**Announcement** | Lisbon 25 January 2016

**DAMAGES CAUSED BY THE INVESTMENT IN DEBT INSTRUMENTS ISSUED BY ENTITIES OF ESPÍRITO SANTO GROUP  
LIABILITY COURT ACTION**

PHAROL, SGPS S.A. ( PHAROL ) informs that today it has filed the judicial liability claim before the Lisbon's District Court against its former directors Zeinal Bava, Henrique Granadeiro and Luís Pacheco de Melo, for breach of their respective legal and contractual duties, namely the duty to submit to the Board of Directors for approval any investments in debt instruments issued by entities of Espírito Santo Group, as well as the duty to implement an internal control system suitable for these forms of investment.

Breach of the abovementioned duties caused several damages to PHAROL, such as 54,900,000.00 (fifty four million and nine hundred thousand Euro), as over time the amounts invested could not be used in the activities of PHAROL and other losses in amounts yet to be determined in execution of sentence.

The Board of Directors thereby complies the resolution of PHAROL's General Meeting of Shareholders of 31 July 2015, within the six months deadline.

Pursuant to what has already been announced, this action does not prevent PHAROL from filing other liability claims against other directors (of the period 2012/2014) or against any third parties which in any way may be deemed liable for damages suffered by PHAROL as a consequence and/or related with the investment in debt instruments issued by entities of Espírito Santo Group.

**FORWARD-LOOKING STATEMENTS**

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
