Our initial investor, which we refer to as our founding investor, is Aquiline Capital Partners LLC, a private equity firm dedicated to investing in financial services companies. Other sponsoring investors included private equity funds managed by Vestar Capital Partners, New Mountain Capital and Merrill Lynch Global Private Equity. The Company conducts its operations worldwide through two wholly-owned subsidiaries, Validus Reinsurance, Ltd. ( Validus Re ) and Talbot Holdings Ltd. ( Talbot ). We seek to establish ourselves as a leader in the global insurance and reinsurance markets. Our principal operating objective is to use our capital efficiently by underwriting primarily short-tail insurance and reinsurance contracts with superior risk and return characteristics. Our primary underwriting objective is to construct a portfolio of short-tail insurance and reinsurance contracts which maximize our return on equity subject to prudent risk constraints on the amount of capital we expose to any single extreme event. We manage our risks through a variety of means, including contract terms, portfolio selection, diversification criteria, including geographic diversification criteria, and proprietary and commercially available third-party vendor models.

In addition, other general factors could affect our results, including: (a) developments in the world's financial and capital markets and our access to such markets; (b) changes in regulations or tax laws applicable to us, including, without limitation, any such changes resulting from the recent investigations relating to the insurance industry and any attendant litigation; and (c) the effects of business disruption or economic contraction due to terrorism or other hostilities.

The foregoing review of important factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included herein or elsewhere. Any forward-looking statements made in this report are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by us will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, us or our business or operations. We undertake no obligation to update publicly or revise any forward-looking statement, whether as a result of new information, future developments or otherwise.

#### **RATIO OF EARNINGS TO FIXED CHARGES**

The ratio of earnings to fixed charges and ratio of earnings to fixed charges excluding FAL costs are measures of the Company's ability to cover fixed costs with current period earnings. For purposes of computing the following ratios, earnings consist of net

Table of Contents

income before income tax expense plus fixed charges to the extent that such charges are included in the determination of earnings. Fixed charges consist of interest, amortization of debt issuance costs and credit facility fees and an imputed interest portion on operating leases.

	Six Months Ended June 30, 2011(2)	Year Ended December 31, 2010	Year Ended December 31, 2009	Year Ended December 31, 2008	Year Ended December 31, 2007	Year Ended December 31, 2006
Ratio of Earnings to Fixed Charges		8.18	20.93	2.10	8.72	21.74
Ratio of Earnings to Fixed Charges Excluding FAL Costs(1)		8.61	30.67	3.11	16.01	21.74

(1) FAL costs represent both fixed and variable costs paid for financing the Company's operations at Lloyd's. The ratio of earnings to fixed charges excluding FAL costs demonstrates the degree to which the ratio changes if FAL costs are treated as variable rather than fixed costs.

(2) Earnings were inadequate to cover fixed charges. \$63,968,000 represents the amount of coverage deficiency.

**LEGAL MATTERS**

Certain legal matters with respect to the securities will be passed upon for us by Robert F. Kuzloski, Esq. **EXPERTS**

The financial statements and management's assessment of the effectiveness of internal control over financial reporting (which is included in Management's Report on Internal Control over Financial Reporting), incorporated in this Prospectus by reference to our Annual Report on Form 10-K for the year ended December 31, 2010 have been so incorporated in reliance on the report of PricewaterhouseCoopers, an independent registered public accounting firm, given on the authority of said firm as experts in accounting and auditing.

**ENFORCEABILITY OF CIVIL LIABILITIES UNDER U.S.**

**FEDERAL SECURITIES LAWS AND OTHER MATTERS**

Validus is organized under the laws of Bermuda. In addition, some of our directors and officers reside outside the United States, and all or a substantial portion of its assets and their assets are or may be located in jurisdictions outside the United States. Therefore, it may be difficult or impossible for investors to effect service of process within the United States upon its non-U.S. directors and officers or to recover against Validus or its non-U.S. directors and officers on judgments of U.S. courts, including judgments predicated upon the civil liability provisions of the U.S. federal securities laws. Further, it may not be possible to bring a claim in Bermuda against us or our directors and officers for violation of U.S. federal securities laws because these laws may have no extraterritorial application under Bermuda law and do not have force of law in Bermuda. A Bermuda court may, however, impose civil liability, including the possibility of monetary damages, on us or our directors and officers if the facts alleged in a complaint constitute or give rise to a cause of action under Bermuda law. However, Validus may be served with process in the United States with respect to actions against us arising out of or in connection with violations of U.S. federal securities laws relating to offers and sales of securities made hereby by serving CT Corporation System, our U.S. agent, irrevocably appointed for that purpose.

We have been advised by Appleby (Bermuda) Limited our special Bermuda counsel, that there is doubt as to whether the courts of Bermuda would enforce judgments of U.S. courts obtained in actions against us or our directors and officers, as well as the experts named herein, predicated upon the civil liability provisions of the U.S. federal securities laws or whether proceedings could be commenced in the courts of Bermuda against us or such persons predicated solely upon U.S. federal securities laws. Further, we have been advised by Appleby (Bermuda) Limited that there is no treaty in effect between the United States and Bermuda providing for the enforcement of judgments of U.S. courts, and there may be grounds upon which Bermuda courts will not enforce judgments of U.S. courts. Some remedies available under the laws of U.S. jurisdictions, including some remedies available under the U.S. federal securities laws, may not be allowed in Bermuda courts as contrary to that jurisdiction's public policy.

At the time of issue of each prospectus supplement, we will deliver to and file a copy of this prospectus and the prospectus supplement with the Registrar of Companies in Bermuda in accordance with Bermuda law. The BMA and the Registrar of Companies accept no responsibility for the financial soundness of any proposal or for the correctness of any of the statements made or opinions expressed in this prospectus or any prospectus supplement.

Bye-law 50 of the Company's Bye-laws provides, among other things, that the Company will, in the case of directors and officers of the Company, and may (in the discretion of the Board of Directors), in the case of employees and agents, indemnify, in accordance with and to the full extent now or hereafter permitted by law, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (including, without limitation, an action by or in the right of the Company), by reason of his acting in such capacity or his acting in any other capacity for, or on behalf of, the Company, against any liability or expense actually and reasonably incurred by such person in respect thereof. The Company shall, in the case of directors and officers, and may, in other cases, advance the expenses of defending any such act, suit or proceeding in accordance with and to the full extent now or hereafter permitted by law.

Bye-law 50 of the Company's Bye-laws also provides that none of the officers or directors of the Company will be personally liable to the Company or its shareholders for any action or failure to act to the full extent that they are indemnified under the Company's Bye-laws.

Bye-law 50A of the Company's Bye-laws provides that each shareholder agrees to waive any claim or right of action such shareholder might have, whether individually or by or in the right of the Company, against any director or officer on account of any action taken by such director or officer, or the failure of such director or officer to take any action in the performance of his duties with or for the Company; *provided* that such waiver shall not extend to any matter in respect of any fraud or dishonesty which may attach to such director or officer.

Section 98 of the Companies Act 1981 of Bermuda provides generally that a Bermuda company may indemnify its directors, officers and auditors against any liability which by virtue of any rule of law would otherwise be imposed on them in respect of any negligence, default, breach of duty or breach of trust, except in cases where such liability arises from fraud or dishonesty of which such director, officer or auditor may be guilty in relation to such company. Section 98 further provides that a Bermuda company may indemnify its directors, officers and auditors against any liability incurred by them in defending any proceedings, whether civil or criminal, in which judgment is awarded in their favor or in which they are acquitted or granted relief by the Supreme Court of Bermuda pursuant to section 281 of the Companies Act. Section 98 further provides that any provision, whether contained in the bye-laws of a company or in any contract or arrangement between such company and any director exempting or indemnifying him against any liability which would otherwise attach to him in respect of any fraud or dishonesty of which he may be guilty in relation to such company, shall be void.

Table of Contents

Section 98A of the Companies Act permits a Bermuda company to purchase and maintain insurance for the benefit of any officer or director in respect of any loss or liability attaching to him in respect of any negligence, default, breach of duty or breach of trust, whether or not such Bermuda company may otherwise indemnify such officer or director.

The Company may purchase directors' and officers' liability insurance policies. Such insurance would be available to the Company's directors and officers in accordance with its terms. In addition, certain directors may be covered by directors' and officers' liability insurance policies purchased by their respective employers.

Any underwriting agreement that Validus may enter into in connection with an offering of securities pursuant to this registration statement may include provisions providing that the underwriters are obligated, under certain circumstances, to indemnify the directors, certain officers and the controlling persons of Validus against certain liabilities under the Securities Act of 1933, as amended (the "Securities Act").

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

*provided, however*, that the undertakings set forth in paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrants pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

i) Each prospectus filed by the registrants pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned registrant hereby undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

That, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13 (a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by them is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
