The following is a press release issued by the Company on July 17, 2002 and is being filed herewith as a Regulation FD Disclosure.

## Edgar Filing: PNM RESOURCES - Form 8-K

### PNM Resources Declares Common Stock Dividend

Albuquerque, N.M., July 17, 2002 -- The Board of Directors of PNM Resources (NYSE:PNM), has declared the regular quarterly dividend of \$0.22 per share on common stock, for an indicated annual dividend of \$0.88 per share. The dividend is payable August 16, 2002 to shareholders of record on August 2, 2002.

"Our dividend policy recognizes the importance of the dividend as a component of shareholder return and reflects our confidence in PNM's future," said Jeff Sterba, Chairman, President and Chief Executive Officer. "Last February we increased the dividend by 10 percent and adopted a policy targeting future increases of 8 to 10 percent annually, until the payout reaches 50 to 60 percent of regulated earnings."

PNM Resources is an energy holding company based in Albuquerque, New Mexico. Its principal subsidiary is Public Service Company of New Mexico, which provides electric power and natural gas utility services to more than 1.3 million people in New Mexico. The company also sells power on the wholesale market in the Western U.S. PNM Resources stock is traded primarily on the NYSE under the symbol PNM.

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995  
Statements made in this news release that relate to future events are made pursuant to the Private Securities Litigation Reform Act of 1995. These forward-looking statements are based upon current expectations and the company assumes no obligation to update this information. Because actual results may differ materially from expectations, the company cautions readers not to place undue reliance on these statements. A number of factors, including weather, fuel costs, changes in supply and demand in the market for electric power, wholesale power prices, market liquidity, the performance of generating units and transmission system and uncertainties relating to PNM's litigation with Western Resources and related costs, and state and federal regulatory and legislative decisions and actions, including the wholesale electric power pricing mitigation plan ordered by the Federal Energy Regulatory Commission (FERC) on June 18, 2001, rulings issued by the New Mexico Public Regulation Commission (NMPRC) pursuant to the Electric Utility Industry Restructuring Act of 1999, as amended, and in other cases now pending or which may be brought before the FERC or NMPRC could cause PNM operating revenues and earnings to differ from results forecast in this news release. For a detailed discussion of the important factors affecting PNM Resources, please see "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's Form 10-K for the year ended December 31, 2001, Form 10Q for the quarter ended March 31, 2002 and Form 8-K filings with the Securities and Exchange Commission.
