On July 6, 2015, our board of directors increased the size of the board from five to six directors, and appointed Thomas Joseph (age 65) as a director to fill the vacancy created upon the expansion in the size of the board. It is expected that Mr. Joseph will be appointed to the board's nominating and corporate governance committee.

Dr. Joseph brings deep expertise in the RF, compound semiconductor, cellular, fiber optics and surface acoustic wave (SAW) industries. Dr. Joseph worked at RFMD (now Qorvo) from 2000 until his retirement in 2013. His most recent position at RFMD was Senior Manager Technical Projects for the Cellular Products Group leading cross-functional teams that developed high volume, front end component solutions for cellular handsets. He began his career at Hughes Aircraft Company. He then joined TRW Space and Defense (Now Northrop Grumman) where he established, grew and oversaw the Foundry products business to make available GaAs process technology to outside commercial and defense customers. Dr. Joseph earned his B.S. in Applied Physics from the California Institute of Technology, Pasadena. He earned his PhD and MSEE in Electrical Engineering from the University of Southern California. Dr. Joseph wrote his dissertation on the design, fabrication, testing and performance modeling of SAW resonators, performing much of the seminal work on these devices. He has authored or co-authored more than 50 technical publications, and symposium presentations on Surface Acoustic Wave Devices, GaAs circuits and processes, Integrated and Fiber Optics and Acousto-optics. Dr. Joseph is a member of the Institute of Electrical and Electronics Engineers (IEEE).

In accordance with our non-employee director compensation policy, for Mr. Joseph's service on the board, he will receive the following compensation:

- Annual Retainer – an annual retainer of \$50,000 in cash, payable quarterly;
- Initial Equity Award – 24,000 restricted stock units to be granted on the date of the first meeting of our board of directors or compensation committee occurring after the date of Mr. Joseph's appointment, which award will vest as to one-half of the shares on each of the first and second anniversary of the commencement of his service as a non-employee director, subject to continued service as a director through the applicable vesting date; and
- Annual Equity Award – on the date of each annual meeting of our stockholders, if serving as a non-employee director for at least the preceding six months, Mr. Joseph will be granted restricted stock units with a grant date fair value equal to \$50,000, which award will vest as to one-half of the shares on each of the first annual meeting of stockholders and second annual meeting of stockholders following the grant, subject to continued service as a director through the applicable vesting date.
