**Announcement** | Lisbon | 13 January 2013

**Portugal Telecom announces the sale of its minority stake in CTM and the establishment of a strategic alliance agreement with CITIC Telecom**

Portugal Telecom, SGPS, S.A. (PT) announces that it has entered into a definitive agreement for the sale of its minority equity stake held in Companhia de Telecomunicações de Macau, S.A.R.L. (CTM), representing 28% of CTM's share capital, to Citic Telecom International Holdings Limited (CITIC Telecom).

This sale has been approved by the Board of Directors of PT and is conditional upon the satisfaction of a set of precedent conditions, notably the successful completion of the transfer of an equity stake representing 51% of the share capital of CTM by Sable Holding Limited (Sable), a wholly-owned subsidiary of Cable & Wireless Communications Plc, to CITIC Telecom and the approval of both transactions by the Government of Macau and by the relevant People's Republic of China governmental and regulatory authorities.

This agreement provides that PT will receive total proceeds of USD 411.6 million, subject to certain adjustments, on a cash-free and debt-free basis and assuming a normal level of working capital. As at 31 December 2012 CTM had a net cash position of USD 70 million.

CITIC Telecom and PT also entered into a strategic alliance agreement for capitalising on their respective expertises in certain areas of collaboration in the telecom sector and in the identification of ICT investment opportunities in order to create value for their respective shareholders. Pursuant to this strategic alliance agreement, CITIC Telecom will select PT as the CITIC Telecom Group's strategic ICT service provider.

**FORWARD-LOOKING STATEMENTS**

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
