On December 1, 2006, Ascent Solar Technologies, Inc. (the "Company") announced that independent director Mark Waller had resigned from the Company's board of directors to reduce conflicts of interest in his principal business as a financial advisor to other companies, particularly in the energy sector. On December 11, 2006, the Company received a notification from the Boston Stock Exchange ("BSE") that the Company was no longer in compliance with BSE's independent director and audit committee requirements, but that the Company will be provided a cure period as follows in order to regain compliance and avoid delisting:

- until the earlier of the Company's next annual shareholders' meeting or November 30, 2007; or if the next annual shareholders' meeting is held before May 29, 2007, then the Company must evidence compliance no later than May 29, 2007.

The Company intends to find a qualified replacement for Mr. Waller by this deadline.
