Item 1.01 Entry into a Material Definitive Agreement.

On July 20, 2016, Monarch Casino & Resort, Inc. (the Company) entered into the Third Amended and Restated Credit Agreement with Wells Fargo Bank, N.A., as administrative agent and certain banks (the New Credit Facility). The New Credit Facility amends and restates the Company's \$100 million credit facility, dated as of November 15, 2011 (filed as Exhibit 10.04 to the Company's Form 10-K filed on March 14, 2012) (the Old Credit Facility). As of July 19, 2016, the Company had \$35 million outstanding principal balance under the Old Credit Facility; this balance, along with various costs related to the preparation and closing of the New Credit Facility, were carried into the New Credit Facility at closing, and reclassified as long-term debt.

The New Credit Facility extends the maturity date of the Old Credit Facility from November 15, 2016 to July 20, 2021. In addition, the New Credit Facility increases the facility size to \$250 million of aggregate commitments. The Company may use borrowings from the New Credit Facility to pay for costs related to the previously announced expansion project at its Monarch Casino Black Hawk in Black Hawk, Colorado (the Expansion Project), and for working capital needs, general corporate purposes, and ongoing capital expenditure requirements.

The total aggregate commitment under the New Credit Facility will be reduced to \$50 million in the first full quarter after completion of the Expansion Project and all outstanding revolving loans thereunder will be converted to a term loan at such time. The Company may be required to prepay borrowings under the New Credit Facility using excess cash flows depending on the Company's leverage ratio no later than December 31, 2019. The interest rate under the New Credit Facility is LIBOR (the London Interbank Offered Rate) plus a margin ranging from 1.00% to 2.50%, or a base rate (as defined in the New Credit Facility) plus a margin ranging from 0.00% to 1.50%. The applicable margins will vary depending on the Company's leverage ratio. Except as described above, the material terms of the Old Credit Facility generally remain unchanged.

The Company's obligations under the New Credit Facility are secured by a security interest in substantially all of the Company's assets. Loans outstanding under the Credit Facility may be prepaid in whole or in part at any time, without premium or penalty. The New Credit Facility includes customary covenants and events of default.

The foregoing summary of the New Credit Facility does not purport to be complete and is qualified in its entirety by reference to the New Credit Facility.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

To the extent required by Item 2.03 of Form 8-K, the information regarding the New Credit Facility set forth under Item 1.01 of this Current Report on Form 8-K is incorporated by reference in this Item 2.03.
