The 2011 Annual Meeting of Shareholders of ARI Network Services, Inc. (the “Company”) will be held at the Company’s headquarters located at 10850 West Park Place, Suite 1200, Milwaukee, Wisconsin, on Tuesday, December 20, 2011, at 9:00 a.m., local time, for the following purposes:

1. To elect three directors nominated by the Company’s Board of Directors to serve until 2014 and until their successors are elected and qualified;
2. To ratify the appointment of Wipfli LLP as the Company’s independent auditors for the Company’s fiscal year ending July 31, 2012; and
3. To transact such other business as may properly come before the meeting.

Shareholders of record at the close of business on October 19, 2011 are entitled to notice of and to vote at the meeting and at all adjournments thereof.

Holders of a majority of the outstanding shares must be present in person or by proxy in order for the meeting to be held. Shareholders are urged to vote by completing and returning the accompanying proxy in the enclosed envelope, by a telephone vote or by voting electronically via the internet, whether or not they expect to attend the annual meeting in person. Instructions for telephonic and electronic voting are contained in the accompanying proxy. If you attend the meeting and wish to vote your shares personally, you may do so by revoking your proxy at any time prior to the voting thereof. In addition, you may revoke your proxy at any time before it is voted by advising the Secretary of the Company in writing (including executing a later dated proxy or voting via the Internet) or by telephone of such revocation.

If your shares are held in “street name” (through a broker, bank or other nominee), you may receive a separate voting instruction with this proxy statement, or you may need to contact your broker, bank, or other nominee to determine whether you will be able to vote telephonically, electronically using the Internet, or what is required to vote your shares in person at the annual meeting.

PROXY STATEMENT

The Board of Directors of ARI Network Services, Inc. (the “Company”) submits the enclosed proxy for the annual meeting to be held on the date, at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Each shareholder of record at the close of business on October 19, 2011 will be entitled to one vote for each share of Common Stock registered in such shareholder’s name. As of October 19, 2011, the Company had outstanding 7,987,944 shares of common stock, par value \$0.001 (the “Common Stock”). The presence, in person or by proxy, of a majority of the shares of Common Stock outstanding on the record date is required for a quorum at the meeting. This proxy statement and the accompanying proxy and Annual Report to Shareholders are being sent to the Company’s shareholders commencing on or about November 9, 2011.

Any shareholder executing and delivering the enclosed proxy may revoke the same at any time before it is voted by advising the Secretary of the Company in writing of such revocation (including executing a later-dated proxy) or by voting via the Internet or by telephone.

Unless otherwise directed, all proxies will be voted as follows:

FOR the election of the three individuals nominated by the Company’s Board of Directors to serve as directors; and
FOR the ratification of the appointment of Wipfli LLP as the Company’s independent auditors for the Company’s fiscal year ending July 31, 2012.

Under the Company’s Amended and Restated By-Laws, directors are elected by a plurality of votes cast at the meeting (assuming a quorum is present). In other words, the nominees receiving the largest number of votes will be elected. Any shares not voted, whether by withheld authority, broker non-vote or otherwise, will have no effect on the election of directors except to the extent that a failure to vote for an individual results in another individual receiving a larger number of votes. Any votes attempted to be cast “against” a candidate are not given legal effect and are not counted as votes cast in an election of directors. The other proposal will be approved if the affirmative votes exceed the votes cast against. Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present at the meeting but are not affirmative votes or votes against and, therefore, will have no effect on the outcome of the voting.

IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS FOR THE SHAREHOLDER MEETING TO BE HELD ON DECEMBER 20, 2011

The Company’s Annual Report to Shareholders, including this proxy statement, is available at www.proxyvote.com.

In addition, Mr. Mortimore's experience as a director of the Company, Chairman of the Audit Committee and the "audit committee financial expert," has provided him with an in-depth understanding of the business of the Company and the markets in which it competes.

CORPORATE GOVERNANCE

The Board of Directors held 17 meetings in fiscal 2011. Each director attended 75 percent or more of the combined number of meetings of the Board and of the committees on which such director served. While the Company has not adopted a formal policy requiring Board members to attend the annual meeting, all directors are encouraged to attend. All of the Company's directors who were members of the Board of Directors on the date of the 2010 annual meeting of shareholders attended the meeting.

The positions of Chairman of the Board and Chief Executive Officer of the Company are currently separate, with Mr. Dearing serving as Chairman of the Board and Mr. Olivier serving as President and Chief Executive Officer. The Company believes this leadership structure is appropriate at this time because it allows the Company to fully benefit from the leadership ability, industry experience and history with the Company that each of these individuals possesses.

6

The Board of Directors currently does not have a formal process for shareholders to send communications to the Board of Directors. Nevertheless, efforts are made to ensure that the views of shareholders are heard by the Board of Directors or individual directors, as applicable, and that appropriate responses are provided to shareholders on a timely basis. The Board of Directors believes that informal communications are sufficient to communicate questions, comments and observations that could be useful to the Board of Directors. However, shareholders wishing to formally communicate with the Board of Directors may send communications directly to ARI Network Services, Inc., Attention: Chairman, 10850 West Park Place, Suite 1200, Milwaukee, Wisconsin 53224. The Chairman will review such communications and, if appropriate, forward such communications to other Board members.

The Company's Board of Directors has established an Audit Committee that currently is composed of Mr. Mortimore (chairman), Mr. Bridge and Mr. Poseidon. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached as Appendix A. Information regarding the functions performed by the Audit Committee, its membership, and the number of meetings held during fiscal 2011 is set forth in the "Report of the Audit Committee" included in this proxy statement. The members of the Audit Committee are independent under the NASDAQ listing standards regarding the independence of directors, including Audit Committee members. The Board of Directors has determined that Mr. Mortimore is an "audit committee financial expert" and is "independent" as those terms are defined under the Securities and Exchange Commission ("SEC") regulations and the NASDAQ listing standards.

The Company's Board of Directors has established a Compensation Committee that currently is composed of Mr. Poseidon, Mr. Bridge and Mr. Feierstein, each of whom is "independent" as such term is defined under the NASDAQ listing standards. The duties of the Compensation Committee are to approve all executive compensation, to administer the Company's 1991 Incentive Stock Option Plan, the 2000 Employee Stock Purchase Plan, the 1993 Director Stock Option Plan, the 2000 Stock Option Plan, the 2010 Equity Incentive Plan and the 2010 Employee Stock Purchase Plan, and to recommend director compensation for approval by the entire Board. The Compensation Committee does not have a written charter, and does not engage the services of a compensation consultant in determining or recommending the amount or form of executive or director compensation. However, the Compensation Committee does rely on several third party services for compensation information.

The Company's chief executive officer makes recommendations to the Compensation Committee regarding the numbers of options to be granted to the Company's executive officers and other employees based in part on input he receives from the Company's human resources personnel. The chief executive officer also makes recommendations to the Compensation Committee with respect to other executive compensation, though he recuses himself from portions of Compensation Committee meetings during which his own compensation is discussed. The Company's chief financial officer has historically made recommendations to the Compensation Committee regarding director compensation. The Compensation Committee met 5 times during fiscal 2011.

The Company's Board of Directors has also established a Nominating and Corporate Governance Committee (the "Nominating Committee") that is currently composed of Mr. Mortimore (Chairman), Mr. Bridge and Mr. Olivier. Mr. Mortimore and Mr. Bridge are "independent" as such term is defined under the NASDAQ listing standards. Mr. Olivier is not independent under the NASDAQ listing standards because of his employment relationship with the Company. The Board of Directors has adopted a written charter for the Nominating Committee, a copy of which is attached as Appendix B. The duties of the Nominating Committee include, among others: developing guidelines for selecting candidates for election to the Board of Directors, and periodically reviewing such guidelines; recommending to the Board of Directors the nominees to stand for election to or to fill vacancies on the Board of Directors; identifying new candidates for Board membership; coordinating self-evaluations of the Board of Directors and its committees; developing corporate governance guidelines; and developing director and officer succession plans. The Nominating Committee, which was established by the Board of Directors effective June 2, 2011, did not meet during fiscal 2011.

The Nominating Committee and the Board of Directors will consider candidates for director that are nominated by shareholders in accordance with the procedures set forth in the Company's by-laws. Under the by-laws, nominations, other than those made by the Board of Directors, must be made pursuant to timely notice in proper form to the secretary of the Company. To be timely, a shareholder's request to nominate a person for director, together with the written consent of such person to serve as a director, must be received by the secretary of the Company at the principal office not later than 90 days and not earlier than 150 days prior to the anniversary date of the annual meeting of shareholders in the immediately preceding year. To be in proper written form, the notice must contain certain information concerning the nominee and the shareholder submitting the nomination.

The Nominating Committee and the Board of Directors will also consider proposed nominees whose names are submitted to it by shareholders. However, it does not have a formal process for that consideration because it believes that the informal consideration process has been adequate given the historical lack of shareholder director nominations. The Nominating Committee and the Board of Directors intend to review periodically whether a formal policy should be adopted.

The Board of Directors has generally identified nominees based upon suggestions by non-management directors, management members and/or shareholders. Under the guidelines set forth in its charter, the Nominating Committee and other directors recognize that the contribution of the Board of Directors depends not only on the character and capacities of the directors taken individually but also on their collective strengths. It is the Nominating Committee's policy that the Board should be composed of directors who bring a variety of experience and backgrounds; who will form a central core of business executives with substantial senior management experience and financial expertise; who represent the balanced interests of the shareholders as a whole and the interests of the Company's stakeholders; a majority of whom are independent under the NASDAQ listing standards; who reflect a diversity of experience, gender, race and age; and whose experience and backgrounds are relevant to the Company's business operations and strategy. The Board of Directors does not evaluate proposed nominees differently based on who made the proposal.

Code of Ethics

The Company has adopted a code of ethics that applies to all employees, including our principal executive officer, principal financial officer, principal accounting officer or controller and persons performing similar functions. The code of ethics is designed to promote honest and ethical conduct, including the ethical handling of conflicts of interest, compliance with applicable laws, and full, accurate, timely and understandable disclosure in reports we send to our shareholders or file with the SEC. Violations of the code of ethics are to be reported to the Audit Committee. A copy of the code of ethics may be obtained, without charge, by sending a request to ARI Network Services, Inc., Attention: Chief Financial Officer, 10850 West Park Place, Suite 1200, Milwaukee, Wisconsin 53224.

Board Oversight of Risk

The Audit Committee is responsible for assisting the Board of Directors with its oversight of the performance of the Company's risk management functions including periodically reviewing and discussing with management the Company's major financial risk exposures and the steps that management has taken to assess, monitor and control such exposures and periodically reporting to the Board of Directors on its activities in this oversight role.

Janecek, the Company's next most highly compensated executive officer at the end of fiscal 2011, and Michael T. Tenpas, who would have been the Company's second most highly compensated executive officer at the end of fiscal 2011 but for the fact that he was not serving as an executive officer of the Company on that date. We refer to these individuals collectively as the Company's "named executive officers."

The annual component of the Company's Management Incentive Bonus Plan ("MIBP") provides for annual cash incentives for the participants, which, in fiscal 2011, included Mr. Olivier, Mr. Janecek and Mr. Tenpas, among others. The amount of the annual incentive opportunity was based on three to five management bonus objectives ("MBOs") for each of the four fiscal quarters agreed upon by the executive officer and the chief executive officer (or Compensation Committee for the CEO) at the beginning of fiscal 2011. Each employee's objectives are designed to align with the Company's core values.

Under the MIBP for fiscal 2011, participants were eligible for a payout of up to 100% of the quarterly incentives based on achievement of performance toward each of the established objectives. At the end of the fiscal year, participants employed by the Company became eligible for an additional payment (subject to a maximum of 150% and a floor of 25%) based on the Company's overall performance against its financial targets. The combined results for the fiscal year ended July 31, 2011 under the annual incentive arrangements described above resulted in payouts ranging from 90% to 108% of the participants' target incentive amounts for the fiscal year ended July 31, 2011, as follows: Mr. Olivier—107%; Mr. Janecek—108%; and Mr. Tenpas—90%.

In addition to being a participant in the Management Incentive Bonus Plan arrangement described above, in his capacity as Vice President of Sales, Mr. Tenpas was eligible for fiscal 2011 to receive a commission achievement of new contract sales and base revenue components, weighted approximately 70% and 30%, respectively. For fiscal 2011, Mr. Tenpas received commissions totaling \$32,566.

Long-Term Incentive Compensation. The Company's executive officers were awarded long-term incentive compensation under the long-term component of Company's Management Incentive Bonus Plan until the Plan was terminated at the end of fiscal 2008. These awards were based on a target award equal to the executive's actual annual incentive earned, adjusted based on the Company's performance over three consecutive one-year performance periods. The amount of the payout was adjusted on a sliding scale based on the extent to which the Company's revenue plan is achieved for each of the three years, ranging from a floor of 75% of the target award if the Company's revenue plan is not met to a cap of 200% of the target award if revenue equals or exceeds 150% of plan. One-half of the floor amount (75% of the target award) is paid in Company Common Stock, valued at the time of payment, and the remainder of the award is paid in cash. The award was to be paid in three annual payments following each of the three years in the performance period, provided the participant is employed by the Company at such time.

Mr. Olivier was paid at the 75% floor for his fiscal 2007 and fiscal 2008 long-term incentive compensation during fiscal 2011 with 6,508 shares of the Company's common stock valued at \$3,710 and \$3,710. One-third of Mr. Olivier's fiscal 2008 long-term incentive compensation is accrued at the 75% floor, or \$6,883, which is expected to be paid during fiscal 2012, one-half in common stock and one-half in cash.

Equity Performance Bonus Plan. In October 2011, the Compensation Committee adopted a new equity performance bonus plan pursuant to which participants will be eligible to receive an award of restricted shares of Company Common Stock based on the per share market price of the Common Stock on a pre-determined date.

While the Compensation Committee intends to designate other executive officers as participants in the equity performance bonus plan for future fiscal years, Mr. Olivier is the only participant fiscal 2012. Under the plan for fiscal 2012, Mr. Olivier will receive an award of restricted stock with a grant date fair value of \$150,000 if the closing price per share of Company Common Stock on July 31, 2012 is at least \$3.00. To the extent the closing price per share on July 31, 2012 is less than \$3.00, the Compensation Committee may, in its discretion, determine to grant Mr. Olivier a number of shares of restricted stock based on the Compensation Committee's subjective assessment of the Company's performance against key financial targets, investor relations program activity, peer group comparisons and other subjective factors as the Compensation Committee may deem appropriate in its discretion. Any such subjective grant determination by the Compensation Committee will be subject to approval by the Company's Board of

Directors. Any shares of restricted stock granted under the plan will be subject to a four-year vesting period, at a rate of 25% per year in each of the four years.

Agreements with Named Executive Officers

Mr. Olivier. In connection with his appointment as the Company's President and Chief Executive Officer, on May 1, 2008, the Company entered into an employment agreement with Mr. Olivier. The term of the Mr. Olivier's agreement is three years, subject to earlier termination in accordance with the terms of the agreement. Following the three-year term, the agreement will automatically be renewed for successive one-year periods unless terminated by Mr. Olivier or the Company's Board of Directors at least 30 days prior to the third year of the employment term or prior to the commencement of each renewal term.

Mr. Olivier's agreement provides that Mr. Olivier will receive an annual salary of at least \$250,000, subject to annual review and adjustment by the Compensation Committee of the Company's Board. Mr. Olivier is to be eligible to participate in the Company's Management Incentive Bonus Plan; is eligible to participate in stock option plans and grants, if any, that are offered to senior executive/officer employees of the Company; and is entitled to receive perquisites and benefits provided by the Company to its senior executives, subject to applicable eligibility criteria. Also pursuant to the agreement, Mr. Olivier was granted an option to purchase 300,000 shares of the Company's common stock pursuant to the terms of an award agreement between Mr. Olivier and the Company. The agreement also provided for the reimbursement of Mr. Olivier for up to \$30,000 of his actual out-of-pocket moving expenses incurred in accordance with its terms. Mr. Olivier sold his residence at a loss in fiscal 2010 for which the Company reimbursed him \$77,821. This additional amount was approved by the Compensation Committee.

In the event that Mr. Olivier is terminated without "cause," by death or "disability" or for "good reason" (as defined in the agreement), the agreement provides that Mr. Olivier will have the right to receive any unpaid base salary and any earned but unpaid bonus due to him as of the effective date of the termination. In addition, in the event Mr. Olivier is terminated without "cause" or for "good reason," he will have the right to receive (1) his base salary, at the rate in effect at the time of termination, for one year following the date of termination; (2) a bonus for the remainder of the term of the agreement, calculated in accordance with the agreement; and (3) acceleration of all of his outstanding unvested

options as of the date of the termination. If Mr. Olivier is terminated for “cause” or if he resigns from employment with the Company, or if the agreement is not renewed by Mr. Olivier, he will have the right to receive any unpaid base salary and any earned but unpaid bonus due to him as of the effective date of the termination. If Mr. Olivier retires in accordance with any retirement plan or policy for senior executives adopted by the Company, he will have the right to receive any unpaid base salary and any earned but unpaid bonus due to him as of the effective date of the termination, and any additional benefits provided under the retirement plan or policy.

Mr. Janecek. In connection with his appointment as the Company's Chief Financial Officer, on December 10, 2010, the Company entered into an employment agreement with Mr. Janecek. The term of Mr. Janecek's employment under the agreement is for an indefinite period and the agreement may be terminated by either party at any time and for any reason or for no reason upon written notice to the other party.

The employment agreement provides that Mr. Janecek will receive an annual salary of \$200,000, subject to annual review and adjustment by the Compensation Committee. Mr. Janecek is eligible to participate in the Company's Management Incentive Bonus Plan; and is entitled to receive perquisites and benefits provided by the Company to its senior executives, subject to applicable eligibility criteria. Also pursuant to his employment agreement, Mr. Janecek was, upon the approval of the Compensation Committee, granted an option to purchase 50,000 shares of the Company's common stock pursuant to the terms of an award agreement between Mr. Janecek and the Company.

In the event that Mr. Janecek is terminated without "cause" (as defined in the agreement) or in connection with Mr. Janecek's death or disability, or if Mr. Janecek resigns his employment with the Company for "good reason" (as defined in the agreement), the agreement provides that Mr. Janecek will have the right to receive any unpaid base salary and any earned but unpaid bonus due to him as of the effective date of the termination. In addition, in the event of a termination without cause or for good reason, Mr. Janecek will be entitled (contingent upon his execution of a severance agreement) to receive his base salary as then in effect for nine months following the effective date of the termination and a pro rated bonus payment. If Mr. Janecek is terminated for "cause" or if he resigns his employment with the Company without good reason, he will have the right to receive any unpaid base salary with respect to the period prior to the date of termination and any earned but unpaid bonus due to him as of the effective date of termination.

Change of Control Agreements. The Company has entered into Change of Control Agreements ("Change of Control Agreements") with each of its executive officers. The Change of Control Agreements are intended to reduce the incentive for officers not to support a transaction that is beneficial to shareholders for fear that their employment would be terminated, to retain the services of these officers and to provide for continuity of management in the event of any "Change of Control," as defined below. These Change of Control Agreements provide that each officer shall receive severance benefits equal to two times the sum of salary and targeted bonuses and medical and dental plan continuation for two years if, within two years following a "Change of Control," as defined below, the officer's employment is terminated without cause or by the executive for good reason. For this purpose, "good reason" is defined to include: (i) a material diminution of or interference with the officer's duties and responsibilities; (ii) a change in the principal workplace of the officer to a location outside of a 50-mile radius from Milwaukee, Wisconsin; (iii) a reduction or adverse change in the salary, bonus, perquisites, benefits, contingent benefits or vacation time previously provided to the officer; or (iv) an unreasonable increase in the workload of the officer. In addition, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. If the officer leaves ARI for any other reason, within two years following a Change of Control, the officer will receive a prorated portion of the officer's average annual bonus for the preceding three fiscal years. The officer is under no obligation to mitigate amounts payable under the Change of Control Agreements. In addition, upon a Change of Control, all stock options and similar awards become immediately vested and all deferred compensation becomes payable.

For purposes of the Change of Control Agreements, a "Change of Control" means any of the following events: the acquisition (other than from the Company) by any individual, entity or group, subject to certain exceptions, of beneficial ownership, directly or indirectly, of 50% or more of the combined voting power of the Company's then outstanding voting securities; (ii) a merger, consolidation, share exchange, or sale or disposition of substantially all of the assets of the Company; or (iii) approval by the Company's shareholders of a complete liquidation or dissolution of the Company.

REPORT OF THE AUDIT COMMITTEE

The primary responsibility of the Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors and to report the results of its activities to the Board. The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under standards of the Public Company Oversight Board (United States). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including matters in the written disclosures required by the Independence

Standards Board and considered the compatibility of non-audit services with auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examination and their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held five meetings during fiscal 2011.

In reliance on the views and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended July 31, 2011 for filing with the Securities and Exchange Commission.
