipts all reports and communications we deliver to the depositary that we are required to furnish to the holders of the preferred stock. In addition, the depositary will make available for inspection by holders of depositary receipts at the applicable office of the depositary and at other places as it thinks is advisable any reports and communications we deliver to the depositary as the holder of preferred stock.

Table of Contents

Liability and Legal Proceedings

Neither we nor the depositary will be liable if either of us is prevented or delayed by law or any circumstance beyond our control in performing our obligations under the deposit agreement. Our obligations and those of the depositary will be limited to performance in good faith of our duties under the deposit agreement. Neither we nor the depositary will be obligated to prosecute or defend any legal proceeding in respect of any depositary shares or preferred stock unless satisfactory indemnity is furnished. We and the depositary may rely on written advice of counsel or accountants, on information provided by holders of depositary receipts or other persons believed in good faith to be competent to give such information and on documents believed to be genuine and to have been signed or presented by the proper persons.

Resignation and Removal of Depositary

The depositary may resign at any time by delivering a notice to us of its election to do so. We may also remove the depositary at any time. Any such resignation or removal will take effect upon the appointment of a successor depositary and its acceptance of such appointment. The successor depositary must be appointed within 60 days after delivery of the notice for resignation or removal. In addition, the successor depositary must be a bank or trust company having its principal office in the United States and must have a combined capital and surplus of at least \$150,000,000.

DESCRIPTION OF RIGHTS

The following description, together with the additional information we include in any applicable prospectus supplement, summarizes the general features of the rights that we may offer under this prospectus. We may issue rights to our stockholders to purchase shares of our Class A Common Stock and/or any of the other securities offered hereby. Each series of rights will be issued under a separate rights agreement to be entered into between us and a bank or trust company, as rights agent. When we issue rights, we will provide the specific terms of the rights and the applicable rights agreement in a prospectus supplement. Because the terms of any rights we offer under a prospectus supplement may differ from the terms we describe below, you should rely solely on information in the applicable prospectus supplement if that summary is different from the summary in this prospectus. We will incorporate by reference into the registration statement of which this prospectus is a part the form of rights agreement that describes the terms of the series of rights we are offering before the issuance of the related series of rights.

If we may issue any series of rights, certain terms of that series of rights will be described in the applicable prospectus supplement, including, without limitation, the following:

the date of determining the stockholders entitled to the rights distribution;

the securities purchasable upon exercise of the rights;

the exercise price;

the aggregate number of rights issued;

the date, if any, on and after which the rights will be separately transferable;

the date on which the right to exercise the rights will commence, and the date on which the right will expire;

a discussion of certain United States federal income tax considerations applicable to the rights; and

any other terms of the rights, including terms, procedures and limitations relating to the distribution, exchange and exercise of the rights.

Table of Contents

Each right will entitle the holder of rights to purchase for cash the securities at the exercise price provided in the applicable prospectus supplement. Rights may be exercised at any time up to the close of business on the expiration date for the rights provided in the applicable prospectus supplement. After the close of business on the expiration date, all unexercised rights will be void.

Holders may exercise rights as described in the applicable prospectus supplement. Upon receipt of payment and the rights certificate properly completed and duly executed at the corporate trust office of the rights agent or any other office indicated in the prospectus supplement, we will, as soon as practicable, forward the securities purchasable upon exercise of the rights. If less than all of the rights issued in any rights offering are exercised, we may offer any unsubscribed securities directly to persons other than stockholders, to or through agents, underwriters or dealers or through a combination of such methods, including pursuant to standby underwriting arrangements, as described in the applicable prospectus supplement.

DESCRIPTION OF PURCHASE CONTRACTS

The following description, together with the additional information we include in any applicable prospectus supplement, summarizes the general features of the purchase contracts that we may issue under this prospectus. While the features we have summarized below will generally apply to any future purchase contracts we may issue under this prospectus, we will describe the particular terms of any purchase contracts that we may issue in more detail in the applicable prospectus supplement. The specific terms of any purchase contracts may differ from the description provided below as a result of negotiations with third parties in connection with the issuance of those purchase contracts, as well as for other reasons. Because the terms of any purchase contracts we offer under a prospectus supplement may differ from the terms we describe below, you should rely solely on information in the applicable prospectus supplement if that summary is different from the summary in this prospectus.

We will incorporate by reference into the registration statement of which this prospectus is a part the form of any purchase contract that we may issue under this prospectus before the sale of the related purchase contract. We urge you to read the applicable prospectus supplements related to the specific purchase contracts being offered, as well as the complete instruments that contain the terms of the securities that are subject to those purchase contracts. Certain of those instruments, or forms of those instruments, have been, or will be, filed as exhibits to the registration statement of which this prospectus is a part, and supplements to those instruments or forms may be incorporated by reference into the registration statement of which this prospectus is a part from reports we file with the SEC.

We may issue purchase contracts, including contracts obligating holders to purchase from us, and for us to sell to holders, a specific or variable number of our securities at a future date or dates. Alternatively, the purchase contracts may obligate us to purchase from holders, and obligate holders to sell to us, a specific or varying number of our securities. Purchase contracts will be issued pursuant to one or more purchase contract agreements to be entered into between us and a bank or trust company, as purchase contract agent. When we issue purchase contracts, we will provide the specific terms of the purchase contracts in a prospectus supplement. A copy of the applicable form of purchase contract will be included as an exhibit to a report we file with the SEC incorporated by reference herein.

If we offer any purchase contracts, certain terms of that series of purchase contracts will be described in the applicable prospectus supplement, including, without limitation, the following:

the price of the securities or other property subject to the purchase contracts (which may be determined by reference to a specific formula described in the purchase contracts);

whether the purchase contracts are issued separately, or as a part of units each consisting of a purchase contract and one or more of our other securities, including U.S. Treasury securities, securing the holder's obligations under the purchase contract;

whether the purchase contracts are to be settled by delivery, or by reference or linkage to the value, performance or level of the securities subject to purchase under the purchase contract;

any acceleration, cancellation, termination or other provisions relating to the settlement of the purchase contracts;

whether the purchase contracts will be issued in fully registered or global form; and

any other terms of the purchase contracts and any securities subject to such purchase contracts.

We may issue units consisting of two or more other constituent securities offered hereby. These units may be issuable as, and for a specified period of time may be transferable only as a single security, rather than as the separate constituent securities comprising such units. Units will be issued pursuant to one or more unit agreements to be entered into between us and a bank or trust company, as unit agent. While the features we have summarized below will generally apply to any units we may offer under this prospectus, we will describe the particular terms of any units that we may offer in more detail in the applicable prospectus supplement. The specific terms of any units may differ from the description provided below as a result of negotiations with third parties in connection with the issuance of those units, as well as for other reasons. Item 15. *Indemnification of Directors and Officers.*

Section 102(b)(7) of the Delaware General Corporation Law ("DGCL") allows a corporation to provide in its certificate of incorporation that a director of the corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit.

Our restated certificate of incorporation provides for this limitation of liability.

Section 145 of the DGCL provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise) against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 145 further provides that a corporation similarly may indemnify any such person serving in any such capacity who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be

in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or such other court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper.

Our second amended and restated bylaws provide for the indemnification of officers and directors of our Company consistent with Section 145 of the DGCL.

The indemnification rights set forth above are not exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of our restated certificate of incorporation, our amended and restated bylaws, agreement, vote of stockholders or directors or otherwise. We also entered into indemnification agreements with our directors that generally provide for mandatory indemnification to the fullest extent permitted by law.

Delaware law also provides that a corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other entity, against any liability asserted against and incurred by such person, whether or not the corporation would have the power to indemnify such person against such liability. We maintain, at our expense, an insurance policy that insures our officers and directors, subject to customary exclusions and deductions, against specified liabilities that may be incurred in those capacities.

Item 16. Exhibits.

The exhibits to this registration statement are listed in the Exhibit Index that appears immediately following the signature pages of this registration statement. Such Exhibit Index is hereby incorporated in this Item 16 by reference.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) The undersigned registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

(d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of a registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
