PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
To Be Held On June 10, 2002

GENERAL

Our Board of Directors is furnishing this proxy statement and the accompanying Annual Report to Stockholders, notice of annual meeting and proxy card in connection with its solicitation of proxies for use at our 2002 Annual Meeting of Stockholders or any adjournment thereof. The annual meeting will be held on June 10, 2002, beginning at 10:00 a.m., Pacific Daylight Time at the following location:

Phoenix Inn Suites
12712 SE 2nd Circle
Vancouver, Washington 98684

We are bearing all expenses associated with this solicitation. Our officers or regular employees, without additional remuneration, may follow this

Edgar Filing: DIRECT FOCUS INC - Form DEF 14A

written proxy solicitation with personal solicitation of stockholders in person or by telephone or facsimile transmission. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. We reserve the right to retain an outside proxy solicitation firm, the expense of which we estimate will not exceed \$10,000.

Our Board of Directors has designated the two persons named on the enclosed proxy card, Brian R. Cook and Rod W. Rice, to serve as proxies in connection with the annual meeting. These proxy materials and the accompanying Annual Report to Stockholders are being mailed on or about April 26, 2002 to our stockholders of record on April 12, 2002.

REVOCABILITY OF PROXIES

You may revoke any proxy you execute at any time prior to its use at the annual meeting by:

- o delivering written notice of revocation to our Secretary;
- o delivering an executed proxy bearing a later date to our Secretary; or
- o attending the annual meeting and voting in person.

1

RECORD DATE

Our Board of Directors has fixed the close of business on April 12, 2002, as the record date for determining which of our stockholders are entitled to notice of and to vote at the annual meeting. At the close of business on the record date, 35,179,894 shares of our common stock were outstanding and held by 95 shareholders of record.

VOTING; QUORUM

Each share of common stock outstanding on the record date is entitled to one vote per share at the annual meeting. Stockholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of our outstanding shares of common stock is necessary to constitute a quorum at the annual meeting.

VOTE REQUIRED TO APPROVE THE PROPOSALS

If a quorum is present at the annual meeting, the seven nominees who receive the greatest number of votes cast for the election of directors by the shares present and voting in person or by proxy will be elected as directors.

EFFECT OF ABSTENTIONS

If you abstain from voting, your shares will be deemed present at the annual meeting for purposes of determining whether a quorum is present. Directors are elected by a plurality of the votes cast and only votes cast in favor of a nominee will have an effect on the outcome. Therefore, abstention from voting will not affect the outcome of the election.

EFFECT OF BROKER NON-VOTES

If a broker holds your shares in street name, you should instruct your broker how to vote. If you do not provide voting instructions, the broker will have discretionary voting authority with respect to the election of directors. Broker non-votes are deemed present at the annual meeting for purposes of determining whether a quorum is present. However, broker non-votes are not

Edgar Filing: DIRECT FOCUS INC - Form DEF 14A

counted as votes "for" or "against" in the election of directors. Accordingly, broker non-votes will have no effect on the election of directors.

PROXY PROCEDURE

When a proxy card is properly dated, executed and returned, the shares it represents will be voted at the annual meeting in accordance with the instructions specified in the proxy. If no specific instructions are given, the shares will be voted FOR the election of the director nominees described below. If other matters properly come before the annual meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment with respect to such matters.

2

ELECTION OF DIRECTORS (Proposal 1)

In accordance with our amended and restated bylaws, our Board of Directors shall be comprised of no less than five and no more than fifteen directors, with the specific number to be determined by our Board of Directors. By resolution adopted on May 7, 1999, our Board of Directors set the number of directors at seven.

NOMINEES

At the annual meeting, our stockholders will elect a board of seven directors to serve until the 2003 annual meeting or until their respective successors are elected and qualified. Our Board of Directors has nominated the individuals listed below to serve on our Board. If any nominee is unable or unwilling to serve as a director at the time of the annual meeting, our Board of Directors may provide for a lesser number of directors or designate a substitute. If our Board of Directors designates a substitute, the proxy holders will have the discretionary authority to vote for the substitute. Proxies may not be voted for more than seven nominees.

The Compensation Committee is responsible for evaluating the performance and establishing the compensation of our executive officers.

COMPENSATION PHILOSOPHY

The Board's executive compensation program is designed to encourage, compensate and reward employees on the basis of individual and corporate performance, both in the short and long term. Each executive compensation package is comprised of a base salary and an annual incentive bonus tied to corporate performance, and, except for the Chief Executive Officer, is supplemented by long-term incentives in the form of stock options. (Historically, as an executive officer's level of responsibility increases, a greater percentage of total compensation is based on performance, and the mix of total compensation shifts toward stock options.) The Board of Directors believes that this compensation program increases the mutuality of interest between our executive officers and stockholders. In 2001, the Board retained one independent compensation consulting firm to supply the Board and the Compensation Committee with competitive compensation information to facilitate the establishment of executive compensation levels for 2002.

11

BASE SALARY. The Board of Directors sets base salaries for its executive officers at levels it believes are competitive with the base salaries paid by leading, comparably sized public corporations in the healthy lifestyle products and retail industry. The Board of Directors approves base salary ranges for our executive officers based on reviews of market data from peer group, industry and national surveys. Within each range, the Board of Directors establishes a base salary for each executive officer based on individual performance, the executive officer's level of responsibility and the importance of the position to us. In 2001, an independent compensation consulting firm was retained to advise the Board concerning wages for the executive officers.

ANNUAL BONUS. In the first quarter of each year, the Board of Directors establishes target corporate performance goals based on actual earnings per share and other significant factors, such as cash management, strategic business development and personnel management. At the end of each year, the Board of Directors evaluates corporate performance in light of these goals. If we meet or surpass the pre-established performance goals, the Board of Directors generally will award a bonus to each executive officer equal to 100.0% of his base salary. However, the Board of Directors has absolute discretion in awarding annual bonuses and may award greater or lesser annual bonuses to one or more executive

Edgar Filing: DIRECT FOCUS INC - Form DEF 14A

officers, whether or not we achieve our performance goals. In 2001, we surpassed our performance goals and each of our executive officers were awarded a 100.0% annual bonus.

STOCK OPTIONS. Our Board of Directors views stock options as the key long-term element in its performance-based executive compensation program. Our Board of Directors grants stock options to our executive officers based on the Board's estimation of each executive officer's contribution to our long-term growth and profitability. Generally, each stock option granted to an executive officer has an exercise price equal to the market price on the day before the grant date and vests in one-fourth increments over a four-year period. Since 1999, stock options have not been granted to the Chief Executive Officer as he has a substantial ownership interest in Direct Focus giving him long-term performance incentive. See "Option Grants in Last Fiscal Year" for a summary of options granted to our executive officers during 2001.

OTHER BENEFITS. We also have various broad-based employee benefit plans. Executive officers participate in these plans on substantially the same terms as eligible, non-executive employees, subject to any legal limits on the amounts that may be contributed or paid to executive officers under these plans. We offer a 401(k) plan which allows employees to invest in an array of funds on a pre-tax basis and which provides for employer matching contributions of up to three percent of eligible compensation. We also maintain insurance and other benefits for our employees.

DEDUCTIBILITY OF COMPENSATION. Section 162(m) of the Internal Revenue Code of 1986 limits to \$1,000,000 per person the amount that we can deduct for compensation paid to any of our most highly paid officers in any year. We generally do not expect any of our employee's salary and bonus levels to exceed that limit. However, depending on individual and corporate performance, total compensation for certain executives may be greater than \$1,000,000. The limit on deductibility, however, does not apply to performance-based compensation that meets

12

certain requirements. Our current policy is generally to grant stock options that meet those requirements so that we may duly deduct option compensation recognized by an optionee.

2001 COMPENSATION OF CHIEF EXECUTIVE OFFICER

Except as otherwise described herein, the Compensation Committee generally follows the compensation philosophy adopted by the Board of Directors. The Compensation Committee established Brian R. Cook's 2001 base salary of \$375,000 in the same manner as described in "Base Salary" above with respect to all executive officers. Mr. Cook earned a \$375,000 annual bonus based on corporate and individual performance as described in "Annual Bonus" above, and as evaluated by the Compensation Committee. No stock options were granted to Mr. Cook during 2001 for the reasons explained in "Stock Options" above.

The Company incurred royalty expense under an agreement with a stockholder of the Company of \$6,786,211 in 2001. The stockholder separately negotiated an agreement in 1992, when the company was privately held, among the stockholder, Brian R. Cook, Chief Executive Officer and Chairman of the Board and a former director of the Company. That separate agreement stipulates that annual royalties above \$90,000 would be paid 60% to the stockholder, 20% to Mr. Cook and 20% to the former director. Mr. Cook earned \$1,339,242 in 2001 under this agreement.

The Committee is responsible for the oversight of the Company's internal accounting and financial reporting process and the review of the audited financial statements of the Company, together with a discussion of pertinent matters with the management of the Company and the Company's independent auditors.

The Audit Committee acts under a written charter adopted and approved by our Board of Directors. The members of the Audit Committee are "independent," as such term is defined under applicable National Association of Securities Dealers listing standards. In addition the Audit Committee has discussed and reviewed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, and, with and without management present, discussed and reviewed the results of the independent auditors' audit of the financial statements. Additionally, the Audit Committee has received the written disclosures from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1, "Independence Discussion with Audit Committees," as may be modified or supplemented, and has discussed with Deloitte & Touche LLP the auditor's independence.

Based on the foregoing reviews and discussions, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Securities and Exchange Commission.

Respectfully Submitted,

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company incurred royalty expense under an agreement with a stockholder of the Company of \$6,786,211 in 2001. The stockholder separately negotiated an agreement in 1992, when the company was privately held, among the stockholder, Brian R. Cook, Chief Executive Officer and Chairman of the Board and a former director of the Company. That separate agreement stipulates that annual royalties above \$90,000 would be paid 60% to the stockholder, 20% to Mr. Cook and 20% to the former director. Mr. Cook earned \$1,339,242 in 2001 under this agreement.

In late 2000, we signed an Agreement with U.S. Bancorp Piper Jaffray ("Piper Jaffray") and engaged them to provide investment banking services. One of our directors, Mr. James Weber, served as managing director of investment banking services in the Seattle office of Piper Jaffray until April 2001. Piper Jaffray also provides analyst coverage on our stock.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely on a review of copies of such forms furnished to us and written representations from executive officers and directors, we believe that, except as described below, all Section 16(a) filing requirements during 2001 were met. Former Director Roger J. Sharp was late in filing two Form 4's. Chief Executive Officer Brian R. Cook was late in filing one Form 4.

STOCKHOLDER PROPOSALS

To be considered for inclusion in our 2003 proxy statement, we must receive all stockholder proposals intended to be presented at our 2003 annual meeting of stockholders at our principal executive office no later than December 17, 2002. Such proposals would need to be submitted no later than April 11, 2003 to be considered timely.

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

We employed Deloitte & Touche LLP as our independent accountants during 2001. There have been no disagreements with Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of Deloitte & Touche LLP, would have caused Deloitte & Touche LLP to make reference to the matter in their report. Representatives of Deloitte & Touche LLP are expected to be present at the annual meeting. Each representative will be given the opportunity to make a statement on behalf of their firm if such representative so desires, and each representative will be available to respond to appropriate stockholder questions.
