**Item 1.01. Entry into a Material Definitive Agreement.**

On March 8, 2019, in connection with a previously announced public offering, Ares Capital Corporation (the Company) and U.S. Bank National Association (the Trustee), entered into a Ninth Supplemental Indenture (the Ninth Supplemental Indenture) to the Indenture, dated October 21, 2010, between the Company and the Trustee (the Indenture). The Ninth Supplemental Indenture relates to the Company's issuance, offer and sale of \$350 million aggregate principal amount of its 4.625% Convertible Notes due 2024 (the Convertible Notes). The Company has also granted the underwriters an option to purchase up to an additional \$52.5 million aggregate principal amount of the Convertible Notes.

The Company expects to use the net proceeds of this offering to repay or repurchase certain outstanding indebtedness under its debt facilities. The Company may reborrow under its debt facilities for general corporate purposes, which include investing in portfolio companies in accordance with its investment objective.

The Convertible Notes mature on March 1, 2024 (the Maturity Date), unless previously converted or repurchased in accordance with their terms. The Convertible Notes bear interest at a rate of 4.625% per year payable semiannually in arrears on March 1 and September 1 of each year, commencing on September 1, 2019. The Convertible Notes are the Company's senior unsecured obligations and rank senior in right of payment to the Company's existing and future indebtedness that is expressly subordinated in right of payment to the Convertible Notes; equal in right of payment to the Company's existing and future unsecured indebtedness that is not so subordinated; effectively junior in right of payment to any of the Company's secured indebtedness (including existing unsecured indebtedness that the Company later secures) to the extent of the value of the assets securing such indebtedness; and structurally junior to all existing and future indebtedness (including trade payables) incurred by the Company's subsidiaries, financing vehicles or similar facilities.

Prior to the close of business on the business day immediately preceding December 1, 2023 holders may convert their Convertible Notes only under certain circumstances set forth in the Ninth Supplemental Indenture. On or after December 1, 2023 until the close of business on the second scheduled trading day immediately preceding the Maturity Date, holders may convert their Convertible Notes at any time. Upon conversion, the Company will pay or deliver, as the case may be, at its election, cash, shares of its common stock or a combination of cash and shares of its common stock. The conversion rate is initially 50.2930 shares of common stock per \$1,000 principal amount of Convertible Notes (equivalent to an initial conversion price of approximately \$19.88 per share of common stock). The conversion rate will be subject to adjustment in some events but will not be adjusted for any accrued and unpaid interest. In addition, if certain corporate events occur prior to the Maturity Date, the conversion rate will be increased for converting holders in certain circumstances.

The Company may not redeem the Convertible Notes at its option prior to maturity. No sinking fund is provided for the Convertible Notes. In addition, if certain corporate events occur in respect of the Company, holders of the Convertible Notes may require the Company to repurchase for cash all or part of their Convertible Notes at a repurchase price equal to 100% of the principal amount of the Convertible Notes to be repurchased, plus accrued and unpaid interest through, but excluding, the required repurchase date.

The Indenture, as supplemented by the Ninth Supplemental Indenture, contains certain covenants, including a covenant requiring the Company to comply with Section 18(a)(1)(A) as modified by Section 61(a) of the Investment Company Act of 1940, as amended (the Investment Company Act), or any successor provisions thereto of the Investment Company Act, as such obligation may be amended or superseded but giving effect to any exemptive relief that may be granted to the Company by the Securities and Exchange Commission (the SEC). These covenants are subject to important limitations and exceptions that are set forth in the Indenture.

The Convertible Notes were offered and sold pursuant to the Registration Statement on Form N-2 (File No. 333-223482), the preliminary prospectus supplement filed with the SEC on March 5, 2018 and the pricing term sheet filed with the SEC on March 6, 2019. The transaction

closed on March 8, 2019.

The Trustee also serves as the Company's custodian under the terms of a custody agreement, pursuant to which it receives customary fees and expenses as custodian.

The foregoing descriptions of the Ninth Supplemental Indenture and the Convertible Notes do not purport to be complete and are qualified in their entirety by reference to the full text of the Ninth Supplemental Indenture and the Convertible Notes, respectively, each filed as exhibits hereto and incorporated by reference herein.
