PROXY STATEMENT

Date, Time and Place of the Annual Meeting

Fidelity D & D Bancorp, Inc. (the Company) is furnishing this proxy statement in connection with the solicitation by the Board of Directors of proxies to be voted at the Annual Meeting of Shareholders of the Company. The annual meeting will be held at the main office of Fidelity D & D Bancorp, Inc., Blakely and Drinker Streets, Dunmore, Pennsylvania, 18512, on Tuesday, May 5, 2009 at 3:00 p.m., Eastern Daylight Time. The telephone number for the Company is (570) 342-8281. Please direct all inquiries to Salvatore R. DeFrancesco, Jr., Treasurer and Chief Financial Officer of the Company.

Description of the Company

Fidelity D & D Bancorp, Inc., a Pennsylvania corporation and registered bank holding company, was organized in 1999 and became the holding company for The Fidelity Deposit and Discount Bank (the Bank) on June 30, 2000. The Bank, the Company's wholly-owned, sole subsidiary, was established in 1902 as a commercial banking institution under the laws of Pennsylvania. In 1997, the Bank acquired trust powers. The Bank offers a full range of traditional banking and trust services as well as alternative financial products and services.

The Board of Directors encloses a copy of the annual report for the fiscal year ended December 31, 2008, with this proxy statement. The annual report is also available online at www.bankatfidelity.com/proxymaterials. You may obtain additional print copies of the Company's annual report for the 2008 fiscal year at no cost by contacting Salvatore R. DeFrancesco, Jr., Treasurer and Chief Financial Officer, Fidelity D & D Bancorp, Inc., Blakely and Drinker Streets, Dunmore, Pennsylvania 18512, telephone (570) 342-8281.

We have not authorized anyone to provide you with information. You should rely only on the information contained in this document or in documents to which we refer you. Although we believe we have provided you with all the information you will need to make your decision to vote, events may occur at the Company subsequent to printing this proxy statement that might affect your decision or value of your stock.

PROXY AND VOTING PROCEDURES

Solicitation and Voting of Proxies

The Board of Directors is sending this proxy statement and proxy to shareholders on or about April 1, 2009. The Board of Directors of the Company solicits this proxy for use at the 2009 Annual Meeting of Shareholders of the Company. The directors, officers and other employees of the Company or the Bank may solicit proxies in person or by telephone, facsimile, or other electronic means. The Company will pay the cost of preparing, assembling, printing, mailing and soliciting proxies and any additional material that the Company sends to shareholders. The

Edgar Filing: FIDELITY D & D BANCORP INC - Form DEF 14A

Company will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to forward proxy solicitation materials to the beneficial owners of stock held by these persons. The Company will reimburse these persons for their reasonable forwarding expenses.

Only shareholders of record as of the close of business on Wednesday, March 11, 2009, the voting record date, may vote at the annual meeting. On all matters to come before the annual meeting, shareholders may cast one vote for each share held. Cumulative voting rights do not exist with respect to the election of directors.

Table of Contents

By properly completing a proxy card, the shareholder appoints the proxy holders named on the proxy card to vote his or her shares as specified on the proxy card. Any signed proxy card, which does not specify how the shares are to be voted, will be voted **FOR**:

- Election of John T. Cognetti and Michael J. McDonald, Esquire, as Class A Directors of the Company, each for three-year terms expiring in 2012; and
- Ratification of the selection of Parente Randolph, LLC as the Company's independent registered public accounting firm for the year ending December 31, 2009.

If a shareholder is a participant in the Fidelity D & D Bancorp, Inc. Dividend Reinvestment Plan, the enclosed proxy will also serve as a proxy for the shares held in the plan. The Register and Transfer Company, as the administrator of the plan, will not provide plan participants with separate proxies covering the shares held in the Dividend Reinvestment Plan. Each holder of common stock is entitled to one vote, in person or by proxy, for each whole share of common stock held as of the record date. If your proxy is signed but does not indicate your voting preferences, the proxy holders will vote your shares in favor of the proposals and for all nominees. If you do not return a proxy, your shares will not be voted.

Quorum and Vote For Approval

The Company's Articles of Incorporation authorize the issuance of up to 10,000,000 shares of common stock. At the close of business on February 28, 2009, the Company had 2,062,128 shares of common stock outstanding, without par value. The Company's Articles of Incorporation also authorize the issuance of up to 5,000,000 shares of preferred stock. The Company has not issued preferred stock.

To hold the annual meeting, a quorum of shareholders must be present. Under Pennsylvania law and the by-laws of the Company, the presence, in person or by proxy, of the holders of a majority of the outstanding shares entitled to vote is necessary to constitute a quorum for the transaction of business at the meeting. Votes withheld and abstentions will be counted in determining the presence of a quorum for the particular matter. The Company will not count broker non-votes in determining the presence of a quorum. A broker non-vote occurs when a broker nominee, holding shares for a beneficial owner, does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item, and has not received instructions from the beneficial owner. Those shareholders present, in person or by proxy, may adjourn the meeting to another time and place if a quorum is lacking.

Assuming the presence of a quorum, the nominees in each class of directors receiving the highest number of votes cast by shareholders entitled to vote for the election of directors shall be elected. Votes withheld from a nominee and broker non-votes will not be cast for a nominee. The Company's Articles of Incorporation do not permit cumulative voting in the election of directors.

Revocability of Proxy

Shareholders who sign and return proxies to the Company may revoke them at any time before they are voted by:

- Delivering written notice of revocation to John T. Cagnetti, Secretary of Fidelity D & D Bancorp, Inc., at Blakely and Drinker Streets, Dunmore, Pennsylvania 18512; or
- Delivering a properly executed proxy bearing a later date to John T. Cagnetti, Secretary of Fidelity D & D Bancorp, Inc., at Blakely and Drinker Streets, Dunmore, Pennsylvania 18512; or
- Attending the meeting and voting in person, after giving written notice to John T. Cagnetti, Secretary of the Company.

GOVERNANCE OF THE COMPANY

Our Board of Directors believes that the purpose of corporate governance is to ensure that we maximize shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices which the Board and senior management believe promote this purpose, are sound and represent best practices. We continually review these governance practices, Pennsylvania law (the state in which we are incorporated), the rules and listing standards of Nasdaq, and SEC regulations, as well as best practices suggested by recognized governance authorities.

Currently, our Board of Directors has eight members. Under the Nasdaq listing standards for independence, Samuel C. Cali, Michael J. McDonald, David L. Tressler, Sr., Patrick J. Dempsey, Mary E. McDonald and John T. Cognetti meet the Nasdaq standards for independence. In determining the Director's independence, the Board of Directors considered loan transactions between the Company

Edgar Filing: FIDELITY D & D BANCORP INC - Form DEF 14A

and the Director, their immediate family members and businesses with whom they are associated. This constitutes more than a majority of our Board of Directors.

The table below includes a description of other categories or types of transactions, relationships or arrangements considered by the Board of Directors, in addition to those listed above, in reaching their determination that the directors are independent.

Name	Independent	Other transactions, Relationships or Arrangements
Samuel C. Cali	Yes	None
Michael J. McDonald	Yes	None
David L. Tressler, Sr.	Yes	None
Patrick J. Dempsey	Yes	Vendor services
Mary E. McDonald	Yes	None
John T. Cognetti	Yes	Realtor services

In each case, the Board of Directors determined that none of the transactions above impaired independence of the Director. For more information, please refer to *Certain Business Relationships and Transactions with Management*.

Meetings and Committees of the Board of Directors

During 2008, the Company's Board of Directors maintained three standing committees, and the Bank's Board of Directors maintained eight standing committees. The Board of Directors of the Company has a standing Executive Committee, Audit Committee and Human Resource/Employee Stock Incentive Committee. In addition, the full Board of Directors of the Company performs the functions of a Nominating Committee. The Board of Directors of the Bank has an Asset/Liability Committee, Audit and Compliance Committee, Credit Administration Committee, Executive Committee, Human Resource and Compensation Committee, Loan Application Committee, Trust/401(k)/Investment Committee, and a Building Committee.

Executive Committee. The Executive Committee acts as the Compensation Committee for named executives and does not have a charter. Members of the Company's Executive Committee were Patrick J. Dempsey, Chairman, Michael J. McDonald, and Brian J. Cali. The members of the Executive Committee, other than Mr. Cali, meet the Nasdaq listing standards for independence. The principal duties of the Executive Committee are to act on behalf of the Board between meetings to take action on loan approvals, to review and approve compensation paid to senior executive officers and to evaluate governance issues and strategic plans. The Executive Committee met five (5) times during 2008.

Audit Committee. Members of the Company's Audit Committee were Michael J. McDonald, Chairman, Samuel C. Cali, Mary E. McDonald and David L. Tressler, Sr. The Board of Directors has determined that David L. Tressler, Sr. is an audit committee financial expert and independent as defined under applicable SEC and Nasdaq rules. The principal duties of the Audit Committee, as set forth in its charter, which is available on our website, www.bankatfidelity.com, under Investor Relations Governance Documents, include reviewing significant audit and accounting principles, policies and practices, reviewing performance of internal auditing procedures, reviewing reports of examination received from regulatory authorities and recommending annually, to the Board of Directors, the engagement of an independent registered public accounting firm. The Audit Committee met five (5) times during 2008.

Human Resource/Employee Stock Incentive Committee. Members of the Company's Human Resource/Employee Stock Incentive Committee were Patrick J. Dempsey, Chairman, Samuel C. Cali, John T. Cognetti and Michael J. McDonald. This committee determines which key employees are eligible for participation in the Company's Incentive Stock Option Plan. This committee also administers the Company's Employee Stock Purchase Plan. The committee did not meet in 2008.

Nominating Committee. The entire Board of Directors, each of whom, other than Steven C. Ackmann, is a non-employee director, desires to participate on and performs the functions of a Nominating Committee. The members of the Board other than Brian J. Cali and Steven C. Ackmann meet the Nasdaq listing standards for independence. Because of full Director participation, the Board of Directors believes there is no need to have a separate standing committee to

perform similar functions. The principal duties of a Nominating Committee include developing and recommending the criteria for selecting qualified director candidates, identifying individuals qualified to become Board members, evaluating and selecting or recommending director nominees for each election of directors, considering committee member qualifications, appointment and removal, recommending codes of conduct and codes of ethics applicable to the Company and providing oversight in the evaluation of the Board and each committee. Because of the rare occurrence of shareholder recommendations, the Board of Directors has not developed a formal policy to consider potential director candidates recommended by shareholders, but will give due consideration to any and all such candidates. If a shareholder wishes to recommend a potential director candidate, the shareholder should mail the information regarding the candidate as required by the Company's by-law provision 9.1 to the Secretary of the Company at the Company's

Table of Contents

offices at Blakely and Drinker Streets, Dunmore, PA 18512. The Board acting as a Nominating Committee met one (1) time during 2008.

Human Resource and Compensation Committee. Members of the Bank's Human Resources and Compensation Committee were David L. Tressler, Sr., Chairman, Patrick J. Dempsey, Samuel C. Cali and Mary E. McDonald. The principal duties of the Human Resource and Compensation Committee include the establishment of policies dealing with employee compensation, retirement and welfare benefit plans for the Bank. The Human Resource and Compensation Committee met two (2) times during 2008.

The Board of Directors of the Company met 25 times during 2008. There were a total of 52 meetings of the various committees of the Board of Directors in 2008. All directors attended at least 75% or more of the meetings of the Board of Directors and of the various committees on which they served, except Chairman Emeritus, Samuel C. Cali, who has served over 50 years, attended less than 75% of the meetings due to health reasons. The Board of Directors has no policy regarding annual meeting attendance. All Directors attended the 2008 Annual Meeting of Shareholders and plan to attend the 2009 meeting.

Shareholder Communications

The Board of Directors has not adopted a formal process for shareholders to send communications to the Board. Due to the infrequency of shareholder communications, the Board does not believe that a formal process is necessary. Written communications received by the Company from shareholders are shared with the full Board no later than the next regularly scheduled Board meeting.

Nomination of Directors

Under the Company's by-laws, nominations for director may be made by the Board of Directors or by a shareholder of record entitled to vote. In order for a shareholder to make a nomination, the shareholder must provide a notice along with the additional information and materials required by the by-laws to the Company's Secretary not less than 60 days prior to the date of any meeting of shareholders called for the election of directors. For our annual meeting in the year 2010, we must receive this notice on or before March 6, 2010. You can obtain a copy of the full text of the by-law provision by writing to John T. Cognetti, Secretary, Blakely and Drinker Streets, Dunmore, PA. A copy of our by-laws has been

filed with the Securities and Exchange Commission as an exhibit to Registrant's current report on Form 8-K, filed with the SEC on November 21, 2007.

Submission of Shareholder Proposals

Any shareholder who, in accordance with the proxy rules of the SEC, wishes to submit a proposal for inclusion in the Company's proxy statement for its 2010 Annual Meeting of Shareholders must deliver such proposal in writing to the Secretary of Fidelity D & D Bancorp, Inc. at its principal executive office, Blakely and Drinker Streets, Dunmore, Pennsylvania 18512, not later than December 4, 2009.

A shareholder may have other business brought before the 2010 Annual Meeting by submitting the proposal to the Company's Secretary, in accordance with our by-laws. The proposal must be delivered to our executive offices at Blakely and Drinker Streets, Dunmore, PA 18512, to the attention of the Company's Secretary. We are not required to include any proposal received after December 4, 2009 in our proxy materials for the 2010 annual meeting.

Employee Code of Ethics

Since 1993, the Bank has had a Code of Ethics. As required by law and regulation, the Board of Directors amended the Code of Ethics as of March 16, 2004, so that our Code of Ethics is applicable to the Company's and the Bank's directors, officers and employees, including the Chief Executive Officer and senior financial officers.

The Code of Ethics encourages individuals to report any conduct that they believe in good faith to be an actual or apparent violation of the code of ethics. The Board of Directors periodically receives reports on our compliance program. The Code of Ethics is posted on our website at www.bankatfidelity.com, through the Investor Relations link under Governance Documents. We have also filed a copy of the Code of Ethics with the SEC as Exhibit 14 to our December 31, 2003 Annual Report on Form 10-K.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is comprised of directors who meet the Nasdaq standards for independence. The Audit Committee operates under a written charter adopted in 2004 by the Board of Directors, which was reviewed and revised in February 2008, and is available on our website, www.bankatfidelity.com.

The Audit Committee met with management periodically during the year to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee discussed these matters with the Company's independent registered public accountants and with appropriate Company financial personnel and internal auditors. The Audit Committee also discussed with the Company's senior management and independent registered public accountants the process used for certifications by the Company's Chief Executive Officer and Chief Financial Officer which are required for certain of the Company's filings with the Securities and Exchange Commission.

The Audit Committee met privately at its regular meeting with both the independent registered public accountants and the internal auditors, as well as with the Chief Financial Officer, Chief Operating Officer and the Chief Executive Officer on a number of occasions, each of whom has unrestricted access to the Audit Committee.

The Audit Committee has outsourced the internal audit function to the local certified public accounting firm of McGrail Merkel Quinn & Associates. The main responsibility of this firm was to complete the internal audits necessary to meet the monitoring component of the *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. Other responsibilities included the identifying, re-testing and reporting all significant findings to the Audit Committee.

The commitment of the Audit Committee, internal audit, and management, resulted in the completion of the scheduled internal audits. Management, in response to findings, has taken corrective action and internal audit re-testing was performed as required. The combined efforts were successful in meeting the internal control components of risk assessment and monitoring required by year end. The internal audit outsource arrangement, audit schedule and the commitment to maintain an effective system of internal controls, required under regulation, caused the Audit Committee to meet five times (5) in 2008.

The Audit Committee selected Parente Randolph, LLC as the independent registered public accounting firm for the Company in 2008 after reviewing the firm's performance and independence from management.

Management has primary responsibility for the Company's consolidated financial statements and the overall reporting process, including the Company's system of internal controls.

Parente Randolph, LLC audited the annual consolidated financial statements prepared by management, expressed an opinion as to whether those consolidated financial statements fairly present the consolidated financial position, results of operations and cash flows of the Company in conformity with accounting principles generally accepted in the United States of America and discussed with the Audit Committee any issues they believed should have been raised with the Audit Committee.

The Audit Committee reviewed with management and Parente Randolph, LLC the Company's audited consolidated financial statements and met separately with both management and Parente Randolph, LLC to discuss and review those consolidated financial statements and reports prior to issuance. Management has represented, and Parente Randolph, LLC has confirmed, to the Audit

Table of Contents

Committee, that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

The Audit Committee received from Parente Randolph, LLC the written disclosure and the letter required by Public Company Accounting Oversight Board Rules 3526, *Communication with Audit Committee concerning Independence*. The Audit Committee first discussed with Parente Randolph, LLC the items related to the firm's independence from the Company. The Audit Committee also discussed with Parente Randolph, LLC matters required to be discussed by the Statement on Auditing Standards No. 114, *Communication with those Charged with Governance*, of the Auditing Standards Board of the American Institute of Certified Public Accountants to the extent applicable. As such, the Audit Committee implemented a procedure to monitor auditor independence, reviewed audit and non-audit services performed by Parente Randolph, LLC and discussed with the auditors their independence.

In reliance on these reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008, for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended, subject to shareholder ratification, the selection of Parente Randolph, LLC, as the Company's independent registered public accounting firm for the year ending December 31, 2009.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: FIDELITY D & D BANCORP INC - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than 10% of the registered class of the Company's equity securities to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish the Company with copies of all filed Section 16(a) forms. The Board of Directors knows of no persons who own greater than 10% of the Company's outstanding common stock.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons, the Company believes that during the period from January 1, 2008, through December 31, 2008, all officers and directors were in compliance with all filing requirements applicable to them.

CERTAIN BUSINESS RELATIONSHIPS AND TRANSACTIONS

WITH MANAGEMENT

Except as described below, the Company has not entered into and does not intend to enter into any material transactions with any director or executive officer of the Company and/or the Bank or their associates.

Some of our directors and officers and the companies with which they are associated had banking transactions with the Bank in the ordinary course of its business during 2008, and the Bank expects to continue such banking transactions in the future.

Total loans outstanding from the Bank at December 31, 2008, to the Company's/Bank's officers and directors as a group, members of their immediate families and companies in which they had an ownership interest of 5% or more, amounted to \$9,269,147 or approximately 19% of the total shareholder's equity of the Bank. The Bank made these loans in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and they did not involve more than the normal risk of collection or present other unfavorable features.

The largest total amount of indebtedness outstanding during 2008 to the above described group was approximately \$10,417,266. The aggregate amount of indebtedness outstanding as of the latest practicable date, February 28, 2009, to the above group was approximately \$8,801,044.

Policies and procedures for approving loans to related parties are comparable to those applied to non-related parties. In deciding whether to approve other types of related person transactions the following factors may be considered:

- information about the goods or services proposed to be or being provided by or to the related party or the nature of the transactions;
- the nature of the transactions and the costs to be incurred by the Company or payments to the Company;
- an analysis of the costs and benefits associated with the transaction and a comparison of comparable or alternative goods or services that are available to the Company from unrelated parties; and
- the business advantage the Company would gain by engaging in the transaction.

To receive approval, the related person transaction must be on terms that are fair and reasonable to the Company, and that are as favorable to the Company as would be available from non-related entities in comparable transactions.

Edgar Filing: FIDELITY D & D BANCORP INC - Form DEF 14A

Other than loans, there have been no material transactions between the Company or the Bank, nor any material transactions proposed, with any Director or Executive Officer of the Company or the Bank, or any associate of these persons. The Bank does, from time to time, enter into non-material transactions with related parties.

During 2008, the Bank paid, in its ordinary course of business, for legal services performed by Brian J. Cali, Esquire and by Tressler Law, LLC, of which James M. Tressler, Esquire is the owner and son of David L. Tressler, Sr.

Further, in 2008, the Bank paid Dempsey Uniform & Linen Supply, Inc., of which Patrick J. Dempsey is Chairman of the Board, for linen services; Guy Cali and Associates, Inc., of which Guy Cali,

son of Samuel C. Cali, is owner, for photography services and creative projects; and DX Dempsey, of which Michelle Dempsey, daughter of Patrick J. Dempsey, is owner, for architectural services. All of these products and services were sold or provided according to the customary price or fee schedule of the seller or service provider.

COMPENSATION DISCUSSION AND ANALYSIS

The Company's Executive Committee acts as the Compensation Committee. The Committee members include Patrick J. Dempsey, Michael J. McDonald and Brian J. Cali.

Objectives of Compensation Programs

The Committee does not have a formal written charter or policy that guides the Committee's actions. The Company's compensation philosophy is to have a simple compensation plan that provides competitive levels of pay and benefits that will serve to attract and retain management talent, while at the same time motivating the executives to work toward providing a competitive level of returns for shareholders. Further, the committee seeks to avoid complex and formulaic compensation and bonus plans that could provide unintended areas of motivation or yield overly high levels of pay or bonuses. Unintended areas of motivation are deemed to be short-term actions that may yield rapid growth in assets, loans or deposits, but provide earnings or revenues that are not sustainable, or introduce elements of risk to the Company's long-term growth goals.

The Committee has determined that executive compensation should consist of:

- Base Pay
- Annual Bonus
- Benefits
- Retirement Plan
- Profit Sharing Contributions
- Equity Based Compensation
- Perquisites

Base Pay

Base pay is deemed to be the basic part of the Company's executive compensation and allows the executive to have a predictable level of income. The levels of base pay are primarily determined by levels of experience, performance and longevity with the Company; though no specific weight is ascribed to any of the above factors.

Annual Bonus

The President and Chief Executive Officer reviews the overall performance of the Company including return on assets, growth in both deposits and loans, improvement in non-performing assets and overall attainment of the annual operating budget, in establishing bonus recommendations. The President and Chief Executive Officer then make his recommendations to the Compensation Committee which uses its discretion in determining bonuses. There is no overriding formula used to determine the bonus level.

Benefits

The Company believes it has comprehensive and competitive benefit plans that are available to all of the Company's employees which are an additional incentive used in attracting and retaining employees. These include health insurance, short and long-term disability programs, term life insurance

Table of Contents

and an employee stock purchase plan. Each executive is eligible to participate in these plans to the same extent as all other employees of the Company.

Retirement Plan

Consistent with the Company's compensation philosophy, the Company provides a 401(k) plan for all of its full-time employees, subject to certain eligibility requirements regarding age and length of employment. In order to encourage employees to save for retirement, the Company matches the employee contribution to the first 6% of pay contributed. Contributions by the executives are subject to the normal discrimination testing for these types of plans and are limited by those rules.

Profit Sharing Contribution

The above mentioned 401(k) plan also has a profit sharing component. This plan has the same eligibility requirements as the 401(k) plan plus the requirement of being an active employee as of the plan's year end. This plan is designed for the Company to pay out a discretionary amount annually to all eligible employees based on the Company's profitability. The plan has previously paid out contributions ranging from 0% to 4% of eligible employees' salaries. The executives are eligible to participate in this plan to the same extent as other employees. The Company believes that this plan encourages longevity with the Company and encourages the employees to assist in keeping the Company profitable.

Equity Based Compensation

The Company has a Stock Incentive Plan that was adopted in 2000 and is designed to provide both qualified and non-qualified stock options. The plan provides for options to be granted at 100% of the closing price of the Company's stock on the day the option is granted. Options fully vest six months after the grant date and have a term of 10 years. Individual grants have an appreciable value when the market price of the Company's stock increases above the price on the date the option was granted. There is no policy governing the amount and timing of any stock grant and the plan has had limited use since 2002. The Stock Incentive Plan is intended to align the interests of the participants with those of the shareholders. The Compensation Committee uses its discretion in determining to whom and the amount of equity awarded.

Employee Stock Purchase Plan

In an effort to align the interests of the employees with those of the shareholders and to incent the employees to enhance the financial results of the Company, the Company established an Employee Stock Purchase Plan. Under the plan, employees are allowed to purchase a limited number of shares of Company stock on January 1st every year at 90% of the lower of the ten trading day average of fair market value of the Company's common stock as of December 31st or January 1st. The purchase price of the stock is discounted to encourage employees to participate in the plan.

Perquisites

The Committee recognizes that perquisites are an important part of the executive compensation mix. Accordingly, in limited cases, the Company provides for automobiles and country club dues for select executives. These are designed to further the business goals of the Company and the executives are expected to reimburse the Company for any personal use of the selected benefit.

Role of Executive Officers in Compensation Decisions

The Executive Committee makes all compensation decisions with respect to the Executive Officers. The Chief Executive Officer provides input regarding the performance of the other named Executive Officers and makes recommendations for their compensation amounts. After carefully

Table of Contents

reviewing and discussing the Chief Executive Officer's recommendations, the Compensation Committee determines the appropriate level of compensation. The Chief Executive Officer is not involved with any aspect of determining his own pay.

Benchmarking

The Compensation Committee does not specifically benchmark compensation to the compensation paid at other financial institutions. In deciding the appropriate levels of executive compensation, the Committee seeks input on the levels of compensation from a variety of sources:

- In 2004 a search was conducted for a new President and CEO. At that time levels of compensation necessary to attract management were provided by a search firm.

- Reviews of compensation levels of peer banks of a similar size and within the same or similar markets are reviewed.

- L.R. Webber provided a study of executive compensation levels of peer banks in 2005.

- In the fall of 2007, the company contracted with Strategic Compensation Planning, Inc. to study compensation practices of peer banks in the Northeast Pennsylvania region.

- Miscellaneous other compensation surveys.

No specific weight is given to any of the above inputs, but the Compensation Committee uses the above resources as a method to educate itself on the current trends in compensation. Further, with banking being a highly regulated industry, adherence with regulatory guidelines is also considered.

Compensation Consultants

In 2008, the Company did not use a compensation consultant to determine the appropriate levels of compensation for its executives.

Material Differences in 2008 Executive Officer Compensation

The actual compensation of the executive officers is set forth in the Summary Compensation Table. Adjustments to base pay made for named executive officers were based upon their performance and their respective positions.

Annual discretionary bonuses were awarded to each executive officer based on the Company's performance in 2008. These amounts were paid in the first quarter of 2009 and reflect accomplishments for 2008.

Stock Options were awarded by the Board of Directors to Messrs. O'Brien and Santaniello in 2008, as a negotiated condition of hire.

Impact of Tax Deductibility of Compensation.

Section 162(m) of the Internal Revenue Code of 1986, as amended, imposes a \$1 million limit on the amount that a public company may deduct for compensation paid to the company's Chief Executive Officer or any of the company's three other most highly compensated executive officers who are employed as of the end of the year. This limitation does not apply to compensation that meets the requirements under Section 162(m) for qualifying performance-based compensation (i.e., compensation paid only if the individual's performance meets pre-established objective goals based on performance criteria approved by shareowners). The amount of the executive's compensation does not trigger Section 162(m).

Table of Contents

Impact of Accounting and Tax

There were no compensation decisions made as a result of accounting and/or tax treatments except the inclusion of gross-up or gross-down provisions contained in the respective agreements as discussed below.

Triggering Events in Contracts

The Company has entered into employment agreements with the Mr. Ackmann, Mr. Santaniello, and Mr. O'Brien. Employment agreements are standard in the financial services industry and are used to protect the Company's client base through noncompetition provisions. The triggering events that provide payment which are prevalent in the financial services industry include:

1. Change in control
2. Termination for good reason
3. Disability
4. Termination without cause
5. Death
6. Termination by the employee without good reason
7. Nonrenewal of employment agreement

The triggering events for payment incent executives to maintain expected performance levels for continued employment. The triggering events and associated payouts used in the agreements are standard in the financial services industry and are deemed to be competitive. If the employment agreement is terminated upon the employee's death, a termination by the employee without good reason, the employee's disability or a termination for cause, the employee will not receive any payments under the agreement. The employee may receive payments under the Company's disability insurance plan. The employee only receives a payment under the agreement if the employee's employment is terminated after a change in control, without cause, or by the employee for good reason. The contracts give the executive the security of knowing that if he is terminated in one of those scenarios, the executive will receive some form of compensation during his transition phase. The contracts contain change of control provisions whereby the executive is compensated upon a termination after a change of control in order to ensure that decisions regarding potential change of controls are made in the best interests of the shareholders and that personal concerns regarding subsequent employment are minimized.

Commensurate with his position, only Mr. Ackmann is entitled to a payment in the event that his employment agreement is not renewed. In addition, the contracts contain a noncompetition provision, whereby the executive is not allowed to compete with the Company or solicit customers of the Company for a specific period of time.

EXECUTIVE COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Executive Committee of the Board of Directors has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Executive Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement and the Company's Form 10-K.
