The Sale of Winncom

Reasons for the Sale of Winncom (Page 28)

The Company's reasons for the sale of Winncom include, among other factors:

- o Winncom's low margins;
- o Winncom's lack of manufacturing and intellectual property;
- o Lack of synergistic operational savings of Winncom's business; and
- o Alternative long term growth strategies.

Consideration (Page 29)

In exchange for 100% of the issued and outstanding stock of Winncom, BlueCoral will pay to the Company \$17,000,000. BlueCoral has already placed the \$17,000,000 in escrow, and the escrow agent will distribute the full purchase price to the Company at the closing date.

Conditions to Closing (Page 33)

Under the terms of the Stock Purchase Agreement, before the sale of Winncom can be completed, a number of conditions must be satisfied or waived. In addition to breaches of the Stock Purchase Agreement, these conditions include,

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

among other matters, the following:

- o the Company's shareholders must approve the sale of Winncom at the Annual Meeting;
- o the delivery of certificates by both the Company and BlueCoral;
- o the delivery of the full purchase price, \$17,000,000, to the Company.

Indemnification (Page 35)

Pursuant to the Stock Purchase Agreement, the Company will indemnify BlueCoral and its affiliates from losses that result from, among other matters, breaches by the Company of any representation or warranty in the Stock Purchase Agreement, breaches by the Company of any covenant in the Stock Purchase Agreement, and any product shipped by Winncom to a customer prior to the closing of the Stock Purchase Agreement (limited to the total amount covered under that product's warranty, if any). The Company will not indemnify BlueCoral from any breaches of any representations or warranties made by Winncom in the Stock Purchase Agreement.

VOTING SECURITIES

The close of business on September 25, 2006 has been fixed as the record date for the determination of holders of record of the Company's common stock, \$.0005 par value per share (the "Common Stock"), entitled to notice of and to vote at the Annual Meeting. On the record date, 154,359,449 shares of Common

3

Stock were outstanding and eligible to be voted at the Annual Meeting. A majority of the issued and outstanding shares of Common Stock entitled to vote, represented either in person or by proxy, constitutes a quorum at any meeting of the shareholders. If sufficient votes for approval of the matters to be considered at the Annual Meeting have not been received prior to the meeting date, we intend to postpone or adjourn the Annual Meeting in order to solicit additional votes. The form of proxy we are soliciting requests authority for the proxies, in their discretion, to vote the shareholders' shares with respect to a postponement or adjournment of the Annual Meeting. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this Proxy Statement with respect to the original meeting.

VOTING PROCEDURES

Votes at the Annual Meeting are counted by an inspector of election appointed by the Chairman of the meeting. If a quorum is present, an affirmative vote of a majority of the votes entitled to be cast by those present in person or by proxy is required for the approval of items submitted to shareholders for their consideration, unless a different number of votes is required by Utah law or our Articles of Incorporation. Abstentions by those present at the Annual Meeting are tabulated separately from affirmative and negative votes and do not constitute affirmative votes. If a shareholder returns his or her proxy card and withholds authority to vote for any or all of the nominees, the votes represented by the proxy card will be deemed to be present at the meeting for purposes of determining the presence of a quorum but will not be counted as affirmative votes. Shares in the names of brokers that are not voted on a particular matter are treated as not present with respect to that matter.

BENEFICIAL OWNERSHIP OF THE COMPANY'S EQUITY SECURITIES

At the Annual Meeting, holders of 154,359,449 shares of Common Stock, the

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

number of shares of Common Stock outstanding as of the record date, will have the right to vote. Each share, unless otherwise set forth herein, is entitled to one vote. On September 1, 2006, there were 154,359,449 shares of Common Stock issued and outstanding.

The number of shares beneficially owned includes shares of Common Stock with respect to which the persons named below have either investment or voting power. A person is also deemed to be the beneficial owner of a security if that person has the right to acquire beneficial ownership of that security within 60 days through the exercise of an option or through the conversion of another security. Except as noted, each beneficial owner has sole investment and voting power with respect to the Common Stock.

Common Stock not outstanding that is the subject to options or conversion privileges is deemed to be outstanding for the purpose of computing the percentage of Common Stock beneficially owned by the person holding such options or conversion privileges, but is not deemed to be outstanding for the purpose of computing the percentage of Common Stock beneficially owned by any other person.

The following table summarizes certain information as of August 4, 2006 with respect to the beneficial ownership of our common stock by each director, by all executive officers and directors as a group, and by each other person known by us to be the beneficial owner of more than five percent of our common stock:

ITEM 1. ELECTION OF DIRECTORS

At the Annual Meeting, the shareholders will elect four directors to serve as our Board of Directors. Each director will be elected to hold office until the next annual meeting of shareholders and thereafter until his successor is elected and qualified. The affirmative vote of a majority of the shares represented at the meeting is required to elect each director. Cumulative voting is not permitted in the election of directors. Consequently, each shareholder is entitled to one vote for each share of Common Stock held in his or her name. Each record holder of stock shall be entitled to vote in the election of directors and shall have as many votes for each of the shares owned by him as there are directors to be elected and for whose election he has the right to vote. As a result, a shareholder may vote all of his or her shares for each nominee, but may not cumulate the votes to vote more than the total number of shares owned for any one nominee. In the absence of instructions to the contrary, the person named in the accompanying proxy shall vote the shares represented by that proxy for the persons named below as management's nominees for directors. Each of the nominees currently is a director of the Company.

Each of the nominees has consented to be named in this Proxy Statement and to serve on the Board of Directors if elected. It is not anticipated that any of the nominees will become unable or unwilling to accept his nomination or election, but, if that should occur, the persons named in the proxy intend to vote for the election of such other person as the Board of Directors may recommend.

The following table sets forth, with respect to each nominee for director, the nominee's age, his positions and offices with the Company, the expiration of his term as a director, and the year in which he first became a director.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND EXECUTIVE OFFICERS

Other Executive Officers and Directors

The following table sets forth with respect to each other executive officer, the officer's age, the officer's positions and offices with the Company, the expiration of his term as an officer and the period during which he has served.

Name	Age	Position With The Company	Initial Date As Officer
----	---	-----	-----
Monty R. Lamirato	50	Chief Financial Officer; Treasurer	2001
Steven C. Olson	49	Chief Technology Officer	2001
Gregory E. Raskin	52	President; Chief Executive Officer of Winncom; Director	2001

Monty R. Lamirato. has been Chief Financial Officer and Treasurer since June 2001. Prior to joining the Company Mr. Lamirato served as the VP Finance for GS2.Net, Inc, an application service provider, from November 2000 to May 2001. Lamirato, PC, a business consulting firm. Mr. Lamirato has been a certified public accountant in the State of Colorado since 1978.

Steven C. Olson. Mr. Olson serves as our Chief Technology Officer. Prior to joining ARC Wireless in August 2001, Mr. Olson was employed at Ball Aerospace for 14 years, including the last five years as Director of Engineering for Ball's Wireless Communications Solutions Division. In this capacity Mr. Olson led the development of new technologies, resulting in industry leading antenna solutions for the wireless communications market. Before the Ball Wireless Communications unit was formed, Mr. Olson developed Ball's high performance, low cost AirBASE(TM) antenna technology, specifically for use in its future commercial wireless business. He received his Bachelors and Masters of Science degrees in Electrical Engineering from the University of Utah in 1984 and 1985, respectively.

Gregory E. Raskin. Mr. Raskin, President of the Company and CEO of Winncom. He founded Winncom in 1995 and joined us coincident with the acquisition of Winncom in May 2000. Mr. Raskin is currently a director of the Company and is not standing for reelection. As discussed below in "Item 2. Proposal to Approve the Sale of Winncom Technologies Corp. - Interests of Directors and Executive Officers in the Sale of Winncom," Mr. Raskin will continue to be employed by Winncom in the event that the shareholders of the Company approve the sale of Winncom. Because of this fact, both the Company and Mr. Raskin believe that it is in the best interests of the shareholders if Mr. Raskin is not reelected as a director of the Company. If the sale of Winncom is approved, Mr. Raskin will also resign from his position as the President of the Company. The seat on the Board of Directors currently occupied by Mr. Raskin will become vacant immediately after the Annual Meeting, and will remain vacant until the Board of Directors or the shareholders of the Company fill that board seat. After the Annual Meeting, the Board of Directors will determine whether to add one or more additional directors. If the shareholders do not approve the sale of Winncom, it is possible that the Board of Directors could elect Mr. Raskin to become a director. This possibility has not been considered by the Board of Directors.

Each of our officers serves at the pleasure of the Board of Directors. There are no family relationships among our officers and directors.

Board Meetings

The Board of Directors met five times during the fiscal year ended December 31, 2005, and each director participated in at least 75% of the meetings of the Board of Directors. At this time the Company has not adopted a formal process for security holders to send communications to the Board of Directors because the Chairman of the Board of Directors, who is also the Company's Chief

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

Executive Officer, has had a longstanding practice of striving to promptly respond to shareholder inquiries, either by e-mail, letter or telephone.

The Company encourages each member of the Board of Directors to attend the Annual Meeting of the shareholders, but does not require any member to do so. The Company did not have an annual meeting of the shareholders during the 2005 fiscal year. All four of the then-incumbent directors attended the Company's last annual meeting of the shareholders, held on November 9, 2004.

Committees of the Board of Directors

The Company has standing audit and compensation committees of the Board of Directors. The Company does not currently have a standing nominating committee of the Board of Directors because it believes that the nominating functions should be relegated to the full board.

Audit Committee

The Company's audit committee (the "Audit Committee") consists of three independent directors, Mr. Sigmund A. Balaban, who is Chairman of the committee, Mr. Robert E. Wade and Dr. Donald A. Huebner. For fiscal year 2005, and until January 2, 2006, the Audit Committee consisted of Mr. Sigmund A. Balaban, Chairman, Mr. Randall P. Marx and Mr. Gregory E. Raskin. The responsibilities of the Audit Committee include overseeing our financial reporting process, reporting the results of its activities to the Board of Directors, retaining and ensuring the independence of our auditors, approving services to be provided by our auditors, reviewing our periodic filings with the independent auditors prior to filing, and reviewing and responding to any matters raised by the independent auditors in their management letter. The Board of Directors has determined that at least one member of the Audit Committee, Mr. Sigmund A. Balaban, is an Audit Committee financial expert. The Audit Committee met one time during the fiscal year ended December 31, 2005. Our Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached hereto as Annex A. The Audit Committee will review and assess the adequacy of the audit committee charter annually.

Audit Committee Report

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to engage and discharge the Company's auditors. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. Some of us are not accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in

conformity with accounting principles generally accepted in the United States of America, and on the representations of the independent auditors included in the report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, or that the Company's independent accountants are in fact "independent."

In this context, the Audit Committee has met and held discussions separately with management and the independent accountants. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by the Statement on Auditing Standards No. 61, Communications with Audit Committees, as currently in effect.

The Company's independent accountants also provided to the Audit Committee the written disclosure required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Committee discussed with the independent accountants that firm's independence and considered whether the non-audit services provided by the independent accountants are compatible with maintaining its independence.

Based on the Audit Committee's discussion with management and the independent accountants, and the Audit Committee's review of the representations of management and the report of the independent accounts to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 filed with the Securities and Exchange Commission.

Compensation Committee Report

The following is a report of the Compensation Committee of the Board of Directors on executive compensation policies for the fiscal year ended December 31, 2005. The Committee is composed of Mr. Randall P. Marx, Mr. Gregory E. Raskin, Mr. Sigmund A. Balaban and Mr. Robert E. Wade, is responsible for administering the compensation program for executive officers of the Company and making all related decisions.

The principal elements of the compensation program for executive officers are base salary, performance-based annual bonuses, and options granted under the Company's 1997 Stock Option and Compensation Plan. The goals of the program are to ensure that a strong relationship exists between executive compensation and the creation of shareholder value, and that executive officers are strongly

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

motivated and retained. The Company's compensation philosophy is to create a direct relationship between the level of total executive officer compensation and the Company's success in meeting its annual performance goals as represented by its annual business plan. An additional element of this philosophy is to reward equitably relative contributions and job performances of individual executive officers.

Base Salary

The Company's executive officers, including the Chief Executive Officer and President, historically have had multi-year employment agreements with the Company. As of August 4, 2006, each of the Chief Executive Officer, the President, and the Chief Financial Officer has an employment agreement with the Company. Annual salaries for the Company's executive officers, including the Chief Executive Officer and President, are generally reviewed prior to the expiration of employment agreements in effect, based on a number of objective and subjective factors. Objective factors considered include Company's financial performance relative to business plan profit objectives, although no specific formulas based on such factors are used to determine salaries. Salary decisions are based primarily on the Compensation Committee's subjective analysis of the factors contributing to the Company's success and of the executive's individual contributions to that success.

Options

Executive officers are eligible to receive stock options to purchase shares of the Company's common stock pursuant to the Company's 1997 Stock Option and Compensation Plan (the "Plan"). The Plan is administered by an option committee.

Performance-based Annual Bonuses

Cash bonuses based on the Company's performance are awarded to the executive officers under an incentive compensation plan. Under the plan which historically has served as the basis for bonuses paid, executive officers received a percentage of their base pay based on the overall performance of the Company. Additional bonuses may be awarded at the discretion of the Committee in recognition of special accomplishments. Thus, whether the executive officers'

13

total pay is comparable to the compensation of executives with similar responsibilities at comparable companies may vary from year to year depending upon the Company's performance.

CEO Compensation

We entered into a new written three year employment agreement with Mr. Marx effective January 2, 2004. In accordance with his employment agreement, Mr. Marx is to receive an annual base salary of \$195,000 in 2004, \$235,000 in 2005 and \$245,000 in 2006. In addition, Mr. Marx can receive bonuses up to \$90,000, \$100,000 and \$150,000 in 2004, 2005 and 2006, respectively if certain net profit goals are achieved. Mr. Marx earned a bonus of \$50,000 for 2005 and \$90,000 for 2004. Mr. Marx is eligible to receive a bonus as follows:

2005 Net Profit	Bonus
-----	-----
\$250,000	\$25,000
\$500,000	\$50,000
\$1,000,000	\$100,000

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

2006 Net Profit -----	Bonus -----
\$500,000	\$50,000
\$1,000,000	\$100,000
\$1,250,000	\$125,000
\$1,500,000	\$150,000

Other Compensation

An additional element of the executive officer's compensation, which is not performance-based, is the matching of eligible contributions by the Company under the Company's 401(k) plan.

The Compensation Committee believes that linking executive compensation to corporate performance results in a better alignment of compensation with corporate goals and shareholder interests. As performance goals are met or exceeded, resulting in increased value to shareholders, executives are rewarded commensurately. The Committee believes that compensation levels during the 2006 fiscal year adequately reflect the Company's compensation goals and policies.

Employee Retirement Plans, Long-Term Incentive Plans, and Pension Plans

Other than our stock option and 401(k) plan, we have no employee retirement plan, pension plan, or long-term incentive plan to serve as incentive for performance to occur over a period longer than one fiscal year.

1997 Stock Option and Compensation Plan

In November 1997, the Board of Directors approved our 1997 Stock Option and Compensation Plan (the "Plan"). Pursuant to the Plan, we may grant options to purchase an aggregate of 5,000,000 shares of our common stock to key employees, directors, and other persons who have or are contributing to our success. On November 9, 2004, the shareholders approved to amend the 1997 Stock Option and Compensation Plan to allow for an aggregate of 10,000,000 options to be granted under "the Plan". The options granted pursuant to the Plan may be incentive

17

options qualifying for beneficial tax treatment for the recipient or they may be non-qualified options. The Plan is administered by an option committee that determines the terms of the options subject to the requirements of the Plan, except that the option committee shall not administer the Plan with respect to automatic grants of options to our directors who are not our employees. The option committee may be the entire board or a committee of the board.

Through May 24, 2000, directors who were not also our employees ("Outside Directors") automatically received options to purchase 250,000 shares pursuant to the Plan at the time of their election as an Outside Director. These options held by Outside Directors were not exercisable at the time of grant. Options to purchase 50,000 shares became exercisable for each meeting of the Board of Directors attended by each Outside Director on or after the date of grant of the options to that Outside Director, but in no event earlier than six months following the date of grant. The exercise price for options granted to Outside Directors was equal to the closing price per share of our common stock on the date of grant. All options granted to Outside Directors expired five years after the date of grant. On the date that all of an Outside Director's options became exercisable, options to purchase an additional 250,000 shares, which were exercisable no earlier than six months from the date of grant, were automatically granted to that Outside Director. On May 24, 2000, the Board of Directors voted to (1) decrease the amount of options automatically granted to Outside Directors from 250,000 to 25,000 options, and (2) decrease the amount of exercisable options from 50,000 to 5,000 per meeting. The term of the Outside Director option granted in the future was lowered from five years to two years. The other terms of the Outside Director options did not change.

On July 5, 2002, the Board of Directors voted to (1) increase the number of options automatically granted to Outside Directors from 25,000 to 125,000 options, and (2) increase the number of exercisable options from 5,000 to 25,000

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

per meeting. The other terms of the Outside Director options did not change.

The Company granted a total of 250,000 options to Outside Directors under the Plan during 2005 at exercise prices ranging from \$.11 to \$.15 per share. The Company granted a total of 250,000 options to Outside Directors under the Plan during 2004 and 2002, at an exercise price of \$.16 and \$.13 per share, respectively. No options were granted during 2003.

As of December 31, 2005, there were 425,000 exercisable options outstanding related to the grants to Outside Directors. Dr. Donald Huebner's employment terminated on January 31, 2002 but he continues as a Director of the Company, as such all of his options are disclosed as Outside Directors options.

In addition to Outside Directors grants, the Board of Directors may grant incentive options to our key employees pursuant to the Plan. There were no options granted in 2003 but in 2005 and 2004, the board granted a total of 1,100,000 options under the Plan to employees with exercise prices ranging from \$.12 to \$.15. As of December 31, 2005, there were 2,100,000 exercisable options outstanding related to grants to employees, all of which were granted under the Plan.

ITEM 2. PROPOSAL TO APPROVE THE SALE OF WINNCOM TECHNOLOGIES CORP.

The Board of Directors recommends that the shareholders vote in favor of the sale of the Company's subsidiary Winncom Technologies Corp. ("Winncom"). The affirmative vote of a majority of shares outstanding is necessary to approve the sale of Winncom.

The Companies

Winncom Technologies Corp.

Winncom is a wholly-owned subsidiary of the Company, which is in marketing, distribution and service of wireless component and network solutions in support of both voice and data applications, both domestically and internationally. Winncom's principal executive offices are located at 30700 Carter Street, Suite A., Solon, Ohio 44139.

In October 2004, Winncom entered into a "Frame" Agreement (Agreement of Understanding) with Joint Stock Company Kazakhtelecom ("Kazakhtelecom"), Kazakhstan's national telecommunications operator for the Republic of Kazakhstan, that gives Winncom the right, subject to Winncom obtaining 100% financing for the project upon terms and conditions acceptable to Kazakhtelecom, and subject to a number of other matters, to undertake, on a turnkey basis, development of a modern telecommunications infrastructure to be located on the left bank of the City of Astana, Kazakhstan. With several competing bids, Winncom was awarded the contract after several months of negotiations. The total cost of the project is for a total of approximately \$55,000,000.

On May 9, 2005, the Export Import Bank of the United States ("Ex-Im Bank") Board of Directors approved the majority of the financing for a project awarded to Winncom Technologies Corp. ("Winncom") for the development of a modern telecommunications infrastructure to be located on the left bank of the City of Astana, Kazakhstan. The Ex-Im Bank is the official export credit agency of the United States. Ex-Im Bank's mission is to assist in financing the export of U.S. goods and services to international markets. In August 2005, Societe Generale bank, New York, NY, committed to finance up to \$11 million of the remaining amount necessary for the previously announced turnkey telecommunications project in Kazakhstan. Societe Generale New York, NY, would be the lender for the entire \$55 million to JSC Kazakhtelecom, of which the Ex-Im Bank of New York had previously agreed to guarantee up to \$48 million. The primary guarantor for repayment of the \$55 million would be Kazkommertsbank, Kazakhstan's largest bank.

23

In January 2006, the Ex-Im Bank guaranteed portion of financing totaling approximately \$48 million was closed and JSC Kazakhtelecom committed to the balance of the \$55 million tender to either pay directly to Winncom or through a loan from other lenders.

Societe Generale is lending the money to Kazkommertsbank on behalf of the end user, JSC Kazakhtelecom. JSC Kazakhtelecom had approved the work program and timeline for part of the project, submitted by Winncom earlier, which was a prerequisite prior to the closing of the previously announced \$2.3 million financing for Winncom to accelerate the installation of the fiber optic cable. Winncom completed the installation of the fiber optic cable portion of the project in October 2005.

The first phase of the contract is expected to be completed by the end of 2006 and is expected to generate revenues of \$18 to \$22 million.

Principal products of Winncom include the following:

Unlicensed Wireless Products

Unlicensed wireless products use frequencies that require a license to manufacture but not a license to use. Winncom's primary products are the Wi-Fi(R), WiMAX, and other license free products operating in the 900MHz to 5.8GHz and 60GHz frequency ranges for most license free standards. Any business or consumer may use these products as long as they do not interfere with other users. Winncom currently markets products manufactured by Alvarion, Axxcelera, Bridgewave, Cisco, Proxim("Terabeam"), Motorola, Nomadix, Orthogon Systems, Colubris, Sky Pilot and BellAir, all of which are leaders in the unlicensed communications hardware market. These products are used in high-speed (up to 1Gb) point-to-point and point-to-multi-point wireless networking applications, including, among others, internet access, hot spots, local and wide area networks (LAN/WAN), Voice Over IP (VoIP), telco applications and industrial process automation and data acquisition.

Licensed Wireless Products

Licensed wireless products require a Federal Communications Commission ("FCC") license to operate on a specific frequency in a geographic area. Winncom distributes point-to-point microwave products including Alvarion, and Avante (Witcom). These microwave products are used as a backbone to connect service providers' cell sites or enterprise multiple locations for data and voice applications.

Voice Over Internet Protocol (VoIP)

VoIP allows voice communications to be placed over standard Internet networks. This is critical for emerging Wireless Internet Service Providers so they can offer complete voice and data service to generate revenue to compete with DSL and Cable Modem service. Winncom distributes Avaya, Cisco, Lucent, Multitech, and VoIP products and Broadvox VoIP solutions for enterprise and residential markets. VoIP products combined with wireless environment delivers complete communication solutions for users of mobile devices such as PDAs, WEB PADs and Tablet PCs.

24

Antennas

Winncom sells both customer premise equipment (CPE) and base station antenna solutions as well as a full range of antennas for point-to-point and point-to-multi-point applications. Winncom offers directional panel antennas, as well as a variety of sectorized and omni-directional, amplified CPE antennas and Ethernet CPE antennas for wireless Internet access and various data and voice applications.

Accessories

Winncom is a full service value-added distributor, specializing in the design and development of a host of accessory products. These products include the amplifiers, 2.4GHz-5.8GHz, and 2.4GHz-5.8GHz frequency converters, filters, power supplies, power cords, and environmental enclosures necessary for the

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

installation and optimum performance of a wireless network. The 2.4GHz to 5.8GHz frequency converter, designed by Winncom engineers, enhances the deployment of the readily available low-cost 2.4GHz wireless WAN/ LAN equipment sold by Winncom. The main applications for this new solution include wireless Internet access, campus wireless LANs, and wireless spectrum WANs. The frequency converter will provide additional transmission channels in the unlicensed spectrum resulting in a considerable increase in bandwidth capacity. It also promotes usage of the 5.8GHz spectrum to supplement network performance where the 2.4GHz spectrum is saturated. The product is sold both domestically and internationally.

Network Infrastructure Product

Winncom offers a complete line of high-performance voice and data infrastructure and security products by AVAYA Communication, Cisco, Comet, Lucent Technologies, Multitech, and RAD. The virtual private network systems (VPN) enable organizations of all sizes, from small businesses to large enterprises and managed data service providers, to securely connect remote users, branch offices, business partners, and customers, taking full advantage of the cost savings and productivity enhancing benefits of virtual private networks. The voice and data products are designed for the new generation of network (NGN) architectures that cost-effectively integrate voice, video, and data on a single infrastructure, while providing reliability, ubiquity, and security to meet the challenges and dynamic requirements of the enterprise business environment from converged networks to e-business solutions.

Other Products

Winncom offers a wide range of copper, coaxial and fiber cables and cable assembly products as well as lightning arrestors that are used in the installation, extension and protection of wireless end-to-end systems. Winncom also offers a variety of environmental enclosures for a broad range of wireless products for outdoor applications.

Winncom continuously evaluates new products, exploring the new markets and pursues distribution alliances with manufacturers whose equipment complements Winncom's product offerings as well as the development of Winncom's proprietary products that include amplifiers, frequency converters, antennas, outdoor enclosures and RF accessories.

25

BlueCoral Limited ("BlueCoral")

BlueCoral has had no operations prior to the proposed acquisition of Winncom, and was activated solely for the purpose of acquiring Winncom. If the proposed acquisition of Winncom is complete, BlueCoral's business will be to continue Winncom's existing lines of business. The principal executive offices of BlueCoral are located at: BlueCoral Limited, RSM House, Herbert Street, Dublin 2, Ireland.

With the exception of Mr. Raskin's continued employment with Winncom after the sale of Winncom to BlueCoral, none of the officers, directors or employees of ARC Wireless Solutions, Inc. currently has or will have any affiliation with BlueCoral.

The Sale of Winncom

Background of the Merger

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

Winncom's international business potential began growing significantly in calendar years 2004 and 2005. During that period, Winncom was awarded a \$55,000,000 contract with the Joint Stock Company Kazahktelecom, the national telecommunications operation in the Republic of Kazakhstan, and was quickly becoming one of the leaders in telecommunications infrastructure business in that region of the world. Winncom's domestic sales remained consistent and margins continued to improve compared to previous years. The challenges and opportunities raised by Winncom's expansion led the Company's Board of Directors to begin reviewing the Company's overall business strategy.

Between May and August of 2005, two third parties approached the Company on an unsolicited basis on the possibility of acquiring Winncom. Although our Board of Directors was not pursuing a sale of Winncom at that time, the Board of Directors determined that it would consider the possibility of such a sale if a third party made an attractive offer that the Board of Directors believed fully valued the asset. Accordingly, our Board of Directors authorized management to engage in preliminary discussions with those two companies and with one or more investment banking firms. Through October 2005, neither the discussions with the two companies or with the investment banking firms, resulted in any specific proposals or other developments for the Company.

In November, 2005, Mr. Raskin, CEO and President of Winncom, met with LebGOK Trading AG, an affiliate of BlueCoral ("LebGOK"), while on business in Kazakhstan. During that meeting, Mr. Giorgio Solari, the sole member of the Board of Directors of LebGOK, expressed an interest in expanding LebGOK's current business to include telecommunications by acquiring Winncom from the Company. Upon his return to the United States, Mr. Raskin reported the details of this meeting to the Board of Directors of the Company. The Board of Directors requested that LebGOK's interest be expressed in writing and Mr. Raskin, after contacting Mr. Solari, informed the Board of Directors that a written offer was imminent. On November 29, 2005 the Company received a letter of intent from LebGOK to purchase Winncom. On December 8, 2005 the Company's Board of Directors

26

met and authorized a counter offer to LebGOK, which our CEO conveyed to LebGOK by letter dated December 8, 2005. On February 14, 2006, the Company received a letter from LebGOK indicating that it was ready to execute a letter of intent to buy Winncom for \$17,000,000 contingent upon certain terms and conditions specified by LebGOK.

On February 21, 2006 the Board of Directors met to form a Special Committee consisting of Mr. Sigmund Balaban, Dr. Donald Huebner, Mr. Randall P. Marx and Mr. Robert E. Wade to pursue this transaction. The Special Committee then agreed that it would pursue negotiation and execution of a definitive purchase agreement with LebGOK that would require the deposit by LebGOK of the full amount of the purchase price in escrow upon signing the definitive Stock Purchase Agreement. Concurrently, the Company contacted the other interested third parties to confirm and discuss if they were still interested in acquiring Winncom and at what valuation. Neither party was interested in pursuing matters at that time. The Board of Directors then determined that the LebGOK offer was in the best interests of the Company's shareholders, and the Board of Directors authorized management to pursue the sale of Winncom Technologies Corp. to LebGOK Trading AG. Prior to execution of the final agreements, LebGOK designated BlueCoral to be the purchaser, and on July 28, 2006, we entered into a definitive agreement to sell Winncom to BlueCoral for \$17 million cash.

Company's Plans after Annual Meeting

If the shareholders approve the sale of Winncom, upon completion of the

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

transaction, the Company intends to pursue the acquisition of one or more other businesses that appear attractive to the Board of Directors because of anticipated growth and profitability, intellectual property, and/or being synergistic with other portions of the Company's business. Also if the shareholders approve the sale of Winncom, and if the shareholders approve the reverse stock split described elsewhere in this Proxy Statement, the Company will determine whether to apply for listing on the American Stock Exchange or NASDAQ Capital Market and to implement the reverse split.

If the shareholders do not approve the sale of Winncom, the Board of Directors will determine whether to solicit other offers to purchase Winncom and whether to proceed with a stock exchange listing and/or a reverse split.

Reasons for the Sale of Winncom

Listed below are the material factors that the special committee and the Company's Board of Directors considered in their decision. Neither the Special Committee nor the Company's Board of Directors assigned any specific or relative weight to the factors listed below.

One of the benefits to the Company of acquiring Winncom in 2000 was to bolster the Company's revenue growth. This was helpful, among other things, because of the risk and investment required in research and development to significantly increase the revenues of the Company's existing antenna business. Winncom's business did in fact grow at a steady rate with margins decreasing substantially over the first three years then stabilizing and slightly increasing after 2003. In 2005, with Winncom contributing approximately 50% of the Company's profit and accounting for over 80% of its revenue, the Board of Directors and its senior management determined that Winncom was being valued in the investment community as a distributor rather than as a supplier of

27

telecommunications solutions. This, in the opinion of the Board of Directors and senior management, was due to Winncom's low margins, lack of design, manufacturing and intellectual property. Moreover, Winncom's recent expansion in international telecommunication business had not resulted in an increase in the awareness of the Company's overall business. Additionally, there continued to be no synergistic operational savings with the Winncom business. In reviewing peer distribution public companies, it was documented that the Winncom portion of the Company's business was valued comparably to other distributors. This, as well as Winncom's low margins, high risk to return ratio, and even lower international margins, were taken into consideration. Realizing that the Company cannot rely solely on its antenna business for growth, the Board of Directors and senior management then discussed that a divestiture of Winncom and subsequent acquisition of one or more other companies with higher margins, intellectual property and more synergistic operational savings, would result in a better long term business scenario for the Company and its shareholders.

Recommendation of the Board of Directors and the Special Committee

On July 27, 2006, the Special Committee unanimously determined that the sale of the stock of Winncom, based on the Stock Purchase Agreement and subject to the terms and conditions set forth in that agreement, is advisable, fair to, and in the best interests of the Company and its shareholders and recommended that the Board of Directors approve the Stock Purchase Agreement and proceed with a proxy statement for shareholder approval. In making its determination, the Special Committee considered a number of factors, as more fully described above under "Reasons for the Sale of Winncom."

On July 27, 2006, at a meeting of the Board of Directors of the Company,

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

with Mr. Raskin abstaining due to his continuing interest in Winncom, the Special Committee reported to the entire Board of Directors on its recommendation of the sale of Winncom based upon the Stock Purchase Agreement, and its determination of the advisability and fairness of the sale and the terms and conditions of the Stock Purchase Agreement. At the same meeting the Board of Directors of the Company, with Mr. Raskin abstaining, confirmed the conclusions of the Special Committee. Accordingly, the Board of Directors recommends that you vote "FOR" the approval of the sale of all the stock of Winncom as set forth in the Stock Purchase Agreement.

Consideration

Upon signing the Stock Purchase Agreement, BlueCoral placed the full purchase price, \$17,000,000, into an escrow account in the name of the escrow agent, Consumer Title Services, LLC, at UBS Financial Services, Inc. The terms of the escrow account provide that when the sale of Winncom is completed, BlueCoral will authorize the escrow agent to distribute the full amount of the purchase price to the Company.

Interests of Directors and Executive Officers in the Sale of Winncom

In considering the recommendation of the Board of Directors that you vote "FOR" the sale of Winncom, you should be aware that the Company's directors and executive officers may have interests in the sale of Winncom that are different from, and/or in addition to, the interests of the Company's shareholders

28

generally. In particular, Gregory E. Raskin, the President of the Company and a member of the Board of Directors of the Company, is also the Chief Executive Officer and President of Winncom. Upon the consummation of the sale of Winncom, Mr. Raskin will resign as the President of the Company. Mr. Raskin owns 4,069,162 shares of the Company's common stock.

In addition, Mr. Raskin currently has an employment agreement with Winncom. We have been informed that if the sale of Winncom is consummated, Mr. Raskin will continue to be employed by Winncom as its Chief Executive Officer and President, under the same terms as are currently in place under that employment agreement.

The Special Committee of independent directors carefully evaluated and negotiated the terms of the Stock Purchase Agreement and unanimously determined that the Stock Purchase Agreement and the sale of Winncom, upon the terms and conditions set forth in the stock purchase agreement, is advisable, fair to, and in the best interests of the Company and its unaffiliated shareholders and recommended that the Board of Directors approve the sale of Winncom. The Board of Directors has approved this matter (with Mr. Raskin abstaining).

Both the Special Committee and the Board of Directors were aware of these differing interests and considered them, among other matters, in evaluating and negotiating the Stock Purchase Agreement, and in recommending to the shareholders that the sale of Winncom be approved.

Regulatory Approvals

We are not aware of any material governmental or regulatory approval required for completion of the sale of Winncom.

The Stock Purchase Agreement

The following discussion summarizes the material terms of the proposed sale

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

of all the outstanding stock of Winncom by the Company. The following summary may not contain all of the information about the Stock Purchase Agreement that is important to you. The Company encourages each shareholder to read carefully the Stock Purchase Agreement, a copy of which is attached as Annex B to this Proxy Statement and is incorporated into this Proxy Statement by reference, in its entirety because it, not this Proxy Statement, is the legal document that governs the sale of Winncom.

This Proxy Statement contains a description of representations and warranties made in the Stock Purchase Agreement. Representations and warranties are also set forth in the documents, including the Stock Purchase Agreement, that are attached or provided as annexes to this Proxy Statement. These representations and warranties were made only for the purposes of such documents as of specific dates, may be subject to important limitations and qualifications agreed to by the contracting parties, and may not be complete. Furthermore, these representations and warranties may have been made for the purposes of allocating contractual risk between the parties to the document instead of establishing these matters as facts, and may or may not have been accurate as of any specific date and do not purport to be accurate as of the date of this Proxy

29

Statement. Accordingly, you should not rely upon the descriptions of representations and warranties contained in this Proxy Statement or the actual representations and warranties contained in such documents, including the Stock Purchase Agreement, as statements of factual information.

Closing and Effectiveness

The sale of Winncom will occur and be effective on the closing date, which is the date specified by the parties to the Stock Purchase Agreement after the satisfaction or waiver of all of the pre-closing conditions set forth in the Stock Purchase Agreement. The main pre-closing condition set forth in the Stock Purchase Agreement is the approval of the sale of Winncom by the shareholders of the Company. On the closing date, the Company will transfer to BlueCoral all the issued and outstanding shares of Winncom in exchange for \$17,000,000.

Escrow Agreement

After signing the Stock Purchase Agreement, the parties then signed an Escrow Agreement (see attached Annex C) with Consumer Title Services, LLC as Escrow Agent, stipulating that the Escrow Fund be deposited in a UBS Financial Services, Inc. account. BlueCoral subsequently deposited into a UBS Financial Services, Inc. account, held in title by Consumer Title Services, LLC., the full amount of the purchase price, \$17,000,000.

If the proposal to sell Winncom is approved by the shareholders of the Company, BlueCoral will be obligated to promptly give written notice to the Escrow Agent authorizing the Escrow Agent to distribute the Escrow Fund, \$17,000,000, to the Company. If the proposal to sell Winncom is not approved by the shareholders of the Company, the Company will be obligated to promptly give written notice to the Escrow Agent authorizing the Escrow Agent to distribute the Escrow Fund, plus interest, less fees and expenses, to BlueCoral.

ITEM 3. PROPOSAL TO RATIFY THE SELECTION OF HEIN + ASSOCIATES LLP AS THE COMPANY'S CERTIFIED INDEPENDENT ACCOUNTANTS

The Board of Directors and its Audit Committee recommends that the shareholders vote in favor of ratifying the selection of the certified public accounting firm of HEIN + Associates LLP of Denver, Colorado as the auditors who will continue to audit financial statements, review tax returns, and perform other accounting and consulting services for the year ending December 31, 2006 or until the Board of Directors, in its discretion, replaces them. HEIN + Associates LLP also audited our financial statements for the fiscal years ended December 31, 2001, 2002, 2003, 2004 and 2005.

An affirmative vote of the majority of shares represented at the meeting is necessary to ratify the selection of auditors. There is no legal requirement for submitting this proposal to the shareholders; however, the Board of Directors believes it is of sufficient importance to seek ratification. Whether the proposal is ratified or defeated, the Board of Directors may reconsider, at their discretion, its selection of HEIN + Associates LLP. It is expected that one or more representatives of HEIN + Associates LLP will be present at the Annual Meeting and will be given an opportunity to make a statement if they desire to do so and to respond to appropriate questions from shareholders.

Audit Fees

The following table sets forth the aggregate fees billed to us by HEIN + Associates LLP for the years ended December 31, 2004 and December 31, 2005:

	2005	2004	2003
	----	----	----
Audit fees	\$110,000(1)	\$99,000(1)	\$90,000(1)

During fiscal year 2005, the aggregate fees billed for the professional services described in paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X rendered by HEIN + Associates LLP for fiscal year 2004 totaled \$0.

All Other Fees

During fiscal year 2005, all other fees billed for services rendered by HEIN + Associates LLP (other than the services described above) totaled \$0.

The Audit Committee's pre-approved policy requires that all services that the Company's independent auditor may provide to the Company, including audit services, must be pre-approved by the Audit Committee. In the event that an audit or non-audit service requires approval prior to the next scheduled meeting of the Audit Committee, the auditor must contact the Chairman of the Audit Committee to obtain such approval. The approval must be reported to the Audit Committee at its next scheduled meeting.

The Board of Directors has considered whether the provision of the services covered in this section is compatible with maintaining HEIN + Associates LLP's independence and believes that it is.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that the shareholders vote FOR the ratification of the selection of HEIN + Associates LLP as our certified independent accountants for the year ending December 31, 2006.

ITEM 4. THE AUTHORIZATION OF THE REVERSE STOCK SPLIT

The Board of Directors has unanimously approved and proposed for shareholder approval a reverse stock split in a range from 1 for 20 to 1 for 50. We believe that the reverse stock split may be beneficial to us due to the large number of shares that are outstanding. We believe that the low trading prices of

36

the Common Stock may impair efficiency of the market for the Common Stock and that brokerage commissions on the purchase or sale of a relatively lower priced stock generally tend to represent a higher percentage of the sales price than the commission on a relatively higher priced stock. We believe that the reverse stock split will improve these factors and may inure to the benefit of our shareholders, the Company and the market for the Common Stock. At the Annual Meeting held on November 9, 2004, the shareholders of the Company approved a proposed recommendation to authorize the Board of Directors to determine whether to effect a reverse stock split on or before December 31, 2005. The Board of Directors subsequently approved the implementation of a reverse stock split in a range between one-for-twenty and one-for-fifty upon approval of the listing of the Company's stock on a stock exchange. The Company did file for listing on the American Stock Exchange, and its application was put on hold because of the possibility of the sale of Winncom. Regardless of the outcome of the vote by the shareholders of the sale of Winncom, the Company will determine whether to proceed with the application to the American Stock Exchange or to apply for listing on the NASDAQ Capital Market. If this Item 4 is approved, the Board of Directors shall have the ability, at any time prior to December 31, 2008, to set the effective time for the reverse split.

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

If the reverse stock split were effected, we would have fewer shares outstanding. A reduction in the number of shares would increase the book value per share as well as the earnings (or loss) per share. These increases could make the Common Stock more attractive to larger brokerage houses, thereby possibly expanding the group of brokers interested in making a market for the Common Stock. Nevertheless, we cannot predict what effect the reverse stock split would have on the market price of the Common Stock.

If the reverse stock split is approved by the shareholders, the effective time for the reverse stock split, if at all, will be as determined by our Board of Directors, and must be prior to December 31, 2008. If our Board of Directors so determines, between each 20 shares and 50 shares of Common Stock at the effective time shall be deemed to be one share of Common Stock without further action by our shareholders. It will not be necessary for a shareholder to exchange certificates representing stock issued prior to the reverse stock split for certificates representing shares resulting after the reverse stock split.

If the reverse stock split is effected, we will not issue certificates for fractional shares. Instead, persons who are shareholders at the effective time of the reverse stock split and who otherwise would be entitled to a fractional share would be issued cash in lieu of fractional shares. All shares of Common Stock held by a record holder will be aggregated for purposes of computing the number of shares of Common Stock subject to the reverse stock split.

We have not sought and do not intend to seek an opinion of counsel or a ruling from the Internal Revenue Service regarding the federal income tax consequences of the reverse stock split. Based on consultation with counsel, we believe that a shareholder who does not receive cash in connection with the reverse stock split would not recognize any gain or loss on the exchange and we would not recognize any gain or loss as a result of the reverse stock split.

37

An affirmative vote of the majority of the outstanding shares is required to approve the reverse stock split.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that the shareholders vote FOR the authorization of the Board of Directors to determine to effect a reverse stock split of our outstanding common stock.

ITEM 5: OTHER BUSINESS

The Board of Directors of the Company is not aware of any other matters that are to be presented at the Annual Meeting, and it has not been advised that any other person will present any other matters for consideration at the meeting. Nevertheless, if other matters should properly come before the Annual Meeting, the shareholders present, or the persons, if any, authorized by a valid proxy to vote on their behalf, shall vote on such matters in accordance with their judgment.

RESOLUTIONS PROPOSED BY INDIVIDUAL SHAREHOLDERS; DISCRETIONARY AUTHORITY TO VOTE PROXIES

In order to be considered for inclusion in the proxy statement and form of proxy relating to our next annual meeting of shareholders following the end of our 2006 fiscal year, proposals by individual shareholders must be received by us no later than May 26, 2007.

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

In addition, the proxy solicited by the Board of Directors for the next annual meeting of shareholders will confer discretionary authority on any shareholder proposal presented at that meeting unless we are provided with notice of that proposal no later than August 18, 2007.

(a) Each of the representations and warranties made by Buyer in this Agreement shall terminate on December 31, 2007. Each of the representations and warranties made by Owner in this Agreement shall terminate on December 31, 2007. Each of the representations and warranties made by the Company in this Agreement shall terminate on December 31, 2007. (b) In the event notice of any Claim for indemnification under Section 8.2 hereof shall have been given within the applicable survival period, the representations and warranties that are the subject of such indemnification Claim shall survive until such time as such Claim is finally resolved. The covenants and agreements of the parties set forth in this Agreement and the indemnification obligations of the parties hereunder shall survive according to the terms set forth herein.

Section 8.2 Indemnification by Owner, Buyer and the Company.

(a) Subject to the other provisions of this Article VIII, Owner shall indemnify, defend and hold harmless the Buyer Indemnified Parties from and against any and all costs, expenses, losses, damages and liabilities (including attorneys' fees and expenses) suffered by any of the Buyer Indemnified Parties (the "Buyer Damages") to the extent resulting from, arising out of, or incurred with respect to, or (in the case of claims asserted against any of the Buyer Indemnified Parties by a third party) alleged to result from, arise out of or have been incurred with respect to, (i) any breach of or inaccuracy in any representation or warranty as of the date made or as of the Closing Date of Owner contained in this Agreement, (ii) any breach of any covenant of Owner contained in this Agreement, and (iii) any product shipped by the Company to a

customer prior to the Closing Date, limited to the total amount covered under

25

such product's warranty, if any. Notwithstanding anything to the contrary in this Agreement, Owner shall not indemnify, defend or hold harmless the Buyer Indemnified Parties from and against any Buyer Damages resulting from, arising out of or having been incurred with respect to any breach of or inaccuracy in any representation or warranty as of the date made or as of the Closing Date of the Company contained in this Agreement.

(b) Subject to the other provisions of this Article VIII, Buyer shall indemnify, defend and hold harmless the Seller Indemnified Parties from and against any and all costs, expenses, losses, damages and liabilities (including attorneys' fees and expenses) suffered by the Seller Indemnified Parties (the "Seller Damages") to the extent resulting from, arising out of, or incurred with respect to, or (in the case of claims asserted against the Seller Indemnified Parties by a third party) alleged to result from, arise out of or have been incurred with respect to (i) any breach of or inaccuracy in any representation or warranty as of the date made or as of the Closing Date of Buyer contained in this Agreement, (ii) any breach of any covenant of Buyer contained in this Agreement, and (iii) all costs, Liabilities, Taxes and expenses incurred by the Company after the Closing that relate to the activities of the Company after Closing.

(c) Owner shall not have any liability under this Agreement (for indemnification under this Article VIII or otherwise) until the total of all Buyer Damages with respect to such matters exceeds three percent (3%) of the Purchase Price (the "Basket"), after which Owner shall be liable for the amount of all Buyer Damages in excess of the amount of the Basket. The aggregate liability of Owner under this Agreement (for indemnification under this Article VIII or otherwise) shall in no event exceed thirty percent (30%) of the Purchase Price.

(d) The Company shall indemnify the Buyer Indemnified Parties, subject to the provisions of Sections 8.1 and 8.3, from and against any and all Buyer Damages to the extent resulting from, arising out of, or incurred with respect to, or (in the case of claims asserted against any of the Buyer Indemnified Parties by a third party) alleged to result from, arise out of or have been incurred with respect to, (i) any breach of or inaccuracy in any representation or warranty as of the date made or as of the Closing Date of the Company contained in this Agreement, and (ii) any breach of any covenant of the Company contained in this Agreement.

Section 8.3 Notice and Resolution of Claim.

(a) An indemnified party under this Agreement shall promptly give written notice to the indemnifying party after obtaining knowledge of any third party claim or litigation against the indemnified party as to which recovery may be sought against the indemnifying party because of the indemnity set forth in Section 8.2, specifying in reasonable detail the claim or litigation and the basis for indemnification; provided, however, that the failure of the indemnified party promptly to notify the indemnifying party of any such matter shall not release the indemnifying party, in whole or in part, from its obligations under this Article VII except to the extent the indemnified party's failure to so notify in breach of this paragraph (a) materially prejudices the

26

indemnifying party's ability to defend against such third party claim or

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

litigation (including but not limited to any prejudice to the indemnifying party's rights under any applicable insurance policy). The indemnified party shall permit the indemnifying party to assume the defense of any such claim, litigation or any litigation resulting from such third party claim.

(b) If the indemnifying party assumes the defense of any such third party claim or litigation, the obligations of the indemnifying party under this Agreement shall include taking all steps necessary in the investigation, defense or settlement of such claim or litigation (including the retention of legal counsel) and holding the indemnified party harmless from and against any and all losses caused by or arising out of any settlement approved by the indemnifying party or any judgment in connection with such claim or litigation. Except with the written consent of the indemnified party (which consent will not be unreasonably withheld or delayed), the indemnifying party shall not, in the defense of such claim or litigation, consent to entry of any judgment (i) that does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the indemnified party a complete release from all liability in respect of such claim or litigation, or (ii) the effect of which is to permit any injunction, declaratory judgment, other order or other equitable relief to be entered, directly or indirectly, against any indemnified party. The indemnifying party shall permit the indemnified party to participate in such defense or settlement through counsel chosen by the indemnified party, with the fees and expenses of such counsel borne by the indemnified party.

(c) Failure by the indemnifying party to notify the indemnified party of its election to assume the defense of any such claim or litigation by a third party (i) within thirty (30) days after notice thereof has been given to the indemnifying party or (ii) five (5) days prior to the date on which any response is due in connection with such claim or litigation, whichever comes first, shall be deemed a waiver by the indemnifying party of its right to assume the defense of such claim or litigation. If the indemnifying party does not assume the defense of such claim or litigation by a third party, the indemnified party may defend or settle such claim or litigation in such manner as the indemnified party may deem appropriate and may settle such claim or litigation on such terms as it may deem appropriate.

Purchaser, Seller and Escrow Agent sometimes are referred to herein individually as a "Party" and collectively as the "Parties."

RECITALS

WHEREAS, Purchaser, Seller and Winncom Technologies Corp., a Maryland corporation (the "Company") entered into a Stock Purchase Agreement, dated as of July 28, 2006 (the "Purchase Agreement"), whereby Purchaser is purchasing all outstanding common stock of the Company from Seller;

WHEREAS, the terms of the Purchase Agreement require that the purchase price thereunder shall be held and placed into an escrow account for a period beginning on the date the parties enter into the Purchase Agreement and ending on the Closing Date as defined in the Purchase Agreement;

WHEREAS, the Parties have agreed upon and wish to set forth in this Escrow Agreement the terms and conditions with respect to the amounts to be placed in escrow and held by Escrow Agent hereunder.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises contained herein, intending to be legally bound, the Parties agree as follows:

1. Acceptance of Appointment; Deposit of Escrow Amount. Purchaser and Seller hereby appoint and designate Escrow Agent as escrow agent to establish an escrow account (the "Escrow Fund") to receive, hold and disburse Seventeen Million Dollars (\$17,000,000.00) plus Investment Income thereon (as defined in Section 6 below) (the "Escrow Amount") in accordance with the terms and conditions set forth herein, and Escrow Agent hereby accepts such appointment and designation and agrees to establish the Escrow Fund and to act as the escrow agent for the Escrow Fund, in each case upon the terms and conditions set forth in this Escrow Agreement.

2. Establishment of the Escrow Fund. Concurrently with the execution of this Escrow Agreement, Purchaser has deposited the Escrow Amount with Escrow Agent in immediately available funds and Escrow Agent acknowledges receipt thereof. Escrow Agent shall hold, invest and disburse the Escrow Amount as increased by any Investment Income thereon and as reduced by any disbursements pursuant to the terms of this Escrow Agreement.

1

3. Conditions of Escrow. On the Closing Date (the "Final Distribution Date"), (i) if the majority of the Escrow Amount shall be distributed to Seller, Purchaser shall give written notice to Escrow Agent in the form attached hereto as Exhibit B, or (ii) if all of the Escrow Amount shall be distributed to Purchaser, Seller shall give written notice to Escrow Agent in the form attached hereto as Exhibit C (the written notice delivered to Escrow Agent under this Section 3 is hereafter referred to as the "Notice"). Upon receipt of the Notice the Escrow Agent shall distribute to Seller the amount specified in the Notice.

4. Release and Application of Escrow Fund. Escrow Agent shall hold the Escrow Fund under the provisions of this Escrow Agreement, and covenants and agrees not to distribute any portion of the Escrow Amount, until authorized

Edgar Filing: ARC WIRELESS SOLUTIONS INC - Form DEF 14A

hereunder to deliver any specified portion thereof as follows:

(a) Distributions of all or a portion of the Escrow Fund shall be made in the manner and to the extent authorized under Section 3.

(b) Notwithstanding any provision herein to the contrary, if at any time Purchaser and Seller jointly execute a written notice providing Escrow Agent with disbursement instructions for all or part of the Escrow Fund then remaining, Escrow Agent shall disburse all or a portion, as applicable, of the Escrow Fund, together with any Investment Income thereon, in accordance with the instructions contained in such notice.

5. Investment of Escrow Fund. Until termination of this Agreement, Escrow Agent shall invest and reinvest the Escrow Fund in an UBS Financial Services Account entitled "Consumer Title Services, LLC for the benefit of Bluecoral Limited." Escrow Agent is authorized to liquidate, in accordance with its customary procedures, any portion of the Escrow Fund consisting of investments to provide for payments required to be made and due but not paid under this Escrow Agreement.

6. Investment Income. Income, interest, increments and realized gains paid upon the Escrow Fund (the "Investment Income") shall be retained in the Escrow Fund until disbursed pursuant to Section 4. The Parties agree that, for tax reporting purposes, the Investment Income earned on the Escrow Fund in any tax year shall be taxable to Purchaser. Escrow Agent shall comply with all applicable tax reporting requirements that arise with respect to the Escrow Fund in a manner consistent with the above treatment. Purchaser shall provide to Escrow Agent all necessary forms Escrow Agent may reasonably request to allow Escrow Agent to comply with the conditions of this Section 6.

9. Termination of Escrow. This Escrow Agreement shall terminate and be of no further force or effect upon the distribution and release of all of the funds held in the Escrow Fund.

10. Fees and Expenses. Escrow Agent is entitled to compensation in accordance with Exhibit A attached hereto and incorporated herein by reference and shall be paid by Purchaser. If such compensation is not already paid in full at the time of the final distribution to Purchaser under this Agreement, Escrow Agent may deduct any and all fees due and owing at that time from the amount being remitted to Purchaser at that time.
