**RE.: Report of complaint in the case entitled ASSOCIATION FOR THE DEFENSE OF USERS AND CONSUMERS A/CABLEVISIÓN S.A. ACCORDING TO ORDINARY PROCEEDING (Expte 25633/2017).**

Dear Sirs,

I am writing to you in my capacity as Attorney in fact of Telecom Argentina S.A. ( Telecom Argentina or the Company ), in order to inform that my represented, in its character of surviving company of the merger with Cablevisión, has been notified on August 28 of the complaint indicated in the reference, initiated by the Association for the Defense of Users and Consumers ( ADUC ), in proceeding before the Lower National Court in Civil and Commercial Federal No. 17, Secretariat No. 33, CABA.

The complaint filed by ADUC seeks, in summary, that in relation with the cable and internet services under the Fibertel brand: a) cease to impose the sending of the documentation referring to its products (invoices, among others) through electronic means, ceasing its sending by physical support, without the express option for the use of this alternative means by the consumer; b) stipulate the obligation to the defendant to resume the shipment of the information to the consumer by physical support; c) reimburse to each one of the users of the amounts illegitimately perceived for the shipment cost by physical support omitted illegally by the defendant. All of it since the effective date of Law No. 27,250; d) impose the corresponding punitive damage.

The aforementioned claim is for an undetermined amount.

The Company will exercise the defense of its interests within the framework of this action.

Sincerely,

**Telecom Argentina S.A.**

/s/ Andrea Cerdán
