Demand for our products remains strong, spurred by growth in our automotive and recreational product lines. The consumer segment recorded a 22 percent growth in revenues during this quarter and 24 percent year to date, with strength across most of our consumer product lines. The new iQue product, with deliveries starting last week, and the introduction of the StreetPilot 2610 and 2650 products have been received positively in the market.

Consumer revenue for the second quarter totaled \$114 million a 22 percent growth compared to the second quarter of 2002. Aviation revenue totaled \$29.2 million a 0.4 percent increase compared to the year-ago quarter. Total units sold for the quarter increased to 513,000 from 389,000 representing an increase of 32 percent.

We also generated \$43 million of free cash flow for the quarter, resulting in a cash and marketable securities balance of \$525 million at the end of the June 2003 quarter.

Revenue for the six-month period ending June 28, 2003 was \$267.3 million up 20 percent from the \$223.7 million generated in the year-ago period.
