ITEM 8.01 Other Events

On October 1, 2013, pursuant to the Agreement and Plan of Merger dated September 6, 2013 (the Merger Agreement) an indirect wholly-owned subsidiary of Magellan Health Services, Inc. (Magellan) merged with and into Partners Rx Management LLC (Partners Rx) in a cash-out merger transaction (the Merger). As a result of the Merger, Magellan became the owner of all outstanding ownership interest of Partners Rx, which will now operate as an indirect wholly-owned subsidiary of Magellan.

As consideration for the Merger, Magellan paid \$100 million in cash, subject to working capital adjustments as provided in the Merger Agreement. Pursuant to the Merger Agreement, certain principal owners of Partners Rx purchased a total of \$10 million in Magellan restricted common stock, which will generally vest over three years with 50% vesting on the second anniversary of closing of the Merger and 50% vesting on the third anniversary of such closing, conditioned on continued employment with Magellan on the applicable vesting dates.

Partners Rx is a full-service commercial pharmacy benefits management company (PBM) with a strong focus on health plans and self-funded employers primarily through sales through third party administrators (TPAs), consultants and brokers.

On October 1, 2013, Magellan issued a press release announcing the acquisition of Partners Rx. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
