ANNUAL MEETING OF STOCKHOLDERS

To be held June 21, 2007

SOLICITATION AND REVOCATION OF PROXIES

This proxy statement is provided in connection with the solicitation of proxies by and on behalf of the Board of Directors of Chembio Diagnostics, Inc., a Nevada corporation (referred to as the “Company” or “Chembio” or “we” or “us”) to be voted at the Annual Meeting of Stockholders to be held at 10:00 am (local time) on June 21, 2007 at the Radisson Hotel, 1730 North Ocean Avenue, Holtsville, New York 11742, or at any adjournment or postponement of the Annual Meeting. We anticipate that this proxy statement and the accompanying form of proxy will be first mailed or given to stockholders on or about May 15, 2007.

A stockholder giving a proxy may revoke it at any time before it is exercised by delivering written notice of revocation to our Secretary, by substituting a new proxy executed at a later date, or by requesting, in person at the Annual Meeting, that the proxy be returned.

The solicitation of proxies is to be made principally by mail; however, following the initial solicitation, further solicitations may be made by telephone or oral communication with stockholders. Our officers, directors and employees may solicit proxies, but these persons will not receive compensation for that solicitation other than their regular compensation as employees. Arrangements also will be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to beneficial owners of the shares held of record by those persons. We may reimburse those persons for reasonable out-of-pocket expenses incurred by them in so doing. We will pay all expenses involved in preparing, assembling and mailing this proxy statement and the enclosed material.

VOTING SECURITIES

The close of business on April 30, 2007 has been fixed as the record date for the determination of holders of record of the Company’s common stock, \$0.01 par value per share (the “Common Stock”), entitled to notice of and to vote at the Annual Meeting. On the record date, 11,844,015 shares of Common Stock were outstanding and eligible to be voted at the Annual Meeting. A majority of the issued and outstanding shares of common stock entitled to vote, represented either in person or by proxy, constitutes a quorum at any meeting of the stockholders. If sufficient votes for approval of the matters to be considered at the Annual Meeting have not been received prior to the meeting date, we intend to postpone or adjourn the Annual Meeting in order to solicit additional votes. The form of proxy we are soliciting requests authority for the proxies, in their discretion, to vote the stockholders’ shares with respect to a postponement or adjournment of the Annual Meeting. At any postponed or adjourned meeting, we will vote any proxies received in the same manner described in this proxy statement with respect to the original meeting.

VOTING PROCEDURES

Votes at the Annual Meeting are counted by an inspector of election appointed by the Chairman of the meeting. If a quorum is present, an affirmative vote of a majority of the votes entitled to be cast by those present in person or by proxy is required for the approval of the items submitted to shareholders for their consideration, unless a different number of votes is required by Nevada law or our Articles Of Incorporation. Abstentions by those present at the Annual Meeting are tabulated separately from affirmative and negative votes and do not constitute affirmative votes.

If a shareholder returns his or her proxy card and withholds authority to vote for any or all of the nominees, the votes represented by the proxy card will be deemed to be present at the meeting for purposes of determining the presence of a quorum but will not be counted as affirmative votes. Shares in the names of brokers that are not voted on a particular matter are treated as not present with respect to that matter.

2

FORWARD-LOOKING STATEMENTS

This proxy statement includes “forward-looking” statements within the meaning of Section 21E of the Securities Exchange Act of 1934. All statements other than statements of historical facts included in this proxy statement regarding our financial position, business strategy and plans and objectives of management for future operations and capital expenditures are forward-looking statements. Although we believe that the expectations reflected in the forward-looking statements and the assumptions upon which the forward-looking statements are based are reasonable, we can give no assurance that such expectations and assumptions will prove to have been correct.

Beneficial ownership is determined in accordance with the Rule 13d-3(a) of the Securities Exchange Act of 1934, as amended and generally includes voting or investment power with respect to securities. Except as subject to community property laws, where applicable, the person named above has sole voting and investment power with respect to all shares of our common stock shown as beneficially owned by him.

The beneficial ownership percent in the table is calculated with respect to the number of outstanding shares (11,754,015) of our common stock outstanding as of March 31, 2007. Each stockholder's ownership is calculated as the number of shares of common stock owned plus the number of shares of common stock into which any preferred stock, warrants, options or other convertible securities owned by that stockholder can be converted within 60 days. In addition to the 11,754,015 shares of common stock outstanding, our outstanding series A, B and C preferred stock is convertible into a total of approximately 17.9 million shares of preferred stock and there are warrants to purchase approximately 16.7 million shares of common stock outstanding. This table does not include convertible securities which, due to contractual restrictions, are not exercisable within 60 days of the date of this prospectus. Specifically, at no time may a holder of shares of series A, series B or series C preferred stock convert shares of the series A, series B or series C preferred stock if the number of shares of common stock to be issued pursuant to such conversion would exceed, when aggregated with all other shares of common stock owned by such holder at such time, the number of shares of common stock which would result in such holder beneficially owning (as determined in accordance with Section 13(d) of the Securities Exchange Act) in excess of either 4.999% or 9.999% of the then issued and outstanding shares of common stock outstanding at such time, unless the holder has provided us with sixty-one (61) days notice that the holder has elected to waive this restriction. As a result of this provision, holders of preferred stock that is convertible into common stock and holders of warrants to purchase common stock who, with 61 days' advance notice, can convert those securities into more than 5% of our outstanding stock are not required to be listed in this table.

The term "named executive officer" refers to our principal executive officer, our two most highly compensated executive officers other than the principal executive officer who were serving as executive officers at the end of 2006, and two additional individuals for whom disclosure would have been provided but for the fact that the individuals were not serving as executive officers of the Company at the end of 2006.

None of the preferred shares can be converted into common stock and none of the warrants can be exercised if the conversion or exercise would result in the holder owning more than 4.99% of our outstanding common stock unless the holder provides the Company with 61 days advance written notice.

(1) Includes 220,000 shares issuable upon exercise of options exercisable within 60 days and 140,697 warrants. Does not include 1,937,220 shares issuable upon conversion of series A preferred stock, 2,324,666 shares issuable upon exercise of warrants, 88,971 shares issuable upon conversion of series B preferred stock and 77,868 shares issuable upon exercise of warrants because they can be exercised only upon 61 days prior notice and therefore are not exercisable within 60 days.

(2) Includes 332,500 shares issuable upon exercise of options exercisable within 60 days and 2,007 shares issuable upon exercise of warrants. Does not include 100,000 common share that are not vested within the next 60 days and 200,000 shares issuable upon exercise of options that are not exercisable within the next 60 days.

(3) Includes 137,500 shares issuable upon exercise of options exercisable within 60 days and 260 shares issuable upon exercise of warrants. Does not include 30,236 shares issuable upon conversion of series A preferred stock and 25,196 shares issuable upon exercise of warrants because they can be exercised only upon 61 days prior notice and therefore are not exercisable within 60 days.

(4) Includes 87,000 shares issuable upon exercise of options exercisable within 60 days. Does not include 10,000 common share that are not vested within the next 60 days and 36,000 shares issuable upon exercise of options that are not exercisable within the next 60 days.

(5) Includes 87,000 shares issuable upon exercise of options exercisable within 60 days. Does not include 36,000 shares issuable upon exercise of options that are not exercisable within the next 60 days.

(6) Includes footnotes (1)-(6)

(7) Includes 850,000 shares issuable upon exercise of warrants. Does not include 108,333 shares issuable upon conversion of series A preferred stock and 130,000 shares issuable upon exercise of warrants because they can be exercised only upon 61 days prior notice and therefore are not exercisable within 60 days.

(8) Includes 300,000 shares issuable upon exercise of options exercisable within 60 days and 22,555 shares issuable upon exercise of warrants. Does not include 10,078 shares issuable upon conversion of series A preferred stock and 12,095 shares issuable upon exercise of warrants because they can be exercised only upon 61 days prior notice and

therefore are not exercisable within 60 days. Mr. Pelossof voluntarily resigned from the Company on January 31, 2007.

Dr. Gary Meller, a non-employee director of the Company, currently serves as a limited partner and a member of the Advisory Board of Crestview Capital Master LLC, referred to herein as Crestview, which was the lead investor, investing \$3 million, in our series B preferred stock private placement in January 2005, and which subsequently invested an additional \$1 million in our series B preferred in March 2006. Crestview also invested \$2 million in our series C preferred stock private placement in September 2006.

As referred to above, in January 2005, for a purchase price of \$3 million, we issued Crestview 60 shares of our series B preferred stock, and warrants to purchase 4,672,130 shares of our common stock at a warrant exercise price of \$.61 per share. In July 2005, we issued Crestview dividends on these series B preferred shares in the form of 2.32274 additional series B preferred shares.

In March 2006, for a purchase price of \$1 million, we issued Crestview 20 shares of series B preferred shares with warrants to purchase 1,557,377 shares of common stock at a warrant exercise price of \$.61 per share. These shares were issued in connection with our January 2005 private placement as described herein. Subsequently, in July 2006, we issued dividends on all of Crestview's shares in the form of 220,301 shares of common stock. In September 2006, for a purchase price of \$2 million, we issued 40 shares of series C preferred shares to Crestview together with warrants to purchase 625,000 shares of common stock at an exercise price of \$1.00 per share.

In January 2007, because of comments from the staff of the SEC concerning the registration statement of which this prospectus is a part, Crestview agreed to reduce the number of its shares of common stock covered by this prospectus to 2,000,000. Crestview also agreed to waive any penalties that we would otherwise owe Crestview because of the failure to register all of Crestview's shares in the current registration statement. In return, we agreed that, upon request by Crestview, we will file one or more registration statements with the SEC in order to register the resale of other shares beneficially owned by Crestview. The cost of any such registration statements shall be borne by us.

The series B preferred shares owned by Crestview are convertible into a total of 6,747,748 shares of common stock, and the series C preferred shares owned by Crestview are convertible into a total of 2,500,000 shares of common stock.

Crestview invested \$2,000,000 in our series C preferred stock private placement on September 29, 2006. We also received an investment of \$2,000,000 on that date from Inverness Medical Innovations, Inc. A certificate of designation for the series C preferred was filed with the Secretary of State of Nevada reflecting the agreed upon conversion price of \$.85. The series C preferred stock private placement for an aggregate of \$8,150,000 (including the \$2,000,000 invested by each of Crestview and Inverness) was completed on October 5, 2006. During the period between September 29, 2006 and October 5, 2006, we requested the assistance of Crestview and others in identifying to us prospective investors. A representative of Crestview informed Mr. Siebert on October 3, 2006 of a conversation he had earlier that day with a fund manager that the fund would be interested in investing a substantial amount in the offering, but only at a conversion price of no more than \$.80.

At a Board of Directors meeting on October 4, 2006, Mr. Siebert expressed his recommendation that the Board approve lowering the conversion price to \$.80 in order to be able to obtain the additional funds. The Board discussed the bridge financing of \$1,300,000 in promissory notes which had been completed in June 2006, the noteholders who expected to convert their notes into the series C preferred stock, and the restrictions on future equity sales by us in the bridge financing purchase agreement that necessitated finalizing promptly the series C preferred stock offering. After discussion to approve the funding, the motion was approved unanimously, with the exception of Gerald Eppner¹ who abstained. Mr. Eppner stated that he understood the benefits of the economics of the transaction and our need to proceed so quickly, but that he did not wish to vote in favor.

At a Board meeting held on October 11, 2006, the Board members discussed the series C preferred stock private placement. Mr. Eppner stated in his view that it would be desirable to review the sequence of events in this transaction to assure proper guidelines for corporate governance and to determine if disclosure or other issues needed to be considered. At a Board meeting held on October 26, 2006, it was discussed that a subcommittee of the Audit Committee, whose members would be Mr. Eppner and Alan Carus, would review certain issues related to the series C preferred stock private placement.

¹ Mr. Eppner resigned from the Board of Directors on January 30, 2007.

The first meeting of the Audit Committee to review the series C preferred stock offering was held on October 27, 2006. The Audit Committee decided it would review the role of Crestview in the series C preferred stock offering, Crestview's status as a possible control person, the role of Dr. Gary Meller in the offering and his relationship with Crestview, and whether the Audit Committee should recommend new corporate governance procedures to be implemented or any action to be taken by the Board of Directors. The Audit Committee utilized legal counsel to assist in its review. The Audit Committee held seven meetings during the period from October 27, 2006 to January 10, 2007. Messrs. Carus and Eppner attended all of the meetings. Mr. Carus concluded that: (i) he was satisfied with the review, and (ii) although with fewer time constraints, there could have been more deliberation regarding the change in the conversion price, he believed there was no inappropriate conduct, that the Company had not suffered any damage and that the matter should be closed. Mr. Eppner stated his concerns that: (i) Crestview is an affiliate of the Company, (ii) there was no participation by the Company in the reduction in the conversion price from \$.85 to \$.80, (iii) although he agreed with Mr. Carus that the \$.80 price may have been acceptable to the Company, it was not as good as a higher price, (iv) Mr. Siebert should not have allowed this to happen, and that because he did, it was evidence of control by Crestview, and (v) disclosure of the review of the Audit Committee should be made in a registration statement that was to be filed shortly thereafter.

Director Independence

Our common stock trades on the OTC Bulletin Board. As such, we are not currently subject to corporate governance standards of listed companies, which require, among other things, that the majority of the board of directors be independent.

Since we are not currently subject to corporate governance standards relating to the independence of our directors, we choose to define an "independent" director in accordance with the NASDAQ Global Market's requirements for independent directors (NASDAQ Marketplace Rule 4200). All of our non-employee directors are independent under the above definition. We do not list that definition on our Internet website.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires our directors, executive officers and beneficial owners of more than 10% of our common stock to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. We believe that during the year ended December 31, 2006, each person who was an officer, director and beneficial owner of more than 10% of our common stock complied with all Section 16(a) filing requirements, except the following filings were filed late: (i) Form 4 for Lawrence A. Siebert filed on January 10, 2006; (ii) Form 4 for Dr. Gary Meller filed on April 6, 2006; (iii) Form 4 for Gerald A. Eppner filed on April 8, 2006; (iv) Form 4 filed for Avi Pelossof on April 26, 2006; (v) Form 4 for Lawrence A. Siebert filed on July 20, 2006; (vi) Form 4 for Avi Pelossof filed on July 20, 2006; (vii) Form 4 for Richard Larkin filed on July 20, 2006; and (viii) Form 4 for Lawrence A. Siebert filed on August 24, 2006.

Board of Directors and Committees

The Board of Directors held seventeen meetings during the fiscal year ended December 31, 2006 and each director participated in at least 75% of those meetings and meetings of the committees on which he served. Although the Company does not have a formal policy regarding attendance by members of the Board of Directors at the Company's annual meeting of stockholders, the Company encourages each director to attend. All of our directors attended last year's annual meeting.

The Company's Audit Committee met four times in 2006 and consisted of Alan Carus, Gerald A. Eppner and Dr. Gary Meller. The Board of Directors has determined that Mr. Carus is an "audit committee financial expert," as defined under the rules of the SEC. Each of the members of the Audit Committee is "independent," as that term is defined in Rule

4200(a)(15) of the Nasdaq Stock Market, except. This committee oversees, reviews, acts on and reports to our Board of Directors on various auditing and accounting matters including: the selection of our independent accountants, the scope of our annual audits, fees to be paid to the independent accountants, and the performance of our independent accountants. A copy of the committee's charter is attached to this proxy as Appendix A.

The Company's Compensation Committee met five times in 2006 and consisted of Alan Carus, Gerald A. Eppner and Dr. Gary Meller. Each of the committee's members is "independent," as that term is defined in Rule 4200(a)(15) of the Nasdaq Stock Market. The Compensation Committee establishes salaries, incentives and other forms of compensation for officers and employees. The Compensation Committee also administers our incentive compensation plan. The Compensation Committee does not have a charter.

The Company's Nominating and Corporate Governance committee met once in 2006 and consisted of Alan Carus, Gerald A. Eppner and Dr. Gary Meller. Each of the committee's members is "independent," as that term is defined in Rule 4200(a)(15) of the Nasdaq Stock Market. The committee (i) identifies individuals qualified to become members of the Board of Directors, (ii) recommends director candidates to the Company's Board of Directors, (iii) develops, updates as necessary, and recommends to the Company's Board of Directors corporate governance principles and policies, and (iv) monitors compliance with such principles and policies. The committee's charter is attached to this proxy statement as Appendix B. All the nominees for director included in this proxy statement were recommended by the Nominating Committee, which is comprised entirely of non-management directors.

To be considered for nomination by the Board at the next annual meeting of stockholders, the nominations must be made by stockholders of record entitled to vote. Stockholder nominations must be made by notice in writing, delivered or mailed by first class U.S. mail, postage prepaid, to the Secretary of the Company at the Company's principal business address, not less than 60 days nor more than 90 days prior to any meeting of the stockholders at which directors are to be elected. Each notice of nomination of directors by a stockholder shall set forth the nominee's name, age, business address, if known, residence address of each nominee proposed in that notice, the principal occupation or employment of each nominee for the five years preceding the date of the notice, the number of shares of the Company's common stock beneficially owned by each nominee and any arrangement, affiliation, association, agreement or other relationship of the nominee with any Company stockholder.

Stockholders wishing to send communications to the Board may contact Lawrence Siebert, our CEO, President and Chairman, at the Company's principal executive office address. All such communications shall be shared with the members of the Board, or if applicable, a specified committee or director.

Audit Committee Report

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under either of such Acts.

The Audit Committee oversees the Company's financial reporting process. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed and discussed with management the audited financial statements in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2006 and the unaudited financial statements included in the Quarterly Reports on Form 10-QSB for the first three quarters of the fiscal year ended December 31, 2006.

The committee discussed with the independent auditors, who are responsible for expressing an opinion on the conformity of audited financial statements with generally accepted accounting principles, the auditors' judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed by the auditors with the committee under Statement on Auditing Standard No. 61, as amended. In addition, the committee discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures and the letter required by the Independence Standards Board Standard No. 1. The committee considered whether the auditors' providing services on behalf of the Company other than audit services is compatible with maintaining the auditors' independence.

The committee discussed with the Company's independent auditors the overall scope and plans for their respective audits. The committee will meet with the independent auditors, with and without management present, to discuss the results of the auditors' examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the committee approved inclusion of the audited financial statements in the Annual Report on Form 10-KSB for the year ended December 31, 2006 for filing with the SEC.

Purpose and Authority

The purpose of the Audit Committee (the “Committee”) is to assist the Board of Directors (the “Board”) in overseeing: (1) the integrity of the Company’s financial statements; (2) the Company’s compliance with legal and regulatory requirements; (3) the independent auditor’s qualifications and independence; (4) the performance of the Company’s internal auditors, if applicable, and independent auditor; and (5) compliance with the Company’s code of ethics for senior financial officers and compliance with the Company’s code of conduct for all Company personnel. The Committee shall have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the independent auditor. The Committee shall also have all authority necessary to fulfill the duties and responsibilities assigned to the Committee in this Charter or otherwise assigned to it by the Board. The Committee shall fulfill its oversight role by performing the duties and responsibilities set forth in this Charter.

As the Committee deems appropriate, it may retain independent counsel, accounting and other professionals to assist the Committee without seeking Board approval with respect to the selection, fees or terms of engagement of any such advisors.

Committee Structure and Expertise

The Committee shall consist of at least three directors, or such other number as the Audit Committee may have and remain in compliance with the rules and regulations promulgated by the Nasdaq Stock Market, who shall be appointed by the Board. Each member of the Committee shall be “independent” as that term is defined in Nasdaq Stock Market (“Nasdaq”) Rule 4200(a)(15) and shall otherwise meet the independence and experience requirements of Nasdaq, Section 10A-3 of the Securities Exchange Act of 1934 (the “Exchange Act”), and the rules and regulations of the SEC. The Board may, at any time and in its complete discretion, replace a Committee member. Each member of the Committee shall be financially literate and shall, at a minimum, be able to read and understand fundamental financial statements, including the Company’s balance sheet, income statement and cash flow statement. No member of the Committee shall have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the three years prior to that member being appointed to the Committee. At least one Committee member shall have, through education and experience as a public accountant or auditor, or a principal financial officer, controller or principal accounting officer or a chief executive officer, or from performance of similar functions, sufficient financial expertise in accounting and auditing so as to be a “financial expert”, in accordance with such regulations as may be applicable to the Company from time to time.

If the Committee is aware of any material noncompliance with the structure or expertise requirements set forth above, the Committee shall report such noncompliance to the Board.

Meetings

The Committee shall meet as often as necessary, at least on a quarterly basis. The Committee shall meet periodically in separate, private sessions with each of management, the independent auditor and the internal auditors to discuss anything the Committee or these groups believe should be discussed. The Committee may require any Company officer or employee or the Company's outside counsel or external auditor to attend a Committee meeting or to meet with any members of, or consultants to, the Committee, and to provide pertinent information as necessary. In the absence of a member designated by the Board to serve as chair, the members of the Committee may appoint from among their number a person to preside at their meetings.

The Committee shall maintain minutes and other relevant documentation of all its meetings.

Committee Authority and Responsibilities

The Committee shall have the following duties and responsibilities, in addition to any duties and responsibilities assigned to the Committee from time to time by the Board:

Engagement of Independent Auditor

- The Committee has the sole authority to approve all audit engagement fees and terms, as well as all significant non-audit engagements with the independent auditor. The Committee shall be directly responsible for overseeing the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The independent auditor shall report directly to the Committee.
- The Committee shall pre-approve all audit and non-audit services as the independent auditor is permitted to provide, subject to *de minimus* exceptions for other than audit, review, or attest services that are approved by the Committee prior to completion of the audit. Alternatively, the engagement of the independent auditor may be entered into pursuant to pre-approved policies and procedures established by the Committee, provided that the policies and procedures are detailed as to the particular services and the Committee is informed of each service. In considering whether to pre-approve any non-audit services, the Committee shall consider whether the provision of such services is compatible with maintaining the independence of the auditor.
- The Committee shall ensure that the Committee's approval of any non-audit services is publicly disclosed pursuant to applicable laws, rules and regulations.

- The Committee shall have the authority to engage, without Board approval, independent legal, accounting, and other advisors as it deems necessary to carry out its duties. The Company shall provide appropriate funding, as determined by the Committee, to compensate the independent auditor, outside legal counsel, or any other advisors employed by the Committee, and to pay ordinary Committee administrative expenses that are necessary and appropriate in carrying out its duties.

Evaluate Independent Auditor's Qualifications, Performance and Independence

- At least annually, the Committee shall evaluate the independent auditor's qualifications, performance and independence, including that of the lead audit partner.
- At least annually, the Committee shall obtain and review the letter and written disclosures from the independent auditor consistent with Independence Standards Board No. 1, including a formal written statement by the independent auditor delineating all relationships between the auditor and the Company; actively engage in a dialogue with the auditor with respect to that firm's independence and any disclosed relationships or services that may impact the objectivity and independence of the auditor; and take, or recommend that the Board take, appropriate action to oversee the independence of the outside auditor.
- The Committee shall discuss with the independent auditor the matters required to be discussed by the Statement of Auditing Standards ("SAS") No. 61, as amended from time to time, together with any other matters as may be required for public disclosure or otherwise under applicable laws, rules and regulations.

Review Financial Statements and Financial Disclosure

- The Committee shall review and discuss the annual audited financial statements and quarterly financial statements with management and the independent auditor, including disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations", the report of the independent auditor thereon, the disclosures regarding critical accounting estimates, and shall discuss any significant issues encountered in the course of the audit work, including any restrictions on the scope of activities, access to required information or the adequacy of internal controls.
- If so determined by the Committee, based on its review and discussion of the audited financial statements with management and the independent auditor, its discussions with the independent auditor regarding the matters required to be discussed by SAS 61, and its discussions regarding the auditor's independence, recommend to the Board that the audited financial statements be included in the Company's annual report on Form 10-KSB.
- The Committee shall review the CEO and CFO's disclosures and certifications set forth in the Company's Forms 10-QSB and 10-KSB under Sections 302 and 906 of the Sarbanes-Oxley Act of 2002.
- The Committee shall discuss earnings press releases, as well as the financial information and earnings guidance provided to analysts and rating agencies. This may be done generally and does not require the Committee to discuss in advance each earnings release or each instance in which the Company may provide earnings guidance.

Periodic Assessment of Accounting Practices and Policies

- The Committee shall obtain and review timely reports from the independent auditor regarding: (1) all critical accounting policies to be used; (2) all alternative treatments of financial information within GAAP that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and (3) other material written communications between the independent auditor and management, such as any management letter or schedule of unadjusted differences.

- The Committee shall review with management and the independent auditor the effect of regulatory and accounting initiatives, as well as off-balance sheet structures on the financial statements of the Company.
- The Committee shall review changes in promulgated accounting and auditing standards that may materially affect the Company's financial reporting practices.

A - 3

- The Committee shall develop, and monitor compliance with, a code of ethics for senior financial officers pursuant to, and to the extent required by, regulations applicable to the Company from time to time.
- The Committee shall develop, and monitor compliance with, a code of conduct for all Company employees, officers and directors pursuant to, and to the extent required by, regulations applicable to the Company from time to time.

Evaluation

The Committee shall review and reassess the adequacy of this Charter at least annually and submit proposed changes to the Board for approval. The Committee has the powers and responsibilities delineated in this Charter. It is not, however, the Committee's responsibility to prepare and certify the Company's financial statements, to guaranty the independent auditor's report, or to guaranty other disclosures by the Company. These are the fundamental responsibilities of management and the independent auditor. Committee members are not full-time Company employees and are not performing the functions of auditors or accountants.

The Committee shall obtain or perform an annual evaluation of the Committee's performance and make applicable recommendations for improvement.

It is not the responsibility of the Committee to plan or conduct audits or to determine whether the Company's financial statements are complete and accurate or in conformance with generally accepted accounting principles.

C. Selection Procedures

Potential director candidates should be referred to the Chair of the Committee for consideration by the Committee and possible recommendation to the Board. The Committee shall maintain a list of director candidates to consider and propose to the Board, as required. If necessary or desirable in the opinion of the Committee, the Committee will determine appropriate means for seeking additional director candidates, including engagement of any outside consultant to assist the Committee in the identification of director candidates.

The Committee shall decide on the appropriate means for the review, recommendation and/or selection of individual director candidates, including current directors, and the recommendation of director candidates to the Board. In the event of a vacancy on the Board, the Chair of the Committee shall initiate the effort to identify appropriate director candidates.
