**Item 1.01 Entry into a Material Definitive Agreement.**

On October 11, 2016, Dynegy Inc. (the Company) closed on its offering of \$750 million in aggregate principal amount of 8.000% Senior Notes due 2025 (the Notes). The Notes were offered in a private placement transaction pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended (the Securities Act), and are expected to be resold to qualified institutional buyers in accordance with Rule 144A under the Securities Act and outside the United States in accordance with Regulation S under the Securities Act. The Notes were issued under an indenture dated as of October 11, 2016 (the Indenture), among the Company, the guarantors party thereto (the Guarantors) and Wilmington Trust, National Association, as trustee and paying agent. The information in Item 2.03 below is hereby incorporated by reference herein.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

The Notes are unsecured and unsubordinated obligations of the Company and are guaranteed by each of the Company's current and future wholly-owned domestic subsidiaries that from time to time is a borrower or guarantor under the Company's existing Credit Agreement, dated as of April 23, 2013, among the Company, various under parties thereto and Credit Suisse AG, Cayman Islands Branch, as administrative agent (as amended, the Credit Agreement) or any indebtedness that refinances the Credit Agreement. Notwithstanding the above, Sithe/Independence Power Partners, L.P. (SIPP) shall not guarantee the Notes; provided that if, on or after the 20th business day after October 11, 2016, SIPP guarantees any indebtedness under the Credit Agreement, SIPP will be obligated to guarantee the Notes.

The Notes bear interest at a rate of 8.000% per annum. Interest is payable semiannually in arrears on January 15 and July 15 of each year, beginning July 15, 2017, to persons who are the registered holders of the Notes at the close of business on the immediately preceding January 1 and July 1, respectively.

The Indenture limits, among other things, the ability of the Company or any of the Guarantors to (i) create liens upon any principal property to secure debt for borrowed money and (ii) consolidate, merge or sell all or substantially all of their assets. In the event of a Change of Control (as defined in the Indenture), the Company will be required to make an offer to each holder of Notes to repurchase all or any part of that holder's Notes at a repurchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued interest, if any, to, but excluding, the date of repurchase.

If an event of default arises from certain bankruptcy or insolvency events, all outstanding Notes will become due and payable immediately without further action or notice. In addition, under the Indenture, the Notes may be declared due and payable immediately by the trustee or the holders of at least 25% in aggregate principal amount of the Notes then outstanding if other events of default occur and are continuing under the Indenture. Subject to certain qualifications and applicable grace periods as set forth in the Indenture, the events of default include the following:

- the Company fails to pay the principal or any premium on a Note;
- the Company fails to pay interest on any Note within 30 days of its due date;

- the Company fails to comply with any covenant of the Indenture (other than a payment default) and such default continues for a period of 60 days after written notice by the trustee or the holders of at least 25% in aggregate principal amount of the Notes;
- certain events of default under other indebtedness;
- failure of the guarantees of the Notes by any significant subsidiary to stay in force and effect; and
- certain bankruptcy or insolvency events with respect to the Company or any Guarantor that is a significant subsidiary.

At any time prior to January 15, 2020, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of the Notes, upon not less than 30 nor more than 60 days notice, at a redemption price of 108.000% of

the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to but excluding the redemption date (subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date), with the proceeds of one or more Equity Offerings (as defined in the Indenture); provided that: (1) at least 65% of the aggregate principal amount of the Notes issued on the Closing Date (excluding Notes held by the Company and its subsidiaries) remains outstanding immediately after the occurrence of such redemption; and (2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

At any time prior to January 15, 2020, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days prior notice, at a redemption price equal to 100% of the principal amount of notes redeemed, plus the Applicable Premium (as defined in the Indenture) as of, and accrued and unpaid interest, if any, to but excluding the redemption date, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

On or after January 15, 2020, the Company may on any one or more occasions redeem all or a part of the Notes upon not less than 30 nor more than 60 days notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest, if any, on the Notes redeemed, to but excluding the applicable redemption date, if redeemed during the 12-month period beginning on January 15 of the years indicated below (subject to the rights of holders of Notes on the relevant record date to receive interest on the relevant interest payment date):

Year	Percentage
2020	104.000%
2021	102.000%
2022 and thereafter	100.000%

The above description of the Indenture is qualified in its entirety by reference to the full text of the Indenture a copy of which is attached hereto as Exhibit 4.1.
