Item 1. Security and Issuer.

This Amendment No. 7 to Schedule 13D relates to shares of common stock, par value \$0.005 per share, of Digital Angel Corporation, a Delaware corporation (the "Issuer"), formerly Medical Advisory Systems, Inc. ("MAS"), and is being filed on behalf of the undersigned to amend the Schedule 13D, as amended (the "Schedule 13D"), which was originally filed on March 12, 2001. The address of the principal executive office of the Issuer is 790 Villaume Avenue, South St. Paul, Minnesota 55075. Information reported in the original filing, as amended, remains in effect except to the extent that it is amended, restated, supplemented or superseded by information contained in this Amendment No. 7.

Item 2. Identity and Background.

(a-c) and (f). The persons filing this statement are Applied Digital Solutions, Inc. and Digital Angel Share Trust. Applied Digital Solutions, Inc., a Missouri corporation ("ADS"), develops innovative identification and security products for consumer, commercial, and government sectors worldwide. ADS has its principal place of business at 1690 South Congress Avenue, Suite 200, Delray Beach, Florida 33445. The Digital Angel Share Trust is a Delaware statutory business trust. The trustee of the Digital Angel Share Trust is the Wilmington Trust Company, whose principal place of business is at Rodney Square North, 11 North Market Street, Wilmington, Delaware 19890-0001. The Digital Angel Share Trust is controlled by an advisory board. Mr. Scott R. Silverman, the chairman and chief executive officer of ADS is the sole advisory and voting board member of the Digital Angel Share Trust's Advisory Board.

Information relating to the directors and executive officers of ADS is contained in Appendix A attached hereto and is incorporated herein by reference.

(d) and (e). Neither of the Reporting Persons nor any of the persons listed in Appendix A have, during the last five years, (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, which has resulted in a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

The following information supplements the information previously provided in Item 3 in that it adds information regarding the Share Exchange Agreement dated April 12, 2006. The Share Exchange Agreement is included as Exhibit 2 to this Amendment No. 7.

On April 12, 2006, ADS entered into a Share Exchange Agreement with the former shareholders of DSD-Holding A/S, or DSD, and its wholly owned-subsiidiaries, Daploma International A/S and Digitag A/S, collectively referred to as the former shareholders of DSD. The agreement was entered into in connection with a stock purchase agreement effective as of February 28, 2005 by and among the Issuer and the former shareholders of DSD, whereby the Issuer purchased DSD and its wholly-owned subsidiaries. Pursuant to the stock purchase agreement between the Issuer and the former shareholders of DSD, the Issuer had the right to pay one-half of the buyout purchase price, as defined in the agreement, in cash and the remainder in unregistered shares of the Issuer's common stock between the closing date of the stock purchase agreement and December 31, 2006. Based on further discussions between the parties, ADS and the former shareholders of DSD agreed to exchange, per the terms of the Share Exchange Agreement, 454,545

registered shares of ADS' common stock plus \$27,751 in cash for 282,115 unregistered shares of the Issuer's common stock that the former shareholders received under the terms of the buyout provisions of the stock purchase agreement. No other financing was required to effect the transaction.

Item 4. Purpose of Transaction.

The following information supplements the information previously provided in Item 4 in that it adds information regarding the Share Exchange Agreement.

The purpose of the Share Exchange Agreement was to increase ADS' ownership of the Issuer because it desires to maintain a controlling interest in the Issuer. The former shareholders of DSD agreed to the terms of the Share Exchange Agreement because they desired to receive registered shares of ADS' common stock rather than unregistered shares of the Issuer's common stock.

Item 5. Interest in Securities of the Issuer.

The following information amends the information previously provided in Item 5 by including updated beneficial ownership information.

(a) and (b). As of June 8, 2006, ADS is the beneficial owner of 24,573,788, shares of the Issuer's common stock, or approximately 55.2% of the Issuer's common stock outstanding. ADS shares voting and dispositive power with the Digital Angel Share Trust over 14,703,506 of these shares, or 33.0% of the Issuer's common stock. ADS has sole voting and dispositive power with respect to 9,870,282 of the shares, or 22.2% of the Issuer's common stock.

Currently, ADS claims beneficial ownership with respect to all 24,573,788 shares for purposes of Section 13(d) of the Securities Exchange Act of 1934 or for any other purpose.

(c). ADS and the Digital Angel Share Trust have not engaged in any transactions in the Issuer's common stock during the past 60 days, except as set forth herein.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The following information supplements the information previously provided in Item 6 in that it adds information regarding the Share Exchange Agreement.

On April 12, 2006, ADS entered into a Share Exchange Agreement, which is more fully discussed in Item 3. above. The Share Exchange Agreement is filed as Exhibit 2 to this Amendment No. 7.

Item 7. Material to be Filed as Exhibits.
