SELLING SECURITYHOLDERS

Edgar Filing: APEX SILVER MINES LTD - Form 424B3

The notes were originally issued in a private offering to Initial Purchasers led by Citigroup Global Markets Inc. The Initial Purchasers have advised us that the notes were resold in transactions exempt from the registration requirements of the Securities Act to qualified institutional buyers, as defined by Rule 144A under the Securities Act and outside the United States in reliance on Regulation S. Selling securityholders, including their transferees, pledgees, donees or successors, may from time to time offer and sell pursuant to this prospectus supplement and the underlying prospectus any or all of the notes and the ordinary shares into which the notes are convertible.

The following table sets forth additional information with respect to the selling securityholders, the principal amount of the notes and the number of ordinary shares into which the notes are convertible beneficially owned by such selling securityholders that may be offered pursuant to this prospectus supplement and the prospectus to which it refers. Unless set forth below, none of the selling securityholders has had within the past three years any material relationship with us or any of our predecessors or affiliates.

We have prepared the table based on information given to us by, or on behalf of, the selling securityholders on or before September 30, 2005. Since that date, the selling securityholders may have sold, transferred or otherwise disposed of all or a portion of their notes. The selling securityholders may offer all, some or none of the notes or ordinary shares into which the notes are convertible. For the purposes of calculating the amount of notes or number of shares beneficially owned after this offering, it is assumed that the selling securityholders will convert their entire principal amount of notes and that all of the ordinary shares issued upon conversion of the notes will be sold pursuant to this offering. The selling securityholders have informed us that they do not hold any of our ordinary shares other than the ordinary shares which may be issued upon conversion of the notes. Therefore, none of the selling securityholders will own any notes or ordinary shares following the consummation of the offering.

Information about the selling securityholders may change over time. Any changed information given to us by the selling securityholders will be set forth in additional prospectus supplements or amendments to the underlying prospectus if and when necessary.

(1) Assumes conversion of all of the notes held by such holder at the initial conversion rate of 34.9406 ordinary shares for each \$1,000 in principal amount of the notes. This conversion rate is subject to adjustment as described in the prospectus under Description of the Notes Conversion Rights. As a result, the number of ordinary shares issuable upon conversion of the notes may increase in the future. Further assumes that such holder does not hold any ordinary shares other than ordinary shares into which the notes are convertible.

(2) Calculated based on 49,240,744 ordinary shares outstanding as of September 30, 2005. In calculating this amount for each holder, we treated as outstanding the number of ordinary shares issuable upon conversion of all of

that holder's notes, but we did not assume conversion of any other holder's notes.

(3) Citadel Limited Partnership (Citadel) is the trading manager of the selling securityholder and consequently has investment discretion over securities held by the selling securityholder. Kenneth C. Griffin indirectly controls Citadel and

therefore has ultimate investment discretion over securities held by the selling securityholder. Both Citadel and Mr. Griffin disclaim beneficial ownership of the securities held by the selling securityholder.

(4) The selling securityholder is an affiliate of a registered broker-dealer. The selling securityholder has purchased the securities being offered in the ordinary course of business and, at the time of the purchase of the securities being offered, had no agreement or understanding, directly or indirectly, with any person to distribute the securities.

(5) The selling securityholder is a wholly-owned subsidiary of Citigroup, Inc., which is a publicly held entity.

(6) The selling securityholder has identified UBS AG, a publicly traded company, as an entity with control over the selling securityholder.
