(Buenos Aires: PC NYSE: PC) announces that the General Special Shareholders' Meeting held on July 8, 2003 approved, by a majority of votes present thereat, the Company's non-adherence to the Optional Statutory System for Binding Public Offering regulated under Executive Order No. 677/2001.

Such system provides that in the event a person or entity seeks to obtain the control of a company whose shares are admitted to the

public offering system, such person or entity must previously make such offering to a given percentage of minority shareholders that, in some cases, may include all investors.

Since the proposed system has no precedent in the Republic of Argentina and non-adherence does not restrain the voluntary exercise of such an offering, the Company's shareholders decided by a majority of votes not to adhere to the Optional Statutory System for Binding Public Offering.
