Item 1.01 Entry into a Material Definitive Agreement

Item 2.03 Creation of a Direct Financial Obligation

On August 1, 2007, PRIMEDIA Inc. (Primedia) entered into a Credit Agreement (the Credit Agreement), with the lenders thereunder, The Bank of New York, as Syndication Agent, Lehman Brothers Inc. and Citicorp North America, Inc., as Co-Documentation Agents and Credit Suisse, Cayman Islands Branch, N.A., as Administrative Agent.

The Credit Agreement provides for two loan facilities: (1) a revolving credit facility with aggregate commitments of approximately \$100 million (the Revolving Facility), which matures on August 1, 2013 (the Revolver Maturity Date), and (2) a Term Loan B credit facility in an aggregate principal amount of \$250 million (the Term Loan B Facility), which matures on August 1, 2014 (the Term Loan B Maturity Date).

Amounts borrowed under the Revolving Facility bear interest, at Primedia s option, at an annual rate of either the base rate plus an applicable margin ranging from 0.625% to 1.00% or the eurodollar rate plus an applicable margin ranging from 1.625% to 2.00%. The Term Loan B Facility bears interest, at Primedia s option, at an annual rate of either the base rate plus an applicable margin ranging from 1.00% to 1.25% or the eurodollar rate plus an applicable margin ranging from 2.00% to 2.25%.

There are no scheduled commitment reductions under the Revolving Facility. The loans under the Term Loan B Facility are subject to scheduled repayment in quarterly installments of \$625,000 each payable on March 31, June 30, September 30 and December 31 of each year commencing on March 31, 2008 and ending on June 30, 2014, followed by a final repayment of \$233,750,000 on the Term Loan B Maturity Date.

The Credit Agreement is secured by a pledge of the stock of [Consumer Source Inc.] (an intermediate holding company owned directly by Primedia which owns, directly or indirectly, all shares of Primedia s subsidiaries). Borrowings under the Credit Agreement rank senior in right of payment to all of Primedia s future subordinated indebtedness and are guaranteed by each of Primedia s wholly owned domestic restricted subsidiaries.

The Credit Agreement limits Primedia s ability to, among other things, change the nature of its businesses, incur indebtedness, create liens, sell assets, engage in mergers, consolidations or transactions with affiliates, make investments in or loans to certain subsidiaries, issue guarantees and make certain restricted payments. The Credit Agreement contains certain customary events of default that generally give the lenders the right to accelerate payments of outstanding debt, including the following: failure to maintain required leverage ratio, as further described below; failure to make a payment of principal when due, or a payment of interest or fees within five days of its due date; default, beyond any applicable grace period, on any of Primedia s aggregate indebtedness exceeding \$20 million; occurrence of certain insolvency proceedings with respect to Primedia or its material subsidiaries; entry of one unpaid judgment or decree involving a liability of \$20 million or more, individually or in the aggregate; and occurrence of certain events constituting a change of control of Primedia.

Under the Credit Agreement, Primedia s maximum allowable leverage ratio, as defined, is 5.25 to 1.
