Subscription Agreement

On November 12, 2010, PolyMet Mining Corp., a corporation existing under the laws of British Columbia (the Company), entered into a Subscription Agreement (the Subscription Agreement) with Glencore AG, a corporation existing under the laws of Switzerland (the Purchaser). Pursuant to the Subscription Agreement, the Company has agreed to issue and sell up to an aggregate of 15 million shares (the Shares) of its common shares, without par value (the Common Shares), at a price per Share of US\$2.00. A copy of the Subscription Agreement is attached hereto as Exhibit 99.1.

Consummation of the sale of the Shares is expected to occur in the following three tranches subject, in each case, to certain closing conditions:

- tranche 1 of US\$10 million is expected to close no later than January 17th, 2011;
- tranche 2 of US\$10 million is expected to close no later than October 17th, 2011; and
- tranche 3 of US\$10 million is expected to close on the earlier of (i) within 10 business days following receipt by the Company of key permits, in a form reasonably acceptable to the Purchaser, that will enable the start of construction of the Project (as defined in the Subscription Agreement), and (ii) October 15th, 2012.

Registration Rights Agreement

Pursuant to the Subscription Agreement, the Company entered into a Registration Rights Agreement, dated as of the date of the Subscription Agreement (the Registration Rights Agreement), with the Purchaser, pursuant to which the Company agreed to prepare and file with the Securities and Exchange Commission (the Commission) a registration statement under the Securities Act of 1933, as amended (the Securities Act), on Form F-10, if the Company is eligible under the Multi-Jurisdictional Disclosure System, or if Form F-10 is not available, then Form F-3 or other appropriate form of registration statement, or effect a registration for public offering in the United States and/or Canada, covering the resale of all Common Shares held by the Purchaser (the Registrable Securities) upon demand by the Purchaser at any time after the earlier of (i) the date the Purchaser consummates the purchase of the third and final installment of 5,000,000 Shares pursuant to the Subscription Agreement, and (ii) the date the Purchaser's obligations under the Subscription Agreement shall have terminated in accordance with its terms. A copy of the Registration Rights Agreement is attached hereto as Exhibit 99.2.

Upon written request from the holders of at least 50% of the Registrable Securities, the Company must effect an unlimited number of registrations; provided, however, the Company is not obligated to effect (i) a registration covering Registrable Securities for an aggregate public offering price of less than US\$5.0 million, (ii) more than two registrations within any 12-month period, and (iii) any registration at a time when the Company is keeping three such registrations effective. The Company will use its reasonable best efforts to keep each registration continuously effective until the earlier to occur of (a) the date all Registrable Securities have been sold to the public either pursuant to a registration statement or Rule 144 under the Securities Act, (b) the date all Registrable Securities have been sold in a private transaction in which the transferor's rights under the Registration Rights Agreement are not assigned, (c) the date on which such security may be resold without restriction pursuant to Rule 144(b)(1) under the Securities Act, or (d) the date on which all Registrable Securities cease to be outstanding.

Other

The offering and sale of the Shares were made in a private sale in reliance on the exemption from registration provided by Section 4(2) of the Securities Act and Rule 506 of Regulation D, as promulgated by the Commission under the Securities Act, and the exemption from the prospectus and registration requirements of Canadian Securities Laws provided under Section 2.10 of NI 45-106 and Instrument 71.205 of the British Columbia Securities Commission. This Report of Foreign Private Issuer on Form 6-K shall not constitute an offer to sell, a solicitation of an offer to buy, nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or country.

This notice is issued pursuant to Rule 135c under the Securities Act and shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Shares in any state in which such offer, solicitation or sale, would be unlawful prior to the registration or qualification under the securities laws of any such state.
