PROGRESSIVE WASTE SOLUTIONS ANNOUNCES WITHDRAWAL OF PROPOSAL SUBMITTED IN RESPONSE TO CITY OF NEW YORK REQUEST FOR PROPOSALS TO PROVIDE SOLID WASTE MANAGEMENT SERVICES

Toronto, Ontario May 18, 2016 **Progressive Waste Solutions Ltd. (NYSE, TSX: BIN) (the Company or Progressive Waste Solutions)** announced that its subsidiary, IESI NY Corporation, has withdrawn the proposal it submitted in response to a request for proposals issued by the City of New York for municipal solid waste management transportation and disposal services. After a thorough evaluation of a number of factors, including local government opposition to the rail hauling of waste to the Seneca Meadows Landfill, the Company and its pending merger partner, Waste Connections, Inc., believe it can no longer commit to meeting certain terms of the proposed New York City contract. Notwithstanding this withdrawal, Progressive Waste Solutions remains committed to serving its current customer base across the United States and Canada, including its existing operations in New York State.

Both companies are committed to completing their merger, and continue to expect that the transaction will close in the second quarter of 2016, subject to the approval of their respective shareholders on May 26, 2016.
