PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)

SUMMARY

These pro forma financial statements should be read in conjunction with the current report on Form 8-K filed with the Securities and Exchange Commission on March 9, 2001.

The following unaudited pro form condensed consolidated balance sheet as of November 30, 2000 and condensed consolidated statements of income for the nine months ended November 30, 2000 and for the year ended February 29, 2000 give

Edgar Filing: CAPITAL PACIFIC HOLDINGS INC - Form 8-K/A

effect to the Exchange Agreement between the Company and Farallon which closed on February 23, 2001. The pro forma balance sheet gives effect to the Exchange as if it had occurred on the balance sheet date. The pro forma statements of income give effect to the Exchange as if it had occurred at the beginning of the periods presented.

Under APB Opinion No. 16 "Business Combinations" ("APB 16"), the Exchange is accounted for as the simultaneous purchase of the majority of Farallon's minority interest in CPH LLC and certain other residential joint ventures and the disposition of the Company's interest in the Projects and the Buildings.

Certain of the joint ventures disposed of in the Exchange had been consolidated in the Company's historical financial statements, while the balance of the joint ventures had been accounted for on the equity method. As a result, the pro forma adjustments made to reflect the disposition of the consolidated joint ventures impact several captions on the pro forma balance sheet and statements of income.

The pro forma condensed consolidated financial statements have been prepared by the Company's management based on the historical financial statements of the Company and the joint ventures involved in the Exchange. The pro forma financial statements may not be indicative of the results that actually would have occurred if the combination had been in effect on the date indicated or which may be obtained in the future. The pro forma financial statements should be read in conjunction with the notes contained herein. The Company's consolidated financial statements for the year ended February 28, 2001 and going forward will reflect the transaction from the date of closing onward.
