Item 1.01 Entry Into A Material Definitive Agreement.

On March 14, 2007, Star Maritime Acquisition Corp. (AMEX: SEA), a Delaware corporation (the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with its newly-formed, wholly-owned subsidiary Star Bulk Carriers Corp., a Marshall Islands company (“Star Bulk”), whereby the Company will merge with and into Star Bulk, with Star Bulk as the surviving corporation (the “Redomiciliation Merger”). Star Bulk has entered into definitive agreements to acquire a fleet of eight drybulk carriers from certain wholly-owned subsidiaries of TMT Co., Ltd., a global shipping company with management headquarters in Taiwan.

The Company is a blank check company formed to acquire, through a merger, capital stock exchange, asset acquisition or similar business combination, one or more businesses in the shipping industry. In December 2005, Star Maritime through its initial public offering raised approximately \$188.7 million, which was deposited in a trust account, and \$11.3 million in a private placement to certain officers and directors and dedicated its time since the initial public offering to seeking and evaluating business combination opportunities.

Subject to the terms and conditions of the Merger Agreement, which has been unanimously approved by the board of directors of Star Maritime, following the Redomiciliation Merger: (i) the separate corporate existence of the Company will cease; (ii) each share of Star Maritime common stock, par value \$0.0001 per share, will be converted into the right to receive one share of Star Bulk common stock, par value \$0.01 per share; and (iii) each outstanding warrant of the Company will be assumed by Star Bulk with the same terms and restrictions, except that each will be exercisable for common stock of Star Bulk.

As provided in the Company’s Certificate of Incorporation, holders of Star Maritime common stock have the right to redeem their shares for cash if such stockholder votes against the Redomiciliation Merger, elects to exercise redemption rights and the Redomiciliation Merger is approved and completed.

The Company cannot complete the Redomiciliation Merger unless (1) the holders of at least a majority of the issued and outstanding shares of Star Maritime entitled to vote at the special meeting vote in favor of the Redomiciliation Merger; (2) holders of at least a majority of the shares issued in the initial public offering and private placement vote in favor of the Redomiciliation Merger; and (3) holders of less than 6,600,000 shares of common stock, such number representing 33.0% of the 20,000,000 shares of Star Maritime common stock issued in the initial public offering and private placement, vote against the Redomiciliation Merger and exercise their redemption rights to have their shares redeemed for cash.

Messrs. Tsirigakis and Syllantavos, the Company’s senior executive officers, and Messrs. Pappas and Erhardt, two of the Company’s directors, have agreed to vote an aggregate of 1,132,500 shares, or 3.9% of Star Maritime’s outstanding common stock, acquired by them in the private placement and any shares of Star Maritime common stock they may acquire in the future in favor of the Redomiciliation Merger and thereby waive redemption rights with respect to such shares. All of the Company’s officers and directors have agreed to vote an aggregate of 9,026,924 shares, or 31.1% of Star Maritime’s outstanding common stock, issued to them prior to the initial public offering and private placement in accordance with the vote of the holders of a majority of the shares issued in the initial public offering and private placement.

The Company filed with the Securities and Exchange Commission a preliminary joint proxy statement/prospectus under cover of Schedule 14A relating to the Company’s special meeting of stockholders. The Company expects to consummate the Redomiciliation Merger during the third quarter of 2007, assuming the requisite stockholder approval.

At the Effective Time, the separate corporate existence of Star Maritime shall cease, and Star Bulk shall continue as the surviving corporation. The surviving corporation in the Merger is sometimes referred to as the “Surviving Corporation.”

2.2

Closing; Effective Time.

The closing of the Merger (the “Closing”) shall take place at 10:00 a.m. Eastern Time at the offices of Seward & Kissel LLP, One Battery Park Plaza, New York, New York 10004, on the first Business Day following the date on which the last of the conditions set forth in Article VII hereof is fulfilled or waived, or at such other time and place as Star Maritime and Star Bulk shall agree (the date on which the closing occurs being the “Closing Date”). On the Closing Date, the parties shall cause the Merger to be consummated by filing a Certificate of Merger or like instrument (the “Merger Certificate”) with the Registrar of Corporations of the Republic of the Marshall Islands, in accordance with the applicable provisions of the BCA (the time of acceptance by the Registrar of Corporations of such filing being referred to herein as the “Effective Time”) and with the Secretary of State of the State of Delaware, in accordance with the applicable provisions of the DGCL.

2.3

Effect of the Merger.

At the Effective Time, the effect of the Merger shall be as provided in the applicable provisions of the BCA and the DGCL. Without limiting the generality of the foregoing, at the Effective Time, all the property, rights, privileges, powers and franchises of Star Maritime shall vest in the Surviving Corporation, and all debts, liabilities and duties of Star Maritime shall become the debts, liabilities and duties of the Surviving Corporation.

2.4

Prior to the filing of the Star Bulk Registration Statement, Star Bulk shall amend its Articles of Incorporation and By-laws on terms reasonably satisfactory to Star Maritime. At the Effective Time, these amended Articles of Incorporation and By-laws shall be the Articles of Incorporation and By-laws of the Surviving Corporation.

7

2.5

Directors and Officers.

The directors of the Surviving Corporation immediately after the Effective Time shall be the directors set forth in Schedule 2.5, each to hold the office of director of the Surviving Corporation in accordance with the provisions of the applicable laws of the Republic of the Marshall Islands and the Articles of Incorporation and By-laws of the Surviving Corporation (as amended pursuant to Section 2.4 above) until their successors are duly qualified and elected. The officers of the Surviving Corporation immediately after the Effective Time shall be such officers as are appointed by the Board of Directors of Star Bulk after the date hereof, each to hold office in accordance with the provisions of the By-laws of the Surviving Corporation (as amended pursuant to Section 2.4 above).

Conversion of Star Maritime Capital Stock.

Subject to Sections 2.7 and 2.9(e), each share of Star Maritime common stock issued and outstanding immediately prior to the Effective Time shall be converted into the right to receive, at the election of the holder thereof, the Per Share Merger Consideration. At the Effective Time, all Star Maritime Shares converted as set forth above shall no longer be outstanding and shall automatically be canceled and shall cease to exist, and each holder of a certificate or certificates that immediately prior to the Effective Time represented any such Star Maritime Shares (the "Certificates" and each, a "Certificate") shall cease to have any rights with respect thereto, except the right to receive the Per Share Merger Consideration and certain dividends or other distributions in accordance with Section 2.9(c) upon the surrender of such Certificate, in accordance with Section 2.9(b). Each Star Maritime Warrant issued and outstanding immediately prior to the Effective Time shall be convertible into a Star Bulk Warrant and shall be convertible into Star Bulk Shares as described in Section 6.6 of this Agreement. Schedule 2.6 lists, as of the Effective Time, the number of Star Bulk Shares which shall be issued to any Star Maritime security holder pursuant to this Section 2.6 and Section 6.6 hereof, assuming that all outstanding Star Maritime Shares are exchanged for, or converted to, Star Bulk Shares as contemplated by this Agreement. Each share of Star Bulk owned by Star Maritime at the time of the Merger shall be cancelled.

Such Star Maritime stockholders shall be entitled to receive for each Redemption Share held by them, payment of \$10.00 per share, which amount represents \$9.80 per share plus their pro rata share of any accrued on the escrow account (net of taxes payable) not previously distributed by Star Maritime and \$.020 per share plus interest thereon (net of taxes payable) of contingent underwriting compensation which the underwriters of Star Maritime's initial public offering have agreed to forfeit to pay redeeming shareholders, calculated as of two days prior to the Closing Date. Star Maritime Shares held by Star Maritime stockholders who failed to properly demand redemption of their Star Maritime Shares shall thereupon be deemed to have converted into and to become exchangeable of the right to receive, without any interest thereon, the Per Share Merger Consideration, upon surrender, in the manner provided in Section 2.6 above, of the Certificate or Certificates that formerly evidenced such shares of Star Maritime Shares. Any payments required to be made to the holders of any Redemption Shares shall be funded by Star Bulk.

8

2.8

Anti-Dilution Provisions.

In the event Star Bulk changes (or establishes a record date for changing) the number of Star Bulk Shares issued and outstanding prior to the Effective Time as a result of a stock split, stock dividend, recapitalization, subdivision, reclassification, combination, exchange of shares or similar transaction with respect to the outstanding Star Bulk Shares and the record date therefor shall be prior to the Effective Time, the Exchange Ratio and the Per Share Merger Consideration shall be proportionately adjusted to reflect such stock split, stock dividend, recapitalization, subdivision, reclassification, combination, exchange of shares or similar transaction.

2.9

Surrender of Certificates.

(a) **Exchange Agent.** As of the Effective Time, Star Bulk shall deposit with such bank or trust company as may be designated by Star Bulk and reasonably acceptable to Star Maritime (the "**Exchange Agent**"), for the benefit of the holders of shares of Star Maritime Capital Stock, for exchange in accordance with this Section 2.9, through the Exchange Agent, the Star Bulk Shares issuable pursuant to Section 2.6 in exchange for outstanding shares of Star Maritime Shares. At the time of such deposit, Star Bulk shall irrevocably instruct the Exchange Agent to deliver the Star Bulk Shares to Star Maritime's stockholders after the Effective Time in accordance with the procedures set forth in this Section 2.9, subject to Sections 2.9(f) and (g).

(b) **Exchange Procedures.** As soon as reasonably practicable after the Effective Time, the Exchange Agent shall mail to each holder of record of a Certificate whose shares were converted into the right to receive the applicable Per Share Merger Consideration pursuant to Section 2.6, a letter of transmittal (in form and substance satisfactory to Star Bulk and Star Maritime), with instructions for use in surrendering the Certificates in exchange for the applicable Per Share Merger Consideration with respect thereto. Upon surrender of a Certificate for cancellation to the Exchange Agent, together with such letter of transmittal, duly completed and validly executed, and such other documents as may reasonably be required by the Exchange Agent, the holder of such Certificate shall be entitled to receive in exchange therefor that number of whole Star Bulk Shares in accordance with Section 2.9(e), together with certain dividends or other distributions in accordance with Section 2.9(c), and the Certificate so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Star Maritime Shares that is not registered in the transfer records of Star Maritime, a certificate evidencing the proper number of Star Bulk Shares may be issued in exchange therefor to a person other than the person in whose name the Certificate so surrendered is registered if such Certificate shall be properly endorsed or otherwise be in proper form for transfer and the person requesting such issuance shall pay any transfer or other taxes required by reason of the issuance of Star Bulk Shares to a person other than the registered holder of such Certificate or establish to the satisfaction of Star Bulk that such tax has been paid or is not applicable. Until surrendered as contemplated by this Section 2.9(b), each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Per Share Merger Consideration that the holder thereof has the right to receive pursuant to the provisions of Section 2.6, plus certain dividends or other distributions in accordance with Section 2.9(c).

9

(c) Distributions with Respect to Unexchanged Shares. No dividends or other distributions declared or made with respect to Star Bulk Shares with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to Star Bulk Shares represented thereby, if any, and all such dividends and other distributions shall be paid by Star Bulk to the Exchange Agent, until the surrender of such Certificate in accordance with this Article II. Subject to the effect of applicable escheat or similar laws, following surrender of any such Certificate there shall be paid to the holder of whole Star Bulk Shares issued in exchange therefor, without interest, (i) at the time of such surrender, the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole Star Bulk Shares and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and with a payment date subsequent to such surrender payable with respect to such whole Star Bulk Shares.

(d) No Further Ownership Rights in Star Maritime Shares. All certificates evidencing Star Bulk Shares issued (including any dividends or other distributions paid pursuant to Section 2.9(c)) shall be deemed to have been issued and paid in full satisfaction of all rights pertaining to the shares of Star Maritime Shares formerly represented by such Certificates. At the close of business on the day on which the Effective Time occurs, the stock transfer books of Star Maritime shall be closed, and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the shares of Star Maritime Shares that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented to the Surviving Corporation or the Exchange Agent for transfer or any other reason, they shall be canceled and exchanged as provided in this Article II.

(e) Fractional Shares. No fractional shares of Star Bulk common stock shall be issued in the Merger. The aggregate Per Share Merger Consideration to be issued to the holder of a Certificate previously evidencing Star Maritime Shares shall be rounded up to the nearest whole share of Star Bulk common stock.

(f) Termination of Exchange of Star Bulk Shares. Any portion of the Star Bulk Shares (and any dividends or distributions thereon) that remain undistributed to the holders of the Certificates for six months after the Effective Time shall be delivered to Star Bulk, upon demand, and any holders of the Certificates who have not theretofore complied with this Article II shall thereafter look only to Star Bulk for, and, subject to Section 2.9(g), Star Bulk shall remain liable for payment of their claim for the Per Share Merger Consideration, certain dividends and other distributions in accordance with Section 2.9(c).

(g) No Liability. Notwithstanding anything to the contrary in this Section 2.9, none of the Exchange Agent, the Surviving Corporation or any party to this Agreement shall be liable to a holder of Star Bulk Shares or Star Maritime Shares for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law.

(h) Lost, Stolen or Destroyed Company Certificate. In the event any Certificates shall have been lost, stolen or destroyed, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificate, upon the making of an affidavit and indemnity of that fact by the holder thereof in a form that is reasonably acceptable to the Exchange Agent, the number of Star Bulk Shares as required pursuant to Section 2.6; provided, however, that Star Bulk may, in its reasonably commercial discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed Certificates to deliver a bond in such sum as it may reasonably direct against any claim that may be made against Star Bulk or the Exchange Agent with respect to the Certificates alleged to have been lost, stolen or destroyed.

2.10

Warrants

As of the Effective Time, Star Bulk shall deposit with the Exchange Agent, for the benefit of the holders of Star Maritime Warrants that have been exchanged into Star Bulk Warrants in accordance with Section 6.6 hereof, 20,000,000 shares of Star Bulk Shares issuable upon exercise of such Star Bulk Warrants.

2.11

Redemption Shares After Payment of Fair Value.

Redemption Shares, if any, after payments of fair value in respect thereto have been made to Redemption Star Maritime stockholders pursuant to the DGCL, shall be cancelled.

11

2.12

Tax and Accounting Consequences.

It is intended by the parties hereto that the Merger shall constitute a reorganization within the meaning of Section 368 of the Code. Each party has consulted with, and is relying upon, its tax advisors and accountants with respect to the tax and accounting consequences of the Merger.

FOR IMMEDIATE RELEASE

March 15, 2007

STAR MARITIME ACQUISITION CORP. AND STAR BULK CARRIERS CORP. ANNOUNCE THE FILING OF PRELIMINARY PROXY MATERIAL AND PROSPECTUS WITH THE SEC

New York, New York, March 15, 2007—Star Maritime Acquisition Corp. (AMEX:SEA), Delaware corporation (“Star Maritime”), and its wholly-owned subsidiary Star Bulk Carriers Corp., a Marshall Islands corporation (“Star Bulk”), announced today the filing with the Securities and Exchange Commission of a preliminary proxy statement of Star Maritime seeking approval of the merger of Star Maritime with and into Star Bulk with Star Bulk as the surviving corporation (the “Redomiciliation Merger”), and a registration statement of Star Bulk containing a prospectus for the registration of shares of Star Bulk that will be issued in exchange for shares of Star Maritime in the Redomiciliation Merger. The consummation of the merger is subject to, among other things, obtaining the requisite approval of the stockholders of Star Maritime at a special meeting.

Star Maritime is a blank check company formed to acquire, through a merger, capital stock exchange, asset acquisition or similar business combination, one or more businesses in the shipping industry. In December 2005, Star Maritime through its initial public offering raised approximately \$188.7 million, which was deposited in a trust account, and \$11.3 million in a private placement to certain officers and directors and dedicated its time since the initial public offering to seeking and evaluating business combination opportunities.

Definitive Agreements to Acquire the Initial Fleet of Eight Vessels:

Star Bulk has entered into definitive agreements to acquire a fleet of eight drybulk carriers consisting of two Capesize, one Panamax and five Supramax drybulk carriers with an average age of approximately 10 years and a combined cargo-carrying capacity of 691,213 deadweight tons from certain wholly-owned subsidiaries of TMT Co., Ltd. (“TMT”), a global shipping company with management headquarters in Taiwan. The aggregate purchase price is \$345,237,520, consisting of \$224,500,000 in cash and 12,537,645 shares of Star Bulk’s common stock.

Star Bulk's acquisition of the eight drybulk carriers from TMT is contingent upon the approval of the Redomiciliation Merger, following which Star Maritime will be merged out of existence and Star Bulk will be governed by the laws of the Republic of the Marshall Islands.

The Initial Fleet Agreed to be Acquired:

Set forth below is summary information for Star Bulk’s initial fleet. TMT has procured charters with third parties for four of the eight vessels in accordance with the acquisition agreements. Subsidiaries of Star Bulk have entered into time charter agreements with TMT for an additional two of the eight vessels.

TMT Vessel	To be renamed	Type	DWT	Year Built	Time Charter Term	Daily Time Charter Hire Rate
A Duckling	Star Alpha	Capesize	175,075	1992	3 years	\$ 47,500
B Duckling	Star Beta	Capesize	174,691	1993	Spot	N/A
C Duckling	Star Gamma	Supramax	53,098	2002	1 year	\$ 28,500
F Duckling	Star Delta	Supramax	52,434	2000	2 years	\$ 25,800
G Duckling	Star Epsilon	Supramax	52,402	2001	2 years	\$ 25,550
I Duckling	Star Zita	Supramax	52,994	2003	1 year	\$ 30,500
J Duckling	Star Theta	Supramax	52,425	2003	Spot	N/A
M o m m y Duckling	Star Iota	Panamax	78,585	1983	1 year	\$ 18,000

Star Bulk has received indication letters from international shipping lenders that will, subject to the approval of the Redomiciliation Merger, provide Star Bulk with a credit facility of up to \$120,000,000 with a minimum eight-year term and secured by the vessels that Star Bulk has agreed to acquire from TMT. Star Bulk intends to draw down approximately \$40,000,000 under the credit facility to fund a portion of the cash consideration portion of the aggregate purchase price of the vessels in the initial fleet. Any excess un-drawn funds under the credit facility will be used to replenish funds from the Trust Account used for redeeming shareholders, if any, with the remainder of the funds used for additional vessel acquisitions and to provide working capital.

Star Bulk's Anticipated Dividend Policy:

Star Bulk currently intends to pay quarterly dividends to the holders of its common shares, in February, May, August and November, in amounts that will allow it to retain a portion of its cash flows to fund vessel or fleet acquisitions, and for debt repayment and dry-docking costs, as determined by its board of directors. Star Bulk expects that the quarterly dividend for its first full quarter of operations will be \$0.325 per share.

Completion of the Redomiciliation Merger:

Star Maritime expects to consummate the Redomiciliation Merger during the third quarter of 2007.

The Board of Directors of Star Maritime has unanimously approved the Redomiciliation Merger. Star Maritime cannot complete the Redomiciliation Merger unless (1) the holders of at least a majority of the issued and outstanding shares of Star Maritime entitled to vote at the special meeting vote in favor of the Redomiciliation Merger; (2) holders of at least a majority of the shares issued in the initial public offering and private placement vote in favor of the Redomiciliation Merger; and (3) holders of less than 6,600,000 shares of common stock, such number representing 33.0% of the 20,000,000 shares of Star Maritime common stock issued in the initial public offering and private placement, vote against the Redomiciliation Merger and exercise their redemption rights to have their shares redeemed for cash.

Star Maritime's senior executive officers and two of its directors have agreed to vote an aggregate of 1,132,500 shares owned by them and any shares they may acquire in the future in favor of the Redomiciliation Merger. All of our officers and directors have agreed to vote an aggregate of 9,026,924 shares owned by them in accordance with the vote of the holders of a majority of the shares issued in the initial public offering and the private placement.

Following the Redomiciliation Merger, each outstanding share of Star Maritime common stock, par value \$0.0001 per share, will be converted into the right to receive one share of Star Bulk common stock, par value \$0.01 per share, and each outstanding warrant of Star Maritime will be assumed by Star Bulk with the same terms and restrictions except that each warrant will be exercisable for common stock of Star Bulk. Each warrant entitles the registered holder to purchase one share of our common stock at a price of \$8.00 per share, subject to adjustment, at any time commencing on the completion of a business combination. Following the effectiveness of the Redomiciliation Merger, the warrants will become exercisable. The warrants will expire on December 16, 2009 at 5:00 p.m., New York City time.

Following the Redomiciliation Merger, Star Bulk will have outstanding 41,564,569 shares of common stock, assuming that no stockholders vote against the Redomiciliation Merger and exercise redemption rights to have their shares redeemed for cash. In addition, Star Bulk will have 20,000,000 shares of common stock reserved for issuance upon the exercise of the warrants. Star Bulk will apply to have its common stock and warrants listed on the NASDAQ Global Market under the symbols "SBLK" and "SBLKW" respectively.

As provided in Star Maritime's Certificate of Incorporation, holders of Star Maritime common stock have the right to redeem their shares for cash if such stockholder votes against the Redomiciliation Merger, elects to exercise redemption rights and the Redomiciliation Merger is approved and completed.

Following the Redomiciliation Merger, TMT and its affiliates are expected to own between 30.2% and 35.9% of Star Bulk's outstanding common stock, depending on the number of shares redeemed for cash. Under certain circumstances, in the future, Star Bulk may issue up to an additional 1,606,962 shares of common stock to TMT (the "Additional Stock"). Assuming applicable conditions to issuance are satisfied after giving effect to the issuance of the Additional Stock, TMT and its affiliates are expected to own between 32.8% and 38.7% of the Star Bulk's outstanding common stock, depending on the number of shares redeemed for cash.

Non-Completion of the Redomiciliation Merger:

If Star Maritime does not complete the Redomiciliation Merger or another business combination transaction by December 21, 2007, Star Maritime will be liquidated and will distribute to all holders of shares issued in the initial public offering in proportion to their respective equity interests, an aggregate sum equal to the amount in the trust account, including any interest (net of any taxes payable) not previously released from the trust account, plus any remaining net assets. Star Maritime's officers and directors have agreed to waive their respective rights to participate in any liquidation distribution should Star Maritime fail to consummate a business combination transaction with respect to an aggregate of 10,159,424 shares of common stock owned by them. In the event of our liquidation, Star Maritime would not distribute funds from the trust account with respect to the Star Maritime warrants, which would expire.

Forward-Looking Statements

The information in this press release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements include, but are not limited to, statements regarding: (1) the delivery and operation of assets of Star Bulk; (2) Star Bulk's future operating or financial results; (3) future, pending or recent acquisitions, business strategy, areas of possible expansion, and expected capital spending or operating expenses; (4) drybulk market trends, including charter rates and factors affecting vessel supply and demand; and (5) other statements identified by words such as "anticipate," "believe," "plan," "estimate," "expect," "intend," "will," "may," or words of similar meaning.

Such forward looking statements are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, Star Maritime and Star Bulk's examination of historical operating trends, data contained in their records and other data available from third parties. Although Star Maritime and Star Bulk believe that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond their control, Star Maritime and Star Bulk cannot assure you that Star Maritime or Star Bulk will achieve or accomplish these expectations, beliefs or projections. Important factors that could cause actual results to differ materially from those discussed in the forward-looking statements include the failure of Star Maritime to obtain the requisite stockholder approval, failure of a seller to deliver one or more vessels, the strength of world economies and currencies, general market conditions, including changes in charterhire rates and vessel values, changes in demand that may affect attitudes of time charterers to scheduled and unscheduled drydocking, changes in Star Bulk's operating expenses, including bunker prices, dry-docking and insurance costs, or actions taken by regulatory authorities, potential liability from pending or future litigation, domestic and international political conditions, potential disruption of shipping routes due to accidents and political events or acts by terrorists. Additional factors that could cause Star Maritime's and Star Bulk's results to differ materially from those described in the forward-looking statements can be found in Star Maritime's reports (such as Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K) and Star Bulk's Registration Statement Form F-1/F-4 filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and Star Maritime and Star Bulk disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
