Yes No

Announcement | Lisbon | 18 September 2014

Changes regarding the composition and organisation of the Board of Directors

Pursuant to the terms of article 248 of the Portuguese Securities Code and article 3, paragraph a) of Portuguese Securities Commission Regulation no. 5/2008, Portugal Telecom, SGPS S.A. (PT) announces that, at a meeting held today, its Board of Directors has approved the following:

1. To appoint by co-optation, as non-executive members of the Board of Directors, to complete the current term of office (2012-2014): Rolando António Durão Ferreira de Oliveira and Francisco Ravara Cary, to replace Henrique Manuel Fusco Granadeiro and Amílcar Carlos Ferreira de Moraes Pires, respectively, both of whom had submitted their resignation. Such co-optation will be submitted to ratification at the next General Meeting of Shareholders of PT.

2. It was further resolved to appoint João Manuel de Mello Franco, currently member of the Board, to serve as Chairman of the Board of Directors of PT, also subject to ratification at the next General Meeting of Shareholders of PT. Having performed management and supervision functions at PT since 1998, João Manuel de Mello Franco has extensive knowledge of the Portugal Telecom Group, where he has exercised functions for approximately 30 years, including in the positions of Chairman of the Board of Directors of TLP Telefones de Lisboa e Porto, S.A. from 1989 to 1994, Chairman of the Board of Directors of Companhia Portuguesa Rádio Marconi from 1994 to 1995 and Chairman of the Board of Directors of TMN Telecomunicações Móveis Nacionais, S.A. from 1991 to 1994. João Manuel de Mello Franco also has vast professional experience in several other large Portuguese companies.

3. Finally, considering that the new context of PT no longer justifies maintaining the current corporate governance structure, in particular with respect to the delegation of day-to-day management powers to an executive committee and the corresponding mechanisms for coordination of this committee with the remaining directors, the Board of Directors resolved to revoke from the Executive Committee, with effect from 1 October 2014, all the powers of day-to-day management of the Company. Thus, as from such date, PT will no longer have an Executive Committee within its corporate governance structure.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
