Item 1.01. Entry into a Material Definitive Agreement.

As previously reported in the Current Report on Form 8-K for Storm Cat Energy Corporation (Storm Cat), filed with the Securities and Exchange Commission (the SEC) on January 25, 2007, Storm Cat entered into a Series A Note Purchase Agreement (the Series A Purchase Agreement) for a private placement of Series A Subordinated Convertible Notes due March 31, 2012 (the Series A Notes) with a group of accredited investors (the Series A Private Placement). Under the Series A Purchase Agreement, Storm Cat agreed to sell and issue Series A Notes in a total aggregate amount of \$18,535,000.

The Series A Notes will mature on March 31, 2012, unless earlier converted, redeemed or repurchased. The Series A Notes bear interest at a rate of 9 1/4% per annum, commencing on January 30, 2007. Interest on the Series A Notes is payable quarterly in arrears on March 31, June 30, September 30 and December 15 of each year, beginning on June 30, 2007. The Series A Notes will be convertible into Storm Cat s Common Shares at a price of \$1.17 per share, as may be adjusted in accordance with the terms of the Series A Notes, and Storm Cat may force the conversion of the Series A Notes at any time after 18 months from the closing date that Storm Cat s Common Shares trade above \$2.05, as may be adjusted, for 20 days within a period of 30 consecutive trading days. Storm Cat closed the transaction contemplated by the Series A Purchase Agreement and issued the Series A Notes on January 30, 2007.

The foregoing is qualified in its entirety by reference to the Series A Purchase Agreement, a conformed copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference and the form of Series A Note, which is attached hereto as Exhibit 4.1 incorporated herein by reference.

As previously reported, Storm Cat entered into a registration rights agreement with the investors requiring Storm Cat to file with the SEC a Registration Statement covering Storm Cat s Common Shares to be issued upon conversion of the Series A Notes. Generally, if a Registration Statement is not filed within 30 days of the closing of the Series A Private Placement, or is not declared effective within 90 days, or later in certain specified circumstances, of the closing of the Series A Private Placement, then Storm Cat will be liable to make pro rata payments to each investor in an amount equal to 1.0% of the aggregate amount invested by such investor for each 30-day period or pro rata for any portion thereof following such deadlines, but not to exceed 10% of such aggregate amount invested. The registration rights agreement contains indemnification provisions and other terms customary for agreements of its type. The foregoing is qualified in its entirety by reference to the registration rights agreement, a conformed copy of which is attached hereto as Exhibit 10.2 and incorporated herein by reference.

On January 30, 2007, Storm Cat entered into an amendment (the Combined Amendment) to (a) the Credit Agreement (the U.S. Credit Agreement), between Storm Cat, Storm Cat Energy (USA) Corporation, a wholly owned subsidiary of Storm Cat, JPMorgan Chase Bank, N.A., as Global Administrative Agent, and the Lender party thereto (as such U.S. Credit Agreement has been previously amended) and (b) the Credit Agreement (the Canadian Credit Agreement) and together with the U.S. Credit Agreement, the Combined Credit Agreements), between Storm Cat, JPMorgan Chase Bank, N.A., as Global Administrative Agent, and the Lender party thereto. Storm Cat entered into the Combined Amendment to, among other things, permit Storm Cat to incur subordinated unsecured indebtedness from the issuance of (a) Series A Subordinated Convertible Notes due March 31, 2012, and (b) Series B Subordinated Convertible Notes due March 31, 2012, in an aggregate outstanding principal balance at any time of not greater than \$50,195,000 (together the Subordinated Convertible Notes).

The Combined Amendment contains customary representations and warranties (including those relating to absence of defaults, authority and enforceability and approvals). In addition, pursuant to the Combined Amendment, Global Administrative Agent expressly consents to and waives any provisions of the Combined Credit Agreements which would prohibit the offering and issuance of the Subordinated Convertible Notes. The foregoing is qualified in its entirety by reference to the Combined Amendment, a conformed copy of which is attached hereto as Exhibit 10.3 and incorporated herein by reference.

On January 31, 2007, Storm Cat issued a news release announcing the closing of the Series A Private Placement and issuance of the Series A Notes, a copy of which is attached hereto as Exhibit 99.1 and incorporated into this report by reference.

The net proceeds to Storm Cat after deducting the placement agent's fees and estimated offering expenses are estimated to be approximately \$17,303,000.
