No attempt has been made with this Amendment to modify or update the other disclosures presented in the Original Filing, including the exhibits thereto, except that we have updated the number of outstanding shares of our common stock on the cover page of this Amendment. The Original Filing continues to speak as of the date of the Original Filing, and we have not updated the disclosures contained therein to reflect any events which occurred at a date subsequent to the filing of the Original Filing. The officers may elect to defer any portion of his base salary, bonuses or incentive compensation into an approved Company-sponsored deferred compensation plan.

An amount equal to 80% of the estimated Annual Bonus will be paid within 10 days after the Company has determined its adjusted net earnings for the year for which the annual bonus is to be paid and the remaining amount will be finally calculated and paid within 10 days after the release of the Company's audited financial statements for the year. The Annual Bonus is required to be paid by the Company by December 31 of the calendar year immediately following the year for which adjusted net earnings is determined for purposes of the Annual Bonus. If it is determined that any bonus or incentive compensation is underpaid or overpaid to the officer, then the Company will either pay the amount owed within 15 days after the determination is made by the Compensation Committee of the Board of Directors or offset an overpayment against the officer's next bonus or incentive compensation payments or require the officer to repay such amounts, as applicable.

Tomkinson and Ashmore are also eligible to receive paid vacation, a car allowance of \$1,200 per month, participate in the Company's health and other benefit plans, be reimbursed for reasonable and necessary business and entertainment expenses, and receive other benefits at the discretion of the Board of Directors. Any amounts paid to the officer are subject to any claw back policy that the Company is required to adopt pursuant to listing standards of any national securities exchange or as otherwise required under applicable law.

In such circumstances, the directors engaged in such efforts may receive additional fees for the duration of such service. Fees related to a special committee may be paid whether or

Non-Employee Director Deferred Stock Unit Award Program

Effective December 1, 2010, the Company adopted the Non-Employee Director Deferred Stock Unit Award Program (the "DSU Program"). The DSU Program provides for the grant of deferred stock units ("DSUs") to non-employee directors pursuant to the 2010 Plan. Each DSU grant vests in substantially equal annual installments, commencing with the first anniversary of the date of grant, subject to the director's continued service on the board of directors. Upon vesting, the DSUs continue to be held in the director's stock account until payment becomes due. In the event a director is no longer a member of the board of directors prior to vesting, all DSUs that remain unvested terminate and are forfeited. Dividends and other distributions on DSUs are credited to the director's stock account as if such DSUs were actual shares of common stock issued and outstanding. No interest is credited on stock amounts. Dividends and distributions are converted, based on fair market value of the common stock, into DSUs and credited to the director's stock account. The board may, in its sole discretion, waive vesting and forfeiture of DSUs. In the event of a change in control, all outstanding DSUs are deemed fully vested. Directors receive a distribution of stock within thirty (30) days after the date the director no longer serves on the board. The distribution will consist of one share of common stock for each DSU. Any shares of common stock issued are deemed issued under the 2010 Plan.

Risk Management

The Company faces a variety of operational and market risks, including interest rate risk, credit risk, liquidity risk and prepayment risk. The Board of Directors believes an effective risk management system will (1) timely identify the material risks that the Company faces, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or Audit Committee, (3) implement appropriate and responsive risk management strategies consistent with Company's risk profile, and (4) integrate risk management into Company decision-making.

The Board has designated the Audit Committee to take the lead in overseeing risk management. The Audit Committee discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Audit Committee also reviews the significant reports to management, including assessment of the Company's risk management processes and systems of internal controls.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Certain Relationships and Related Transactions

Except as disclosed herein, no director, executive officer, shareholder holding at least 5% of shares of our common stock, or any immediate family member thereof, had any material interest, direct or indirect, in any transaction, or proposed transaction since the beginning of our last fiscal year, in which the amount involved in the transaction exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end since the beginning of the last fiscal year.

During 2015, Allison Ashmore (Account Executive) and Meagan Ashmore (AVP Client Management), daughters of William Ashmore, the Company's President and Director, earned \$429,798 and \$152,098, respectively in salary, bonus and auto allowance, and Sedamar Fitzgerald (Relationship Manager), sister-in-law of Joseph Tomkinson, the Company's Chairman of the Board and Chief Executive Officer, earned \$147,302 in salary and bonus. In addition, all participated in the employee health care benefit plans available to all employees of the Company.

In January 2015, the Company entered into with RHP Trust, of which Richard H. Pickup is trustee, a \$5.0 million short term borrowing secured by Ginnie Mae servicing rights with an interest rate of 15% and transaction costs of \$50 thousand. The balance was repaid in March 2015.

Note Purchase Agreement and Convertible Promissory Notes Due 2020

On May 8, 2015, the Company entered into a Note Purchase Agreement (the "Note Purchase Agreement") with purchasers including entities related to Richard H. Pickup and Todd M. Pickup, stockholders of the Company (the "Noteholders") whereby the Company issued \$25 million in original aggregate principal amount of Convertible Promissory Notes Due 2020 (the "Notes"). The 2020 Notes mature on or before May 9, 2020 and accrue interest at a rate of 7.5% per annum, to be paid quarterly. The Notes carry an additional penalty interest rate of 2% per annum upon an event of default. Interest is computed on the basis of a 360 day year of twelve (12) months each comprised of thirty (30) days. The Notes may not be prepaid, in whole or in part, by the Company without the prior written consent of the Noteholders. The Notes contain customary affirmative and negative covenants of the Company, including covenants not to incur certain indebtedness that is not subordinated and not to make optional payments on its indebtedness (other than on the Notes) or amend material indebtedness in a manner that is adverse in any material manner to the Noteholders.

Noteholders may convert at any time after January 1, 2016 all or a portion of the outstanding principal amount of the Notes into shares of the Company's Common Stock ("Conversion Shares") at a rate of \$21.50 per share, subject to adjustment for stock splits and dividends (the "Conversion Price"). The Company has the right to convert the entire outstanding principal of the Notes into Conversion Shares at the Conversion Price if the market price per share of the Common Stock, as measured by the average volume-weighted closing stock price per share of the Common Stock on the NYSE MKT (or any other U.S. national securities exchange then serving as the principal such exchange on which the shares of Common Stock are listed) for any twenty (20) trading days in any period after in any period after January 1, 2016 of thirty (30) consecutive trading days, reaches the level of \$30.10. Upon conversion of the Notes by the Company, the entire amount of accrued and unpaid interest (and all other amounts owing) under the Notes are immediately due and payable. Furthermore, if the conversion of the Notes by the Company occurs prior to the third anniversary of the closing date, then the entire amount of interest under the Notes through the third anniversary is immediately due and payable. To the extent the Company pays any cash dividends on its shares of Common Stock prior to

Edgar Filing: IMPAC MORTGAGE HOLDINGS INC - Form 10-K/A

conversion of the Notes, upon conversion of the Notes, the Noteholders will also receive such dividends on an as-converted basis of the Notes less the amount of interest paid by the Company prior to such dividend.

Upon a change of control of the Company, the holders of a majority of the outstanding principal balance of the Notes have the right to either (a) cause all unpaid principal and accrued but unpaid interest and other amounts owing to become immediately due and payable in full, (b) cause the entire unpaid principal balance of the Notes to be converted into shares of the Common Stock at the Conversion Price then in effect, with the entire amount of accrued but unpaid interest and other amounts owing under the Notes to be immediately due and payable in cash, or (c) cause the Notes to continue in full force and effect. Pursuant to the terms of the Note Purchase Agreement, a change of control will occur when (a) any person, excluding the purchasers of the Notes, becomes the beneficial owner of more than 50% of the voting power of the Company and the purchasers of the Notes (along with certain related parties) at that time do not own a greater percentage of voting power, (b) the existing members of the Company's board of directors cease to constitute a majority of the board of directors, or (c) all or substantially all of the assets are sold or upon a merger of the Company.

The Notes include customary events of default including: failure to pay principal on any Notes when due; failure to pay interest on the Notes for two business days after it becomes due; failure in the performance of any other covenant contained in the terms

Table of Contents

of the Notes for a period of thirty (30) days after written notice from any Noteholder; acceleration of other debt agreements representing in excess of \$3 million of indebtedness at any one time; the entry of judgments in excess of \$3 million against the Company and certain bankruptcy events. Upon an event of default, holders of 66 2/3% of the aggregate unpaid principal balance of all outstanding Notes may declare the Notes immediately due and payable.

Unless an event of default has occurred and is continuing, each purchaser of the Notes agrees, for the three years after the closing date, to vote all Conversion Shares for each of the Company's nominees for election to the Company's board of directors and not to nominate any other candidate for election to the board of directors at any time within such three year period.

As part of the Note Purchase Agreement and in connection with the issuance of the Notes, the Company agreed to provide the Noteholders certain registration rights to have the Conversion Shares registered with the Securities and Exchange Commission for public resale until such time all securities are registered or may be sold pursuant to Rule 144 under the Securities Act within a three (3) month period. The Company agreed to file registration statements upon request by holders of a majority of the Conversion Shares. The Noteholders may make a request for long form registrations and short form registrations up to two and four times, respectively, and registration of other securities (other than the Company's securities) will not be included without prior written consent from at least a majority of the registrable securities included in a registration. The Noteholders also have piggyback registration rights.

Conversion of 2018 Notes

On February 10, 2016, the Company converted the Convertible Promissory Notes Due 2018 with an aggregate principal amount of \$20 million (the 2018 Notes) in accordance with their terms. Pursuant to the conversion the 2018 Notes, entities related to Richard H. Pickup and Todd M. Pickup, stockholders of the Company, received 524,138 shares and 898,851 shares, respectively. Furthermore, on January 25, 2016, the Company and the note holders, including the entities related to Messrs. Pickup and Pickup, entered into a Consent and Waiver Agreement whereby the holders waived the immediate payment at the time of conversion of the accrued and unpaid interest on such notes through April 30, 2016 and consented to the delay of the payment of such interest until April 30, 2016.

Board Member Independence

We are listed on the NYSE MKT and accordingly, we have applied the listing standards of the NYSE MKT in determining the independence of the members of our Board of Directors. Based on the listing standards of the NYSE MKT and after reviewing the relationships with members of our Board, our Board of Directors has determined, with the assistance of the Corporate Governance and Nomination Committee, that James Walsh, Frank P. Filippis, Stephan R. Peers and Leigh J. Abrams as independent members of the Board of Directors. The Governance and Nomination Committee reviews with the Board at least annually the qualifications of new and existing Board members, considering the level of independence of individual members, together with such other factors as the Board may deem appropriate, including overall skills and experience. The Governance and Nomination Committee also evaluates the composition of the Board as a whole and each of its committees to ensure the Company's on-going compliance with the independence standards of the NYSE MKT.
